

**TOYOTA**

2026 Grand Highlander

2026 GRAND HIGHLANDER

# More room for the things you love.

Grand Highlander delivers on capability, comfort and confidence—with room to spare.

# Premium comfort with epic views.

Take in the view from any seat. With convenient tech, smart storage where you'd least expect it, and plenty of room to comfortably fit the whole family, Grand Highlander is loaded with features that make it a real crowd-pleaser, with room to spare.

## Spacious Third Row

Invite the whole family and more. Grand Highlander's ample third row was designed to comfortably seat three passengers, and with its 33.5 inches of leg room, everyone can stretch out.

## Ample Cargo Capacity

Pack it all in. Even with all the seats up, Grand Highlander still leaves you with 20.6 cu. ft. of space in the rear cargo area. When cargo takes priority, fold-flat rear seats go all the way down to reveal an impressive cargo space of up to 97.5 cu. ft. <sup>1</sup>

## Heated and Ventilated Front- and Second-Row Seats

Comfort tailored to you. Available heated and ventilated front- and second-row seats give you and your passengers the option to warm up or cool down, for a more comfortable ride. Simulation shown.

## 13 Cup/Bottle Holders

Need a place to put down your drink? Don't worry—Grand Highlander is sure to have a spot nearby. With its 13 easily accessible cup/bottle holder locations, the only thing everyone will be thirsting for is adventure.

## COMFORT & CONVENIENCE

### Available Hands-Free Power Liftgate

Access the rear cargo area with the touch of a button from your key fob, instrument panel or the liftgate itself. When you find your hands full and with the Smart Key in your pocket or purse, perform a kicking motion under the rear bumper to activate the opening of the rear liftgate.<sup>2</sup>

### Three-Zone Auto Climate Control

Every passenger can dial in the comfort even more, thanks to Grand Highlander's three-zone automatic climate control. Just select the temperature you want, to help keep everyone comfortable while on the road.

### Heated Steering Wheel

Enjoy the warmth of Grand Highlander's available heated steering wheel. Simply activate with the press of a button, and feel comfort for the whole drive. Simulation shown.

*FEATURES*

**Room for your  
entire shopping  
list, including  
dessert.**

20.6 cu. ft. of cargo space with second- and third-row seats up, for running errands <sup>1</sup>

# Power through life's challenges.

With three powertrain options, Grand Highlander is ready to give you the drive that best fits your lifestyle. Whether you're driving a Gas, Hybrid or Hybrid MAX model, all with available all-wheel-drive capability, you'll enjoy a confident drive, from date nights to the next family adventure.

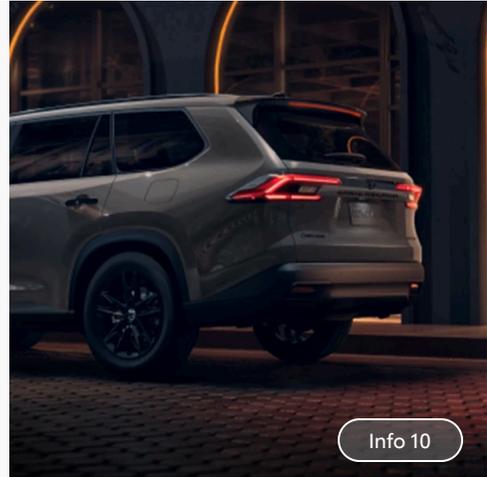

# Show up in style.

## Exterior

### Grand Highlander Hybrid Nightshade

Turn heads with Hybrid Nightshade's looks. Blacked-out front bumper trim, roof rails, mirror caps, door handles, shark-fin antenna and 20-in. wheels boldly put an emphasis on style.

