Enrollment Checklist

Print and use this checklist. It will help you go through the steps to enroll in a T-TEN program.

- Determine the school(s) you would like to attend (use the school locator on the T-TEN Website (www.t-ten.com)).
- Go to the school's Website.
- Search for the T-TEN program.
- Contact the T-TEN coordinator.
- Complete the school application.
- Research financial aid options.
- Apply for financial aid (if applicable).
- Send a copy of your official* high school transcript to the T-TEN school.
- Determine the classes you need to take (the T-TEN coordinator can help).
- Sign up for classes.

* An official high school transcript includes the school's official seal, the signature of a school official, your class rank and size, and your high school coursework. You must contact your high school for an official school transcript.
