

TOYOTA

2026 Mirai

2026 MIRAI

Driven by hydrogen. Designed to inspire.

Mirai combines hydrogen with oxygen from the outside air to generate power, without creating any tailpipe emission besides water, helping propel us into a future of possibilities.

Learn More About Mirai

How Does It Create Electricity?

Hydrogen from the fuel tank and air entering from the intake grille meet in the Fuel Cell Stack. Then a chemical reaction involving the oxygen and hydrogen creates electricity—powering Mirai.

How Safe Is Hydrogen?

If the hydrogen sensors detect a leak or a collision, the hydrogen tank valves are designed to automatically close to prevent more hydrogen from escaping, with any leaked hydrogen returning to the atmosphere. Mirai's hydrogen fuel tanks have been rigorously tested and proven to meet all applicable federal standards requirements, including FMVSS.¹

Are There Any Fuel Benefits With Mirai?

Mirai comes with \$15,000 or 6 years, whichever comes first, of complimentary fuel for purchases, and \$15,000 or 3 years, whichever comes first, of complimentary fuel for leases.² After your purchase or lease, we'll set you up with a fuel card, so all you'll need to do is swipe to start filling up.

Info 3

How Do I Fill Up Mirai?

There is a pump and a nozzle, just like at a gasoline station. As you pump in hydrogen, it travels to carbon-fiber-reinforced fuel tanks, where it's stored.

Intuitive tech at your fingertips.

Mirai's intelligent tech is designed to elevate your driving experience. From helping you manage stop-and-go traffic to providing you with info of what's around you, Mirai has an ease that enhances your connection to the road ahead.

Traffic Jam Assist

Traffic Jam Assist (TJA) ⁴ helps ease the burden of stressful stop-and-go traffic on controlled-access highways by providing control of the vehicle's steering, braking and acceleration at speeds under 25 mpg. This feature requires an active Drive Connect trial or subscription. ⁵ 4G network dependent.

12.3-In. Touchscreen Display

Mirai's customizable 12.3-in. touchscreen display makes it easy to set up your favorite apps, and with its large display, dual screens can be shown simultaneously. ⁶

Panoramic View Monitor

Mirai's Panoramic View Monitor (PVM) ⁷ helps you check your surroundings for hazards. Using four cameras, one on each side of the vehicle, it displays a panoramic view on the touchscreen display.

Qi Wireless Charging With Four USB Ports

Set your compatible smartphone on the Qi wireless[®] charging pad, and it instantly starts charging. Passengers can power their devices using one of four USB-C[®] charge ports.

Multi-Information Display

Behind the wheel, you don't have to look far to find the information you need. Inside Mirai's gauge cluster, a 12.3-in. color Multi-Information Display (MID) combination meter highlights your driving mode, fuel efficiency, safety alerts and more. Stay up to speed with the latest alerts and feel more in control on every drive.

Stand out in all the right ways.

Mirai's craftsmanship is on display with every detail. Its low, wide and long stance gives Mirai a look that's as cutting-edge as its engineering. And premium aluminum alloy wheels elegantly accent Mirai's sleek and modern shape.

Experience the thrill of hydrogen.

When you're driving in the city or cruising down curvy roads, Mirai's Dynamic Rear-Wheel Drive consistently delivers an exciting, zero-tailpipe-emission ride.

402-Mile EPA-Estimated Driving Range Rating

When fully fueled with hydrogen, the 2026 Mirai has an impressive 402-mile EPA-estimated driving range rating.¹⁷

Rear-Wheel Drive

Enhancing both cornering and acceleration, Mirai's premium rear-wheel-drive platform is engineered to make you want to take the long way home. With every twist and turn, you'll fall in love with driving all over again.

Zero Tailpipe Emissions

Mirai runs on hydrogen, and its only by-product is water. When you start the car, hydrogen travels to the Fuel Cell Stack, where it combines with oxygen from the outside air to create electricity. The result? One exciting, zero-tailpipe-emission ride!

