

TOYOTA

2026 bZ

2026 BZ

Miles and miles of innovation.

Boasting a stylish, evolved interior and an improved range capability,¹ the all-electric bZ unlocks new possibilities for discovery and gives you the freedom to explore more.

Exhilarating Commutes

Enjoy the electrifying thrill of bZ's all-electric powertrain as you navigate through the city. 0-60 mph in 4.9 seconds for AWD models ² and 338 combined system net hp on AWD models

Info 3

Electric exhilaration.

Battery Performance

With an up to 314-mile EPA-estimated total range rating for front-wheel-drive models and an up to 288-mile EPA-estimated range rating for all-wheel-drive models, ⁴ you can enjoy the confidence of electric driving that's ready to help you take on today, tomorrow and what's beyond.

All-Wheel Drive With X-MODE

Whether helping you navigate through a downpour or hug the curves of a winding road, bZ's available AWD capability gives you confidence to stay the course. And with the push of a button, X-MODE maximizes bZ's AWD potential by modulating the brakes and adjusting the power delivery in adverse conditions.

e-TNGA Platform

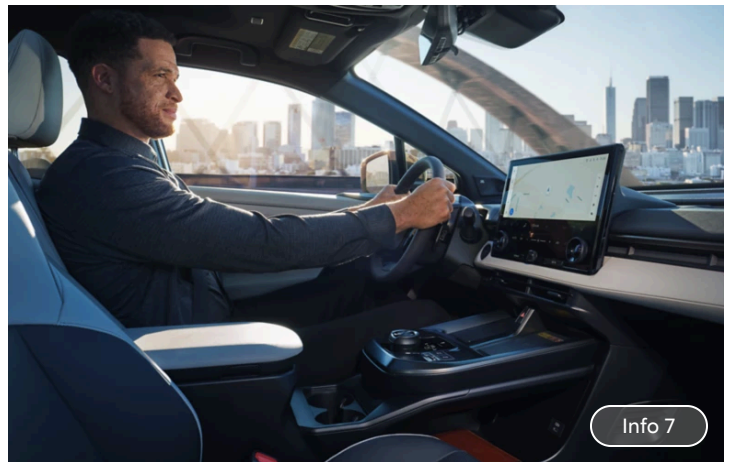

Made specifically for Toyota electric vehicles, the e-TNGA (Toyota New Global Architecture) platform structure allows for more space that you can feel in the cabin and provides a solid foundation for outstanding driving performance, ride comfort and stability for the road ahead.

PERFORMANCE

Advanced Electric Motors

bZ takes advantage of an electric powertrain by delivering almost instantaneous torque to a drive that comes naturally. Front-wheel-drive models use one electric motor to produce up to 221 hp, while all-wheel-drive models harness two electric motors for a net combined 338 hp.

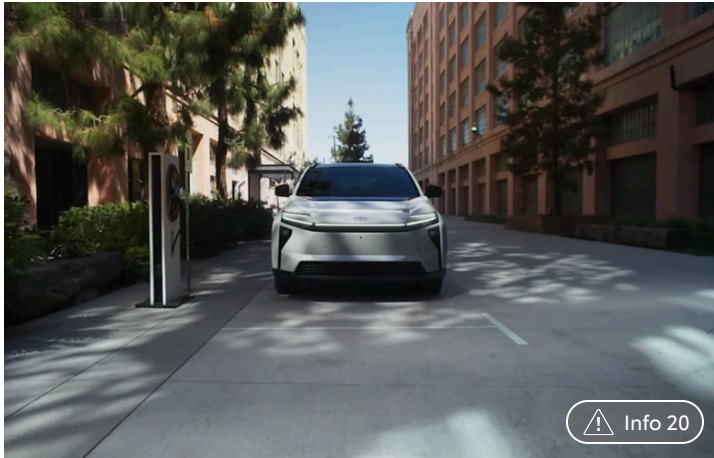

Adjustable Regenerative Braking

The unique driving experience of bZ comes from the way it harnesses and delivers electric power. When you're not on the accelerator, regenerative braking will recapture lost energy while the vehicle is coasting and help slow you down. The paddle shifters on bZ allow you to adjust the amount of regenerative braking to dial in your drive.

Next-level power.

bZ elevates everyday charging for more convenience and faster speeds, thanks to an enhanced onboard charger. Smart features like battery preconditioning ⁸ and charge scheduling make charging on the go or at home a seamless experience.

