

TOYOTA

2025 SEQUOIA

2025 SEQUOIA

Resilient from the ground up.

The 2025 Toyota Sequoia is the ultimate family SUV. Its spacious interior shines with innovative technology that makes every drive more convenient and enjoyable, and its sophisticated-meets-rugged exterior hints at the incredible power beneath its hood. It's a towing powerhouse with heritage as deep as its namesake's roots, created to help you drive forward in comfort and distinction.

i-FORCE MAX engine

Enjoy 437 horsepower and 583 lb.-ft. of torque, with smooth shifts and instant throttle response, thanks to the i-FORCE MAX twin-turbo V6 hybrid powertrain and its highly responsive electric motor.

Drive Mode Select

Select the appropriate drive mode for the current driving conditions to enjoy optimized performance, whether you're crossing rocky ground or cruising on the open highway.

Tow modes

TOW/HAUL and Tow+ Mode can adjust transmission settings to help optimize towing capability and performance, so you can take control on dirt trails or inclined roads.

Towing technology

Sequoia's available digital display rearview mirror, trailer Wi-Fi camera² and Trailer Backup Guide with Straight Path Assist³ make towing a breeze.⁴

PERFORMANCE

Designed to power through.

With its powerful combination of efficiency and heavy-hitting towing prowess, Sequoia lets you experience long-distance adventures with confidence, and in-town errands with fewer stops at the pump.

Efficiency

With Sequoia's i-FORCE MAX engine, you have incredible power and up to an estimated 22 combined mpg rating¹ from a twin-turbo V6 hybrid engine.

TRD Pro shown in Ice Cap, and Capstone shown in Supersonic Red (extra-cost color).

Never tow beyond a vehicle's published towing capacities. Platinum shown in Blueprint.

Max towing of up to 9520 lbs. with Integrated Trailer Brake Controller

Discover more peace of mind when towing.^{4,5} Sequoia's standard multi-link rear suspension delivers a smooth ride and towing stability, while available Load-leveling Rear Height Control Air Suspension, along with Adaptive Variable Suspension (AVS), can help adjust Sequoia's height according to driving conditions.

See numbered footnotes in Disclosures section.

1794 Edition interior shown in Saddle Tan leather trim.

1794 Edition

The 1794 Edition's luxurious Saddle Tan interior features hand-stitched leather trim and American walnut wood-grain finish that highlights the natural beauty of the grain.

Second-row bench seating or captain's chairs

Sequoia's size speaks for itself. With second-row bench seats that make room for up to eight or available captain's chairs that seat up to seven, the whole family can stay close and still have plenty of space.

Premium seating

Standard heated front seats and available heated and ventilated first- and second-row seats warm you up on cold winter nights and cool you off on hot summer days, while standard first-row massage seating on Platinum, Capstone and 1794 Edition takes comfort to another level.

Panoramic moonroof

Immerse yourself in the beauty of the outside world with Sequoia's available panoramic moonroof. Its large size allows for natural light and gives passengers a view of a clear blue sky during the day, or a moonlit skyline at night.

INTERIOR

Crafted for comfort.

Sequoia's high-quality materials and thoughtful appointments make its cabin deeply relaxing. With first-class styling, year-round comfort and space for up to eight, you have plenty of room for friends, pets and a growing family.

1794 Edition interior shown in Saddle Tan leather trim.

Three-zone automatic climate control.

Capstone interior shown in Black/White leather trim.

TECHNOLOGY

Intelligence at your fingertips.

Sequoia puts intelligent tech easily within reach, and helps you navigate every drive with more ease. From displays that bring important information front and center to an available wireless charger that lets you leave the cords behind,⁶ its smart amenities offer exceptional convenience.

Platinum interior shown in Black leather trim.

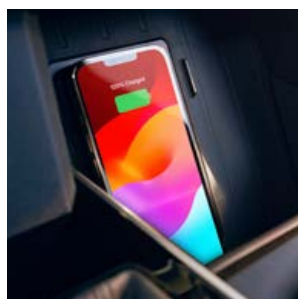

14-in. Toyota Audio Multimedia touchscreen

Scaled perfectly to Sequoia's spacious interior is the large, available 14-in. Toyota Audio Multimedia touchscreen. While the clear display is easy to see, it's also easy to use. Dual Bluetooth^{®8} phone connectivity makes undistracted driving easier with hands-free phone capabilities, while available Drive Connect⁹ — with Cloud Navigation¹⁰ and Intelligent Assistant¹¹ — helps you find where you need to be.

