## DISCLOSURES

1. Toyota Connected Services vary by vehicle and are subject to change at any time without notice. Requires an active compatible cellular network, a cellular network connection, GPS signal, and other factors. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when an active compatible cellular network or cellular network connection changes or is discontinued, or the underlying technology required to support service becomes obsolete, then Connected Services will not work, and Toyota will need to discontinue impacted services. Service also requires account registration through the Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. All trials begin on original purchase or lease date of new vehicle, with the exception of Wi-Fi for which trial begins at time of activation. Paid subscription required after trial (if applicable). 2. Safety Connect services vary by vehicle and are subject to change at any time without notice. Requires an active compatible cellular network, a cellular network connection, GPS signal, and other factors. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when an active compatible cellular network and/or cellular network connection changes or is discontinued, or the underlying technology required to support services becomes obsolete, then Connected Services will not work, and Toyota will need to discontinue impacted services. Also requires account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Safety Connect trial is included for a minimum of 5 years. 4G network dependent. 3. Contact with the response center may not be available in all areas. Service Agreement required. A variety of subscription terms available; charges will vary. See Toyota.com for details. 4. Service Connect functions vary by vehicle and are subject to change at any time without notice. Requires an active compatible cellular network, a cellular network connection, GPS signal, and other factors. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when an active compatible cellular network and/or cellular network connection changes or is discontinued, or the underlying technology required to support services becomes obsolete, then Connected Services will not work, and Toyota will need to discontinue impacted services. Services also require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Information provided is based on the last time data was collected from the vehicle and is not real time data. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. 5. Use Remote Connect only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Requires an active compatible cellular network, a cellular network connection, GPS signal, and other factors. Without any one or more of these things, operability may be limited or precluded. Further, if and when an active compatible cellular network and/or cellular network connection changes or is discontinued, or the underlying technology required to support services becomes obsolete, then Connected Services will not work, and Toyota will need to discontinue impacted services. Also requires account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. All trials begin on original purchase or lease date of new vehicle, with the exception of Wi-Fi for which trial begins at time of activation. Paid subscription required after trial (if applicable). 6. Service not available everywhere or in every vehicle. Requires an active compatible cellular network, a cellular network connection, GPS signal, and other factors. Without any one or more of these things, operability may be limited or precluded. Further, if and when an active compatible cellular network and/or cellular network connection changes or is discontinued, or the underlying technology required to support service becomes obsolete, then Connected Services will not work, and Toyota will need to discontinue impacted services. Depending on model/model year, up to 10 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscription(s) to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to <https://myvehicle.att.com/#/toyota/learn?language=en&country=US> for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. 7. Drive Connect services may vary and are subject to change at any time without notice. Requires an active compatible cellular network, a cellular network connection, GPS signal, and other factors. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when an active compatible cellular network and/or cellular network connection changes or is discontinued, or the underlying technology required to support services becomes obsolete, then Connected Services will not work, and Toyota will need to discontinue impacted services. Also requires account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. Trial period begins on original purchase or lease date of new vehicle Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. 8. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable.