Info 20

Faster Level 2 Charging

Whether you're charging up in between stops or for the full day, bZ's enhanced 11-kW onboard charger improves its Level 2 charging capability with faster charging times under ideal conditions. ^{9 10}

Info 3

NACS Charging Port

bZ is equipped with a North American Charging System (NACS) charging port and includes separate CCS1 and J1772 adapters that expand your charging options. With access to a growing network of public chargers, including the Tesla Supercharger network, ¹¹ you can maximize your electric adventures. ¹⁰

Info 21

DC Fast Charging

Plug & Charge capability ¹² makes charging at public stations as easy as plugging in your smartphone. The Toyota app ¹³ can be used to register for this service, as well as help locate a supported charger. ¹⁰ When the vehicle is plugged in under ideal conditions, DC Fast Charging can charge bZ from 10% to 80% in approximately 30 minutes. ¹⁴ Plug & Charge requires an active Remote Connect trial or subscription. ¹⁵ 4G network dependent.

Info 6

Toyota Dual-Voltage Charging Cable

With bZ's included portable dual-voltage charging cable, ¹⁶ you can take advantage of Level 2 charging capabilities at home without needing additional charging hardware. ¹⁷ So whether you're plugging in for a few hours or charging overnight, make the most of bZ's all-electric powertrain. ¹⁸

CHARGING

Charge Scheduling

Charge smarter. Optimize your bZ charging by scheduling charging start and stop times during off-peak hours through the Toyota app ¹³ or touchscreen display, potentially saving money and energy.

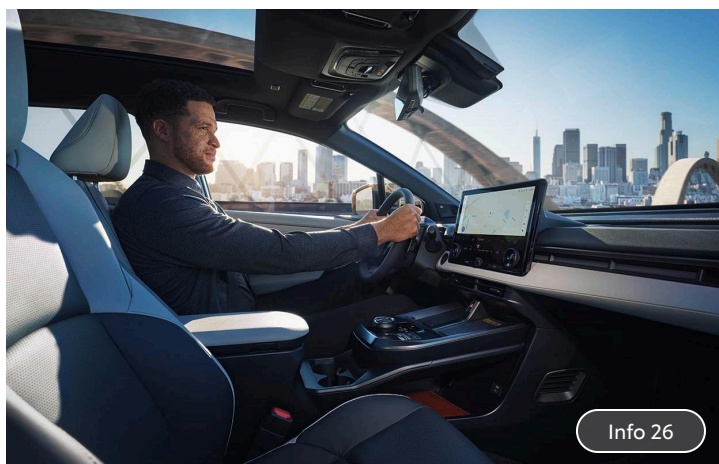

Clean Assist

Help offset your bZ 's charging impact with Toyota's Clean Assist program. ¹⁹ The program matches the amount of electricity used to charge your bZ with Renewable Energy Certificates, helping to minimize the environmental impact. Requires registration through the Toyota app ¹³ and an active Remote Connect subscription. ¹⁵ 4G network dependent.

Captivating Interior

bZ's evolved interior exudes premium comfort and style. Its modern design takes center stage and places within reach all the controls you need to personalize the drive. Customizable ambient lighting that includes 64 color options also helps to enhance your mood.

Captivating Interior

bZ's evolved interior exudes premium comfort and style. Relax in the spacious front row with available SofTex®-trimmed heated and ventilated seats, for all-season comfort. Customizable ambient lighting, including 64 colors, helps you create a uniquely tailored driving sanctuary for any journey.

Panoramic Moonroof

Standard on Limited and available on XLE, bZ's power sunshade spans across the roof seamlessly. Enjoy the spaciousness of an unobstructed view that lets you gaze at the stars or let the sunshine in.

Front Seats

bZ's two front seats streamline comfort and convenience for driver and passenger alike, featuring available seat and mirror memory, for instant customization. Relax into standard heated front seats with available ventilation and SofTex® trim, providing all-season comfort, and use the available digital rearview mirror for an unobstructed view.

Center Console

Power up your journey with bZ's two front Qi-compatible wireless chargers ²³ and four USB-C ports. ²⁴ bZ's versatile center console reflects the modern style you know and love, offering an open design with under-tray storage, for better accessibility and convenience.