Digital rearview mirror with HomeLink[®]

Connected to a camera in the rear, Sequoia's available digital rearview mirror can cast a clearer, wider and obstruction-free view of what's behind you. You can zoom in, zoom out and adjust the mirror to give you a better perspective. Integrated HomeLink[®] universal transceiver⁷ buttons provide easy access to your garage door and more.

Qi wireless charging

No cables. No plugging in. No hassle. Available Qi-compatible wireless charging⁶ lets you simply place your compatible smartphone on the dock and charge while you're on the go.

12.3-in. full-color digital gauge cluster

Customize the 12.3-in. full-color digital gauge cluster to your liking. Rearrange the driving information you want to see so you can enhance your everyday driving experience.

EXTERIOR

Character in every detail.

Clean lines and a muscular body define Sequoia's proud presence. Its size alone draws attention, and its bold beauty holds it. Built into this elegant family SUV are features that add function with classic style.

1794 Edition shown in Wind Chill Pearl (extra cost color).

Power-extending tow mirrors

Put your mind at ease by feeling good about what you're towing. Available power-folding, -extending and -retracting tow mirrors increase your ability to see, and help make towing easier and safer.

LED auto-leveling headlights with sequential turn signals

See the road more clearly with Sequoia's available LED auto-leveling headlights. These high-grade headlights look stylish and are designed for increased visibility when you're driving at night. Sequoia's sequential turn signals also enhance clarity for other drivers, so everyone may share the road safely.

Wheel design

Look good wherever you are. The sleek design of the large, available 22-in. alloy wheels enhances Sequoia's sizable presence while capturing luxury from another angle.

CAPABILITY

Prepared to take you farther.

Sequoia lets you tackle tough, steep and rugged trails with its impressive array of capability features. Built to go beyond the pavement, it lets you select the appropriate drive mode for the terrain and can adjust its suspension to provide you with a smoother ride.

Multi-Terrain Select and Downhill Assist Control

Sequoia is fit and ready to perform for practically all your off-road adventures. Available Multi-Terrain Select (MTS), Crawl Control (CRAWL)¹² and Downhill Assist Control (DAC)¹³ work to help provide optimal traction over rugged terrain.

Adaptive Variable Suspension

Available Adaptive Variable Suspension (AVS) adjusts damping force based on road conditions. Whether you're encountering a large pothole, bump or rock, Sequoia's built-in actuators in the front and rear shock absorbers are designed to continuously change damping force for refined riding comfort, confident handling and enhanced towing stability.

Multi-Terrain Monitor

Confidently navigate around large rocks or other obstacles that are in your way while off-roading. Just turn on the available Multi-Terrain Monitor (MTM) to get a full range of visibility around your vehicle by taking advantage of its front, side and rear cameras.

Amplify your drive.

Wireless Apple CarPlay®

Bring along a familiar interface. With Sequoia's Apple CarPlay^{®14} compatibility, you can use your compatible iPhone^{®15} with the multimedia system to get directions, make calls, send and receive messages, and listen to music, all while staying focused behind the wheel.

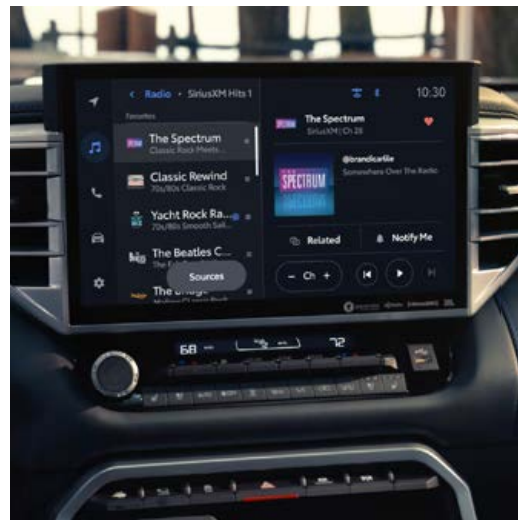

Wireless Android Auto™

Stay connected on the road. By pairing your compatible Android^{™17} phone with the audio multimedia system, Android Auto^{™18} compatibility lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

JBL® Premium Audio system

Immerse yourself in quality sound with Sequoia's available JBL^{®16} Premium Audio system. A 14-speaker, 800-watt audio system equipped with a subwoofer and amplifier, it provides phenomenal sound that amplifies every drive.

