More capable. More epic adventures.

The 2022 Tacoma makes your off-road, off-grid adventures possible.² Bringing enhanced performance features and a robust exterior to match, Tacoma is ready to prove its capabilities where roads don’t exist. So gear up, get in and get ready to start your next epic adventure.

¹ TRD Off-Road Double Cab shown in Barcelona Red Metallic. See footnotes 2 and 3 in Disclosures section for more information on towing and payload, respectively.
² Top image and cover: See footnote 1 in Disclosures section for more information on off-roading.
The power to rule any terrain.

Life is more epic with Tacoma. Equipped with an available 3.5-liter V6, which includes a standard Tow Package, Tacoma can tow up to 6800 lbs.² And the 4-/7-pin connector sits cleanly inside the three-piece bumper, helping you haul your gear out without hitting any snags.

Available 6-speed transmission

If rowing through the gears is more your style, Tacoma offers a 6-speed manual transmission, on certain models, to put control firmly in your hands.

6800-lb. towing capacity

Whatever toys you’ve got, Tacoma’s got the power to bring ‘em along. Its powerful V6 and available Tow Package help it tow up to 6800 lbs.² or carry a payload of up to 1440 lbs.³

Trailer-Sway Control

Included with Tacoma’s available Tow Package, Trailer-Sway Control (TSC)⁴ applies brake pressure at individual wheels and manages engine torque to help maintain control of the trailer.

Part-time 4WD

Choose the drivetrain mode best suited for your adventure of the day. With part-time 4WD, you can easily activate 4WD capabilities with a simple turn of a knob.

3.5-liter V6 direct-injection engine

Tacoma’s available Atkinson-cycle 3.5-liter V6 with direct injection is the perfect blend of efficiency and power, giving you more of everything you want.

See numbered footnotes in Disclosures section.

TRD Off-Road Double Cab shown in Lunar Rock. See footnotes 1 and 2 in Disclosures Section for more information on off-roading and towing, respectively.
Calling all off-road junkies — Tacoma TRD Pro returns, tougher than ever. Designed by the experts at Toyota Racing Development (TRD), the 2022 Tacoma TRD Pro is built to take on the world’s gnarliest terrain. The stuff you want — like uniquely designed TRD wheels and machine-forged upper control arms — all come standard. Tacoma TRD Pro brings capability and confidence to your adventures with enhanced performance features that help you conquer farther and wider.

TRD-tuned FOX® Internal Bypass shocks

For ultimate performance and control, these shocks feature 2.5-in. aluminum housings; hardened, oversize shafts; and remote reservoirs in the rear. Designed to help provide more ground clearance, maximum damping and fade-free performance, the suspension helps smooth out the rough stuff.

Rigid Industries® LED fog lights

Designed for an OEM-perfect fit, these Rigid Industries LED fog lights pack a lot of brightness into a compact package. Rugged construction and a 35-degree wide-angle beam pattern help ensure you have light when, and where, you need it.
Obstacles don’t stand a chance.

This is where the rubber meets the dirt. With available equipment like an electronically controlled locking rear differential, Crawl Control (CRAWL)\textsuperscript{8} and a Multi-Terrain Monitor (MTM)\textsuperscript{9} Tacoma is ready to take on tough terrain.

**Electronically locking rear differential**

Tacoma TRD Off-Road’s standard electronically controlled locking rear differential distributes engine power evenly to both rear wheels so they move at the same speed, providing more grip in low-traction conditions.

**Crawl Control**

When the trail gets challenging, Tacoma TRD Off-Road’s Crawl Control (CRAWL)\textsuperscript{8} is here to help you conquer your off-road adventure. This advanced system automatically modulates the throttle and brakes on five low-speed settings so you can keep your focus on navigating across difficult terrain.

**Hill Start Assist Control**

Tacoma’s Hill Start Assist Control (HAC)\textsuperscript{11} is designed to help you safely get up those hills. This technology helps minimize Tacoma from rolling backward when you move your foot from the brake to the gas pedal, so you can move upward with confidence. (HAC not available on TRD Off-Road 4WD M/T.)

**Multi-Terrain Select**

Tacoma TRD Off-Road features Multi-Terrain Select (MTS). With five modes to choose from, this system helps regulate wheelspin by automatically adjusting the engine throttle and traction control. When combined with standard Goodyear\textsuperscript{5} Wrangler\textsuperscript{11} tires with tough Kevlar\textsuperscript{12} construction, Multi-Terrain Select helps improve traction dramatically.