1500W AC Outlet

With a 1500W AC outlet, ²⁵ you can plug everyday devices into bZ's cargo area and bring the comforts of home wherever you go.

Intelligence at your side.

With bZ's intelligent driver support systems and seamless wireless connectivity, a tailored drive is always within reach.

Info 21

14-In. Toyota Audio Multimedia Display

bZ's new 14-in. Toyota Audio Multimedia touchscreen display allows you to control a variety of functions with an intuitive touch. Clearly see where you're going with turn-by-turn directions, access multimedia functions, and connect your compatible smartphone to enjoy your favorite apps, playlists and more.

Info 3

Advanced Park

In a tight spot? We got your back. Toyota's available Advanced Park helps drivers effortlessly maneuver their vehicle by activating multiple sensors when they're pulling into or out of tight parking spots.²⁹ Just activate Advanced Park inside your vehicle, and bZ will help take the stress out of parking.

Info 21

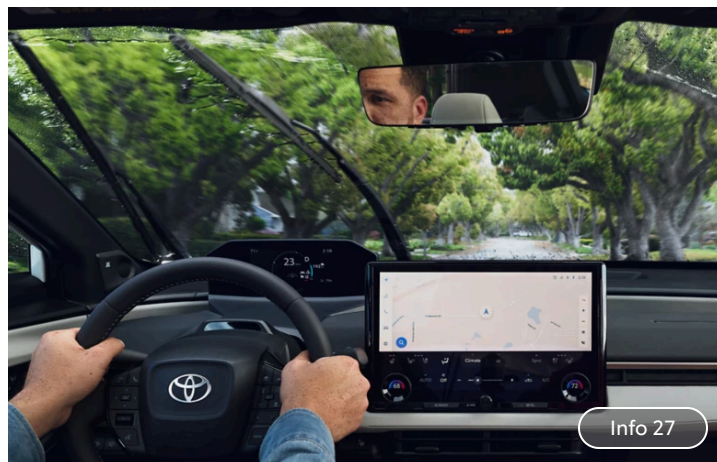

Two Qi Wireless Chargers and Four USB-C Ports

Ditch the cables with the standard Qi wireless charger.²³ Simply place your Qi-compatible device in the center console to wirelessly charge up while on the go. And for more versatility and added convenience, bZ comes with four USB-C ports,²⁴ so you can connect to and power up a variety of devices.

Traffic Jam Assist

This available feature helps provide driver-supervised control of the vehicle at speeds under 25 mph on limited-access highways. ³⁰ Drive Connect trial or subscription required. ³¹ 4G network dependent. Simulation shown.

Rain-Sensing Wipers

bZ's rain-sensing wipers help keep your line of sight clear by activating when rain is detected on the windshield, and adjust their speed according to how much rain is falling.

Audio Multimedia

EV Routing in Apple Maps With Apple CarPlay®

EV Routing in Apple Maps helps keep your electric journeys going. When you set a destination, Maps forecasts what bZ's level of charge will be once you reach that selected destination and provides peace of mind by displaying charging stations along your journey, recommending charging stops if needed. You can edit your charging network preferences on your iPhone® ³³ and see your route on the vehicle's 14-in. touchscreen with Apple CarPlay®. ³⁴ It's smart, seamless and designed to help keep you moving with confidence.

SiriusXM® 3-Month Trial Subscription

SiriusXM® ³⁵ has premium entertainment that you won't hear anyplace else. With a 3-month trial, you get 425+ channels, including 165+ channels in your vehicle, to enjoy ad-free music, plus sports, news, comedy and more. Experience even more on the SiriusXM® app, featuring expertly curated podcasts, Xtra channels of music, Artist Stations, SiriusXM® video and more. ³⁶

Wireless Apple CarPlay®

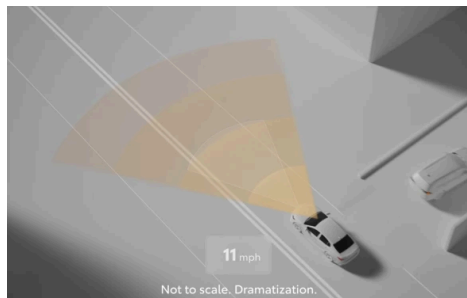

Bring along a familiar interface. With bZ's wireless Apple CarPlay® ³⁴ compatibility, you can use your compatible iPhone® ³³ with the multimedia system to get directions, make calls, send and receive messages, and listen to music, all while staying focused on your drive. ³⁶