SiriusXM® 3-month trial

SiriusXM^{®19} has premium entertainment that you won't hear anywhere else. With the SiriusXM[®] 3-month trial, you get 425+ channels, including 165+ channels in your vehicle, to enjoy ad-free music, plus sports, news, talk, comedy and more. Experience even more on the SiriusXM[®] App, featuring expertly curated podcasts, Xtra channels of music, personalized Pandora[®] stations, SiriusXM[®] video and more.

COMFORT AND CONVENIENCE

Not just useful — it's helpful too.

Sequoia makes your drives easy, with mindful design. From simplifying loading and unloading to helping you get to your destination — its thoughtful conveniences make life on the go smoother.

Panoramic View Monitor

Load up and head out with added peace of mind. The available Panoramic View Monitor (PVM)²⁰ gives you a full 360-degree view of the vehicle and trailer hitch line. This provides additional visibility and guidance as you park or back up to hitch a trailer.

Power-extending running boards

Step into your comfort zone. Available power running boards are concealed when the driver and passenger doors are closed, then move into position when the doors open so you can conveniently get into and out of your Sequoia.

Hands-free liftgate

With a simple kick of the foot under the rear bumper with the key fob in your possession, the available hands-free power liftgate opens automatically.²¹ And when you're unloading, press the close-and-lock button. Sequoia's rear sensor is designed to detect when you're away from the area and automatically close the rear gate and lock all your doors.

Cargo and load capacity limited by weight and distribution.
Always properly secure cargo and cargo area.

10-in. Head-Up Display

An available 10-in. color Head-Up Display (HUD) projects your speed, certain safety alerts and other customizable driving info right onto the windshield, so you can focus on the drive.

TOYOTA SAFETY SENSE™ (TSS 2.5)

Peace of mind comes standard.

Toyota Safety Sense™ (TSS)²² is a suite of safety and driver-assistance technologies designed to support driver awareness, decision-making and vehicle operation. These features are standard on many new Toyota vehicles at no additional cost.

Pre-Collision System with Pedestrian Detection²³

Full-Speed Range Dynamic Radar Cruise Control²⁴

Lane Departure Alert with Steering Assist²⁵

Automatic High Beams²⁶

Technology that keeps up with you.

Take advantage of smart(er) and convenient technologies designed to simplify your everyday life. Trial periods available on select models for the listed Connected Services.^{27,*} 4G network dependent.

Safety Connect®

Round-the-clock help when the unexpected happens. Up to 10-year trial period.²⁸

- ✓ Emergency Assistance Button (SOS)
- ✓ Enhanced Roadside Assistance²⁹
- ✓ Automatic Collision Notification
- ✓ Stolen Vehicle Locator³⁰

Service Connect

Being proactive to help keep your vehicle in peak condition. Up to 10-year trial period.³¹

- ✓ Vehicle Health Report
- ✓ Vehicle Maintenance Alert
- ✓ Maintenance Reminder

Wi-Fi Connect

Turn your Toyota into a hotspot with 4G connectivity. Up to 3 GB within 30-day trial included.²

- ✓ AT&T Hotspot

Drive Connect

Navigation solutions that use the latest maps, voice commands and live agent assistance.⁹

- ✓ Destination Assist³²
- ✓ Intelligent Assistant¹¹
- ✓ Cloud Navigation¹⁰

Remote Connect

Manage your vehicle through the Toyota app.³³ Available on select models.³⁴

- ✓ Remote Vehicle Start
- ✓ Unlock/Lock
- ✓ Remote Notifications
- ✓ Guest Driver
- ✓ Smartwatch Compatibility

*To view included trial details, please visit toyota.com/connected-services.

BEYOND ZERO

Beyond Zero is our vision to reach carbon neutrality with our products, services and operations, as we find new ways to create a better world. We currently offer more low and zero emission vehicles combined than any other automaker, to give customers numerous choices to reduce their carbon footprint.

Hybrid EV

Hybrid Electric Vehicles start, refuel and handle like the gas-only Toyotas you already know and love — just with better mpg.

