

**TOYOTA**

2021 Sequoia

2021 SEQUOIA

# Let the full-size adventures begin.

As your family grows, so do your adventures. There are countless new places to explore, experiences to share and memories to create. That's where the 2021 Toyota Sequoia comes into play. With a spacious interior that can seat up to eight and a powerful 5.7L V8 engine, everyone and everything can come along for the ride.

Limited shown in Shoreline Blue Pearl.

INTERIOR

# Take a commanding view.

In Sequoia, everyone gets to ride first class. Hear your music like never before with the available JBL®<sup>1</sup> Premium Audio system, and let your rear-seat passengers catch up on their favorite movies with the available rear-seat Blu-ray Disc™<sup>2</sup> player.

## Heated and ventilated front seats

Available heated and ventilated front seats found inside Sequoia Platinum give the driver and front passenger more comfort and the option to warm up or cool down with the touch of a button.

## Moonroof

Let more of the outside in with Sequoia's standard one-touch tilt/slide power moonroof with sliding sunshade. Open it up for some fresh air, brighten up the interior or admire the stars above. It's the little things that make the adventure more fun.

## Rear-seat entertainment system

Keep everyone entertained by allowing rear-seat passengers to watch movies, play video games, listen to music and more. Sequoia's available rear-seat entertainment system features a Blu-ray Disc™<sup>2</sup> player with a 9-in. display, two wireless headphones,<sup>3</sup> wireless remote and rear audio system.

See numbered footnotes in Disclosures section.

EXTERIOR

# Set the tone.

Make a statement as big as Sequoia itself. With different trims suited for different styles, Sequoia lets you express yourself like never before. Indulge your sporty side with the racing-inspired Sequoia TRD Sport or show off this SUV's darker side with the Nightshade Special Edition.

Nightshade Special Edition shown in Magnetic Gray Metallic.  
Below left: Nightshade Special Edition 20-in. wheel and  
Nightshade Special Edition shown in Magnetic Gray Metallic.

## 20-in. black split-spoke alloy wheels

Sequoia's Nightshade Special Edition features 20-in. black split-spoke alloy wheels, a subtle styling enhancement that leaves a maximum impact.

## All-LED lighting including Daytime Running Lights and fog lights

Look sharp and be efficient at the same time with Sequoia's energy-conserving LED lighting, including low- and high-beam headlights with auto on/off feature, Daytime Running Lights (DRL) and fog lights. See, and be seen, like never before.

## Nightshade Special Edition

Witness Sequoia making a bold statement with its new Nightshade Special Edition. With sleek, new design elements that include black mirrors, black door handles and a darkened chrome grille, Sequoia Nightshade Special Edition is ready to announce its arrival with authority.

TRD Sport shown in Magnetic Gray Metallic.

## TRD Sport

At Toyota Racing Development (TRD), we've taken the lessons learned from the racetrack and applied them to our sportiest full-size SUV: the 2021 Sequoia TRD Sport. TRD-tuned springs, Bilstein® shocks and tuned sway bars deliver on-road performance. And with its chrome grille surround and 20-in. TRD Sport black alloy wheels, Sequoia TRD Sport more than looks the part.

## CAPABILITY

# Bring all your toys along for the ride.

Sequoia's got the strength you need to get the family — and their gear — well beyond city limits. With its fully boxed frame, 381-hp 5.7L V8 engine and TOW/HAUL transmission mode, this SUV can tow up to 7400 lbs.<sup>5</sup> The only thing you need now for your next family adventure is a little imagination.

### Tow up to 7400 lbs.

Forged on a fully boxed frame for durability and with an independent rear suspension you just won't see on all SUVs, Sequoia is ready for your next family challenge. Whether your next adventure calls for boats, trailers or even other vehicles, you'll appreciate how Sequoia's 7400-lb. towing capacity<sup>5</sup> makes it easy to bring them along for the ride.