Wireless Android Auto™

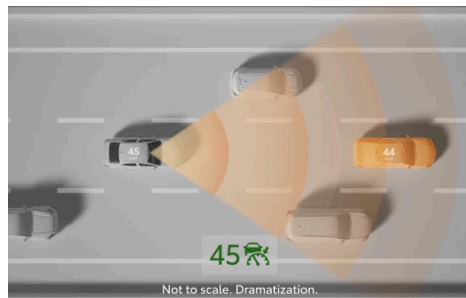

Stay connected on the road. By pairing your compatible Android™ ³⁷ phone with the audio multimedia system, Android Auto™ ³⁸ lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack, and more. ³⁶

Toyota Safety Sense™ 3.0 ⁴¹

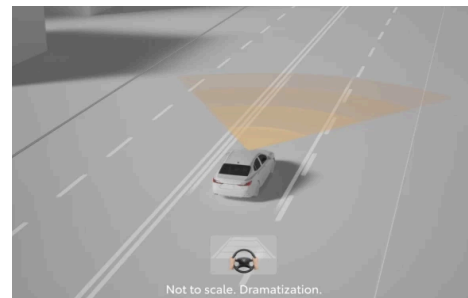

Pre-Collision System With Pedestrian Detection

PCS w/PD ⁴² can alert you to potential collisions and may automatically brake.

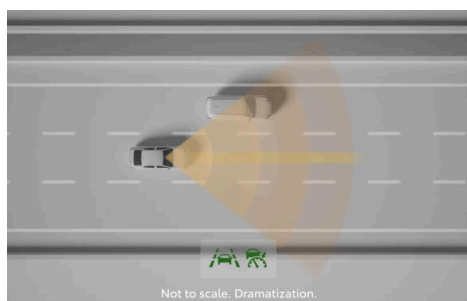

Full-Speed Range Dynamic Radar Cruise Control

DRCC ⁴³ helps maintain a preset distance from the vehicle ahead of you, from highway speeds down to a full stop.

Lane Departure Alert With Steering Assist

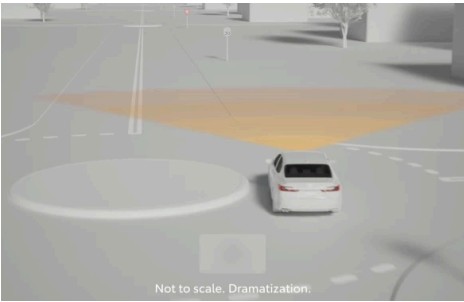

LDA w/SA ⁴⁴ may alert you to inadvertent lane departures and make minor steering corrections to help keep you in your lane.

Lane Tracing Assist

LTA ⁴⁵ helps you center the vehicle within its lane while DRCC ⁴⁶ is active.

MORE FEATURES

Road Sign Assist

RSA ⁴⁷ can recognize certain road signs and display them to you inside the vehicle.

Automatic High Beams

AHB ⁴⁸ can automatically toggle between high and low beams based on the vehicle's surroundings.

Proactive Driving Assist

PDA ⁴⁹ may provide gentle braking and/or steering to help control distance between your vehicle and a vehicle, pedestrian or bicyclist ahead of you.

Safety & Convenience

Blind Spot Monitor With Rear Cross-Traffic Alert

Blind Spot Monitor (BSM) ⁵⁰ is designed to warn you when a vehicle in the next lane enters your blind spot on either side of the vehicle. And when you're in reverse, Rear Cross-Traffic Alert (RCTA) ⁵¹ is designed to help detect vehicles approaching from either side, warning you with side mirror indicators and a warning tone.

Safe Exit Alert

Safe Exit Alert ⁵² uses BSM ⁵⁰ sensors to detect approaching vehicles from the rear. If the system determines that there may be a collision with a door opening, an audible alert sounds, and a visual alert appears on the outside mirrors. Simulation shown.

Panoramic View Monitor

bZ's available Panoramic View Monitor ⁵³ helps you check your surroundings for hazards. It uses multiple cameras around the vehicle to display a bird's-eye view on the touchscreen display.

