2024 Toyota Crown
An image of innovation.

Meet the 2024 Toyota Crown. This innovative sedan breaks every convention in the book and does so in a bold and fearless fashion. The first thing you and everyone will notice is its unmistakable design. By taking a dynamic combination of elements from a premium sedan, sports car and SUV, you end up with a distinctly crafted look that’s but stereotypical. Underneath Toyota Crown’s captivating design is an available Hybrid MAX powertrain. This turbocharged engine and electrified system come equipped with a high-output, water-cooled rear motor that delivers incredibly powerful and smooth linear acceleration. The moment you press down on the pedal, Toyota Crown’s exhilarating throttle response energizes you. And when driving through less than perfect road conditions, Toyota Crown’s sophisticated standard All-Wheel Drive (AWD) system gives you the grip and stability to power through with confidence. All together, every element of Toyota Crown’s advanced engineering puts this sedan a cut above the competition.
Captivating from all angles.

Toyota Crown’s magnetic look is unlike anything you’ve seen before. With Toyota Crown’s raised ride height, its elevated cabin sits higher than traditional sedans. And its sleek and aerodynamic shape gives Toyota Crown a look that immediately catches your eye.

Premium alloy wheels

Strong and lightweight, Toyota Crown’s alloy wheels contribute to handling and acceleration, and play a pivotal role in its striking silhouette. Standard 19-in. alloy wheels elegantly complement this sedan’s dynamic style. 21-in. machine-finished 10-spoke alloy wheels with black accents on Platinum accentuate Toyota Crown’s sporty design.

Disruptive design

Toyota Crown is redefining premium style. At first glance, its dynamically proportioned design gives it an elegant and streamlined appearance. And the sharp line of the Daytime Running Lights emphasizes its contemporary grille, while its refined taillight flows across the rear to complete this sedan’s bold design.

Bi-tone exterior

All the components in Toyota Crown Platinum’s daring design work together to make one clear argument: This premium sedan was crafted to stand out. With an available bi-tone finish that extends from the hood to the rear, Toyota Crown Platinum commands attention on every occasion.

Limited shown in Heavy Metal (extra-cost color) with Advanced Technology Package. Platinum shown in Supersonic Red with Black bi-tone (extra-cost color).
PERFORMANCE

Turbocharged and electrified.

Engineered for excitement, Toyota Crown is most alive going full force. Whether you’re merging onto the freeway or driving down city streets, the second you feel Toyota Crown’s electrified power, you’re ready to take on the day.

Hybrid power and efficiency

Toyota Crown XLE and Limited are equipped with a highly efficient hybrid system that features a high-output bipolar nickel-metal hybrid battery that provides 236 combined net horsepower. Toyota Crown has a remarkable combination of power and efficiency, with an EPA-estimated 41 mpg combined rating.3

Powerful Hybrid MAX powertrain

This available powertrain pairs Toyota Crown’s 2.4L turbocharged engine with electric motors — generating an exceptional 340 combined net horsepower. The dynamic placement of the electric motors between the engine and transmission allows for power to be transferred without any lag. The result? An impressive 0-to-60 mph in 5.7 seconds.2

Driving confidence

Toyota Crown’s standard All-Wheel Drive (AWD) system automatically supplies power to the rear wheels to help improve traction. The Hybrid MAX powertrain with Full-Time Electronic All-Wheel Drive adjusts between a 70/30 and 20/80 front-and-rear-wheel power split, while the traditional hybrid powertrains use Electronic On-Demand All-Wheel Drive to send up to 80% of power to the rear wheels for more muscle, or automatically operate in FWD mode to optimize fuel efficiency.

See numbered footnotes in Disclosures section.
Toyota Audio Multimedia system

Toyota Crown features Toyota’s innovative Human Machine Interface (HMI). This advanced system utilizes Toyota Crown’s 12.3-in. Toyota Audio Multimedia touchscreen to heighten your interaction through sight, touch and voice activation. Using this intelligent interface, you can see where you’re going with turn-by-turn directions, access multimedia functions, and connect your smartphone to enjoy your favorite apps, playlists and podcasts.