### 381-hp 5.7 L V8

Sequoia comes standard with an all-aluminum 5.7L V8 that puts out 381 hp and 401 lb.-ft. of torque. Plus, this powerplant has received an Ultra-Low Emission Vehicle III (ULEV-70) rating, because with power comes responsibility.

### Multi-Mode 4WD

This available system can turn mountains into molehills. Just turn the shift dial to engage the 4WD mode and let the Torsen<sup>®6</sup> limited-slip center differential go to work.

### Adaptive suspension

Maintaining ride height is important when the vehicle is carrying many passengers or a lot of cargo weight.<sup>7</sup> That's why Sequoia's Platinum model features rear pneumatic cylinder height-controlled suspension—allowing you to adjust ride height to compensate for changes in load. And Platinum's electronically controlled Adaptive Variable Suspension (AVS) system offers driver-selectable settings for comfort, Normal and Sport.

### Front and rear suspension

Sequoia's independent double-wishbone front and rear suspension gives you the best of both worlds: responsive handling on pavement and a smoother ride off-road. This sophisticated suspension utilizes low-pressure gas-filled shock absorbers and hollow stabilizer bars.

### Auto LSD

Sequoia's advanced standard Automatic Limited-Slip Differential (Auto LSD)<sup>8</sup> uses the brakes to help reduce individual wheel spin, giving you enhanced traction performance on unpredictable road surfaces like sand or mud.

TRD Pro shown in Super White.

Off-roading is inherently dangerous. Abusive use may result in bodily harm or vehicle damage. Wear seatbelts at all times and do not allow passengers in cargo area.

## TRD

# Ready for full-size fun.

The 2021 Sequoia TRD Pro is ready to perform where paved roads are few and far between. Engineered by the team at Toyota Racing Development, Sequoia TRD Pro is equipped with features like TRD Pro FOX®<sup>9</sup> shocks, lightweight 18-in. forged aluminum BBS®<sup>10</sup> wheels and Rigid Industries®<sup>45</sup> LED fog lights. The heritage-inspired “TOYOTA” grille further kindles your adventurous spirit.

TRD Pro interior shown in Black leather trim.

## TRD shocks

Made specifically for off-roading, Sequoia TRD Pro's FOX®<sup>9</sup> shocks give you the ability to handle almost any terrain.<sup>11</sup> The front 2.5-in. internal bypass shocks include seven compression zones and two rebound zones, while the rear uses a 2-in. shock setup. With an additional 18 mm of rebound travel, get ready to go beyond the horizon.

## TRD alloy wheels

Black forged aluminum 18-in. BBS®<sup>10</sup> wheels wrapped in all-terrain rubber give Sequoia TRD Pro more than just a tougher look. Their reduced unsprung mass improves cornering response and enhances overall ride quality.

## TRD skid plate

Outfitted with a 1/4-in.-thick aluminum TRD skid plate, Sequoia TRD Pro is ready to help protect what's underneath from all your treks off pavement.

See numbered footnotes in Disclosures section.

## UTILITY

# Your all-in-one cargo solution.

Sequoia makes it easy to carry the family, gear or both. The available power reclining feature<sup>12</sup> and fold-flat third-row seats make room for passengers or cargo with the press of a button. Or you can fold all seats flat to enjoy 120.1 cu. ft. of cargo space.<sup>7</sup> With its accommodating features, Sequoia is ready to give you a helping hand when you need it.

### Room for up to eight

Available with spacious and comfortable seating for eight, Sequoia has room for the whole family, their friends and even their pets.

### Automatic power liftgate

Sequoia's available power liftgate is ready to give you a helping hand whenever you need one. Just press a button inside the cargo area or on the dash or use the key fob, and it will close automatically.

### Rear cargo 12V auxiliary outlet

Power your gear wherever you go. All you have to do is access the rear cargo area and plug into Sequoia's standard 12V outlet<sup>14</sup> for that extra touch of convenience.

# Amplify your drive.

Take advantage of smarter and convenient technologies designed to simplify your everyday life. From a suite of services that are there for you 24/7 to an immersive audio multimedia system, you can stay connected to your world.