Three Hydrogen Tanks

Mirai features three hydrogen tanks for extended range. These high-pressure, carbon-fiber-reinforced polymer tanks have been rigorously tested and proven to meet all applicable federal standards requirements, including FMVSS.¹ Simulation shown.

Audio Multimedia

SiriusXM® 3-Month Trial Subscription

SiriusXM®²⁰ has premium entertainment that you won't hear anywhere else. With a 3-month trial, you get 425+ channels, including 165+ channels in your vehicle, to enjoy ad-free music, plus sports, news, comedy and more. Experience even more on the SiriusXM® app, featuring expertly curated podcasts, Xtra channels of music, Artist Stations, SiriusXM® video and more.

Toyota Audio Multimedia System

Mirai's 12.3-in. Toyota Audio Multimedia touchscreen heightens your interactions through sight, touch and voice recognition²¹ that lets you activate the system with a phrase like, "Hey, Toyota." From listening to music to finding your destinations, and more—stay connected to every adventure.

Wireless Apple CarPlay®

Bring along a familiar interface. With Mirai's wireless Apple CarPlay®²² compatibility, you can use your compatible iPhone®²³ with the multimedia system to get directions, make calls, send and receive messages and listen to music, all while staying focused behind the wheel.

Wireless Android Auto™

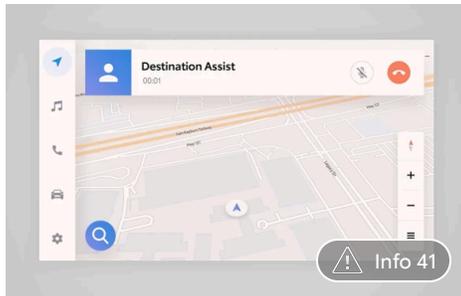

Stay connected on the road. By pairing your compatible Android™²⁴ phone with the audio multimedia system, Android Auto™²⁵ lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

JBL® Premium Audio System

Immerse yourself in quality sound with Mirai's JBL®²⁶ Premium Audio system. A 14-speaker, 1200-watt audio system equipped with a subwoofer, it provides phenomenal sound that amplifies every drive.

Connected Services

Drive Connect

With an active Drive Connect trial or subscription,⁵ the Cloud Navigation³¹ and Intelligent Assistant³² features help you find where you need to be, while Destination Assist³³ allows you to talk to a live agent as they help you find your destination's coordinates and offer directions on how to get there. 1-year trial included. 4G network dependent.

Wi-Fi Connect

Turn Mirai into a hotspot. With an active Wi-Fi Connect trial or subscription,³⁴ you can easily connect up to five devices. And, depending on your existing mobile provider, you can add the Wi-Fi Connect subscription to your current mobile plan. We'll even include an up-to-30-day or 3-GB trial to get you started. 4G network dependent.

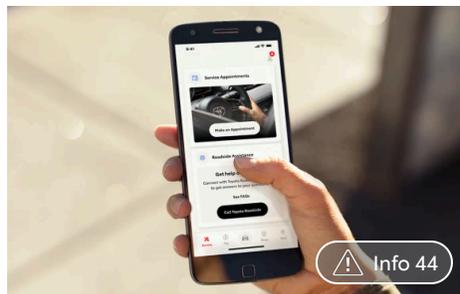

Remote Connect

Mirai is up to speed with the latest tech. With an active Remote Connect trial or subscription,³⁵ you can start the engine, lock/unlock doors and locate your vehicle using the Toyota app³⁶ through your compatible smartphone or smartwatch. 1-year trial included. 4G network dependent.

Safety Connect®

Connect to our 24/7 response center in case of an accident or emergency with the press of a button.³⁷ You also get 24/7 Roadside Assistance³⁸ and Stolen Vehicle Locator³⁹ to give you peace of mind that help is on the way. Activation required. 5-year-minimum trial included. 4G network dependent.

Service Connect

Stay up to date with your Mirai's information, such as status and alerts, maintenance reminders and more.⁴⁰ It's a convenient way to help make sure your Mirai is running at its best. 5-year-minimum trial included. 4G network dependent.