Advanced Park

Toyota Crown’s available Advanced Park5 makes fitting into a tight spot as simple as pressing a button. Just sit back, take your hands off the wheel and watch this advanced system work its magic.

Digital Key capability

With a Remote Connect trial or subscription,19 you can use the Toyota app20 to let your smartphone and smartwatch act like your key.7 You can lock/unlock doors, heat up the cabin on cold winter mornings and even share your keys with a friend — all from inside the app.

Traffic Jam Assist

Get through congested roads without a hitch. On controlled-access highways, available Traffic Jam Assist (TJA) 8 helps keep a smooth, steady ride by using a front-mounted radar unit, cameras and sensors designed to detect vehicles ahead and automatically adjust to their speeds. Drive Connect9 subscription required.

TECHNOLOGY

Tech that feels like second nature.

Toyota Crown’s advanced interior offers one incredibly connected driver experience. With elegantly integrated tech like a Qi-compatible wireless charging slot4 and an expansive touchscreen display, this intuitive cabin is the definition of driver-centric.
Crafted to the highest standard.

High-end design meets highly innovative. Inside, Toyota Crown keeps important information in front of you. The available fixed panoramic roof fills the interior with stunning natural light during the day and available memory seats give you a comfortable ride to every destination.

Heated steering wheel and heated and ventilated seats

With the press of a button, Toyota Crown’s available heated steering wheel quickly warms up for elevated driving on cold commutes. This refined cabin also features standard heated front seats and available heated rear seats for added comfort in the winter, while its available ventilated front seats help you keep your cool on hot summer days.

Fixed panoramic roof and memory seats

With an abundance of natural light coming in from above, Toyota Crown’s available fixed panoramic roof creates a spacious atmosphere. The standard power-adjustable driver’s seat dynamically adjusts in eight different ways, and the available driver’s-seat memory function remembers your ideal driving position for enhanced comfort and additional lumbar support. Meticulously crafted to the highest standard, Toyota Crown’s premium cabin heightens your senses the moment you get behind the wheel.
SAFETY & CONVENIENCE

Get through the day gracefully.

Toyota Crown puts a premium on safe driving. Convenient features like Lane Change Assist\(^\text{10}\) and Front Cross-Traffic Alert\(^\text{11}\) are designed to help you get through your commutes with ease and increased peace of mind.

Blind Spot Monitor with Rear Cross-Traffic Alert and Safe Exit Assist

Standard Blind Spot Monitor (BSM)\(^\text{12}\) with Rear Cross-Traffic Alert (RCTA)\(^\text{13}\) is designed to help look out for you. Blind Spot Monitor warns you when a vehicle in the next lane enters Toyota Crown’s blind spot on either side of the vehicle. Safe Exit Assist\(^\text{14}\) (SEA) uses BSM sensors to detect approaching vehicles. And when you’re in reverse, Rear Cross-Traffic Alert helps detect vehicles approaching from either side.

Front and Rear Parking Assist with Automatic Braking

When there is a possibility of contact with a stationary object or vehicle, Toyota Crown’s available Front and Rear Parking Assist with Automatic Braking (PA w/AB)\(^\text{15}\) sends audible and visual warnings, and in certain conditions, may automatically apply the brakes.

Lane Change Assist

By partially engaging the turn signal, Toyota Crown’s available Lane Change Assist\(^\text{10}\) is designed to confirm there are no vehicles in your way and provide steering assistance into the new lane.

Panoramic View Monitor

When you’re parallel-parking downtown or backing out of a spot in a busy garage, Toyota Crown’s available Panoramic View Monitor\(^\text{16}\) uses cameras on the front, sides and rear to display a panoramic overhead view of what’s going on around you.