## Connected Services

Our available suite of Connected Services<sup>15</sup> provides added convenience and peace of mind.

- ✓ **Safety Connect<sup>®</sup> trial**  
Emergency SOS assistance and 24/7 Toyota Roadside Assistance.<sup>16,17</sup>
- ✓ **Service Connect**  
Get personalized maintenance updates and vehicle health reports.<sup>18</sup>
- ✓ **Remote Connect**  
Start, lock/unlock your doors and more, using your compatible smart device.<sup>19</sup>
- ✓ **Wi-Fi Connect**  
Turn your Toyota into a hotspot with 4G connectivity.<sup>20</sup>
- ✓ **Destination Assist**  
24/7 live agent assistance to locate your next destination.<sup>21</sup>

To view included trial details, please visit [toyota.com/connected-services](http://toyota.com/connected-services).

## Audio Multimedia

Make every drive more personal. By utilizing your vehicle's touchscreen display and audio multimedia capabilities, you'll always have access to what you want. Whether it's listening to your favorite playlist or finding the most scenic route to your destination, you'll enjoy the latest in connectivity and technologies that are all about you.

## Apple CarPlay<sup>®</sup>

Bring along a familiar face. With Apple CarPlay<sup>®22</sup> compatibility, you can use your compatible iPhone<sup>®23</sup> with the audio multimedia system to get directions, make calls, send and receive messages, and listen to music — all while staying focused on your commute.

## Android Auto<sup>™</sup>

Stay connected on the road. By pairing your compatible Android<sup>™24</sup> phone with the audio multimedia system, Android Auto<sup>™25</sup> lets you access your Google Assistant, get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

## SiriusXM<sup>®</sup> All Access 3-month trial subscription

Enjoy listening to what you want to hear. With SiriusXM<sup>®26</sup> you get the deepest variety of ad-free music, more sports coverage than anywhere else, exclusive talk channels, every kind of comedy, and the most complete news coverage.<sup>27</sup>

