

TOYOTA

2026 Prius Plug-in Hybrid

2026 PRIUS PLUG-IN HYBRID

Efficiently enhance your style.

Turn heads in a ride that's sleek in design, plug-in-efficient and irresistibly fun.

Style & Design

Nightshade Edition

Black Interior With Gray Stitching

Level up your comfort and style. Inside Nightshade Edition, you're greeted by a thoughtfully crafted all-black interior with gray stitching for subtle yet striking style.

Exterior Styling

Nightshade Edition's sleek front end and futuristic profile create a chic exterior that grabs attention from every angle.

Black Badging

All-around black badging adds to the alluring aesthetic of Nightshade Edition, giving the exterior an extra touch of unique style.

19-In. Black Alloy Wheels

Roll in and out of the city with a smooth finish. Nightshade Edition's 19-in. black alloy wheels capture attention, no matter where you pull up.

Exterior

Solar Roof

By harnessing energy from the sun, the available solar roof can help charge the battery when you're parked to power driving functions when you're on the go.

Undeniable Presence

Smooth curves and sharp details highlight Prius Plug-in Hybrid's modern appeal and do more than create an aerodynamic advantage, they leave you with a sleek one-motion silhouette that looks good from any angle.

Distinctive Lighting Design

Prius Plug-in Hybrid's captivating front-end design is defined by slim LED headlights, while the rear features a light bar between the taillights to finish off its clean look.

19-In. Alloy Wheels

Adding to Prius Plug-in Hybrid's flowing silhouette are available lightweight 19-in. aluminum alloy wheels. They bring a more modern style that's sure to turn heads.

Interior

Sport Seats

Available sport seats with red accents show off a sporty look that matches Prius Plug-in Hybrid's exciting drive.

Fixed Glass Roof

Enjoy the view. Pull the sunshade back and let Prius Plug-in Hybrid's available glass roof brighten up the cabin.

Front and Rear Heated Seats

Add warmth to every drive. With available front and rear heated seats, you and your passengers can find a little more comfort with the press of a button.

Cargo Space

When you need extra room for your things, fold down one or both sides of the 60/40 rear seats to enjoy surprisingly ample cargo space.

Fun to drive. Easy to love.

Thrilling acceleration, flexible fueling and drive modes that let you take advantage of plug-in capability.

Info 24

All-Electric Driving Range

Enjoy gas-free driving with thrilling performance. Charge up Prius Plug-in Hybrid by plugging into a standard outlet or Level 2 charger, and when fully charged, it can power your daily commute with an up to EPA-estimated 44-mile all-electric driving range rating.²⁶

Info 29

0-60 MPH in 6.6 Seconds

With 220 horsepower, Prius Plug-in Hybrid can accelerate from 0-60 mph in an impressive 6.6 seconds,²⁷ so you can experience thrilling excitement, on demand.

Info 30

2.0L Hybrid Engine

Prius Plug-in Hybrid's hybrid engine and electric motors seamlessly work together to help provide maximum efficiency combined with an up to 52 EPA-estimated mpg rating.²⁸ And when your charge runs low, the 2.0L 4-cylinder hybrid engine will continue to power your drive.

Info 24

Impressive Power

Prius Plug-in Hybrid's Hybrid Synergy Drive® system helps maximize output from both the gas engine and electric motors, generating up to 220 horsepower for you to enjoy.

PERFORMANCE

Intelligent Efficiency

The combination of gas engine and electric motors works to provide sufficient power when you need it and remarkable efficiency when you don't.

Driving Modes

Optimize your drive with EV (Electric Vehicle) Mode, EV Auto Mode and HV (Hybrid Vehicle) Mode. EV Auto Mode intelligently selects between EV and hybrid driving based on demand and driving conditions. HV Mode combines the gas engine and electrical power from Prius Plug-in Hybrid's battery.

Equipped for a Modern Drive

From helping you get into that perfect parking spot with available Advanced Park,³² to getting you through controlled access freeways traffic with Traffic Jam Assist (TJA),¹⁵ Prius Plug-in Hybrid has technology that makes driving easier. Traffic Jam Assist requires an active Drive Connect trial or subscription.¹⁰ 1-year trial subscription included on select grades. 4G network dependent.