Front and Rear Parking Assist With Automatic Braking

When the system detects there is a possibility of contact with an object or vehicle, bZ's available Front and Rear Parking Assist with Automatic Braking (PA w/AB) ⁵⁴ sends audible and visual warnings, and in certain conditions, may automatically apply the brakes. Simulation shown.

MORE FEATURES

Front Cross-Traffic Alert

Discover a new level of driving awareness. bZ's available Front Cross-Traffic Alert (FCTA)⁵⁵ is designed to detect vehicles that may be approaching from the sides when moving at slow speeds, so you can enter traffic at busy intersections with added confidence. Simulation shown.

Hands-Free Power Liftgate

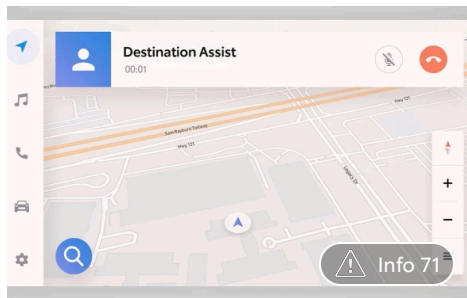

Powered to help you out. With the push of a button, the standard hands-free power rear liftgate can open and close automatically. When your hands are full, bZ senses your Smart Key and opens automatically when you wave your foot under the center of the rear bumper.⁵⁶

No Cost Maintenance Plan and Extended Roadside Assistance

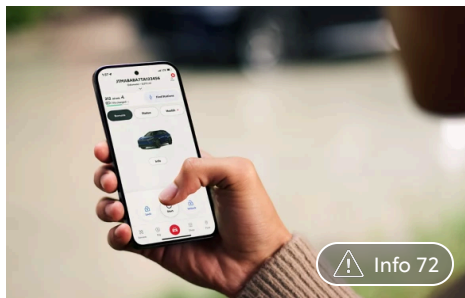

Every new bZ comes with ToyotaCare,⁵⁷ a maintenance plan that covers normal factory scheduled service for 2 years or 25,000 miles, whichever comes first, and 24-hour Roadside Assistance for 3 years, unlimited mileage.

Connected Services

Drive Connect

With a Drive Connect trial or subscription,³¹ the Cloud Navigation⁶³ and Intelligent Assistant⁶⁴ features help you find where you need to be, while Destination Assist⁶⁵ allows you to talk to a live agent while they help you find your destination's coordinates and offer directions on how to get there. 3-year trial included. 4G network dependent.

Remote Connect

bZ is up to speed with the latest tech. With an active Remote Connect trial or subscription,¹⁵ you can start the engine, lock/unlock doors and locate your vehicle using the Toyota app¹³ through your compatible smartphone or smartwatch. 3-year trial of Remote Connect included. 4G network dependent.

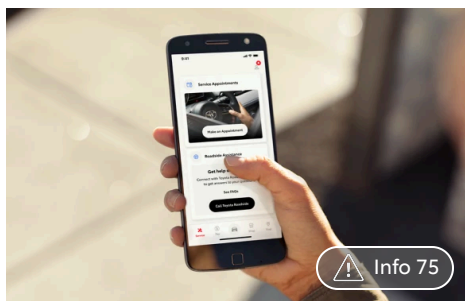

Wi-Fi Connect

Turn bZ into a hotspot. With an active Wi-Fi Connect trial or subscription,⁶⁶ you can easily connect up to five devices. And, depending on your existing mobile provider, you can add the Wi-Fi Connect subscription to your current mobile plan. We'll even include a 1-month or 3-GB trial to get you started. 4G network dependent.

Safety Connect®

Connect to our 24/7 response center in case of an accident or emergency with the press of a button.⁶⁷ You also get 24/7 Roadside Assistance⁶⁸ and Stolen Vehicle Locator⁶⁹ to give you peace of mind that help is on the way. 5-year-minimum trial. 4G network dependent.

Service Connect

Stay up to date with your bZ's information. With the 5-year-minimum trial of Service Connect,⁷⁰ you're provided with data such as mileage, fuel level and service history. Enable maintenance alerts and receive maintenance reminders that can also be sent to your preferred dealer for extra convenience. 4G network dependent.

Beyond Zero

BEYOND ZERO

Beyond Zero is Toyota's vision to reach carbon neutrality with our products, services and operations, and go beyond, as we find new ways to make a positive impact on our planet and society. The All-Electric BEV bZ is one of the many ways we are reducing carbon emissions to drive toward our Beyond Zero vision.