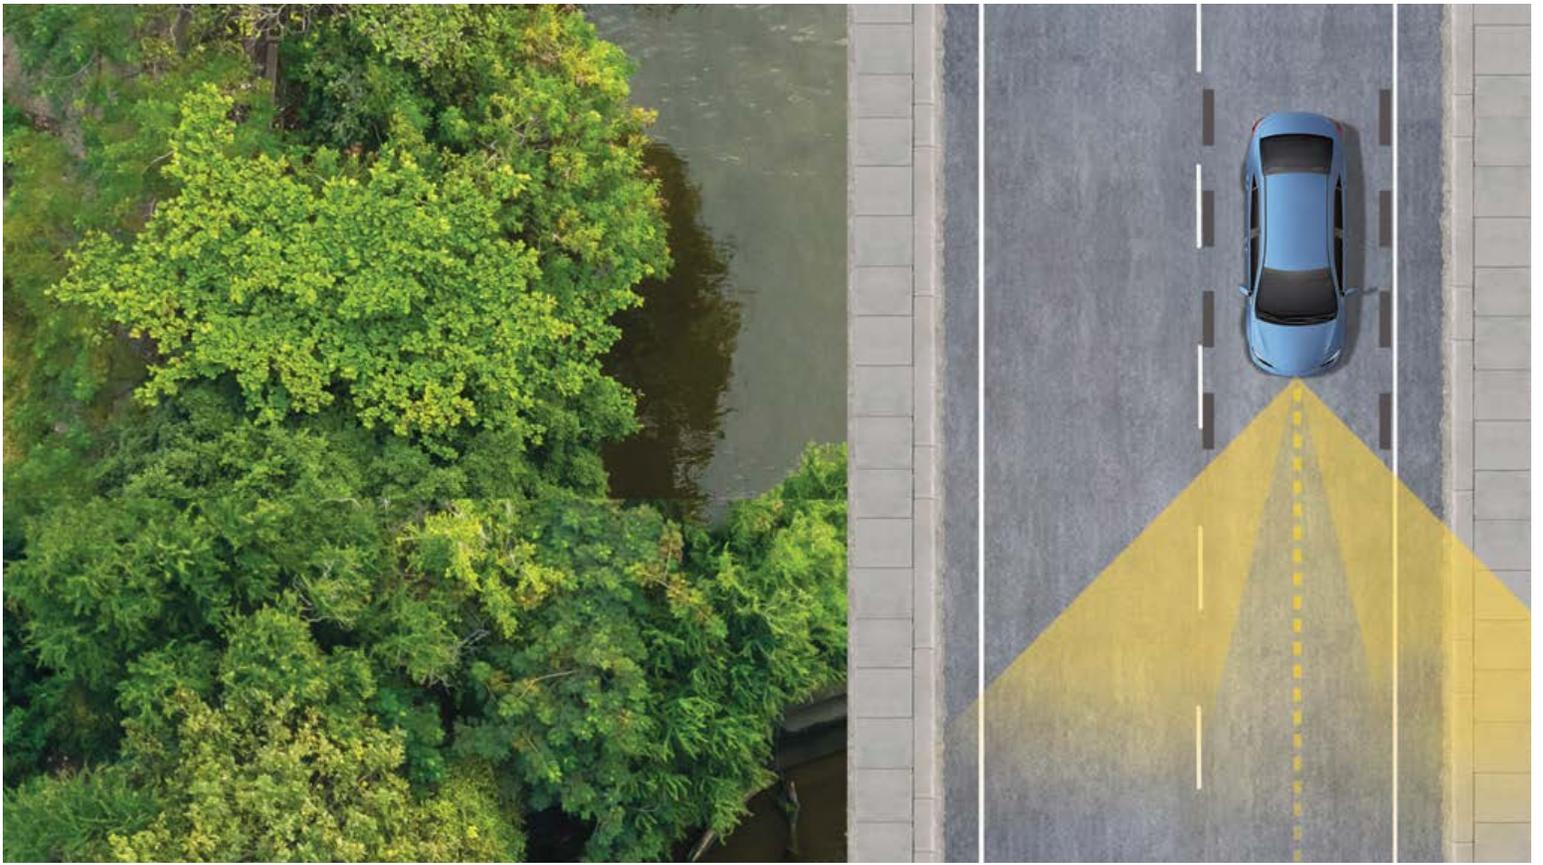

## Amazon Alexa

Almost anywhere the road takes you, Amazon Alexa<sup>28</sup> connectivity follows. With a smartphone connection and the Toyota+Alexa app, all you have to do is ask Alexa to play music, listen to audiobooks, hear the news, check weather, control smart-home devices and more.

## JBL<sup>®</sup>

Feel the difference and hear the truth. Designed specifically for Toyota, JBL<sup>®1</sup> finely tunes each speaker to the interior of the vehicle. Just turn up the volume to hear the crisp, rich, vibrant sound come through.

*TOYOTA SAFETY SENSE™ P (TSS-P)*

# Peace of mind comes standard.

Toyota Safety Sense™ P (TSS-P)<sup>29</sup> is a bundle of active safety features included on many new Toyota vehicles at no additional cost. TSS-P's comprehensive features create in-the-moment safety designed to help protect you and your passengers from harm.

Pre-Collision System with Pedestrian Detection<sup>30</sup>

Dynamic Radar Cruise Control<sup>31</sup>

Lane Departure Alert<sup>32</sup>

Automatic High Beams<sup>33</sup>

## SEQUOIA MODELS

### SR5

Includes these key features

#### Mechanical/Performance

- ✓ 5.7-Liter V8 with 381 hp
- ✓ 6-speed automatic transmission
- ✓ Rear-Wheel Drive (RWD)
- ✓ Automatic Limited-Slip Differential (Auto LSD)<sup>8</sup>
- ✓ Available Multi-Mode 4WD with Torsen<sup>®6</sup> limited-slip center differential with locking feature (4x4 only)
- ✓ Up to 7400-lb. towing capacity<sup>5</sup>
- ✓ Up to 13 city/17 highway/15 combined est. mpg<sup>34</sup>