Info 35

12.3-In. Multimedia Display

The available 12.3-in. Toyota Audio Multimedia touchscreen display lets you control a variety of functions with ease. Get clear travel instructions with turn-by-turn directions, access multimedia functions, and connect your smartphone wirelessly to enjoy your favorite apps, playlists and more.^{5 4}

Info 30

Traffic Jam Assist

Standard Traffic Jam Assist (TJA)¹⁵ helps navigate freeway traffic by providing hands-free control of the vehicle's steering, braking and acceleration at speeds under 25 mph, when Lane Tracing Assist (LTA)³³ is on. Drive Connect trial or subscription is required.¹⁰ 1-year trial included. 4G network dependent.

Info 36

Digital Key

Take advantage of what's already in your pocket. Digital Key capability¹⁹ on select models (requires an active Remote Connect trial or subscription;⁷ 4G network dependent; 1-year trial included) enables you to lock/unlock and start/stop your Prius Plug-in Hybrid with your Bluetooth®-connected¹ smartphone.

Info 37

Qi Wireless Charging and USB Ports

With Prius Plug-in Hybrid's available Qi-compatible wireless charger¹⁸ you can simply place your Qi-compatible device to wirelessly charge up while on the go. And for more versatility and added convenience, Prius Plug-in Hybrid comes with six USB-C ports,² so you can connect to and power up a variety of devices.

See numbered disclaimer footnotes in Info and Disclosures section.

Info 38

Advanced Park

To assist with parallel-parking or backing into a parking space, available Advanced Park ³² is ready with the touch of a button. This hands-free parking system uses cameras and sensors to provide steering, braking, acceleration and gear changes, to help you get into that perfect spot.

Info 23

Panoramic View Monitor

Prius Plug-in Hybrid's available Panoramic View Monitor (PVM) ³⁴ uses four cameras to help check your surroundings for hazards. When you're parked and using the Moving View setting, it creates a virtual view from above.

Info 23

Digital Gauge Cluster

Information that meets the eye. Prius Plug-in Hybrid's top-mount digital gauge cluster is placed right above the steering wheel to clearly give you vehicle details, outside temperature, driver-assist system information and more—all to help keep your eyes on the road ahead.

Info 23

Illumination Notification

This available stylish interior accent illuminates as a subtle cue to the driver when a preceding vehicle begins to move from a stop.

Audio Multimedia

12.3-In. Toyota Audio Multimedia

Designed to enhance every moment behind the wheel, Prius Plug-in Hybrid's available 12.3-in. Toyota Audio Multimedia touchscreen gives you access to music, smartphone updates and routes to your destination.

JBL® Premium Audio System

Immerse yourself in quality sound with Prius Plug-in Hybrid's available JBL® ²⁰ Premium Audio system. This 8-speaker audio system provides phenomenal sound that amplifies every drive.

Wireless Apple CarPlay®

Bring along a familiar interface. With Prius Plug-in Hybrid's wireless Apple CarPlay® compatibility, ⁴ you can use your compatible iPhone® ³⁹ with the multimedia system to get directions, make calls, send and receive messages and listen to music, all while staying focused behind the wheel.

Wireless Android Auto™

Stay connected on the road. By pairing your compatible Android™ ⁴⁰ phone with the audio multimedia system, Android Auto™ ⁵ lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

SiriusXM® 3-Month Trial Subscription

SiriusXM® ³ has premium entertainment that you won't hear anyplace else. With a 3-month trial, you get 425+ channels, including 165+ channels in your vehicle, to enjoy ad-free music, plus sports, news, comedy and more. Experience even more on the SiriusXM® app, featuring expertly curated podcasts, Xtra channels of music, Artist Stations, SiriusXM® video and more.

Connected Services

Drive Connect

With an active Drive Connect trial or subscription,¹⁰ the Cloud Navigation⁴⁴ and Intelligent Assistant⁴⁵ features help you find where you need to be, while Destination Assist⁴⁶ allows you to talk to a live agent as they help you find your destination's coordinates and offer directions on how to get there. 1-year trial included. 4G network dependent.