We currently offer more low and zero emission vehicles combined than any other automaker, to give customers numerous choices to reduce their carbon footprint.

Battery EV

bZ is an All-Electric BEV and part of the electrified family.

The Power Of Choice

Our lineup brings you more than just your choice of electrified powertrains: Hybrid EV, Plug-in Hybrid EV, Battery EV and Fuel Cell EV. Whatever you're looking for in a ride—size, style, efficiency, speed—there's a vehicle to suit your lifestyle that allows you to put more electrified miles on the road.

Going Above and Beyond

Whether Toyota is decreasing its single-use plastic waste, supporting water conservation efforts, or expanding programs that protect biodiversity, we are committed to reducing our environmental footprint and creating a positive impact on society. See Environmental Sustainability (toyota.com) for more information.

BZ GRADES

XLE

Mechanical Features

- ✓ Front-Wheel Drive (FWD)
- ✓ North American Charging System charging port
- ✓ Dual-voltage charging cable with Level 1 and Level 2 charging capability ¹⁶
- ✓ All-Wheel Drive (AWD)

Exterior Features

- ✓ LED projector low
- ✓ Rain-sensing variable intermittent windshield wipers with de-icer function
- ✓ 18-in. alloy wheels with covers
- ✓ Unique hammerhead hood with black-painted accent
- ✓ Color-keyed outside door handles with touch-sensor lock/unlock feature on all doors
- ✓ Height-adjustable, foot-activated power liftgate ⁵⁶ with jam protection
- ✓ LED Daytime Running Lights (DRL)

Interior Features

- ✓ Fabric/SofTex®-trimmed seats
- ✓ Center console with covered storage compartment, two cup holders, two Qi-compatible wireless chargers ²³ and front lower storage tray
- ✓ 120V/1500W AC outlet
- ✓ Digital Key ⁷⁶ capability
- ✓ Overhead console with maplights and Safety Connect® ⁶⁷ button
- ✓ Heated leather-trimmed manual tilt/telescopic 3-spoke steering wheel with regenerative braking paddle switches
- ✓ Dual zone automatic climate control system with dust and pollen filter, and rear-seat vents

Audio Multimedia

- ✓ 14-in. Toyota Audio Multimedia with six speakers, wireless Apple CarPlay® ³⁴ & Android Auto™ ³⁸ compatibility, SiriusXM® 3-month trial subscription. ³⁵ See toyota.com/connected-services for details.