#### Exterior Features

- ✓ LED high- and low-beam headlights
- ✓ LED Daytime Running Lights (DRL)
- ✓ Integrated LED fog lights
- ✓ Power tilt/slide moonroof with sliding sunshade
- ✓ 18-in. 5-spoke alloy wheels
- ✓ Heated power outside mirrors

#### Interior Features

- ✓ Seating for eight
- ✓ Automatic three-zone front and rear climate control with air filter
- ✓ Easy-clean fabric-trimmed seats
  - 8-way power-adjustable driver's seat
  - 4-way adjustable front passenger seat
  - 40/20/40 split reclining<sup>12</sup> and fold-flat second-row seat
  - 60/40 split reclining<sup>12</sup> and fold-flat third-row seat
- ✓ Leather-trimmed tilt/telescopic steering wheel with audio and Bluetooth<sup>®35</sup> hands-free phone controls
- ✓ Multi-function center console with four 12V auxiliary power outlets<sup>14</sup>
- ✓ Three USB ports<sup>35</sup>
- ✓ Cargo area 12V auxiliary power outlet<sup>14</sup>

#### Audio Multimedia

- ✓ Audio Plus includes:
  - 7.0-in. touchscreen and eight speakers
  - Android Auto<sup>™25</sup> & Apple CarPlay<sup>®22</sup> compatible
  - SiriusXM<sup>®26</sup> with 3-month All Access trial subscription<sup>27</sup>
- ✓ Connected Services<sup>15</sup> trials, including Safety Connect<sup>®16, 53</sup> Service Connect<sup>18, 54</sup> Remote Connect<sup>19, 55</sup> and Wi-Fi Connect<sup>20, 56</sup>

#### Safety Features

- ✓ Toyota Safety Sense<sup>™ P</sup> (TSS-P)<sup>29</sup>
- ✓ Blind Spot Monitor (BSM)<sup>38</sup> with Rear Cross-Traffic Alert (RCTA)<sup>39</sup>
- ✓ Star Safety System<sup>™</sup>
- ✓ Eight airbags<sup>40</sup>

#### Packages/Options

- ✓ Premium Package includes:
  - Leather-trimmed seats
  - Heated front seats
  - 10-way power-adjustable driver's seat
  - 6-way power-adjustable front passenger seat
  - Premium Audio with Dynamic Navigation<sup>41</sup>
  - Auto-dimming rearview mirror with compass and HomeLink<sup>®42</sup> universal transceiver
- ✓ TRD Performance Exhaust System

### TRD Sport

Adds to or replaces features offered on SR5

#### Mechanical/Performance

- ✓ TRD Sport performance-tuned Bilstein<sup>®44</sup> shocks
- ✓ TRD Sport performance-tuned sway bars
- ✓ Available Multi-Mode 4WD with Torsen<sup>®6</sup> limited-slip center differential with locking feature (4x4 only)
- ✓ Up to 13 city/17 highway/15 combined est. mpg<sup>34</sup>

#### Exterior Features

- ✓ Black heated power outside mirrors
- ✓ Satin-black TRD Sport front door logos
- ✓ Chrome grille surround with gloss black insert and accent
- ✓ 20-in. TRD Sport black alloy wheels

#### Interior Features

- ✓ Seating for seven
- ✓ Easy-clean fabric-trimmed seats
  - 8-way power-adjustable driver's seat
  - 4-way adjustable front passenger seat
  - Second-row captain's chairs with one-touch access to third-row seat
  - 60/40 split reclining<sup>12</sup> and fold-flat third-row seat
- ✓ TRD Sport stitched floor mats<sup>43</sup>
- ✓ TRD shift knob

#### Safety Features

- ✓ Toyota Safety Sense<sup>™ P</sup> (TSS-P)<sup>29</sup>
- ✓ Blind Spot Monitor (BSM)<sup>38</sup> with Rear Cross-Traffic Alert (RCTA)<sup>39</sup>
- ✓ Star Safety System<sup>™</sup>
- ✓ Eight airbags<sup>40</sup>