Safety & Convenience

Info 54

Toyota Hybrid Battery and FCEV Warranty

Drive with peace of mind with a 10-year/150,000-mile hybrid battery warranty ⁴⁵ and an 8-year/100,000-mile warranty on key Fuel Cell Electric Vehicle (FCEV) components including the air compressor, boost converter and hydrogen tanks. ⁴⁶

Info 55

Blind Spot Monitor With Rear Cross-Traffic Alert

Blind Spot Monitor (BSM) ⁴⁷ is designed to warn you when a vehicle in the next lane enters your vehicle's blind spot on either side of the vehicle. And when you're in reverse, Rear Cross-Traffic Alert (RCTA) ⁴⁸ helps detect vehicles approaching from either side, warning you with side mirror indicators and a warning tone.

Info 16

Eight Airbags

Mirai comes standard with advanced dual-stage SRS driver and front passenger airbags, in addition to front and rear side curtain airbags. ⁴⁹

Info 56

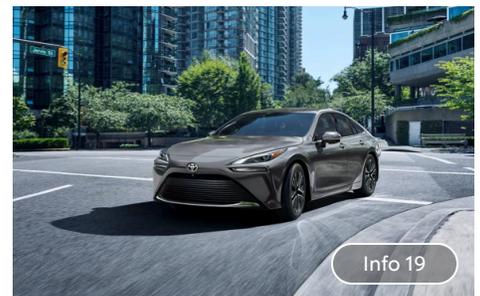

Front and Rear Parking Assist With Automatic Braking

This available driver-assistance feature is designed to warn you audibly and visually when it detects stationary objects, people walking by or vehicles approaching from the rear by sending you an alert inside the vehicle and reducing engine power and/or applying the brakes. ⁵⁰ Simulation shown.

No Cost Maintenance Plan and Roadside Assistance

Every new Mirai comes with ToyotaCare, ⁵¹ a maintenance plan that covers normal factory scheduled service for 3 years or 35,000 miles, whichever comes first, and 24-hour Roadside Assistance for 3 years, unlimited mileage.

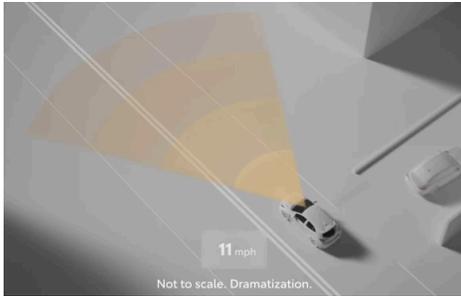

Info 19

Star Safety System™

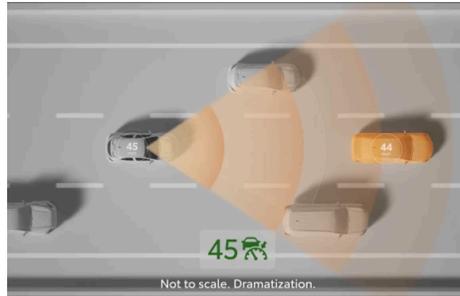

Mirai's six safety features are designed to help keep you out of harm's way. The system includes Enhanced Vehicle Stability Control (VSC), ⁵² Traction Control (TRAC), Anti-Lock Brake System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA) and Smart Stop Technology® (SST). ⁵³

Toyota Safety Sense™ 3.0 ⁵⁷

Pre-Collision System With Pedestrian Detection

PCS w/PD ⁵⁸ can alert you to potential collisions and may automatically brake.

Full-Speed Range Dynamic Radar Cruise Control

DRCC ⁵⁹ helps maintain a preset distance from the vehicle ahead of you, from highway speeds down to a full stop.