**Bilstein\textsuperscript{10} shocks**

Available Bilstein\textsuperscript{10} shocks know how to keep their cool under pressure, delivering consistent performance when the going gets rough. Standard on TRD Off-Road, these shocks help soak up the impacts of the trail, thanks to high-performance components and valving tuned specifically for off-road driving.

See footnote 1 in Disclosures section for more information on off-roading.

See numbered footnotes in Disclosures section.
UTILITY

Carry your boards, bikes and sense of adventure.

Bikes. Boards. You name it. Tacoma’s standard composite bed surface is built to withstand your rough-and-tumble adventure. Its integrated heavy-duty deck rail system makes it easy to tie down gear of all sizes. Now, when action calls, you’ll be ready to go.

Smart storage

With various hidden, locking storage areas, Tacoma keeps your gear out of the way, out of sight and ready for your next outing.

Trail Special Edition

Tacoma Trail Special Edition has the amenities you need to get comfortable for the adventure ahead. Lockable bed storage with insulation on the driver’s side lets you push your trips to the max. For added convenience, an available 120V bed outlet powers up your essentials.

Composite bed with 120V outlet

Tacoma’s bed is composed of an ultra-durable, fiber-reinforced Sheet-Molded Composite (SMC) surface that boasts a greater impact strength than steel, while an available bed-mounted 120V/400W outlet helps keep the action powered up.

Deck rail system

Tacoma’s bed comes standard with an innovative deck rail system. With four heavy-duty adjustable tie-down cleats, you’ve got the strength and adjustability you need to keep your cargo securely strapped down.
Show off your pride and joy.

With its redesigned, aggressive grille and available smoked headlight and taillight housings, Tacoma remains the best-looking truck on the trail. But it’s about more than tough looks; Tacoma is also all about comfort on the inside, with features like a Qi-compatible wireless charging pad.¹⁵

Nightshade Special Edition

Cruise down the street in Tacoma Nightshade Special Edition and show off the rig’s darker side. Blacked-out exterior trim and dark smoke 18-in. alloy wheels, exhaust tip and exclusive grille — all add a little more mystery to your adventures.

LED headlights

Tacoma’s available LED headlights use LED elements for both the low and high beams, giving you bright, efficient light when you need it. And since they’re bolted to the front of Tacoma, you can bet that they look awesome too.

Trail Special Edition wheels

Tacoma Trail Special Edition’s exterior details embody the adventurous spirit of this truck. The matte-finish bronze-colored wheels and badging complement the new exterior color in Lunar Rock and the color-keyed rear bumper, adding to this truck’s bold style.

Dual zone automatic climate control

Standard on all V6 Tacomas, the dual zone automatic climate control lets the driver and passenger personalize comfort while out on the trails. Just set the temp to your liking, and Tacoma does the rest.

Panoramic View Monitor

Get into and out of that campsite with ease. Tacoma’s available Panoramic View Monitor (PVM)¹⁶ uses cameras on the front, sides and rear of the truck to give you a 360-degree view of what’s going on outside.

10-way power-adjustable seat

Take comfort to new heights. Tacoma features an available 10-way power-adjustable driver’s seat that includes 2-way lumbar support.

See numbered footnotes in Disclosures section.
Amplify your drive.

Take advantage of smarter and convenient technologies designed to simplify your everyday life. From a suite of services that are there for you 24/7 to an immersive audio multimedia system, you can stay connected to your world.

Connected Services

Our available suite of Connected Services provides added convenience and peace of mind.17

✓ Safety Connect®
   Emergency SOS assistance and 24/7 Toyota Roadside Assistance.18, 19

✓ Service Connect
   Get personalized maintenance updates and vehicle health reports.20

✓ Remote Connect
   Start, lock/unlock your doors and more, using your compatible smart device.21

✓ Wi-Fi Connect
   Turn your Toyota into a hotspot with 4G connectivity.22

✓ Destination Assist
   24/7 live agent assistance to locate your next destination.23

To view included trial details, please visit toyota.com/connected-services.

Audio Multimedia

Make every drive more personal. By utilizing your vehicle’s touchscreen display and audio multimedia capabilities, you’ll always have access to what you want. Whether it’s listening to your favorite playlist or finding the most scenic route to your destination, you’ll enjoy the latest in connectivity and technologies that are all about you.

Apple CarPlay®

Bring along a familiar face. With Apple CarPlay® compatibility, you can use your compatible iPhone® with the audio multimedia system to get directions, make calls, send and receive messages, and listen to music — all while staying focused on your commute.