Plug-in Hybrid EV

Plug-in Hybrid Electric Vehicles run just like hybrids, using a combination of fuel and battery-powered electric motor(s), but thanks to their larger battery pack, they can run farther on electric power alone.

Battery EV

These pure Electric Vehicles replace gasoline and combustion engines with battery-powered electric motors, providing smooth and almost instantaneous torque.

Fuel Cell EV

Fuel Cell Electric Vehicles combine stored hydrogen with oxygen from the outside air to generate their own electric charge to power the motor.

SEQUOIA MODELS

SR5

Includes these key features

Mechanical/Performance

- ✓ i-FORCE MAX Twin-Turbo V6 Hybrid
- ✓ 437 hp @ 5200 rpm; 583 lb.-ft. @ 2400 rpm
- ✓ 10-speed Electronically Controlled automatic Transmission with intelligence (ECT-i)
- ✓ Selectable driving and TOW/HAUL modes
- ✓ Towing hitch receiver and wiring harness with 4-pin/7-pin connector⁴
- ✓ Integrated Trailer Brake Controller (ITBC)⁵
- ✓ Rear-Wheel Drive (RWD) or 4WDemand part-time 4WD
- ✓ 21 city/24 highway/22 combined est. mpg (4x2)¹
19 city/22 highway/20 combined est. mpg (4x4)¹

Exterior Features

- ✓ 18-in. silver-painted alloy wheels
- ✓ LED headlights with Daytime Running Lights (DRL)
- ✓ LED fog lights

Interior Features

- ✓ 12.3-in. digital meter with selectable gauge display screens
- ✓ Three-zone automatic climate control
- ✓ Power tilt/slide moonroof with sliding sunshade
- ✓ Panoramic View Monitor (PVM)²⁰

Safety/Convenience

- ✓ Toyota Safety Sense™ 2.5 (TSS 2.5)²² includes:
 - Pre-Collision System with Pedestrian Detection (PCS w/PD)²³
 - Full-Speed Range Dynamic Radar Cruise Control (DRCC)²⁴
 - Lane Departure Alert with Steering Assist (LDA w/SA)²⁵
 - Lane Tracing Assist (LTA)³⁵
 - Automatic High Beams (AHB)²⁶
 - Road Sign Assist (RSA)³⁶

Audio Multimedia

- ✓ 8-in. Toyota Audio Multimedia touchscreen with wireless Apple CarPlay^{®14} & Android Auto^{™18} compatibility, and SiriusXM[®] 3-month trial¹⁹

Connected Services

- ✓ Safety Connect[®] with up to 10-year trial.²⁸ 4G network dependent.
- ✓ Remote Connect-capable; subscription required; select features only.³⁴ 4G network dependent.
- ✓ Drive Connect-capable; subscription required.⁹ 4G network dependent.
- ✓ Service Connect with up to 10-year trial.³¹ 4G network dependent.
- ✓ Wi-Fi Connect with up to 3 GB within 30-day trial.² 4G network dependent.

Packages/Options

- ✓ SR5 Premium Package
- ✓ TRD Sport Package
- ✓ TRD Off-Road Package (4x4)
- ✓ Tow Technology Package
- ✓ Power-extending tow mirrors

Limited

Adds to or replaces features offered on SR5

Mechanical/Performance

- ✓ i-FORCE MAX Twin-Turbo V6 Hybrid
- ✓ 437 hp @ 5200 rpm; 583 lb.-ft. @ 2400 rpm
- ✓ 10-speed Electronically Controlled automatic Transmission with intelligence (ECT-i)
- ✓ Selectable driving and TOW/HAUL modes
- ✓ Towing hitch receiver and wiring harness with 4-pin/7-pin connector⁴
- ✓ Integrated Trailer Brake Controller (ITBC)⁵
- ✓ Rear-Wheel Drive (RWD) or 4WDemand part-time 4WD
- ✓ 21 city/24 highway/22 combined est. mpg (4x2)¹
19 city/22 highway/20 combined est. mpg (4x4)¹

Exterior Features

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Hybrid-Related Component Coverage: Hybrid-related components, including the battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. Refer to applicable *Warranty and Maintenance Guide* for details.

Hybrid Battery: HV battery is covered for 10 years or 150,000 miles, whichever comes first. Warranty coverage is subject to terms and conditions. Refer to applicable *Warranty and Maintenance Guide* for details.

