

TOYOTA

2026 GR86

2026 GR86

Level up your drive.

With drag-reducing contours and responsive handling, GR86 makes every drive feel like victory lane.

2026 GR86

Thrills beyond the game.

Discover what makes GR86 stand out.

Info 1

Purposeful Design

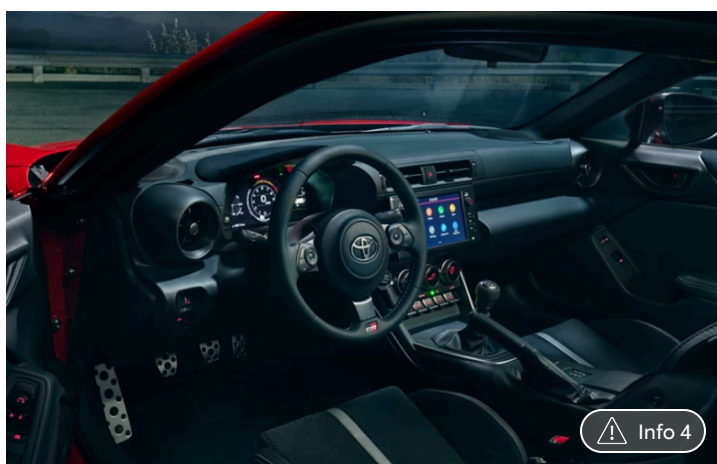

Purposeful Design

With its long hood and short rear deck, GR86's sleek, aerodynamic profile boasts aggressive, racing-inspired proportions. Underneath, almost every component, from its powertrain to its body panels, has been optimized to be as light as possible, leaving you with near-perfect weight distribution that creates a highly responsive driving experience.

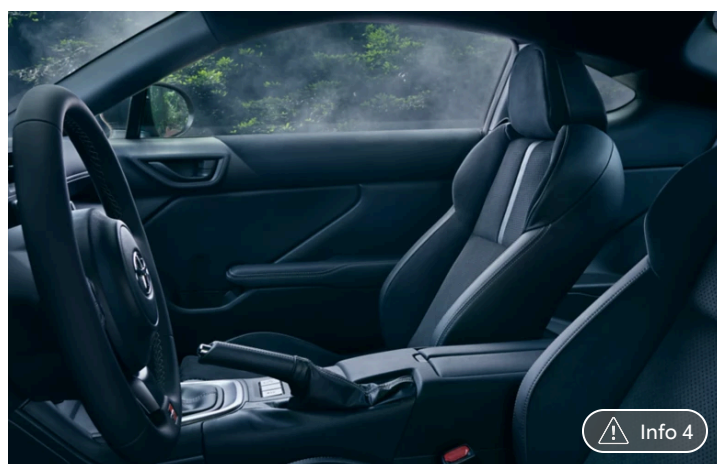

Optimized Body Structure and Front-Fender Air Vents

Feel the road's embrace as you hug every bend. With its unibody frame that blends high-strength steel and lightweight aluminum, you have a top-notch platform for unparalleled handling. Its low-mounted engine drops the center of gravity, while functional front-fender air vents help channel air around the car, for more stability on every curve.

Driver-Centric Interior

Awaken your inner champion from the moment you step in. With turbine-style air vents and a dual zone climate control system, GR86 looks and feels racetrack ready. Its premium dashboard, center console with silver-finished toggles, and available aluminum sport pedals complete the driver-centric design. When you need to carry more track-day essentials, just fold the rear seats to store an extra set of tires.