Front Cross-Traffic Alert

Available Front Cross-Traffic Alert\(^\text{11}\) is designed to detect vehicles that may be approaching from the side so you can enter traffic at intersections with added safety.

Amplify your drive.

Start your workday on a high note. Toyota Crown’s available 11-speaker, 800-watt JBL® Premium Audio system includes a subwoofer and Clari-Fi® technology, delivering an exceptional listening experience for everyone inside the cabin.

Wireless Apple CarPlay®

Apple CarPlay® is a smarter, safer way to use your iPhone® while driving. Just sit inside Toyota Crown, and your compatible iPhone® wirelessly brings your favorite apps, maps and music onto the multimedia display. You can get directions, make calls, send and receive messages, and listen to music, all while staying focused on the road.

Wireless Android Auto™

Connect your Android™ phone, then hit the road. Get all your favorite maps, media and messaging apps on your Toyota Crown’s screen display. Talk to Google Assistant® on Android Auto™ to easily get directions, send messages, control media and more. Just say, “Hey Google” to get started.

Apple Music®

Built-in Integrated Streaming with Apple Music® lets you stream over 100 million songs and 30,000 playlists ad-free — right from your touchscreen display. Just have an Apple Music® subscription and a Toyota Wi-Fi Connect® subscription, and you’re good to go.

SiriusXM® Platinum Plan 3-month trial

With the SiriusXM® 3-month Platinum Plan trial subscription, you get 425+ channels, including 165+ channels in your vehicle, of ad-free music, plus sports, news, comedy and more. Easily search, discover and listen through personalized channel recommendations curated just “For You.” Plus, the Live Sports category puts all your games and teams in one place for easy access.

Wireless Apple CarPlay® and Wireless Android Auto™

Peace of mind comes standard.

TOYOTA SAFETY SENSE™ 3.0 (TSS 3.0) is a bundle of active safety features included on many new Toyota vehicles at no additional cost. These innovative features were designed to help protect you and your passengers from harm.

- Pre-Collision System with Pedestrian Detection
- Full-Speed Range Dynamic Radar Cruise Control
- Lane Departure Alert with Steering Assist
- Automatic High Beams
- Lane Tracing Assist
- Road Sign Assist
- Proactive Driving Assist

For more information, visit toyota.com/safety-sense. Feature availability may vary by model grade. See numbered footnotes in Disclosures section.
XLE
Includes these key features

Mechanical/Performance
- Hybrid engine: 2.5-Liter Dynamic Force 4-Cylinder with EV Mode, 236 combined net hp
- Electrically controlled Continuously Variable Transmission (ECVT)
- All-Wheel Drive (AWD)
- Eco, Normal, Sport drive modes
- 42 city/41 highway/41 combined EPA-est. mpg

Exterior Features
- 19-in. multi-spoke machined-finish two-tone alloy wheels
- Bi-LED projector low- and high-beam headlights with auto on/off feature
- LED taillights and stop lights
- Color-keyed outside door handles with touch-sensor lock/unlock feature
- Heated power outside mirrors with turn signal, puddle lights, and power-folding feature

Interior Features
- Dual zone automatic climate control system with dust and pollen filter, and rear-seat vents
- Fabric seats with SofTex® trim, 8-way power-adjustable driver’s seat with lumbar support, 8-way power-adjustable front seat
- Heated front seats
- 12.3-in. Multi-Information Display (MID) screen
- Leather-trimmed tilt/telescopic steering wheel, with audio, infotainment and Driver Assist controls
- Smart Key System on front doors and trunk with Push Button Start

Audio Multimedia
- 12.3-in. Toyota Audio Multimedia: 12.3-in. touchscreen
- SiriusXM® with 3-month Platinum Plan trial subscription
- Wireless Apple CarPlay® compatibility
- 12.3-in. Multi-Information Display (MID) screen
- Heated leather-trimmed tilt/telescopic steering wheel with audio, infotainment and Driver Assist controls
- Smart Key System on all doors and trunk with Push Button Start and remote illuminated entry