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles

from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

Third-party accessories are not designed, manufactured or evaluated by Toyota. The accessories and any damage to other components or altered performance of the vehicle that may be caused by the accessories are not covered by your vehicle's warranty, and Toyota disclaims all liability therefor. See third-party warranty website for information on the applicable third-party accessory.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

DISCLOSURES

1. EPA-estimated 21 city/24 highway/22 combined mpg rating for 2025 Sequoia SR5, and Limited 4x2; EPA-estimated 19 city/22 highway/20 combined mpg rating for 2025 Sequoia SR5, Limited, Platinum, 1794 Edition, TRD Pro and Capstone 4x4. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. 2. Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscriptions to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to <https://myvehicle.att.com/#/toyota/learn?language=en&country=US> for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3 GB data use or the 1-month trial period ends. Trial begins at activation and expires the earlier of 3 GB data use or 1 mo. Valid in contiguous U.S. and Alaska. See <https://myvehicle.att.com/#/toyota/learn?language=en&country=US> for terms and conditions. 3. The backup camera does not provide a comprehensive view of the rear area of the vehicle/trailer. When using straight path assist, driver should confirm clearance and is still responsible for safe operation. See *Owner's Manual* for limitations. 4. Never tow beyond a vehicle's published towing capacities. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. Follow all instructions in your *Owner's Manual*. 5. Integrated Trailer Brake Controller is an electronic system that operates in tandem with a trailer equipped with an electric braking system. It is designed to help the driver maintain trailer control by increasing or reducing trailer braking based on trailer weight. It is not a substitute for safe towing practices. Factors including speed, weather, road conditions and driver input can all affect trailer braking control. See *Owner's Manual* for additional limitations and details. 6. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. 7. HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. 8. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. The Bluetooth® word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license. 9. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services may vary and are subject to change without notice. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/privacyvts/images/doc/Toyota%20-%20Connected%20Services%20Terms%20of%20Use.pdf> and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/privacyvts>. Trial period begins on original purchase or lease date of new vehicle Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. 10. Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. 11. Intelligent Assistant requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. 12. Crawl Control is designed for driving on difficult terrain at low speeds and assists the driver by controlling acceleration and braking, allowing the driver to focus on steering. See *Owner's Manual* for additional limitations. 13. Downhill Assist Control is designed to help driver maintain vehicle control and speed on steep, downhill descents and is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can affect the DAC's ability to prevent loss of control. See *Owner's Manual* for additional limitations and details. 14. Apple CarPlay® requires a compatible iPhone® with an active data plan. Check compatibility at <https://www.apple.com/ios/carplay/>. Operability depends on network availability, a cellular connection and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to <https://www.toyota.com/audio-multimedia/>. To learn more about Toyota Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. Apple CarPlay® is a registered trademark of Apple Inc. 15. iPhone® is a registered trademark of Apple Inc. All rights reserved. 16. JBL® is a registered trademark of Harman International Industries, Inc. 17. Google, Android, Android Auto, YouTube Music and other marks are trademarks of Google LLC. 18. Wireless use of Android Auto™ requires a compatible Android™ 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. Operability depends on network availability, a cellular connection, and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to <https://www.toyota.com/audio-multimedia/>. To learn more about Toyota's Connected Services data collection, use, sharing, and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. Android™ and Android Auto™ are trademarks of Google LLC. 19. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. 20. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See *Owner's Manual* for limitations. 21. Water, weather, dirt, and other conditions may cause the hands-free power liftgate sensor to not operate properly. See *Owner's Manual* for limitations. 22. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for limitations. 23. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See *Owner's Manual* for limitations. 24. Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See *Owner's Manual* for instructions and limitations. 25. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See *Owner's Manual* for limitations. 26. Automatic High Beams operate at speeds above 21 mph. See *Owner's Manual* for instruction and limitations. 27. Toyota Connected Services depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to the response center and emergency support. Services vary by vehicle and are subject to change at any time without notice. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/privacyvts/images/doc/Toyota%20-%20Connected%20Services%20Terms%20of%20Use.pdf> and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/privacyvts>. All trials begin on original purchase or lease date of new vehicle, with the exception of Wi-Fi for which trial begins at time of activation. Paid subscription required after trial (if applicable). 28. Safety Connect® depends on certain factors outside of Toyota's control in order to operate, including 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Services may vary and are subject to change without notice. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/privacyvts/images/doc/Toyota%20-%20Connected%20Services%20Terms%20of%20Use.pdf> and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/privacyvts>. A Safety Connect® trial is included for up to 10 years on select vehicles with paid Connected Services packages. See your Toyota dealer for details. 4G network dependent. 29. Enhanced 24/7 Roadside Assistance allows use of in-vehicle SOS button to assist response agent to identify vehicle location. Unlimited mileage coverage effective with an active Safety Connect® trial which depends on factors outside Toyota's control, including 4G network availability. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/privacyvts/images/doc/Toyota%20-%20Connected%20Services%20Terms%20of%20Use.pdf> and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/privacyvts>. Enhanced Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Service subject to change at any time. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. 30. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. 31. Service Connect depends on operative telematics device, 4G network availability and other factors beyond Toyota's control in order to operate, including 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Information provided is based on the last time data was collected from vehicle and is not real time data. Services may vary and are subject to change without notice. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/privacyvts/images/doc/Toyota%20-%20Connected%20Services%20Terms%20of%20Use.pdf> and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/privacyvts>. The Destination Assist trial is included for up to 10 years. 4G network dependent. 32. On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services may vary and are subject to change without notice. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/privacyvts/images/doc/Toyota%20-%20Connected%20Services%20Terms%20of%20Use.pdf> and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/privacyvts>. The Destination Assist trial period begins on original purchase or lease