Lane Departure Alert With Steering Assist

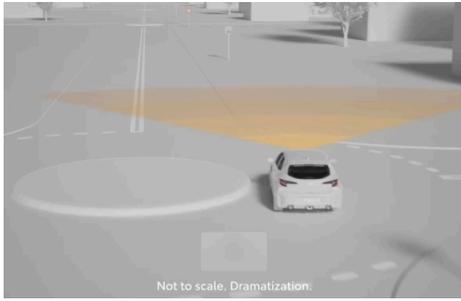

LDA w/SA ⁶⁰ may alert you to inadvertent lane departures and make minor steering corrections to help keep you in your lane.

Lane Tracing Assist

LTA ⁶¹ helps you center the vehicle within its lane while DRCC ⁶² is active.

MORE FEATURES

Road Sign Assist

RSA ⁶³ can recognize certain road signs and display them to you inside the vehicle.

Automatic High Beams

AHB ⁶⁴ can automatically toggle between high and low beams based on the vehicle's surroundings.

Proactive Driving Assist

PDA ⁶⁵ may provide gentle braking and/or steering to help control distance between your vehicle and a vehicle, pedestrian or bicyclist ahead of you.

Beyond Zero

BEYOND ZERO

Beyond Zero is Toyota's vision to reach carbon neutrality with our products, services and operations, and go beyond, as we find new ways to make a positive impact on our planet and society. The Fuel Cell EV Mirai is one of the many ways we are reducing carbon emissions to drive toward our Beyond Zero vision.

We currently offer more low and zero emission vehicles combined than any other automaker, to give customers numerous choices to reduce their carbon footprint.

Fuel Cell EV

Mirai is a Fuel Cell Vehicle and part of the Electrified Family.

The Power Of Choice

Our lineup brings you more than just your choice of electrified powertrains: Hybrid EV, Plug-in Hybrid EV, Battery EV and Fuel Cell EV. Whatever you're looking for in a ride—size, style, efficiency, speed—there's a vehicle to suit your lifestyle that allows you to put more electrified miles on the road.

Going Above and Beyond

Whether Toyota is decreasing its single-use plastic waste, supporting water conservation efforts, or expanding programs that protect biodiversity, we are committed to reducing our environmental footprint and creating a positive impact on society. See Environmental Sustainability (toyota.com) for more information.

MIRAI GRADES

Mirai

Mechanical Features

- ✓ Rear-Wheel Drive (RWD)
- ✓ Multi-link front and rear suspension
- ✓ Permanent magnet AC synchronous electric motor

Exterior Features

- ✓ Multi-LED front and rear turn signal indicators, clearance lights, and side marker lights etched with Mirai logo
- ✓ Windshield wiper de-icer
- ✓ Dual-tone heated power-folding outside mirrors with turn signal indicators, blind spot warning ⁴⁷ and puddle lights
- ✓ Color-keyed roof-mounted shark-fin antenna
- ✓ 19-in. black machine-finished aluminum alloy wheels with P235/55R19, 8J all-season tires
- ✓ Bi-beam auto-leveling LED headlights
- ✓ LED taillights and rear combination lights

Interior Features

- ✓ Digital Key capability (requires Remote Connect trial or subscription ³⁵)
- ✓ Front-seat footwell illumination
- ✓ Leather tilt/telescopic steering wheel, Bluetooth [®] ⁶⁶ hands-free phone and voice-command controls
- ✓ Dual extendable sun visors with illuminated vanity mirrors
- ✓ Heated SofTex[®]-trimmed front seats

Audio Multimedia

- ✓ 12.3-in. Toyota Audio Multimedia, 14 speakers, wireless Apple CarPlay[®] ²² & Android Auto[™] ²⁵ compatibility, SiriusXM[®] ²⁰ 3-month trial subscription. See toyota.com/audio-multimedia for details.