Android Auto™

Stay connected on the road. By pairing your compatible Android™ phone with the audio multimedia system, Android Auto™ lets you access your Google Assistant, get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

SiriusXM® w/3-month Platinum Plan trial subscription

SiriusXM® is the widest variety of entertainment anywhere. With a Platinum Plan trial subscription,28 you get 350+ channels, including 165+ channels in your car, to enjoy ad-free music, plus sports, news, talk, comedy and more.

Amazon Alexa

Almost anywhere the road takes you, Amazon Alexa connectivity follows. With a smartphone connection and the Toyota+Alexa app, all you have to do is ask Alexa to play music, listen to audiobooks, hear the news, check weather, control smart-home devices and more.

JBL®

Feel the difference and hear the truth. Designed specifically for Toyota, JBL® finely tunes each speaker to the interior of the vehicle. Just turn up the volume to hear the crisp, rich, vibrant sound come through.
Peace of mind comes standard.

Toyota Safety Sense™ P (TSS-P) is a bundle of active safety features included on many new Toyota vehicles at no additional cost. TSS-P’s comprehensive features create in-the-moment safety designed to help protect you and your passengers from harm.

- Pre-Collision System with Pedestrian Detection
- Dynamic Radar Cruise Control
- Lane Departure Alert
- Automatic High Beams

For more information, visit toyota.com/safety-sense. Feature availability may vary by model grade. See numbered footnotes in Disclosures section.

TRD 16-in. off-road beadlock-style alloy wheels
TRD 16-in. forged matte-black alloy wheels
TRD shift knob
TRD Pro graphics

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that’s not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).
Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).
Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle’s in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it’s necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota’s warranties, please visit www.toyota.com, refer to the applicable Warranty and Maintenance Guide or see your Toyota dealer.

**Advanced Technology Package:**
- Panoramic View Monitor (PVM), power, color-keyed outside rearview mirrors with turn signal and blind spot warning indicators, and rear parking sonar (D-Cab only)

**Advanced Technology Package:**
- Multi-Terrain Monitor (MTM), power, color-keyed outside rearview mirrors, and rear parking sonar (D-Cab only)

**Nightshade Special Edition Package:**
- 18-in. dark smoke wheels, black wheel locks and lug nuts, exhaust tip, mirror caps, fog light bezels, badging and door handles, and carbon-style black grille

**Utility Package (4-cyl. Access Cab):**
- Removes rear speakers, seats (seatbacks, headrests and seatbelts), along with rear cup holders and intermittent wiper
- Adds black door handles, black mirror caps, black rear bumpers and fixed rear window

**SRS Dynamic Navigation Package:**
- SRS parking sonar, Premium Audio with Dynamic Navigation with 3-year trial, and Destination Assist with 1-year trial (V6 only)

**Premium Audio and Navigation Package:**
- Premium Audio, Dynamic Navigation with 3-year trial, Remote Connect with 1-year trial, Destination Assist with 1-year trial, and Service Connect with 10-year trial (4x4 only)

**LED headlights with LED DRL and black-bezel LED fog lights**

**SR Convenience Package:**
- Includes remote keyless entry

**TRD Premium Off-Road Package (Access Cab):**
- Includes heated front seats, auto headlights, Premium Audio, Dynamic Navigation with 3-year trial, Remote Connect with 1-year trial, Destination Assist with 1-year trial, and Service Connect with 10-year trial

**TRD Premium Off-Road Package (Double Cab A/T):**
- Includes leather-trimmed seats with heated front seats, auto headlights, moonroof, Premium JBL Audio, Dynamic Navigation with 3-year trial, Remote Connect with 1-year trial, Destination Assist with 1-year trial, and Service Connect with 10-year trial

**TRD Premium Sport Package (Access Cab):**
- Includes heated front seats, auto headlights, Premium Audio, Dynamic Navigation with 3-year trial, and Destination Assist with 1-year trial

**Premium Package (Double Cab M/T):**
- Includes dual zone automatic climate control, leather-trimmed seats with heated front seats, auto headlights, moonroof, Premium Audio, Dynamic Navigation with 3-year trial, and Destination Assist with 1-year trial

**TRD Premium Sport Package (Double Cab A/T):**
- Includes leather-trimmed seats with heated front seats, auto headlights, moonroof, Premium JBL Audio, Dynamic Navigation with 3-year trial, Remote Connect with 1-year trial, Destination Assist with 1-year trial, and Service Connect with 10-year trial

**TRD Premium Sport Package (Access Cab):**
- Includes heated front seats, auto headlights, Premium Audio, Dynamic Navigation with 3-year trial, Remote Connect with 1-year trial, Destination Assist with 1-year trial, and Service Connect with 10-year trial