DISCLOSURES

date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **33.** An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app. **34.** Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect depends on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Digital Key also requires Bluetooth® connectivity. Remote Connect is included with select paid Connected Services packages. See your Toyota dealer for details. Services may vary and are subject to change without notice. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/privacyvts/images/doc/Toyota%20-%20Connected%20Services%20Terms%20of%20Use.pdf> and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/privacyvts>. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **35.** The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See *Owner's Manual* for limitations. **36.** Road Sign Assist only recognizes certain road signs. See *Owner's Manual* for limitations. **37.** Payload includes the weight of occupants, cargo and options and is limited by weight distribution. **38.** This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. **39.** FOX is a registered trademark of FOX Factory, Inc. **40.** BBS® is a registered trademark of BBS of America, Inc. **41.** Extra-cost color. **42.** Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions. **43.** Genuine Toyota Paint Protection Film by 3M™ is designed for specific sections of the vehicle most prone to chipping and may vary depending on vehicle model. Select applications may require an additional charge. Toyota Genuine Accessory Warranty only applies when installation is performed by a trained Toyota-approved installer. See Toyota dealer for details. **44.** Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). **45.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See *Owner's Manual* for limitations. **46.** Do not exceed 120V. See *Owner's Manual* for additional limitations and details. **47.** Rated for 12 volts/10 amps. See *Owner's Manual* for additional limitations and details. **48.** The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See *Owner's Manual* for limitations. **49.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for limitations and details. **50.** Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See *Owner's Manual* for limitations. **51.** Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See *Owner's Manual* for limitations. **52.** Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details. **53.** Smart Stop Technology® will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See *Owner's Manual* for limitations. **54.** Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See *Owner's Manual* for limitations. **55.** Active front headrests can help reduce the extent of whiplash in certain types of rear-end collisions. **56.** Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See *Owner's Manual* for instructions and limitations. **57.** Apple Music and the Apple logo are trademarks of Apple Inc., registered in the U.S. and other countries. Requires Wi-Fi Connect subscription after trial (if applicable) and your own Apple Music account. **58.** Amazon, Amazon Music, and related marks are trademarks of Amazon.com, Inc., or its affiliates. **59.** Before towing, confirm Stop and Start Engine System is disengaged. **60.** Auto LSD is an electronic, brake-actuated limited-slip differential that automatically activates when VSC is disengaged at low speeds. See *Owner's Manual* for limitations. **61.** Bilstein® is a registered trademark of ThyssenKrupp Bilstein GmbH FED REP GERMANY. **62.** When the system is on, Electric Parking Brake is designed to engage the Parking Brake under limited conditions. It may not hold the vehicle under all conditions. See *Owner's Manual* for additional limitations and details. **63.** Trailer-Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **64.** Michelin is a registered trademark of Michelin North America, Inc. **65.** Falken is a registered trademark of Sumitomo Rubber Industries, Ltd.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area.