#### Packages/Options

- ✓ TRD Sport Premium Package includes:
  - Black leather-trimmed seats
  - Heated front seats
  - 10-way power-adjustable driver's seat
  - 6-way power-adjustable front passenger seat
  - Premium Audio with Dynamic Navigation<sup>41</sup>
  - Auto-dimming rearview mirror with compass and HomeLink<sup>®42</sup> universal transceiver
- ✓ TRD Performance Exhaust System

### Limited

Adds to or replaces features offered on SR5

#### Mechanical/Performance

- ✓ Available Multi-Mode 4WD with Torsen<sup>®6</sup> limited-slip center differential with locking feature (4x4 only)
- ✓ Up to 13 city/17 highway/15 combined est. mpg<sup>34</sup>

#### Exterior Features

- ✓ Chrome auto-dimming heated power outside mirrors with power-folding feature and turn signal indicators
- ✓ Power liftgate with jam protection
- ✓ 20-in. machined-finish split-spoke with dark silver accent alloy wheels
- ✓ Chrome door handles

#### Interior Features

- ✓ Seating for up to eight
- ✓ Leather-trimmed seats
  - Heated front seats
  - 10-way power-adjustable driver's seat
  - 6-way power-adjustable front passenger seat

## WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

**Basic:** 36 months/36,000 miles (all components other than normal wear and maintenance items).

**Powertrain:** 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

**Rust-Through:** 60 months/unlimited miles (corrosion perforation of sheet metal).

**Emissions:** Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

**Accessories:** For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit [www.toyota.com](http://www.toyota.com), refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

Safety/Convenience

Toyota Safety Sense™ P (TSS-P)<sup>29</sup> — includes Pre-Collision System with Pedestrian Detection (PCS w/PD),<sup>30</sup> Lane Departure Alert (LDA),<sup>32</sup> Automatic High Beams (AHB)<sup>33</sup> and Dynamic Radar Cruise Control (DRCC)<sup>31</sup>

Blind Spot Monitor (BSM)<sup>38</sup> with Rear Cross-Traffic Alert (RCTA)<sup>39</sup>

Star Safety System™—includes Vehicle Stability Control (VSC),<sup>50</sup> Traction Control (TRAC), Anti-lock Brake System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA)<sup>61</sup> and Smart Stop Technology® (SST).<sup>62</sup> At speeds greater than five miles per hour, when the accelerator is depressed first and the brakes are then applied firmly for longer than one-half second, Smart Stop Technology® is designed to help the driver bring the vehicle to a stop.

Driver and front passenger Advanced Airbag System<sup>40</sup>

Driver and front passenger seat-mounted side airbags, driver and front passenger knee airbags and all-row side curtain airbags<sup>40</sup>

Driver and front passenger seatbelt warning sensor

3-point seatbelts in all seating positions; driver-side Emergency Locking Retractor (ELR) and Automatic/Emergency Locking Retractor (ALR/ELR) on all passenger belts

Driver and front passenger seatbelt pretensioners with force limiters

LATCH (Lower Anchors and Tethers for Children) includes lower anchors on all second-row seats and tether anchors on all second-row seats and center third-row seat

Child-protector rear door locks and power window lockout

Front energy-absorbing crumple zone

Side-impact door beams

Energy-dissipating interior trim

Blind Spot Monitor (BSM)<sup>38</sup> lane change assist

Rear Cross-Traffic Alert (RCTA)<sup>39</sup>

Two-position power memory driver's seat and memory outside mirrors

Front and rear parking assist sonar<sup>63</sup>

Trailer-Sway Control (TSC)<sup>64</sup>

Anti-theft system with engine immobilizer<sup>65</sup>

ToyotaCare<sup>37</sup> featuring a no cost maintenance plan with Roadside Assistance