Connected Services
- Wi-Fi Connect®
- Service Connect with up to 10-year trial
- Remote Connect with 1-year trial
- Safety Connect® with up to 10-year trial
- Drive Connect with 1-year trial

Safety Features
- Toyota Safety Sense™ 3.0 (TSS 3.0)
- Star Safety System™
- Eight airbags
- Safe Exit Assist (SEA)
- Blind Spot Monitor (BSM) with Rear Cross-Traffic Alert (RCTA)
- Vehicle Proximity Notification System (VPNS)

Limited
Adds to or replaces features offered on XLE

All-weather trunk mat
Cargo net
Illuminated doorsills
Key gloves
Front side logo puddle lamps
Rear bumper appliqué
Mudguards
Carpet cargo mats

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that’s not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Hybrid-Related Component Coverage: Hybrid-related components, including the battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. Refer to applicable Warranty and Maintenance Guide for details.

Hybrid Battery: HV battery is covered for 10 years or 150,000 miles, whichever comes first. Warranty coverage is subject to terms and conditions. Refer to applicable Warranty and Maintenance Guide for details.

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle’s in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it’s necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota’s warranties, please visit www.toyota.com, refer to the applicable Warranty and Maintenance Guide or see your Toyota dealer.

DISCLOSURES

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). 46. HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. 47. May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. 48. Rated for 12 volts/10 amps. See Owner’s Manual for additional limitations and details. 49. When the system is on, Automatic Electric Parking Brake is designed to automatically engage the Electric Parking Brake under limited conditions. It may not hold the vehicle under all conditions and does not function when the vehicle is in Reverse. Automatic Electric Parking Brake is not a substitute for manual use of the Electric Parking Brake. See Owner’s Manual for additional limitations and details. 50. When the system is on, Brake Hold is designed to keep the brakes engaged after the driver brings the vehicle to a complete stop. It may not hold the vehicle under certain conditions and does not function when the vehicle is in Reverse. Brake Hold is not a substitute for safe and attentive driving. See Owner’s Manual for limitations. 51. Amazon Music, and all related marks are trademarks of Amazon Technologies, Inc. or its affiliates. 52. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Customer Experience Center at 1-800-331-4331. 53. Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota’s control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner’s Manual and https://www.toyota.com/connected-services/ for limitations. To learn about Toyota’s Connected Services data collection, use, sharing and retention practices, visit https://www.toyota.com/support/privacy-notice/. 54. Intelligent Assistant requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota’s control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner’s Manual and https://www.toyota.com/connected-services/ for limitations. To learn about Toyota’s Connected Services data collection, use, sharing and retention practices, visit https://www.toyota.com/support/privacy-notice/. 55. On select models, Destination Assist will require a trial or subscription to Drive Connect. Availability and accuracy depend on certain factors outside of Toyota’s control in order to operate, including a cellular connection and GPS signal. Without either of these, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription to Drive Connect after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner’s Manual and https://www.toyota.com/connected-services/ for limitations. To learn about Toyota’s Connected Services data collection, use, sharing and retention practices, visit https://www.toyota.com/support/privacy-notice/. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. 56. Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See Owner’s Manual for limitations. 57. Smart Stop Technology® will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See Owner’s Manual for limitations. 58. The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See Owner’s Manual for limitations. 59. Whiplash-Injury-Lessening front seats can help reduce the severity of whiplash injury in certain rear-end collisions. 60. The Rear-Seat Reminder does not sense objects in the rear seat. The Rear-Seat Reminder is designed to recognize a unique rear-door opening pattern that may be consistent with an object being placed in the rear seating area. See Owner’s Manual for additional details. 61. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner’s Manual for additional limitations and details. 62. Hill Start Assist Control is designed to minimize backward rolling on steep ascents. Not a substitute for safe driving judgment and practices. Speed, grade, surface conditions, driver input, etc., can all affect HAC function. See Owner’s Manual.