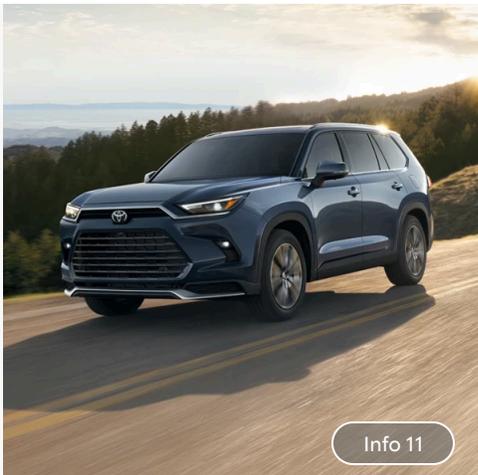

### Striking Design

Grand Highlander displays a modern look that's inviting from every angle. Its larger silhouette is defined by sharp lines and bold surfaces—for a presence that's unmistakable.

### 20-In. Alloy Wheels

Showcase your style at every stop along the way. Grand Highlander's available 20-in. alloy wheels sport a sophisticated design that still delivers on performance.

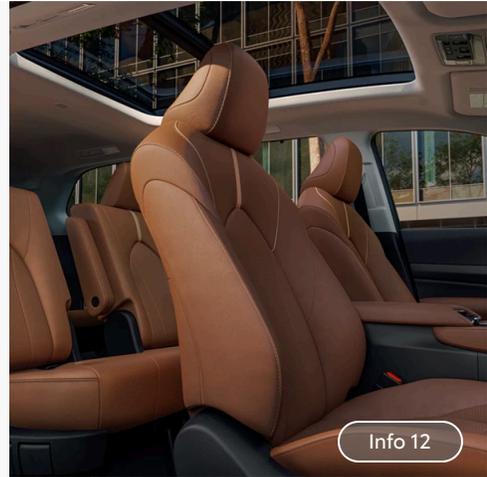

### Confident Stance

The design of Grand Highlander's wheels and fender flares creates a look that will turn heads wherever you're inspired to go.

# Interior

## Leather-Trimmed Seats

An available 10-way power-adjustable driver's seat and available second-row captain's chairs provide personalized comfort, while bench seating maximizes space for up to eight.

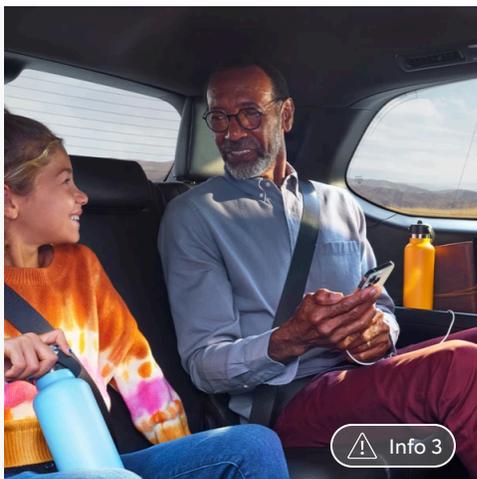

Info 12

## Panoramic Glass Roof

Grand Highlander's available panoramic moonroof brings an added feeling of space to a large cabin, while the front power tilt/slide function opens it up to let in the fresh air.

## Fold-Flat Rear Seats

Grand Highlander's 60/40 second-row bench seating and 60/40 third row fold flat to maximize cargo space and versatility for all your adventures.

Info 3

## Large Third-Row Windows

Designed with a view in mind. Complementing the spacious third-row seats are large windows that welcome you to take in the sights of every drive.

# Feel connected and in control.

Grand Highlander is outfitted with innovative systems that are all about making your drives go as smoothly as possible.

## Available Traffic Jam Assist

Enjoy city freeway driving with newfound ease. Traffic Jam Assist (TJA)<sup>13</sup> helps you navigate through stop-and-go traffic on controlled-access freeways by providing hands-free control of the vehicle steering, braking and acceleration at speeds under 25 mph, when Lane Tracing Assist (LTA)<sup>14</sup> is on. Drive Connect trial or subscription is required.<sup>15</sup> Depends on availability of applicable cellular network connection. Simulation shown.

