The hybrid revolution continues.

To this day, Prius remains an icon among hybrids. Since it ignited the hybrid revolution 20 years ago, it has not only gotten more efficient, but also more powerful. The 2021 Toyota Prius is geared up to take on your every whim with its available AWD-e, ample cargo space and tech that inspires. And with the aggressively styled 2020 Edition, Prius further sets the standard for the modern-day hybrid.
CAPABILITY

Don’t just imagine the possibilities. Explore them.

Capable of much more than just city commutes, Prius offers ample cargo space for your impromptu adventures and planned itineraries. If up to 27.4 cu. ft. of space with the seats up or 50.7 cu. ft. with the seats folded flat isn’t enough to hold all your gear; cargo cross bars are available to share the load. Seek out hidden gems — like that quiet surf spot or that bustling marketplace — in the 2021 Prius, and you’ll be in your element.

Impressive fuel efficiency

With up to an EPA-estimated combined 52 mpg, Prius encourages you to go further than you thought possible. For AWD models, capability and efficiency work together for an EPA-estimated combined 49 mpg. And for added efficiency, L Eco has up to an EPA-estimated combined 56 mpg.

Cargo space

The ample cargo space on Prius leaves room for your tent, snowboard or gear of choice. Prius offers up to 50.7 cu. ft. of space with its 60/40 fold-down rear seats folded, maximizing cargo and versatility.

Cross bars

Think outside the car. The available accessory cargo cross bars on Prius offer even more space — and possibilities — for your next adventure.
EXTERIOR

Style to inspire your next escape.

From city streets to mountain highways, navigate all roads with style and confidence. The artfully sculpted exterior of Prius suits any setting, no matter where your curiosity takes you. Each striking feature is purposefully designed to encourage you to embrace more of life’s moments with fewer compromises.

2020 Edition’s exterior styling

The revamped exterior of the 2020 Edition warrants a double take. Blackout headlights, black badging and exclusive 17-in. black alloy wheels give it that statement-making edge.

Fog lights and LED accent lights

Rain or shine, Prius will take you there. The fog lights that come standard on AWD grades are designed to increase your visibility while driving through fog, and the LED accent lights add to the vehicle’s stun factor.

Sculpted exterior

Prius’ sleek lines, active grille shutter, aero stabilizing fins and underbody panels all work together to smooth airflow, which in turn helps maximize fuel efficiency.
INTERIOR

More reasons to take the long way home.

Designed for your convenience, Prius’ interior features the latest tech, like available Premium JBL\textsuperscript® Audio and the color Head-Up Display (HUD) that uses aircraft-inspired technology to project important information right onto the windshield. Stylish touches further elevate your driving experience.

11.6 in. multimedia display

You’ll want to take note of this. Prius’ available 11.6-in. display uses intuitive pinch, zoom, tap and swipe gestures that create a familiar smartphone-like experience while giving you easy access to the features that matter most.

Three USB ports

Put an end to the power struggle. You and your passengers can charge your compatible devices through the two 2.1A rear charging ports\textsuperscript* in the back, and play your music through Prius’ audio system via the media port in the front.

Qi-compatible wireless charging

No wires. Total convenience. With available Qi-compatible wireless smartphone charging\textsuperscript* simply place your Qi-compatible device on the nonslip surface to charge it up on the go — without the interference of cords.

2020 Edition’s interior styling

Prius’ spacious interior sports modern touches on the 2020 Edition. Brushed aluminum and black chrome accents throughout the versatile space ensure that style and comfort can live in harmony.
Amplify your drive.

Take advantage of smarter and convenient technologies designed to simplify your everyday life. From a suite of services that are there for you 24/7 to an immersive audio multimedia system, you can stay connected to your world.

Connected Services

Our available suite of Connected Services provides added convenience and peace of mind.

- **Safety Connect®**
  Emergency SOS assistance and 24/7 Toyota Roadside Assistance.

- **Wi-Fi Connect**
  Turn your Toyota into a hotspot with 4G connectivity.

To view included trial details, please visit toyota.com/connected-services.

Audio Multimedia

Make every drive more personal. By utilizing your vehicle’s touchscreen display and audio multimedia capabilities, you’ll always have access to what you want. Whether it’s listening to your favorite playlist or finding the most scenic route to your destination, you’ll enjoy the latest in connectivity and technologies that are all about you.