**SRS Appearance Package (4-cyl.):**
- 16-in. dark gray alloy wheels and color-keyed overfenders

**SX Package:**
- Includes 16-in. alloy wheels, overfenders, mirror caps, door handles and headlight bezels

**Trail Special Edition Package:**
- 16-in. bronze-finished wheels with Toyota center cap, locking rear differential, 1.1-in. front suspension and 0.5-in. rear lift, ORF skid plate, Goodyear® Kevlar® All-Terrain tires with enhanced sidewall appearance, lockable bed storage (includes insulation on the driver’s side to double as a cooler), black 4x4 badge and V6 badge (rear), black SRS badge (side), heritage grille with Toyota bronze lettering, black fabric seats with tan stitching, 120V outlet in bed, and all-weather floor liners

**Technology Package:**
- Parking sonar and Blind Spot Monitor (BSM) with Rear Cross-Traffic Alert (RCTA) (requires colored-keyed rear bumper)

**Technology Package:**
- Blind Spot Monitor (BSM) with Rear Cross-Traffic Alert (RCTA) (requires colored-keyed rear bumper)

**Tonneau cover**

## TACOMA SPECIFICATIONS

### Mechanical/Performance

**ENGINE**
- 2.7-liter DOHC 16-valve 4-cylinder with VVT-i; 159 hp @ 5200 rpm; 180 lb.-ft. @ 3800 rpm
- 3.5-liter V6 direct-injection Atkinson-cycle engine with 278 hp @ 6000 rpm/265 lb.-ft. @ 4600 rpm
- TRD Pro cat-back exhaust

**EMISSION RATING**
- Low Emission Vehicle III (LEV-III)

**TRANSMISSION**
- 6-speed manual transmission
- 6-speed Electronically Controlled automatic Transmission with intelligence (ECT-i) (A/T only)
- Clutch start-cancel switch (M/T only)

**DRIVETRAIN**
- Rear-Wheel Drive (RWD) with Automatic Limited-Slip Differential (Auto LSD)^^
- 4WDemand part-time 4WD with electronically controlled transfer case and Automatic Limited-Slip Differential (Auto LSD)^^
- Active Traction Control (A-TRAC) (M/T only)

**BODY CONSTRUCTION**
- One-piece frame rails with 8-in. cross members and fully boxed front sub-frame

**SUSPENSION**
- Coil-spring double-wishbone front suspension and stabilizer bar; leaf spring rear suspension with staggered outboard-mounted gas shock absorbers and stabilizer bar
- TRD sport-tuned suspension
- TRD-tuned off-road suspension with Bilstein® shocks
- TRD-tuned off-road suspension with 2.5-in. FOX® Internal Bypass coil-overs and rear remote reservoir shocks

**STEERING**
- Variable-assist power rack-and-pinion steering

---

*See numbered footnotes in Disclosures section.*
1. The Toyota Tacoma is designed to meet most off-road driving requirements, but off-road driving is inherently dangerous and may result in vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment. Seatbelts should be worn at all times. Do not allow passengers to ride in cargo area.

2. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. Added vehicle equipment includes standard and optional equipment, and accessories purchased and installed by the dealer or owner. The only way to measure your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. (Calculated with the new SAE J2807 method.) Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. See Owner's Manual for limitations.

3. Payload Capacity is the calculation of GWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjarb. Trailer-Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details.

4. Goodyear® is a registered trademark of The Goodyear Tire & Rubber Company. 6. FOX is a registered trademark of FOX Factory, Inc. 7. Rigid Industries® is a registered trademark of JST Performance, LLC db/a Rigid Industries. 8. Crawl Control is an electronic system designed to aid driving on difficult terrain at low speeds and assists the driver by controlling acceleration and braking, allowing the driver to focus on steering. See Owner's Manual for additional limitations and details. 9. The Multi-Terrain Monitor view is limited and can be affected by environmental conditions. See Owner's Manual for additional limitations and details.

10. Bilstein® is a registered trademark of ThysenKrupp Bilstein GmbH FED REP GERMANY. 11. Wrangler® is a registered trademark of Goodyear Tire & Rubber Company. 12. Kevalr® is a registered trademark of E.I. du Pont de Nemours and Company. 13. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving practices and is not designed as a rollover prevention system. 14. Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for additional limitations and details. 33. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle or a pedestrian. PCS w/ PD is not a substitute for safe and attentive driving. System effectiveness is dependent on many factors, such as road condition, weather conditions, driver distraction, speed above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See Owner's Manual for additional limitations and details.