Leather-Trimmed Driver Touchpoints

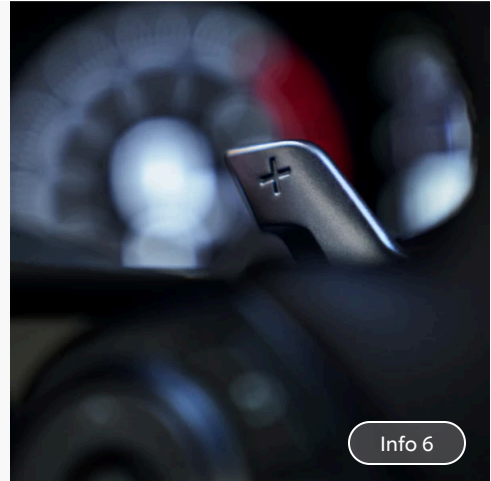

Adding elements of comfort while showing off GR86's sophisticated side are standard all-black leather touchpoints. From a leather-trimmed steering wheel to a leather-wrapped parking brake handle and available heated leather-trimmed seats, GR86 is about more than just function.

It packs a punch.

Performance

6-Speed Manual or Automatic Transmission With Paddle Shifters

Whether you're rowing through the gears of a 6-speed Manual or triggering the paddle shifters of the 6-speed Auto, GR86 is ready for your next move.

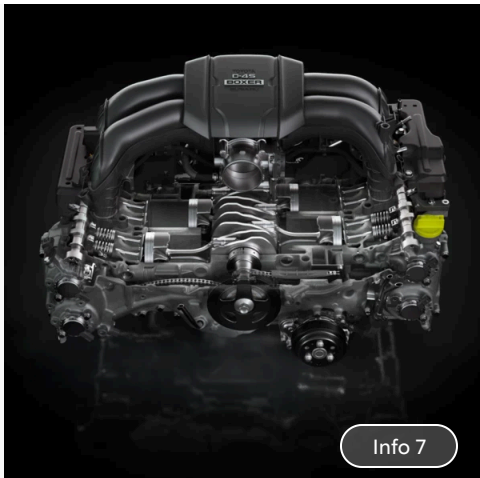

Info 6

Toyota Gazoo Racing

Gazoo Racing is Toyota's global racing division, driven by our obsessive passion for speed. Every GR-badged vehicle has undergone rigorous testing and has earned numerous wins and finishes across the globe.

Dual Cat-Back Exhaust

Make an impression at every block. Constructed from high-grade, corrosion-resistant materials, GR86's dual chrome-tipped exhaust system smooths airflow and heightens the engine's performance.

Info 7

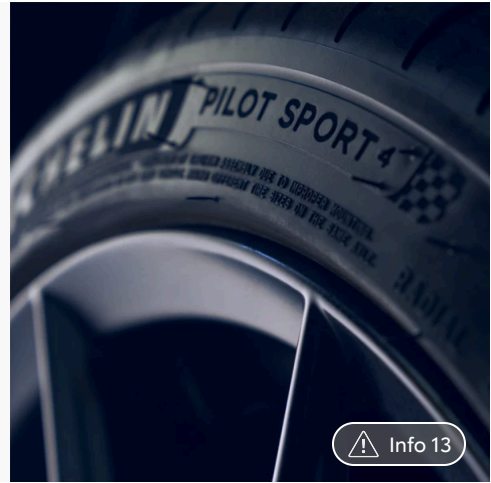

2.4L 4-Cylinder Boxer Engine

GR86's 2.4L 4-cylinder naturally aspirated boxer engine pumps out 228 horsepower ⁵ and 184 lb.-ft. of torque and sits low in the chassis, to help optimize balance and center of gravity when you're turning corners.