Apple CarPlay®

Bring along a familiar face. With Apple CarPlay® compatibility, you can use your compatible iPhone with the audio multimedia system to get directions, make calls, send and receive messages, and listen to music — all while staying focused on your commute.

Android Auto™

Stay connected on the road. By pairing your compatible Android™ phone with the audio multimedia system, Android Auto™ lets you access your Google Assistant, get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

SiriusXM® All Access 3-month trial subscription

Enjoy listening to what you want to hear. With SiriusXM, you get the deepest variety of ad-free music, more sports coverage than anywhere else, exclusive talk channels, every kind of comedy, and the most complete news coverage.

Amazon Alexa

Almost anywhere the road takes you, Amazon Alexa connectivity follows. With a smartphone connection and the Toyota+Alexa app, all you have to do is ask Alexa to play music, listen to audiobooks, hear the news, check weather, control smart-home devices and more.

JBL®

Feel the difference and hear the truth. Designed specifically for Toyota, JBL® finely tunes each speaker to the interior of the vehicle. Just turn up the volume to hear the crisp, rich, vibrant sound come through.

Feature availability may vary by model grade. See numbered footnotes in Disclosures section.

*Android Auto™ and Wi-Fi Connect not available with Premium Audio on Prius.
Peace of mind comes standard.

Toyota Safety Sense™ 2.0 (TSS 2.0) is a bundle of active safety features included on many new Toyota vehicles at no additional cost. These innovative features were designed to help protect you and your passengers from harm.

- Pre-Collision System with Pedestrian Detection
- Full-Speed Range Dynamic Radar Cruise Control
- Lane Departure Alert with Steering Assist
- Automatic High Beams
- Lane Tracing Assist
- Road Sign Assist

For more information, visit toyota.com/safety-sense. Feature availability may vary by model grade. See numbered footnotes in Disclosures section.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that’s not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Hybrid-Related Component Coverage: Hybrid-related components, including the battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. Refer to applicable Warranty and Maintenance Guide for details.

Hybrid Battery: HV battery is covered for 10 years or 150,000 miles, whichever comes first. Warranty coverage is subject to terms and conditions. Refer to applicable Warranty and Maintenance Guide for details.

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle’s in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it’s necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota’s warranties, please visit www.toyota.com, refer to the applicable Warranty and Maintenance Guide or see your Toyota dealer.

### PRIUS SPECIFICATIONS

#### Mechanical

**ENGINE**

- **Type**: 1.8-Liter, 4-Cylinder Aluminum DOHC 16-Valve with Variable Valve Timing with intelligence (VVT-i), EV/ECO/POWER Modes; 96 hp @ 5200 rpm (71 kW @ 5200 rpm); 105 lb.-ft. @ 3600 rpm (142 N•m @ 3600 rpm)
- **Compression ratio**: 13.0:1
- **Induction system**: Sequential multi-point EFI with Electronic Throttle Control System with intelligence (ETCS-i)

**EMISSION RATING**

- **SULEV with Advanced Technology Partial Zero Emission Vehicle (AT-PZEV)**

**ELECTRIC MOTOR**

- **Motor type**: Permanent magnet AC synchronous motor
- **Motor type**: Magnetless rear motor (5kW)
- **Power output**: 71 hp (53 kW)
- **Torque**: 120 lb.-ft. (163 N-m)
- **Voltage**: 600V maximum

**TRACER TRAIN**

- **Front-Wheel Drive**
- **Electronic On-Demand Compact All-Wheel Drive (AWD-e)**

**SUSPENSION**

- **Independent MacPherson strut front suspension with stabilizer bars, multi-link rear suspension with stabilizer bars**

**STEERING**

- **Electric Power Steering (EPS), power-assisted rack-and-pinion**

**BRAKE**

- **Power-assisted ventilated front disc brakes, solid rear disc with integrated regenerative braking and Star Safety System™**

See numbered footnotes in Disclosures section.

DISCLOSURES

1. Prius AWD-e system operates at speeds up to 45 mph. All weights, capacities, ratings and dimensions vary depending on vehicle model and configuration. See your Owner's Manual for additional limitations and details.