17. Connected Services depends on factors outside of Toyota's control, including an operable telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Registration required. Subscriptlon required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. Service may vary by vehicle and region. See usage precautions and service limitations in Owner's Manual and at toyota.com/connected-services for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacys/. The Toyota Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial. Service may be included with selected vehicles. Service may be available as a stand-alone service. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Toyota Remote Connect depends on factors outside of Toyota's control, including an operable telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Canada. Do not drive distracted. Go to att.com/toyota for terms and conditions. Data usage charges and apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of activation and expires when 2 GB of data is used or when the 3-month period ends. Service may vary by vehicle and region. Registration required. Subscriptlon required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in Owner's Manual and at toyota.com/connected-services for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacys/. The Toyota Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial. Service may be included with selected vehicles. Service may be available as a stand-alone service. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected with an approved data cable into the USB media port. Apple CarPlay® is a registered trademark of Apple Inc. 25. iPhone® is a registered trademark of Apple Inc. All rights reserved. 26. Android is a trademark of Google LLC. 27. Vehicle user interface is a product of Google and its terms and privacy statement apply. To use Android Auto on your audio display, you'll need an Android Auto compatible vehicle and Android phone. For phone compatibility visit: https://www.android.com/autom. Requires compatible smartphone connected with an approved data cable into the USB media port, and data plan rates apply. Apps and services vary by phone brand and are subject to change at any time without notice. Android, Android Auto and Waze are trademarks of Google. 28. Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to continue your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy; visit www.siriusxm.com for complete terms and how to cancel which includes calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its subsidiaries. 29. SiriusXM with 360L includes satellite and internet radio; siriusxm.com. Alexa is an Amazon brand and related trademarks are of Amazon.com, Inc. or its affiliates. Certain functions require adequate signal strength and/or smartphone technology/connectivity. Not all Amazon Alexa functionality is available for in-vehicle use. See applicable app for details. Download of the Toyota app and Toyota+Alexa app are both required to begin in-vehicle use of Alexa. Data charges may apply for certain services. Apps and services subject to change at any time without notice. Android, Amazon Alexa and Kindle are trademarks of Amazon.com, Inc. All rights reserved. 31. JBL® is a registered trademark of Harman International Industries, Inc. 32. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for additional limitations and details. 35. Lane Departure Alert is designed to detect visible lane markers under certain conditions, and provide visual and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather conditions, and driver distraction. Speed above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See Owner’s Manual for additional limitations and details.
and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 40. May not be compatible with all mobile phones, MP3/WMA players and like models. 41. Rear parking assist sonar is designed to warn drivers of potential rear collisions at speeds of 6 mph or less. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the rear parking assist sonar to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See Owner's Manual for additional limitations and details. 42. Dynamic Navigation depends on factors outside of Toyota’s control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Use common sense when relying on information provided. Service may vary by vehicle and region. Registration is required. Subscription required after trial. Terms of Use apply. Data charges may apply. See Owner’s Manual and https://www.toyota.com/connected-services for additional limitations and details. To learn about Toyota’s data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacy/. 43. The Dynamic Navigation trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. 44. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See Owner’s Manual for additional limitations and details. 45. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See Owner’s Manual for additional limitations and details. 46. This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. 47. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. 48. Replaces chrome rear bumper with color-keyed rear bumper on TRO Off-Road models. 49. HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. 50. Extra-cost color. 51. BedStep® is a registered trademark of AMP Research. All rights reserved. 52. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. If you would prefer a vehicle with no or different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). 53. Advanced voice recognition capabilities vary by head unit. 54. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and “Arc” logos are proprietary trademarks of iBiquity Digital Corp. 55. Dynamic voice recognition capabilities vary by head unit. 56. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner’s Manual for additional limitations and details. 57. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner’s Manual for additional limitations and details. 58. Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner’s Manual for additional limitations and details. 59. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See Owner’s Manual for additional limitations and details. 60. Active front headrests can help reduce the extent of whiplash in certain types of rear-end collisions. 61. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle’s immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service. 62. ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Certain models require a different maintenance schedule as described in their Maintenance Guide. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. 63. ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Certain models require a different maintenance schedule as described in their Maintenance Guide. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. 64. Auto LSD is an electronic, brake-actuated limited-slip differential that automatically activates when VSC is disengaged at low speeds. See Owner’s Manual for additional limitations and details. 65. 2022 projected EPA-estimated mpg rating estimates as determined by manufacturer. EPA estimates not available at time of posting. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle’s condition and how/where you drive. See www.fueleconomy.gov.

For Toyota Mobility program details, go to www.toyota.com/mobility or call the Toyota Brand Engagement Center at 1-800-331-4331.
