Let the journey inspire you.

From here on out, every mile is what you make of it. Follow your aspirations in the 2022 Toyota Avalon, and never look back. Its low, wide stance and flowing roofline give it a sleek silhouette, while strong character lines add definition to its shape. It’s a new level of refinement, and it’s ready to face tomorrow head-on.
Purpose meets performance.

By taking advantage of the Toyota New Global Architecture (TNGA) platform, Avalon delivers a higher level of both handling and ride comfort. And with the platform taking up less room underneath, it opens up Avalon’s cabin to give it the exceptional rear shoulder, knee and head room you’ve come to expect from Toyota’s flagship sedan.

Aerodynamics

Avalon features tangential vents on the sides of its front bumper, an available rear spoiler, an available rear diffuser and even underbody panels to help shave its coefficient of drag to 0.27, increase fuel efficiency and improve vehicle quietness.

Adaptive Variable Suspension

Avalon Touring’s Adaptive Variable Suspension (AVS) provides virtually instantaneous damping adjustments to help maximize handling. This is furthered in Sport Mode with a higher range of damping force — for more stability on every road.

3.5L V6 engine

Avalon’s 3.5-liter V6 unleashes 301 hp with efficiency in mind. Smart engineering, like D-4S direct injection and a Direct Shift 8-speed transmission, gives Avalon an EPA-estimated rating of up to 32 hwy mpg.

Limited shown in Blueprint. Bottom: Touring shown in Wind Chill Pearl with available Advanced Safety Package.
Avalon Hybrid Nightshade Edition
Featuring unique black wheels, door handles and badging to match, Avalon Hybrid Nightshade Edition’s bold style will energize your nighttime adventures. And there are no limits to where the night will go, thanks to its reliable hybrid efficiency.

19-in. sport wheels
Take on corners in style. Avalon Touring’s machined and gloss-black-finished 19-in. wheels have been manufactured with depth and precision to complement its distinctive design.

Quad exhaust tips
Beneath the rear bumper, a gloss-black rear diffuser sits between the dual exhausts, further adding to Avalon Touring’s aggressive look.

EXTERIOR

Designed to move you.
The sophisticated styling of Avalon artfully blends function and form. Every crease, every angle, every line is designed to make you feel something and push you to forge your own path. Take advantage of a powerful full-size sedan and do more than stand out from the crowd — lead the way.
Daring in every detail.

The craftsmanship inside Avalon will make you never want to leave. Its clean, modern design flows effortlessly from the dash to the doors, while premium materials raise its level of luxury. And whether sitting in the front or rear, you’ll appreciate the comfort and dedication that goes into every detail.

Avalon Limited interior

Authentic materials and available Cognac leather-trimmed seat surfaces welcome you inside the refined interior. Even road noise has been suppressed, for a quiet cabin.

Heated steering wheel

With the press of a button, Avalon’s available heated steering wheel warms up to help you withstand the cold.

Real wood trim

Adding more warmth and luxury to Avalon Limited is real wood trim. Running across the dash and door panels, the wood accents highlight the quality that goes into this Toyota flagship vehicle.

Floating center stack

The large center instrument panel gives Avalon’s interior a distinctive look. The 9-in. touchscreen display stands out and appears as if it were floating in front of the dash.
HYBRID

Ambition knows no limits.

Avalon Hybrid is smarter without compromise. Its 2.5-liter Dynamic Force Engine and hybrid system seamlessly work together to help maximize fuel efficiency. With an impressive EPA-estimated mpg of up to 44 hwy,⁴ Avalon Hybrid is ready to go the distance.

Avalon Hybrid interior

Authentic materials and available Cognac leather trim welcome you inside the refined interior. Even road noise has been suppressed, for a quiet cabin during every drive.

**WARRANTIES**

Every Toyota Car, Truck and SUV is built to exceptional standards. And that’s not idle boasting. We back it up with these Limited Warranty Coverages:

- **Basic:** 36 months/36,000 miles (all components other than normal wear and maintenance items).
- **Hybrid-Related Component Coverage:** Hybrid-related components, including the battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. Refer to applicable Warranty and Maintenance Guide for details.
- **Hybrid Battery:** HV battery is covered for 10 years or 150,000 miles, whichever comes first. Warranty coverage is subject to terms and conditions. Refer to applicable Warranty and Maintenance Guide for details.
- **Powertrain:** 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).
- **Rust-Through:** 60 months/unlimited miles (corrosion perforation of sheet metal).
- **Emissions:** Coverages vary under Federal and California regulations. Refer to applicable Warranty and Maintenance Guide for details.

**Accessories:** For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle’s in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty. For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it’s necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota’s warranties, please visit www.toyota.com, refer to the applicable Warranty and Maintenance Guide or see your Toyota dealer.