## Available Panoramic View Monitor

Grand Highlander's available Panoramic View Monitor (PVM)<sup>16</sup> helps you check your surroundings for hazards. It uses four cameras to display a panoramic view on the touchscreen display. When you're parked and using the Moving View setting, it creates a virtual view from above to give you a bigger picture of what's around your Grand Highlander.

## Available Digital Rearview Mirror With HomeLink®

Connected to a camera in the rear, Grand Highlander's available digital rearview mirror with HomeLink<sup>®</sup><sup>17</sup> casts a clear, wide view of what's behind you. You can zoom in, zoom out, and adjust the mirror to give you a better perspective. And at night, the camera brightens dark scenes and reduces glare from headlights of vehicles following you.

## Blind Spot Monitor With Rear Cross-Traffic Alert

The standard Blind Spot Monitor (BSM)<sup>18</sup> is designed to warn you when a vehicle in the next lane enters Grand Highlander's blind spot on either side of the vehicle. And when you're in reverse, Rear Cross-Traffic Alert (RCTA)<sup>19</sup> helps detect vehicles approaching from either side, warning you with side mirror indicators and a warning tone.

### Front and Rear Parking Assist With Automatic Braking

Make parking and reversing easier with available Parking Assist with Automatic Braking.<sup>20</sup> The system is designed to visually warn you when it detects stationary objects or vehicles approaching from the rear. If the system determines there may be contact with a detected obstacle or vehicle, it will reduce engine power and/or apply the brakes. Simulation shown.

### 1500-Watt Power Outlets

Give every trip more power. With Grand Highlander Hybrid's available 1500-watt power outlets,<sup>21</sup> you can power up almost anything you'd plug into a standard household outlet. Amp up your tailgates, set the mood around the campfire, and bring far-off destinations closer to home with those compatible modern conveniences you can't live without.

### Seven USB-C Ports

The journey should be just as fun as the destination. That's why Grand Highlander comes with seven USB-C ports<sup>22</sup> located throughout the cabin, including ports for third-row passengers. Just plug in to power up your portable devices and make every road trip more entertaining.

# Audio Multimedia

## 12.3-In. Toyota Audio Multimedia

Grand Highlander's 12.3-in. Toyota Audio Multimedia touchscreen elevates your experience through sight, touch and voice recognition <sup>29</sup> that let you activate the system with a phrase like, "Hey, Toyota." From listening to music to finding your destinations, and more—stay connected to every adventure.

## 12.3-In. Digital Gauge Cluster

Quickly see all the information you need with Grand Highlander's available 12.3-in. digital gauge cluster with Multi-Information Display (MID). This customizable full-color display allows access to driving support and safety features, navigation, audio controls and more.

## JBL® Premium Audio System

Enjoy the soundtrack of every drive. Grand Highlander's available JBL® <sup>30</sup> Premium Audio system utilizes 11 speakers with a subwoofer to produce phenomenal sound, for an immersive experience.

## Wireless Apple CarPlay®

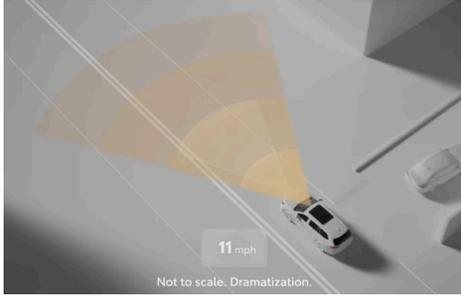

Bring along a familiar interface. With Grand Highlander's wireless Apple CarPlay® <sup>31</sup> compatibility, you can use your compatible iPhone® <sup>32</sup> with the multimedia system to get directions, make calls, send and receive messages and listen to music, all while staying focused behind the wheel. <sup>33</sup>