Handling

18-In. Alloy Wheels

Stand out when you pull up with available 18-in. alloy wheels in a matte-black finish, and maintain control on the road with Michelin®⁸ Pilot® Sport 4 tires that are designed to grip the road in wet or dry conditions.⁹

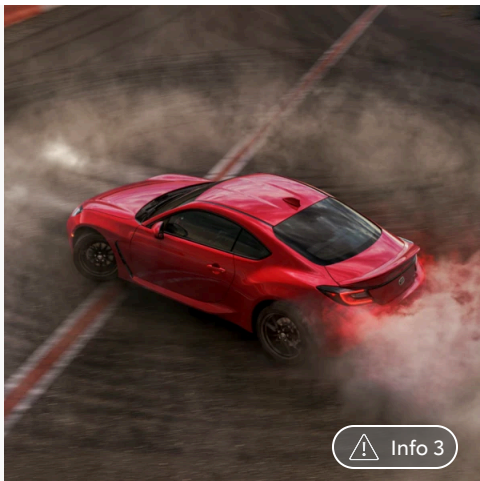

Front-Engine RWD Layout

With a front-mounted engine sending power to the rear wheels, GR86 was born to give you better control in corners. Its strong chassis and optimal weight distribution allow nimble handling on the road.

Vehicle Stability Control

Optimize traction and control with the help of GR86's VSC,¹⁰ or dial it back to help you reach the limits of grip. Full-Off Mode prevents the VSC from kicking in, putting you in full control.

Track-Ready

GR86's available Brembo® brakes¹¹ are designed to deliver exceptional stopping power. These, along with available SACHS®¹² performance dampers, help reduce body roll and improve cornering, helping you take on corners with confidence.

Slick tech, front and center.

GR86's technology features help make your drive as seamless as possible, so you can focus on the laps ahead.

Info 16

Digital Gauge Cluster

Get all of the vital info you need at a glance. Toggle between Normal, Sport and Track Modes. With Track Mode activated, the gauge cluster reanimates to show you a linear-style tachometer and larger shift light—helping you optimize your shifts.

Info 17

8-In. Touchscreen

GR86's 8-in. touchscreen comes standard with Apple CarPlay[®] 14 and Android Auto[™] 15 compatibility. From listening to music to finding your destinations, and more—stay connected to every adventure.

Info 18

Available Eight Speakers

Just like the engineering under the hood, GR86's available 8-speaker audio system is designed to amplify every drive. Its enhanced sound quality immerses you in the GR experience, setting the perfect mood. For those who want even more bass, an available 10-in., 200W subwoofer is ready to rumble. Simulation shown.

Info 19

Remote Keyless Entry With GR Push Button Start

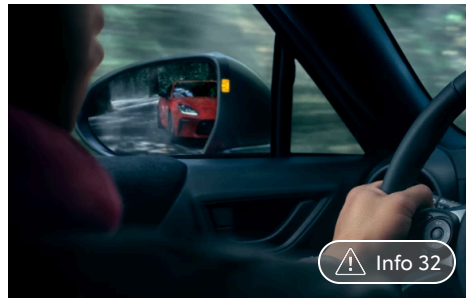

With GR86's standard multi-function in-key remote keyless entry with GR Push Button Start, you can conveniently unlock the driver and passenger doors and open the trunk, all while the key fob sits in your pocket or bag. Designed for a seamless experience, the feature even allows you to start the engine with just the push of a button.

Safety & Convenience

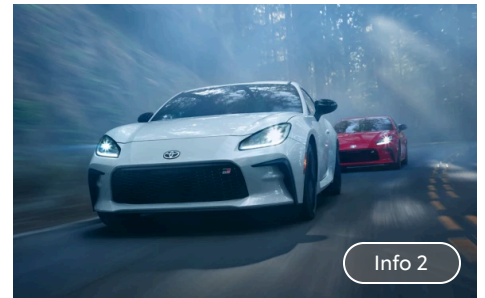

GR86 Active Safety Suite

GR86 comes standard with several intelligent safety features,²⁰ including Pre-Collision Braking System,²¹ Lane Departure Warning with Sway Warning,²² Automatic High Beams,²³ Pre-Collision Throttle Management, and Adaptive Cruise Control Lead Vehicle Start Alert.²⁴ It additionally offers available Rear Parking Sonar with Reverse Automatic Braking.^{25 26}

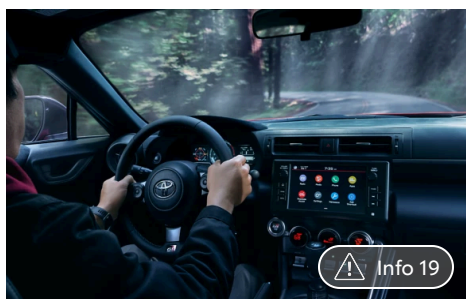

Blind Spot Detection

Available for Manual and Automatic Transmission models, Blind Spot Detection (BSD)²⁷ is designed to warn you when it detects a vehicle in the next lane entering GR86's blind spot.