EPA-estimated 22 city/32 highway mpg rating for 2022 Avalon XSE. 22 city/31 highway mpg for 2022 Avalon Touring and Limited. 43 city/44 highway for 2022 Avalon XSE Hybrid and 43/ 43 for 43/43 for 2022 Avalon XSE Nightshade Hybrid and Limited Hybrid. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. 5. Connected Services depends on factors outside of Toyota's control, including an operatable telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Subscription required after trial. Terms of Use apply. Data charges may apply. Apps and services subject to change at any time without notice. See toyota.com/connected-services for details. To learn about Toyota's data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. The Safety Connect® trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. 7. Requires adequate cellular coverage and GPS signal strength. May not work in all areas. Service may vary by vehicle and region. See Toyota Dealer for details and excluding information provided based on the last time data was collected from the vehicle. See Owner’s Manual for additional limitations and details. 8. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See Owner's Manual for additional limitations and details. 21. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. 10. Eligible vehicle and wireless service required. Wi-Fi Connect depends on factors outside of Toyota’s control, including an operatable telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to www.toyota.com/ larsonian Owner’s Manual for additional limitations and details. 11. Requires capable smartphone connected with an approved data cable into the USB media port. Apple CarPlay® is a registered trademark of Apple Inc. All rights reserved. 14. Android is a trademark of Google LLC. 15. Vehicle user interface is a product of Google and its terms and privacy statement apply. To use Android Auto on your audio display, you’ll need an Android Auto compatible vehicle and Android phone. For phone compatibility visit: https://www.android.com/auto/. Requires access to the respective services. Terms of Use apply. 16. Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy; visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. SiriusXM trial length and service availability may vary by model, model year or trim. 18. Amazon, Alexa and all related marks are trademarks of Amazon.com, Inc. or its affiliates. Certain functions require adequate cellular coverage and/or smartphone technology/connectivity. Not all Amazon Alexa functionality is available for in-vehicle use. See applicable app for details. 20. The Dynamic Navigation trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service.21. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. 22. The Intra-Car Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. 23. The Connected Key trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. 24. The Blind Spot Monitor trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. 25. The Pre-Collision System (PCS) trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. 26. Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward-facing camera and navigation system (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, and vehicle conditions. Use common sense when using the system as an aid, do not rely exclusively on it. System effectiveness may be limited or precluded. Do not use while driving. 27. The Smart Key System may interfere with pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. May not be compatible with all mobile phones, MP3/WMA players and like models. 30. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See Owner’s Manual for additional limitations and details. 31. Do not rely on the Rear Cross-Traffic Alert and Backup Assist. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See Owner's Manual for additional limitations and details. 32. Dynamic Navigation depends on factors outside of Toyota’s control, including an operatable telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Use common sense when relying on information provided. Service may vary by vehicle and region. Registration is required. Subscription required after trial. Terms of Use apply. Data charges may apply. See Owner’s Manual and https://www.toyota.com/connected-services for additional details and limits of use. Data charges may apply. Apps and services subject to change at any time without notice. See toyota.com/connected-services for details. To learn about Toyota’s data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. 35. Safety Connect® trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. 39. Toyota Remote Connect depends on factors outside of Toyota’s control, including an operatable telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Readylink service features may be compatible with some mobile phones and Toyota devices. 42. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service.
DISCLOSURES

an object’s shape, size and composition, may affect the system’s effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. See Owner’s Manual for additional limitations and details. 38. Do not rely exclusively on the Rear Cross-Traffic Braking system. Always look over your shoulder and use your mirrors to confirm rear clearance. The system cannot prevent all collisions, and performance is dependent on road, weather and vehicle conditions. See Owner’s Manual for additional limitations and details. 39. EV Mode lets you operate solely on battery power at low speeds for short distances and in limited circumstances, such as in a parking garage. Different conditions may prevent or limit usage. See your Owner’s Manual for limitations and details. 40. This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. 41. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. 42. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. If you would prefer a vehicle with no or different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). 43. Meets Tier-2/Bin-3 Federal emissions standard.

44. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 45. The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner’s Manual for additional limitations and details. 46. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge, do not rely solely on the monitor system. See Owner’s Manual for additional limitations and details. 47. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Functionality, availability and accuracy of information provided by the system depends on many factors and service may not be available in every location. Use common sense when relying on information provided. Apps/services vary by phone/carer. Select apps use large amounts of data, you are responsible for charges. Apps and services subject to change at any time without notice. See toyota.com/connected-services for details. Services and programming subject to change. Updates may be available from your dealer at an additional cost. See Owner’s Manual for additional limitations and details. 48. Rated for 12 volts/10 amps. See Owner’s Manual for additional limitations and details. 49. When the system is on, Electric Parking Brake is designed to engage the Parking Brake under limited conditions. It may not hold the vehicle under all conditions. See Owner’s Manual for additional limitations and details. 50. When the system is on, Brake Hold is designed to keep the brakes engaged after the driver brings the vehicle to a complete stop. It may not hold the vehicle under certain conditions and does not function when the vehicle is in Reverse. Brake Hold is not a substitute for safe and attentive driving. See Owner’s Manual for additional limitations and details. 51. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner’s Manual for additional limitations and details. 52. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner’s Manual for additional limitations and details. 53. Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner’s Manual for additional limitations and details. 54. Whiplash-Injury-Lessening front seats can help reduce the severity of whiplash in certain rear-end collisions. 55. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Customer Experience Center at 1-800-331-4331. 56. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See Owner’s Manual for additional limitations and details. 57. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle’s immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service. 58. ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Certain models require a different maintenance schedule as described in their Maintenance Guide. 24-Hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle. All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.