## Wireless Android Auto™

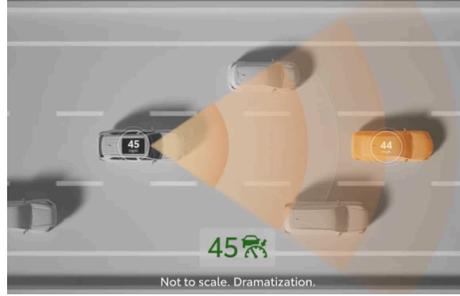

Stay connected on the road. By pairing your compatible Android™ <sup>34</sup> phone with the audio multimedia system, Android Auto™ <sup>35</sup> lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more. <sup>33</sup>

# Toyota Safety Sense™ 3.0 <sup>40</sup>

## Pre-Collision System With Pedestrian Detection

PCS w/PD <sup>41</sup> can alert you to potential collisions and may automatically brake.

## Full-Speed Range Dynamic Radar Cruise Control

DRCC <sup>42</sup> helps maintain a preset distance from the vehicle ahead of you, from highway speeds down to a full stop.

## Lane Departure Alert With Steering Assist

LDA w/SA <sup>43</sup> may alert you to inadvertent lane departures and make minor steering corrections to help keep you in your lane.

## Lane Tracing Assist

LTA <sup>14</sup> helps you center the vehicle within its lane while DRCC <sup>44</sup> is active.

## MORE FEATURES

### Road Sign Assist

RSA <sup>45</sup> can recognize certain road signs and display them to you inside the vehicle.

### Automatic High Beams

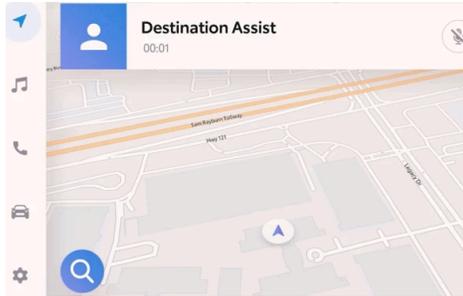

AHB <sup>46</sup> can automatically toggle between high and low beams based on the vehicle's surroundings.

### Proactive Driving Assist

PDA <sup>47</sup> may provide gentle braking and/or steering to help control distance between your vehicle and a vehicle, pedestrian or bicyclist ahead of you.

# Connected Services

## Drive Connect

With a Drive Connect trial or subscription,<sup>15</sup> the Cloud Navigation<sup>48</sup> and Intelligent Assistant<sup>49</sup> features help you find where you need to be, while Destination Assist<sup>50</sup> allows you to talk to a live agent as they help you find your destination's coordinates and offer directions on how to get there. 1-year trial included. Depends on availability of applicable cellular network connection.

## Wi-Fi Connect

Turn Grand Highlander into a hotspot. With an active Wi-Fi Connect trial or subscription,<sup>51</sup> you can easily connect up to five devices. And, depending on your existing mobile provider, you can add the Wi-Fi Connect subscription to your current mobile plan. We'll even include an up to 30-day or 3-GB trial to get you started. Depends on availability of applicable cellular network connection.

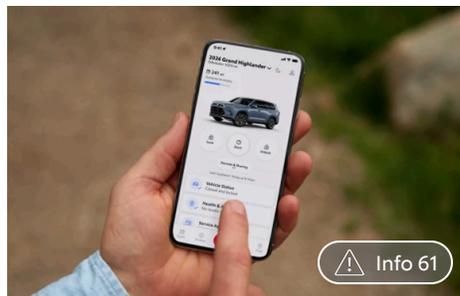

## Safety Connect®

Connect to our 24/7 response center in case of an accident or emergency with the press of a button. You also get 24/7 Roadside Assistance<sup>52</sup> and Stolen Vehicle Locator<sup>53</sup> to give you peace of mind that help is on the way. Activation required. 5-year-minimum trial included.<sup>54</sup> Depends on availability of applicable cellular network connection.

## Remote Connect

Grand Highlander is up to speed with the latest tech. With an active Remote Connect trial or subscription,<sup>55</sup> you can start the engine, lock/unlock doors, and locate your vehicle using the Toyota app<sup>56</sup> through your compatible smartphone or smartwatch. 1-year trial included. 4G network dependent.