All-LED Lighting

Eye-catching headlights on GR86 feature distinctive LED Daytime Running Lights (DRL) to improve visibility and style, as well as an available Adaptive Front-Lighting System (AFS).²⁸ At night, Adaptive Front-Lighting headlights turn alongside the front wheels, helping you see better around the next corner.

Seven Airbags

GR86 comes standard with a driver and front passenger Advanced Airbag System,²⁹ front outboard seat-mounted side airbags, front and rear side curtain airbags, and driver knee airbag. Seven airbags in total—all designed for more peace of mind on every drive.

No Cost Maintenance Plan and Roadside Assistance

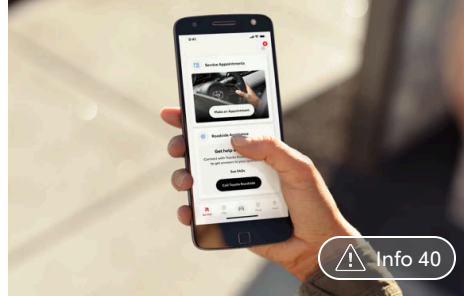

Every new GR86 comes standard with ToyotaCare,³⁰ a maintenance plan that covers normal factory scheduled service for 2 years or 25,000 miles, whichever comes first, and 24-hour Roadside Assistance for 2 years, unlimited mileage.

Connected Services

Remote Connect

GR86 is up to speed with the latest tech. With an active Remote Connect trial or subscription,³³ you can start the engine, lock/unlock doors, and locate your vehicle using the Toyota app³⁴ through your compatible smartphone or smartwatch (not available on vehicles with Manual Transmissions). One-year trial available on all trims. 4G network dependent.

Service Connect

Stay up to date with your vehicle's information. With the 1-year trial of Service Connect,³⁵ you're provided with data such as mileage, fuel level and service history. Enable maintenance alerts and receive maintenance reminders that can also be sent to your preferred dealer for extra convenience. 4G network dependent.

Safety Connect®

Connect to our 24/7 response center in case of an accident or emergency with the press of a button.³⁶ You also get 24/7 Roadside Assistance³⁷ and Stolen Vehicle Locator³⁸ to give you peace of mind that help is on the way. Activation required. 1-year trial. 4G network dependent.

GR86 GRADES

GR86

Mechanical Features

- ✓ 6-speed Manual Transmission
- ✓ Rear-Wheel Drive (RWD)
- ✓ Complimentary 1-year National Auto Sport Association (NASA) membership, ⁴² including one free High-Performance Driving Experience (HPDE) ⁴³
- ✓ FA24 2.4L naturally aspirated, horizontally opposed 4-cylinder boxer-four
- ✓ Multi-link rear suspension

Exterior Features

- ✓ Dual chrome-tipped exhaust
- ✓ Auto-leveling projector-type LED headlights with Automatic High Beams (AHB) ²³ and LED turn signal indicators
- ✓ 17-in. machined-finish alloy wheels
- ✓ Rear window defogger with timer
- ✓ Black rear bumper lower valance
- ✓ Black heated power outside mirrors
- ✓ Rear "GR86" badge