## DISCLOSURES

1. JBL® is a registered trademark of Harman International Industries, Inc. 2. A Blu-ray Disc™/DVD player is standard. A separate Blu-ray Disc™/DVD player or game system utilizing the center console's video/audio inputs is required in order to use the split-screen function of the Dual-View system. 3. Headphones are for passenger use only. 4. Bilstein® is a registered trademark of ThyssenKrupp Bilstein GmbH FED REP GERMANY. 5. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. [Calculated with the new SAE J2807 method.] Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. See *Owner's Manual* for limitations. 6. Torsen® is a registered trademark of Zexel Torsen, Inc. 7. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. 8. Auto LSD is an electronic, brake-actuated limited-slip differential that automatically activates when VSC is disengaged at low speeds. See *Owner's Manual* for additional limitations and details. 9. FOX is a registered trademark of FOX Factory, Inc. 10. BBS® is a registered trademark of BBS of America, Inc. 11. The Toyota Sequoia is designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment. Seatbelts should be worn at all times. Do not allow passengers to ride in cargo area. 12. Do not allow passengers to sit in a seat that has been fully or severely reclined while driving. This feature is intended for use only when the vehicle is parked. While the vehicle is being driven, all vehicle occupants should have the seatback upright, sit well back in the seat and properly wear the seatbelts provided. In the event of a collision, the more the seat is reclined, the greater the risk of death or personal injury. See *Owner's Manual* for additional limitations and details. 13. For information regarding the Federal and California Emission Control Warranties, and Tire Limited Warranties, please see the applicable *Warranty and Maintenance Guide*. Emission coversages vary under Federal and California regulations. 14. Rated for 12 volts/10 amps. See *Owner's Manual* for additional limitations and details. 15. Connected Services depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. Service may vary by vehicle and region. Subscription required after trial. Terms of Use apply. Data charges may apply. Apps and services subject to change at any time without notice. See [toyota.com/connected-services](https://www.toyota.com/privacyvts/) for details. To learn about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. Stolen vehicle police report required to use Stolen Vehicle Locator. 16. Safety Connect® depends on an operative telematics device, a cellular connection, GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Some features may require the Toyota app. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual* and at [toyota.com/connected-services/](https://www.toyota.com/connected-services/) for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. 17. Requires adequate cellular coverage and GPS signal strength. May not work in all areas. Service may vary by vehicle and region. See Toyota Dealer for details and exclusions. 18. Information provided is based on the last time data was collected from the vehicle and may not be up to date. Service Connect depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota's control, which can limit functionality or availability. Service may vary by vehicle and region. Registration required. Service subject to change at any time without notice. Terms and conditions of subscription service agreement apply. See usage precautions and service limitations in *Owner's Manual* and at [toyota.com/connected-services](https://www.toyota.com/connected-services/) for additional details. To learn about Toyota's data collection, use, sharing and retention, please visit <https://www.toyota.com/privacyvts/>. 19. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Toyota's Remote Connect depends on an operative telematics device, a cellular connection, GPS signal strength and other factors outside of Toyota's control, which can limit system functionality and availability. Service may vary by vehicle and region. Registration and Toyota app download required. Subscription required after trial. Terms of Use apply. Data charges may apply. Remote start/stop not available on manual-transmission-equipped vehicles. Services subject to change at any time without notice. See usage precautions and service limitations in *Owner's Manual* and at <https://www.toyota.com/connected-services/> for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. 20. Eligible vehicle and wireless service required. Coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to [att.com/toyota](https://www.toyota.com) for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. 21. Destination Assist depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength and other factors outside of Toyota's control, which can limit system ability functionality or availability. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Services subject to change at any time without notice. Terms of Use apply. See *Owner's Manual* and [toyota.com/connected-services](https://www.toyota.com/connected-services/) for additional limitations and details. To learn about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. 22. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected with an approved data cable into the USB media port. Apple CarPlay® is a registered trademark of Apple Inc. 23. iPhone® is a registered trademark of Apple Inc. All rights reserved. 24. Android is a trademark of Google LLC. 25. Vehicle user interface is a product of Google and its terms and privacy statement apply. To use Android Auto on your audio display, you'll need an Android Auto compatible vehicle and Android phone. For phone compatibility visit: <https://www.android.com/autof/>. Requires compatible smartphone connected with an approved data cable into the USB media port, and data plan rates apply. Apps and services vary by phone carrier and are subject to change at any time without notice. Android, Android Auto and Waze are trademarks of Google. 26. SiriusXM® audio services require a subscription sold separately by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at [www.siriusxm.com](https://www.siriusxm.com). All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. ©2021 Sirius XM Radio Inc. SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc. 27. SiriusXM All Access trial length and service availability may vary by model, model year or trim. 28. Amazon, Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Certain functions require adequate signal strength and smartphone technology/connectivity. Not all Amazon Alexa functionality is available for in-vehicle use. See applicable app for details. Download of the Toyota+Alexa app is required to begin in-vehicle use of Alexa. Data charges may apply for certain functions. Apps, prices and services subject to change at any time without notice. To learn more, go to <https://www.toyota.com/audio-multimedia>. To learn more about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. 29. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details. 30. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle or a pedestrian. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. 31. Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. Vehicles with manual transmission have regular DRCC. See *Owner's Manual* for additional limitations and details. 32. Lane Departure Alert is designed to read visible lane markers under certain conditions, and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 33. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. 34. 2021 EPA-estimated mileage. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. 35. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 36. May not be compatible with all mobile phones, MP3/WMA players and like models. 37. ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Certain models require a different maintenance schedule as described in their *Maintenance Guide*. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. 38. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. 39. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. 40. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. 41. Dynamic Navigation depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength, and other factors outside of Toyota's control, which can limit system functionality or availability. Services not available in every city or roadway. Use common sense when relying on information provided. Service may vary by vehicle and region. Registration is required. Terms of Use apply. See *Owner's Manual* and <https://toyota.com/connected-services/> for additional limitations and details. To learn about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. 42. HomeLink® and the HomeLink® house icon are registered trademarks of Genetec Corporation. 43. This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. 44. Do not exceed 120V. See *Owner's Manual* for additional limitations and details. 45. Rigid Industries® is a registered trademark of JST Performance, LLC d/b/a Rigid Industries. 46. Extra-cost color. 47. Genuine Toyota Paint Protection Film by 3M™ is designed for specific sections of the vehicle most prone to chipping and may vary depending on vehicle model. Select applications may require an additional charge. Toyota Genuine Accessory Warranty only applies when installation is performed by a trained Toyota-approved installer. See Toyota dealer for details. 48. The universal tablet holder is intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of the road and traffic conditions at all times. Use of aftermarket