## Service Connect

Stay up to date with your Grand Highlander's information, such as status and alerts, maintenance reminders and more. It's a convenient way to help make sure your Grand Highlander is running at its best.<sup>57</sup> 5-year-minimum trial included. Depends on availability of applicable cellular network connection.

# Everyday power. Grand capability.

## Gas Powertrain

The traditional powertrain you know—an internal combustion engine that runs on gasoline and can be refueled at any gas station.

## Hybrid Powertrain

Hybrid Electric Vehicles use a combination of gas engine and electric motor(s) to help maximize power and efficiency.

## Hybrid MAX Powertrain

Hybrid MAX provides excellent power, performance and a healthy dose of electrified fun, to deliver next-level driving excitement.

# Beyond Zero

BEYOND ZERO

Beyond Zero is Toyota's vision to reach carbon neutrality with our products, services and operations, and go beyond, as we find new ways to make a positive impact on our planet and society. The Hybrid EV Grand Highlander Hybrid is one of the many ways we are reducing carbon emissions to drive toward our Beyond Zero vision.

We currently offer more low and zero emission vehicles combined than any other automaker, to give customers numerous choices to reduce their carbon footprint.

## Hybrid EV

Grand Highlander Hybrid is a part of the Hybrid EV Family.

### **The Power Of Choice**

Our lineup brings you more than just your choice of electrified powertrains: Hybrid EV, Plug-in Hybrid EV, Battery EV and Fuel Cell EV. Whatever you're looking for in a ride—size, style, efficiency, speed—there's a vehicle to suit your lifestyle that allows you to put more electrified miles on the road.

### **Going Above And Beyond**

Whether Toyota is decreasing its single-use plastic waste, supporting water conservation efforts, or expanding programs that protect biodiversity, we are committed to reducing our environmental footprint and creating a positive impact on society. See Environmental Sustainability ([toyota.com](https://toyota.com)) for more information.

- ✓ Leather-trimmed heated tilt/telescopic steering wheel with paddle shifters and audio, Multi-Information Display (MID), Bluetooth <sup>67</sup> hands-free phone, voice command, Dynamic Radar Cruise Control (DRCC), <sup>44</sup> Lane Departure Alert (LDA), <sup>68</sup> Lane Steering Assist (LSA) <sup>43</sup> and multimedia information controls
- ✓ Leather-trimmed with Ultrasuede <sup>72</sup> front
- ✓ 12.3-in. digital meter with selectable gauge display screens and fuel economy, Driver Assist, vehicle/trip information, and warning messages
- ✓ Three-zone automatic climate control with air filter, separate second-row control panel, individual temperature settings for driver, front passenger and rear-seat passengers, and second

### Audio Multimedia

- ✓ 12.3-in. Toyota Audio Multimedia touchscreen with wireless Apple CarPlay <sup>31</sup> & Android Auto <sup>35</sup> compatibility, SiriusXM <sup>69</sup> 3-month trial subscription. <sup>69</sup> See [toyota.com/audio-multimedia](http://toyota.com/audio-multimedia) for details.
- ✓ 11-speaker JBL <sup>30</sup> Premium Audio system including subwoofer and amplifier

### Connected Services

- ✓ Wi-Fi Connect <sup>51</sup>
- ✓ Remote Connect <sup>55</sup>
- ✓ Safety Connect <sup>54</sup>
- ✓ Drive Connect <sup>15</sup>
- ✓ Service Connect <sup>57</sup>

### Safety/Convenience

- ✓ Toyota Safety Sense <sup>TM</sup> 3.0 (TSS 3.0) <sup>40</sup>
- ✓ Front and Rear Parking Assist with Automatic Braking (PA w/AB) <sup>20</sup>
- ✓ Blind Spot Monitor (BSM) <sup>18</sup> with Rear Cross-Traffic Alert (RCTA) <sup>19</sup>