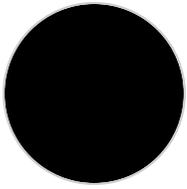

Connected Services

- ✓ Remote Connect ³⁵
- ✓ Wi-Fi Connect ³⁴
- ✓ Safety Connect[®] ³⁷
- ✓ Service Connect ⁴⁰
- ✓ Drive Connect ⁵

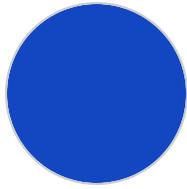

Safety/Convenience

- ✓ Toyota Safety Sense[™] 3.0 (TSS 3.0) ⁵⁷
- ✓ Traffic Jam Assist (TJA) ⁴
- ✓ Panoramic View Monitor (PVM) with 360-degree Overhead View in low-speed drive and reverse, and Curb View ⁷
- ✓ Blind Spot Monitor (BSM) ⁴⁷ with Rear Cross-Traffic Alert (RCTA) ⁴⁸

INFO AND DISCLOSURES

1. The Mirai meets all applicable Federal Motor Vehicle Safety Standards requirements, almost all of which apply equally to similar gasoline powered vehicles. In addition, Toyota has engineered the Mirai and its hydrogen tanks to meet international Global Technical Regulation No. 13. 2. Customers who lease a 2026 Mirai by March 31, 2026, will receive complimentary fuel for three years or \$15,000, whichever comes first. Customers who purchase a 2026 Mirai by March 31, 2026, will receive complimentary fuel for six years or \$15,000, whichever comes first. Complimentary fuel term begins as of card activation or 90 days after Mirai purchase or lease commencement date, whichever is earlier. Fuel card is nontransferable. 3. Mirai shown in Hydro Blue. Options shown. 4. Traffic Jam Assist is not an automated driving system, requires driver supervision at all times, and is designed to function on controlled access freeways at speeds of 25 mph or less. Use this system in accordance with applicable laws. Before operating, refer to Owner's Manual for instructions and limitations. 5. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. 6. Concentrating on the road should always be your first priority while driving. 7. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See Owner's Manual for limitations. 8. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. 9. May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. 10. Traffic Jam Assist is not an automated driving system, requires driver supervision at all times, and is designed to function on controlled access freeways at speeds of 25 mph or less. Use this system in accordance with applicable laws. Before operating, refer to Owner's Manual for instructions and limitations. Mirai shown in Hydro Blue. Options shown. Simulation shown. 11. Concentrating on the road should always be your first priority while driving. Mirai interior shown in Black SofTex® trim. 12. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See Owner's Manual for limitations. Mirai interior shown in Black SofTex® trim. 13. Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. Mirai interior shown in Black SofTex® trim. 14. Mirai interior shown in Black SofTex® trim. Vehicle shown using visual effects. 15. Mirai shown in Heavy Metal and Oxygen White. Vehicle shown using visual effects. 16. Mirai interior shown in Black SofTex® trim. 17. EPA-estimated 402 total driving range rating for 2026 Mirai. Use for comparison purposes only. Your mileage will vary for many reasons, including refueling practices, your vehicle's condition and how/where you drive. See www.fueleconomy.gov 18. Mirai shown in Oxygen White. Options shown. 19. Mirai shown in Heavy Metal. Options shown. 20. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. 21. Voice recognition capabilities vary by head unit. 22. Apple CarPlay® requires a compatible iPhone® with an active data plan. Check compatibility at <https://www.apple.com/ios/carplay/>. Operability depends on network availability, a cellular connection and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **34.** Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscriptions to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to <https://myvehicle.att.com/#/toyota/learn?language=en=US> for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Trial begins at activation and expires the earlier of 3 GB data use or 1 mo. Valid in contiguous U.S. and Alaska. See <https://myvehicle.att.com/#/toyota/learn?language=en=US> for terms and conditions. **35.** Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **36.** An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app. **37.** Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **38.** Enhanced 24/7 Roadside Assistance allows use of in-vehicle SOS button to assist response agent to identify vehicle location. Unlimited mileage coverage effective with an active Safety Connect® trial or subscription that depends on certain factors, including 4G network availability. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Enhanced Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Service subject to change at any time. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **39.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. **40.** Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **41.** Drive Connect shown. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. **42.** Remote Connect shown. Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is