Connected Services

INFO AND DISCLOSURES

1. EPA-estimated 314-mile combined total driving range rating for 2026 bZ4X XLE FWD Plus compared to an EPA-estimated 252-mile combined total driving range for 2025 bZ4X XLE using EPA's preliminary testing procedure standards for fully charged vehicle operated under ideal driving conditions. Use for comparison purposes only. Actual range will vary and may decrease significantly depending on speed, outside temperature, accessory use, how/where you drive, charging habits, and other factors. Battery capacity also decreases with time and use which will reduce range. See www.fueleconomy.gov and Owner's Manual for details. 2. Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers. 3. Limited AWD shown in Wind Chill Pearl. Prototype shown with options. 4. EPA-estimated total driving range ratings for 2026 bZ models when fully charged and operated under ideal conditions: 314-mile for 2026 bZ4X XLE FWD Plus; 288-mile for 2026 bZ XLE AWD; 299-mile for 2026 bZ Limited FWD; 278-mile for 2026 bZ Limited AWD; and 236-mile for 2026 bZ XLE FWD. Use for comparison purposes only. Actual range may decrease significantly depending on speed, outside temperature, accessory use, how/where you drive, charging habits, and other factors. Battery capacity also decreases with time and use, which will reduce range. See www.fueleconomy.gov. 5. EPA-estimated total driving range ratings for 2026 bZ models when fully charged and operated under ideal conditions: 314-mile for 2026 bZ4X XLE FWD Plus; 288-mile for 2026 bZ XLE AWD; 299-mile for 2026 bZ Limited FWD; 278-mile for 2026 bZ Limited AWD; and 236-mile for 2026 bZ XLE FWD. Use for comparison purposes only. Actual range may decrease significantly depending on speed, outside temperature, accessory use, how/where you drive, charging habits, and other factors. Battery capacity also decreases with time and use, which will reduce range. See www.fueleconomy.gov. Limited shown in Blueprint. Prototype shown with options. 6. Limited shown in Blueprint. Prototype shown. 7. Limited interior shown in Gray SofTex® trim. Prototype shown. 8. Use in colder temperatures to warm the battery and help optimize DC fast charging. May be activated automatically through vehicle's navigation system when a DC charging station is set as destination or activated manually. Preconditioning may not be available when battery's charge level is low. Use of preconditioning also may negatively impact range attainable. The automatic activation function requires an active subscription to Drive Connect that depends on 4G network availability and other factors. Service requires account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. 9. Charging time provided is an estimate only and can vary depending on weather conditions and other factors. 10. Public charging experience will vary based on charger type (Level 2 or DC Fast Charger) and other factors including vehicle and environmental conditions. 2026 bZ AC Level 2 charging time estimates can be improved when using an input power source rated to the onboard charger's max capacity. 2026 bZ DC fast charging time estimates can be improved in freezing temperatures when activating the battery preconditioning function. See toyota.com/electrified/charging for more information. 11. For Toyota battery electric vehicles only. 2025 and earlier BEV models require adapter for use. 12. Automatic payment available at select stations only for compatible battery electric vehicles (stations shown on Toyota app). Requires an active subscription to Remote Connect that depends on 4G network availability and other factors. Service requires account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. 13. An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app. 14. DC charging time will vary based on weather and other factors. DC charging times will increase as temperatures decrease, with significant increases possible at temperatures below freezing. Accessory use, battery level and condition, and charger specifications may negatively affect charging times. Use for comparison purposes only. Actual range will vary significantly depending on charging and driving conditions, including outside temperature, speed, accessory use, how/where you drive, battery condition and other factors. See www.fueleconomy.gov and Owner's Manual for details. 15. Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. 16. Electrical outlets for use with the dual-voltage charging cable must be installed by a licensed, qualified electrician. A 240V NEMA 14-50 outlet is required for Level 2 charging. 17. A 240V NEMA 14-50 outlet is required for Level 2 charging. Electrical outlets for use with the dual voltage charging cable must be installed by a licensed, qualified electrician. 18. Actual range attainable per minute/hour of charging will vary significantly depending on speed, outside temperature, accessory use, how/where you drive, battery condition, vehicle model and other factors. 19. Currently available for select Toyota BEV models throughout the U.S. and select Toyota PHEV models in California. Requires an active subscription to Remote Connect that depends on 4G network availability and other factors. Also requires account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Before operating, refer to Owner's Manual for instructions and limitations. For vehicle eligibility, visit toyota.com/connected-services/toyotaapp/ or see your Toyota dealer. 20. Limited AWD shown in Wind Chill Pearl. Extra-cost color. Prototype shown. 21. Limited interior shown in Black SofTex® trim. Prototype shown. 22. Limited interior shown in Black SofTex® trim. Concentrating on the road should always be your first priority while driving. Prototype shown. 23. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. 24. May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. 25. Rated for 1500 watts for one outlet. See Owner's Manual for additional limitations and details. 26. Limited AWD interior shown in Light Gray SofTex® trim. Prototype shown. 27. Limited interior shown in Light Gray SofTex® trim. Prototype shown. 28. Limited interior shown in Black SofTex® trim. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. Prototype shown. 29. Do not overly rely on Advanced Park and use only in accordance with applicable laws. Remain attentive to surroundings. Before operating, review Owner's Manual for instructions and limitations. 30. Traffic Jam Assist is not an automated driving system, requires driver supervision at all times, and is designed to function on controlled access freeways at speeds of 25 mph or less. Operation requires Lane Tracing Assist to be active. Use this system in accordance with applicable laws. Requires an active subscription to Drive Connect that depends on 4G network availability and other factors. Service requires account registration through the Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. Before operating, refer to Owner's Manual for instructions and limitations. 31. Drive Connect services may vary