### Options and Packages

- ✓ Panoramic View Monitor <sup>16</sup>
- ✓ Panoramic Moonroof

## Hybrid MAX Platinum

### Mechanical Features

- ✓ Hybrid MAX powertrain
- ✓ Full-Time Electronic All-Wheel Drive (AWD)
- ✓ Independent MacPherson strut front suspension with stabilizer bar

### Exterior Features

- ✓ Height-adjustable foot-activated power liftgate with jam protection <sup>2</sup>
- ✓ 20-in. two-tone multi-spoke silver-and-black wheels
- ✓ Dual exhaust
- ✓ LED Daytime Running Lights (DRL) with on/off feature
- ✓ Rain-sensing, washer-linked aerodynamic variable intermittent two-speed windshield wipers, de-icer and variable intermittent rear wipers

### Interior Features

- ✓ Leather-trimmed with Ultrasuede <sup>72</sup> front
- ✓ Leather-trimmed heated tilt/telescopic steering wheel with paddle shifters and audio, Multi-Information Display (MID), Bluetooth <sup>67</sup> hands-free phone, voice command, Dynamic Radar Cruise Control (DRCC), <sup>44</sup> Lane Departure Alert (LDA), <sup>68</sup> Lane Steering Assist (LSA) <sup>43</sup> and multimedia information controls
- ✓ Heated and ventilated second-row outboard seats
- ✓ 10-in. color Head-Up Display (HUD) with speedometer and Road Sign Assist (RSA), <sup>45</sup> navigation <sup>71</sup> and Hybrid System Indicator (hybrid models only)

### Audio Multimedia

- ✓ 12.3-in. Toyota Audio Multimedia touchscreen with wireless Apple CarPlay <sup>31</sup> & Android Auto <sup>35</sup> compatibility, SiriusXM <sup>69</sup> 3-month trial subscription. <sup>69</sup> See [toyota.com/audio-multimedia](http://toyota.com/audio-multimedia) for details.
- ✓ 11-speaker JBL <sup>30</sup> Premium Audio system including subwoofer and amplifier

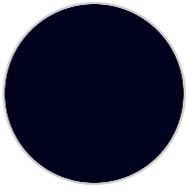

### Connected Services

- ✓ Wi-Fi Connect <sup>51</sup>
- ✓ Remote Connect <sup>55</sup>
- ✓ Safety Connect <sup>54</sup>
- ✓ Drive Connect <sup>15</sup>
- ✓ Service Connect <sup>57</sup>

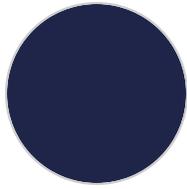

### Safety/Convenience

- ✓ Toyota Safety Sense <sup>TM</sup> 3.0 (TSS 3.0) <sup>40</sup>
- ✓ Traffic Jam Assist (TJA) <sup>13</sup>
- ✓ Front and Rear Parking Assist with Automatic Braking (PA w/AB) <sup>20</sup>
- ✓ Blind Spot Monitor (BSM) <sup>18</sup> with Rear Cross-Traffic Alert (RCTA) <sup>19</sup>