## DISCLOSURES

accessories may pose an increased risk of injury to occupants in the event of an accident. Tablet sold separately. **49.** Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See [toyota.com](http://toyota.com) for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). **50.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for additional limitations and details. **51.** The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **52.** Advanced voice recognition capabilities vary by head unit. **53.** The Safety Connect® trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **54.** The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the respective trial period expires, enrollment in paid subscription is required to access the service. **55.** The Toyota Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. Terms of Use apply. **56.** The Wi-Fi Connect trial begins at the time of activation and expires when 2GB of data is used or when the 3-month period ends. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. **57.** The Dynamic Navigation three-year-trial period begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in paid subscription is required to access the service. **58.** Dynamic Voice Recognition capabilities vary by head unit. **59.** The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. **60.** Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **61.** Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details. **62.** Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. See *Owner's Manual* for additional limitations and details. **63.** Front and rear parking assist sonar is designed to warn drivers of potential front and rear collisions at speeds of 6 mph or less. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the front and rear parking assist sonar to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details. **64.** Trailer-Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **65.** The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to [www.aloa.org](http://www.aloa.org) to find a qualified locksmith in your area who can perform high-security key service.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See [toyota.com](http://toyota.com) for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Toyota Sequoia is designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing hitch receiver/ball mount kits are not intended to provide crash protection. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.