INFO AND DISCLOSURES

occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **43.** Safety Connect shown. Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **44.** Service Connect shown. Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **45.** Hybrid-related components are covered for 8 years from original date of first use or 100,000 miles, whichever comes first. The HV battery may have longer coverage under emissions warranty. See the Toyota Owner's Warranty and Maintenance Guide for details. **46.** Valid only at Authorized Mirai Fuel Cell Vehicle Dealerships in the continental United States. See dealer for details and exclusions. **47.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. **48.** Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See Owner's Manual for limitations. **49.** Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See Owner's Manual for limitations. **50.** Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See Owner's Manual for instructions and limitations. **51.** ToyotaCare covers normal factory scheduled maintenance for 2 years or 25,000 miles, whichever comes first, and 24/7 Roadside Assistance is for 2 years/unlimited mileage (note: ToyotaCare for Mirai is 3 years/35,000 miles and Roadside Assistance for Mirai, bZ, bZ4X, C-HR, Prius and Prius Plug-in Hybrid is 3 years/unlimited mileage). Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. ToyotaCare valid only in the continental U.S.; Roadside Assistance valid in continental U.S., Hawaii and Canada. See Toyota dealer for details and exclusions. **52.** Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See Owner's Manual for limitations. **53.** Smart Stop Technology® will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See Owner's Manual for limitations. **54.** Mirai Fuel Cell Power Control Unit shown using visual effects. **55.** Mirai interior shown in Black SofTex® trim. Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. Options shown. **56.** Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See Owner's Manual for instructions and limitations. Mirai shown in Heavy Metal and Hydro Blue. Options shown. Simulation shown. **57.** Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for limitations. **58.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian, a bicycle, or a motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for limitations. **59.** Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for instructions and limitations. **60.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See Owner's Manual for limitations. **61.** The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See Owner's Manual for limitations. **62.** Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for limitations. **63.** Road Sign Assist only recognizes certain road signs. See Owner's Manual for limitations. **64.** Automatic High Beams operate at speeds above 21 mph. See Owner's Manual for instructions and limitations. **65.** Proactive Driving Assist (PDA) is designed to detect certain objects or curves in the road and provide gentle braking and/or steering support. PDA is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of detected objects and weather, light and road conditions. See Owner's Manual for additional limitations and details. **66.** A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. The Bluetooth® word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license. **67.** Extra-cost color. **68.** SofTex® is a registered trademark of Toyota Motor Sales, U.S.A., Inc. **69.** HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. **70.** Hill Start Assist Control is designed to minimize backward rolling on steep ascents. Not a substitute for safe driving judgment and practices.

INFO AND DISCLOSURES

Speed, grade, surface conditions, driver input, etc., can all affect HAC function. See Owner's Manual. **71.** Full-Speed Range Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on road, weather and traffic conditions. See Owner's Manual for additional limitations and details. **72.** The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See Owner's Manual for limitations. **73.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for limitations and details. **74.** When the system is on, Electric Parking Brake is designed to engage the Parking Brake under limited conditions. It may not hold the vehicle under all conditions. See Owner's Manual for additional limitations and details. **75.** When the system is on and the vehicle is in Drive, Brake Hold may temporarily keep the brakes engaged after the driver brings the vehicle to a complete stop. See Owner's Manual for limitations. **76.** The engine immobilizer is a state-of-the-art anti-theft system initiated when the key is inserted into ignition switch or a Smart Key fob is in/near the vehicle. Engine will only start if the code in the transponder chip inside the key/fob matches the code in vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or fob, see a Toyota dealer or go to www.aloa.org to find a qualified locksmith for high-security key service.

INFO AND DISCLOSURES

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

WARRANTIES

Valid only at Authorized Mirai Fuel Cell Vehicle Dealerships in the continental United States. See dealer for details and exclusions.

Date and mileage limitations refer to whichever occurs first from the date of purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details.

Date and mileage limitations refer to whichever comes first from the date of first purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details and for information regarding the Federal and California Emission Control Warranties, and Tire Limited Warranties. Emission coverages vary under Federal and California regulations.

For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, the hybrid (HV) battery is covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See the Toyota Owner's Warranty and Maintenance Guide for details.