## INFO AND DISCLOSURES

1. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. 2. Water, weather, dirt, and other conditions may cause the hands-free power liftgate sensor to not operate properly. See Owner's Manual for limitations. 3. Platinum Hybrid MAX interior shown in Black leather with Ultrasuede® trim. Ultrasuede® is a registered trademark of Toray Industries, Inc. 4. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. Platinum Hybrid MAX interior shown in Black leather with Ultrasuede® trim. Ultrasuede® is a registered trademark of Toray Industries, Inc. 5. Platinum AWD interior shown in Portobello leather trim. Prototype shown using visual effects. Simulation shown. 6. Water, weather, dirt, and other conditions may cause the hands-free power liftgate sensor to not operate properly. See Owner's Manual for limitations. Platinum Hybrid MAX shown in Storm Cloud. 7. Platinum AWD interior shown in Portobello leather trim, with heated steering wheel. Simulation shown. 8. Platinum AWD shown in Wind Chill Pearl. Extra-cost color. 9. Never tow beyond a vehicle's published towing capacities. Platinum Hybrid MAX shown in Storm Cloud. 10. Hybrid Nightshade shown in Cement. Prototype shown with options using visual effects. 11. Platinum Hybrid MAX shown in Storm Cloud. 12. Platinum AWD interior shown in Portobello leather trim. Vehicle shown using visual effects. 13. Traffic Jam Assist is not an automated driving system, requires driver supervision at all times, and is designed to function on controlled access freeways at speeds of 25 mph or less. Use this system in accordance with applicable laws. Before operating, refer to Owner's Manual for instructions and limitations. 14. The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See Owner's Manual for limitations. 15. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://toyota.com/support/privacy-notice/). Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. 16. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See Owner's Manual for limitations. 17. HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. 18. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. 19. Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See Owner's Manual for limitations. 20. Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See Owner's Manual for instructions and limitations. 21. Rated for 1500 watts shared between both outlets. See Owner's Manual for limitations. 22. May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. 23. Platinum Hybrid MAX shown in Wind Chill Pearl. Options shown. Simulation shown. 24. Platinum AWD interior shown in Portobello leather trim, with Panoramic View Monitor. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See Owner's Manual for limitations. 25. Digital rearview mirror shown. Platinum Hybrid MAX shown in Ruby Flare Pearl. Options shown. 26. Platinum Hybrid MAX shown in Storm Cloud, with Blind Spot Monitor. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. Platinum AWD in Wind Chill Pearl shown in mirror. Options shown. 27. Platinum Hybrid MAX shown in Storm Cloud. Simulation shown. 28. Platinum Hybrid MAX interior shown in Portobello leather with Ultrasuede® trim. Ultrasuede® is a registered trademark of Toray Industries, Inc. 29. Voice recognition capabilities vary by head unit. 30. JBL® is a registered trademark of Harman International Industries, Inc. 31. Drivers are responsible for their own safe driving.

## INFO AND DISCLOSURES

Always pay attention to your surroundings and drive safely. See Owner's Manual for limitations. **41.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian, a bicycle, or a motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for limitations. **42.** Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for instructions and limitations. **43.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See Owner's Manual for limitations. **44.** Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for limitations. **45.** Road Sign Assist only recognizes certain road signs. See Owner's Manual for limitations. **46.** Automatic High Beams operate at speeds above 21 mph. See Owner's Manual for instructions and limitations. **47.** Proactive Driving Assist (PDA) is designed to detect certain objects or curves in the road and provide gentle braking and/or steering support. PDA is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of detected objects and weather, light and road conditions. See Owner's Manual for additional limitations and details. **48.** Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. **49.** Intelligent Assistant requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. **50.** On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://www.toyota.com/support/privacy-notice/). Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **51.** Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscriptions to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to <https://myvehicle.att.com/#/toyota/learn?language=en=US> for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Trial begins at activation and expires the earlier of 3 GB data use or 1 mo. Valid in contiguous U.S. and Alaska. See <https://myvehicle.att.com/#/toyota/learn?language=en=US> for terms and conditions. **52.** Enhanced 24/7 Roadside Assistance allows use of in-vehicle SOS button to assist response agent to identify vehicle location. Unlimited mileage coverage effective with an active Safety Connect® trial or subscription that depends on certain factors, including 4G network availability. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://www.toyota.com/support/privacy-notice/). Enhanced Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Service subject to change at any time. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **53.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. **54.** Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **55.** Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://www.toyota.com/support/privacy-notice/).