INFO AND DISCLOSURES

and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. **32.** Traffic Jam Assist is not an automated driving system, requires driver supervision at all times, and is designed to function on controlled access freeways at speeds of 25 mph or less. Operation requires Lane Tracing Assist to be active. Use this system in accordance with applicable laws. Requires an active subscription to Drive Connect that depends on 4G network availability and other factors. Service requires account registration through the Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. Before operating, refer to Owner's Manual for instructions and limitations. Simulation shown. **33.** iPhone® is a registered trademark of Apple Inc. All rights reserved. **34.** Apple CarPlay® requires a compatible iPhone® with an active data plan. Check compatibility at <https://www.apple.com/ios/carplay/>. Operability depends on network availability, a cellular connection and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to <https://www.toyota.com/audio-multimedia/>. To learn more about Toyota Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. Apple CarPlay® is a registered trademark of Apple Inc. **35.** Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. Limited interior shown in Black SofTex® trim. Prototype shown. **40.** Limited interior shown in Black SofTex® trim. Screen depiction accurate at time of posting. Prototype shown. **41.** Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for limitations. **42.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian, a bicycle, or a motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for limitations. **43.** Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for instructions and limitations. **44.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See Owner's Manual for limitations. **45.** The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See Owner's Manual for limitations. **46.** Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for limitations. **47.** Road Sign Assist only recognizes certain road signs. See Owner's Manual for limitations. **48.** Automatic High Beams operate at speeds above 21 mph. See Owner's Manual for instructions and limitations. **49.** Proactive Driving Assist (PDA) is designed to detect certain objects or curves in the road and provide gentle braking and/or steering support. PDA is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of detected objects and weather, light and road conditions. See Owner's Manual for additional limitations and details. **50.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. **51.** Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See Owner's Manual for limitations. **52.** Do not rely exclusively on Safe Exit Alert. Always look for approaching traffic before exiting the vehicle. See Owner's Manual for limitations. **53.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See Owner's Manual for limitations. **54.** Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See Owner's Manual for instructions and limitations. **55.** Do not overly rely on the Front Cross-Traffic Alert system. Always visually confirm that it is safe to proceed. See Owner's Manual for limitations. **56.** Water, weather, dirt, and other conditions may cause the hands-free power liftgate sensor to not operate properly. See Owner's Manual for limitations. **57.** ToyotaCare covers normal factory scheduled maintenance for 2 years or 25,000 miles, whichever comes first, and 24/7 Roadside Assistance is for 2 years/unlimited mileage (note: ToyotaCare for Mirai is 3 years/35,000 miles and Roadside Assistance for Mirai, bZ, bZ4X, Prius, Prius Prime and Prius Plug-in Hybrid is 3 years/unlimited mileage). Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **58.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. Limited shown in Blueprint and Wind Chill Pearl. Extra-cost color. Prototypes shown. **59.** Limited AWD shown in Wind Chill Pearl. Extra-cost color. Prototype shown. Simulation shown. **60.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See Owner's Manual for limitations. Limited interior shown in Black SofTex® trim. Prototype shown. **61.** Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low

INFO AND DISCLOSURES

speeds. Drivers should visually confirm clearance during use. See Owner's Manual for instructions and limitations. Limited AWD shown in Wind Chill Pearl. Prototype shown with options. Simulation shown. **62.** Do not overly rely on the Front Cross-Traffic Alert system. Always visually confirm that it is safe to proceed. See Owner's Manual for limitations. Limited AWD shown in Wind Chill Pearl. Extra-cost color. Prototype shown. Simulation shown. **63.** Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. **64.** Intelligent Assistant requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. **65.** On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **66.** Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscriptions to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to <https://myvehicle.att.com/#/toyota/learn?language=en=US> for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Trial begins at activation and expires the earlier of 3 GB data use or 1 mo. Valid in contiguous U.S. and Alaska. See <https://myvehicle.att.com/#/toyota/learn?language=en=US> for terms and conditions. **67.** Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **68.** Enhanced 24/7 Roadside Assistance allows use of in-vehicle SOS button to assist response agent to identify vehicle location. Unlimited mileage coverage effective with an active Safety Connect® trial or subscription that depends on certain factors, including 4G network availability. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Enhanced Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Service subject to change at any time. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **69.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. **70.** Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **71.** Available Destination Assist, part of Drive Connect, shown. On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. INFO AND DISCLOSURES

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

WARRANTIES

Date and mileage limitations refer to whichever comes first from the date of first purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details and for information regarding the Federal and California Emission Control Warranties, and Tire Limited Warranties. Emission coverages vary under Federal and California regulations.

The Electric Vehicle Drive Components Warranty (transaxle, traction battery, inverter with converter) is in effect for 8 years or 100,000 miles from the new vehicle purchase/lease date, whichever comes first. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details.

Let's Go Places