2. The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward visibility before starting the vehicle. See your Owner's Manual for additional limitations and details.

3. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Functionality, availability and accuracy of information provided by the system may be limited. In certain conditions, visual or auditory information may not be heard or seen.

4. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system.

5. Requires adequate cellular coverage and GPS signal strength. May not work in all areas. Service may vary by vehicle and region. See Toyota Dealer for details.

6. Apple CarPlay® is a registered trademark of Apple Inc. and is compatible with iOS 11 or later. For details see your Owner's Manual.

7. Genuine Toyota Paint Protection Film by 3M™ is designed to help protect the exterior of your vehicle from minor scuffs and scratches. It is not a substitute for professional body work. See your Owner's Manual for additional limitations and details.

8. Extra-cost color.

9. JBL® is a registered trademark of Harman International Industries, Inc.

10. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. ©2021 Sirius XM Radio Inc. SiriusXM and all related logos are trademarks of SiriusXM Radio Inc. SiriusXM and all related marks and logos are trademarks of SiriusXM Radio Inc. SiriusXM All Access trial and service availability may vary by model, model year or trim.

11. hill start assist control is designed to help minimize backward rolling on steep ascents. it is not a substitute for safe driving judgment and practices. factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. see your Owner's Manual for additional limitations and details.

12. lane tracing assist (lta) is designed to keep you within lane marks under certain conditions. it provides a visual and audible alert and slight steering force when lane departure is detected. it is not a collision-avoidance system or a substitute for safe and attentive driving. effectiveness is dependent on many factors including road, weather and traffic conditions. see your owner's manual for additional limitations and details.

13. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force to help keep the vehicle in the lane. Always look around outside the vehicle and use mirrors to confirm clearance. See your Owner's Manual for additional limitations and details.

14. Safety Connect® trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in paid subscription is required to access the service. see your Owner's Manual for additional limitations and details.

15. Voice-activated controls may be limited to English.

16. Copy of diagnosis package is required.

17. Copy of diagnosis package is required.

18. Copy of diagnosis package is required.

19. copy of diagnosis package is required.

20. Copy of diagnosis package is required.

21. copy of diagnosis package is required.

22. Copy of diagnosis package is required.

23. Copy of diagnosis package is required.

24. Full-Speed Range Dynamic Radar Cruise Control (DRCC) is designed to assist the driver in maintaining a safe distance from the vehicle ahead and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See your Owner's Manual for additional limitations and details.

25. Do not overload your vehicle. See your Owner's Manual for additional limitations and details.

26. Do not overload your vehicle. See your Owner's Manual for additional limitations and details.

27. Do not overload your vehicle. See your Owner's Manual for additional limitations and details.

29. Do not overload your vehicle. See your Owner's Manual for additional limitations and details.

37. Do not overload your vehicle. See your Owner's Manual for additional limitations and details.

38. Do not overload your vehicle. See your Owner's Manual for additional limitations and details.

39. Do not overload your vehicle. See your Owner's Manual for additional limitations and details.

40. Do not overload your vehicle. See your Owner's Manual for additional limitations and details.

41. Do not overload your vehicle. See your Owner's Manual for additional limitations and details.

42. Do not overload your vehicle. See your Owner's Manual for additional limitations and details.

43. Do not overload your vehicle. See your Owner's Manual for additional limitations and details.

44. Do not overload your vehicle. See your Owner's Manual for additional limitations and details.

46. Do not overload your vehicle. See your Owner's Manual for additional limitations and details.

47. Do not overload your vehicle. See your Owner's Manual for additional limitations and details.

48. Do not overload your vehicle. See your Owner's Manual for additional limitations and details.

49. Do not overload your vehicle. See your Owner's Manual for additional limitations and details.

50. Do not overload your vehicle. See your Owner's Manual for additional limitations and details.

51. Do not overload your vehicle. See your Owner's Manual for additional limitations and details.
recognition capabilities vary by head unit. 52. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner’s Manual for additional limitations and details. 53. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner’s Manual for additional limitations and details. 54. Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner’s Manual for additional limitations and details. 55. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Customer Experience Center at 1-800-331-4331.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Toyota PRIUS is designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing hitch receiver/ball mount kits are not intended to provide crash protection. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.