## INFO AND DISCLOSURES

Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **56.** An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app. **57.** Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **58.** Platinum Hybrid MAX interior shown in Black leather with Ultrasuede® trim. Ultrasuede® is a registered trademark of Toray Industries, Inc. Vehicle not in motion. **59.** Platinum AWD interior shown in Portobello leather trim, with Safety Connect®. Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **60.** Available Remote Connect shown. 1-year trial included. Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://www.toyota.com/support/privacy-notice/). Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. 4G network dependent. **61.** Available Service Connect shown. Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **62.** Platinum AWD shown in Wind Chill Pearl. Vehicle shown with options using visual effects. **63.** Never tow beyond a vehicle's published towing capacities. Platinum Hybrid MAX shown in Storm Cloud. Vehicle shown using visual effects. **64.** Before towing, confirm Stop and Start Engine System is disengaged. **65.** The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See Owner's Manual for limitations. **66.** Rated for 12 volts/10 amps. See Owner's Manual for additional limitations and details. **67.** A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. The Bluetooth® word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license. **68.** Lane Departure Alert is designed to read visible lane markers under certain conditions and provide visual/audible alerts when lane departure is detected. It is not a collision-avoidance system or substitute for safe and attentive driving. Effectiveness depends on many factors, including road, weather and vehicle conditions. See Owner's Manual for limitations. **69.** Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit [siriusxm.com](http://siriusxm.com) for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. **70.** Digital Key requires active Remote Connect subscription. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding the vehicle it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if the vehicle is occupied by a child). Remote Connect depends on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Digital Key also requires Bluetooth® connectivity. Remote Connect is included with select paid Connected Services packages. See your Toyota dealer for details. Services may vary and are subject to change without notice. Services require account registration through the Toyota app and acceptance of the Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. **71.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. System functionality and accuracy of information depend on many factors. Use common sense when relying on information provided. Services and programming subject to change. Updates may be at an additional cost. See Owner's Manual for limitations. **72.** Ultrasuede® is a registered trademark of Toray Industries, Inc. **73.** Extra-cost color. **74.** Do not exceed 120V. See Owner's Manual for additional limitations and details. **75.** Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. **76.** Predictive

## INFO AND DISCLOSURES

Fuel-Efficient Drive systems require a destination entry in the navigation system for use. See Owner's Manual for details. **77.** The engine immobilizer is a state-of-the-art anti-theft system initiated when the key is inserted into ignition switch or a Smart Key fob is in/near the vehicle. Engine will only start if the code in the transponder chip inside the key/fob matches the code in vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or fob, see a Toyota dealer or go to [www.aloa.org](http://www.aloa.org) to find a qualified locksmith for high-security key service. **78.** Do not rely exclusively on Safe Exit Alert. Always look for approaching traffic before exiting the vehicle. See Owner's Manual for limitations. **79.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for limitations and details. **80.** Hill Start Assist Control is designed to minimize backward rolling on steep ascents. Not a substitute for safe driving judgment and practices. Speed, grade, surface conditions, driver input, etc., can all affect HAC function. See Owner's Manual. **81.** Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See Owner's Manual for limitations. **82.** Downhill Assist Control is designed to help driver maintain vehicle control and speed on steep, downhill descents and is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can affect the DAC's ability to prevent loss of control. See Owner's Manual for additional limitations and details. **83.** Requires opt-in and user profile to be stored on vehicle that includes driver's facial geometric features and profile data. For more information, see your Owner's Manual. To learn about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts>. **84.** Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See Owner's Manual for limitations. **85.** Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner's Manual for additional limitations and details. **86.** Smart Stop Technology® will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See Owner's Manual for limitations. **87.** EV Mode lets you operate solely on battery power at low speeds for short distances and in limited circumstances, such as in a parking garage. Different conditions may prevent or limit usage. See your Owner's Manual for instructions and limitations. **88.** Meets Tier 2/Bin 3 Federal emissions standard.

## INFO AND DISCLOSURES

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See [toyota.com](https://toyota.com) for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

## WARRANTIES

Date and mileage limitations refer to whichever occurs first from the date of purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details.

Date and mileage limitations refer to whichever comes first from the date of first purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details and for information regarding the Federal and California Emission Control Warranties, and Tire Limited Warranties. Emission coverages vary under Federal and California regulations.

For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, the hybrid (HV) battery is covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See the Toyota Owner's Warranty and Maintenance Guide for details.