Interior Features

- ✓ 7-in. Thin-Film Transistor (TFT) GR digital gauge cluster with LCD Multi-Information Display (MID)
- ✓ Sport front bucket seats with black side bolsters and seat insert fabric with G-embossed design
- ✓ Multi-function in-key remote keyless entry system with lock, unlock and panic functions
- ✓ GR leather-trimmed manual tilt/telescopic 3-spoke sport steering wheel with contrast stitching, audio and Multi-Information Display (MID) controls
- ✓ Power windows with driver and front passenger one-touch auto up/down
- ✓ Dual zone automatic climate control (with individual temperature settings for the driver and front passenger) with dual LCD toggle displays

Audio Multimedia

- ✓ GR86 Audio

Connected Services

- ✓ Remote Connect ³³

Requires compatible iPhone® with an active data plan tethered with an approved data cable. Operability depends on network availability, a cellular connection, and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to <https://www.toyota.com/audio-multimedia/>. To learn more about Toyota's Connected Services data collection, use, sharing, and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. Apple CarPlay® is a registered trademark of Apple Inc. Screen depiction accurate at time of posting. 18. Simulation shown. 19. Premium interior shown in Ultrasuede® and Black leather trim. Ultrasuede® is a registered trademark of Toray Industries, Inc. 20. GR86 Active Safety Suite effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for limitations. 21. The Pre-Collision Braking System (PCBS) is designed to help avoid or reduce the crash speed and damage in certain frontal collisions only. PCBS is not a substitute for safe and attentive driving. System effectiveness depends on many factors including road, weather and vehicle conditions. Available on vehicles with automatic transmissions only. 22. Lane Departure Alert with Sway Warning System is designed to read visible lane markers under certain conditions and provide visual/audible alerts when lane departure is detected or when detecting patterns of vehicle movements indicating driver inattentiveness. It is not a collision-avoidance system or substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for limitations. 23. Automatic High Beams operate at speeds above 21 mph. See Owner's Manual for instructions and limitations. 24. Adaptive Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. Please see your Owner's Manual for important instructions and cautions. 25. Rear parking assist sonar is designed to warn drivers of potential rear collisions at speeds of 6 mph or less. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the rear parking assist sonar to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See Owner's Manual for additional limitations and details. 26. Automatic Braking is intended to assist a driver, but it is the driver's responsibility to be aware of the vehicle's surroundings. The system cannot prevent all collisions, and performance is dependent on road, weather and vehicle conditions. See Owner's Manual for additional limitations and details. 27. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. 28. The Adaptive Front-Lighting System helps improve night vision. Situations such as a dirty windshield, rapidly changing light conditions or hilly terrain may limit effectiveness, requiring the driver to manually turn off the system. See Owner's Manual for additional limitations and details. 29. Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See Owner's Manual for limitations. 30. ToyotaCare covers normal factory scheduled maintenance for 2 years or 25,000 miles, whichever comes first, and 24/7 Roadside Assistance is for 2 years/unlimited mileage (note: ToyotaCare for Mirai is 3 years/35,000 miles and Roadside Assistance for Mirai, bZ, bZ4X, C-HR, Prius and Prius Plug-in Hybrid is 3 years/unlimited mileage). Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. ToyotaCare valid only in the continental U.S.; Roadside Assistance valid in continental U.S., Hawaii and Canada. See Toyota dealer for details and exclusions. 31. Premium shown in both Halo and Track bRED. Options shown. Simulation shown. 32. Premium interior shown in Ultrasuede® and Black leather trim; Premium shown in Track bRED. Ultrasuede® is a registered trademark of Toray Industries, Inc. Options shown. 33. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding vehicle and it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child. Remote Connect depends on certain factors outside of Toyota's control in order to operate, including cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Remote start/stop and/or lock/unlock available on select models. Services may vary and are subject to change without notice. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/privacyvts>. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. 34. An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app. 35.

INFO AND DISCLOSURES

Information provided is based on the last time data was collected from the vehicle and is not real-time data. Service Connect depends on factors outside of Toyota's control, including a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services may vary and are subject to change without notice. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/privacyvts>. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Service Connect renewal will be included when Safety Connect®, Remote Connect, or Destination Assist connected service renewal is selected. Service Connect is not renewable as a stand-alone service. Toyota vehicle applicability and trial periods can be found by visiting: <https://www.toyota.com/connected-services/section/connected-vehicles-year-select>.

36. Safety Connect® depends on certain factors outside of Toyota's control in order to operate, including cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Services may vary and are subject to change without notice. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/privacyvts>.

37. Enhanced 24/7 Roadside Assistance allows use of in-vehicle SOS button to assist response agent to identify vehicle location. Unlimited mileage coverage effective with an active Safety Connect® trial or subscription that depends on certain factors, including 4G network availability. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://www.toyota.com/support/privacy-notice/). Enhanced Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Service subject to change at any time. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions.

38. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331.

39. Remote Connect shown. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding vehicle and it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child. Remote Connect depends on certain factors outside of Toyota's control in order to operate, including cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Remote start/stop and/or lock/unlock available on select models. Services may vary and are subject to change without notice. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/privacyvts>. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply.

40. Service Connect shown. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Service Connect depends on factors outside of Toyota's control, including a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services may vary and are subject to change without notice. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/privacyvts>. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Service Connect renewal will be included when Safety Connect®, Remote Connect, or Destination Assist connected service renewal is selected. Service Connect is not renewable as a stand-alone service. Toyota vehicle applicability and trial periods can be found by visiting: <https://www.toyota.com/connected-services/section/connected-vehicles-year-select>.

41. Premium shown in Halo. Options shown.

42. NASA membership is a non-transferable, original owner benefit, and expires 1 year after purchase of your new Toyota GR sports car. The 1-day High Performance Driving Event (HPDE) is included as a membership benefit and must be redeemed within 1 year from the time of purchase of your new vehicle. Valid in U.S. only. For qualified drivers over 18 years of age, with a valid driver's license. Participation in high performance driving creates a risk of personal injury or death and may cause damage to your vehicle that is not covered by your insurance or warranty. Please refer to your insurance policy and your vehicle's Warranty and Maintenance Guide that describes the terms and conditions of Toyota's New Vehicle Limited Warranty coverage as well as general owner responsibilities. NASA membership and complimentary HPDE are not redeemable for cash or any other offer. See [gr.drivenasa.com](https://www.gr.drivenasa.com) for details.

43. Valid in the U.S. only. For qualified drivers over 18 years of age, with a valid driver's license. Participation in high performance driving creates a risk of personal injury or death and may cause damage to your vehicle that is not covered by your insurance or warranty. Please refer to your insurance policy and your vehicle's Warranty and Maintenance Guide that describes the terms and conditions of Toyota's New Vehicle Limited Warranty coverage as well as general owner responsibilities. See [gr.drivenasa.com](https://www.gr.drivenasa.com) for details.

44. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner's Manual for additional limitations and details.

45. The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See Owner's Manual for limitations.

46. Ultrasuede® is a registered trademark of Toray Industries, Inc.

47. Additional options shown that are not available in package.

48. Extra-cost color.

49. May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models.

50. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit [siriusxm.com](https://www.siriusxm.com) for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and

INFO AND DISCLOSURES

related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. **51.** Hill Start Assist Control is designed to minimize backward rolling on steep ascents. Not a substitute for safe driving judgment and practices. Speed, grade, surface conditions, driver input, etc., can all affect HAC function. See Owner's Manual. **52.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for limitations and details. **53.** The engine immobilizer is a state-of-the-art anti-theft system initiated when the key is inserted into ignition switch or a Smart Key fob is in/near the vehicle. Engine will only start if the code in the transponder chip inside the key/fob matches the code in vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or fob, see a Toyota dealer or go to www.aloa.org to find a qualified locksmith for high-security key service. **54.** Torsen® is a registered trademark of Zexel Torsen, Inc.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.