Remote Connect

Prius Plug-in Hybrid is up to speed with the latest tech. With an active Remote Connect trial or subscription,⁷ you can start the engine, lock/unlock doors and locate your vehicle using the Toyota app⁴⁷ through your compatible smartphone or smartwatch. 1-year trial included. 4G network dependent.

Wi-Fi Connect

Turn Prius Plug-in Hybrid into a hotspot. With an active Wi-Fi Connect trial or subscription,⁸ you can easily connect up to five devices. And, depending on your existing mobile provider, you can add the Wi-Fi Connect subscription to your current mobile plan. We'll even include an up-to-30-day or 3-GB trial to get you started. 4G network dependent.

Safety Connect®

Connect to our 24/7 response center in case of an accident or emergency with the press of a button.⁹ You also get 24/7 Roadside Assistance⁴⁸ and Stolen Vehicle Locator⁴⁹ to give you peace of mind that help is on the way. Activation required. 5-year-minimum trial subscription included. 4G network dependent.

Service Connect

Stay up to date with your Prius Plug-in Hybrid's information, such as status and alerts, maintenance reminders and more.¹¹ It's a convenient way to help make sure your Prius Plug-in Hybrid is running at its best. 5-year-minimum trial subscription included. 4G network dependent.

Toyota Safety Sense™ 3.0 ¹²

Pre-Collision System With Pedestrian Detection

PCS w/PD ⁵¹ can alert you to potential collisions and may automatically brake.

Full-Speed Range Dynamic Radar Cruise Control

DRCC ⁵² helps maintain a preset distance from the vehicle ahead of you, from highway speeds down to a full stop.

Lane Departure Alert With Steering Assist

LDA w/SA ⁵³ may alert you to inadvertent lane departures and make minor steering corrections to help keep you in your lane.

Lane Tracing Assist

LTA ³³ helps you center the vehicle within its lane while DRCC ⁵⁴ is active.

MORE FEATURES

Road Sign Assist

RSA ⁵⁵ can recognize certain road signs and display them to you inside the vehicle.

Automatic High Beams

AHB ⁵⁶ can automatically toggle between high and low beams based on the vehicle's surroundings.

Proactive Driving Assist

PDA ⁵⁷ may provide gentle braking and/or steering to help control distance between your vehicle and a vehicle, pedestrian or bicyclist ahead of you.

Safety & Convenience

Blind Spot Monitor With Rear Cross-Traffic Alert

Available Blind Spot Monitor (BSM) ¹³ warns you when a vehicle in the next lane enters your vehicle's blind spot on either side. When you're in reverse, Rear Cross-Traffic Alert (RCTA) ¹⁴ helps detect vehicles approaching from either side, warning you with side mirror indicators and a warning tone.

Safe Exit Alert

By using radar sensors inside the rear bumper, Safe Exit Alert (SEA) ¹⁶ helps detect approaching vehicles or bicycles from the rear. If the system determines that there may be a collision with a door opening, it will provide an audible alert, as well as a visual alert that will appear on the side mirrors.

No Cost Maintenance Plan and Extended Roadside Assistance

Every new Prius Plug-in Hybrid comes with ToyotaCare, a maintenance plan that covers normal factory scheduled service for 2 years or 25,000 miles, whichever comes first and 24-hour Roadside Assistance for 3 years, unlimited mileage. ⁵⁸

Hybrid Battery Warranty

Peace of mind for the long road ahead. Every Toyota Hybrid Battery Warranty for 2026 models provides coverage for 10 years from date of first use or 150,000 miles, whichever comes first. ⁵⁹

Beyond Zero

BEYOND ZERO

Beyond Zero is Toyota's vision to reach carbon neutrality with our products, services and operations, and go beyond, as we find new ways to make a positive impact on our planet and society. The Plug-in Hybrid EV Prius is one of the many ways we are reducing carbon emissions to drive toward our Beyond Zero vision.

We currently offer more low and zero emission vehicles combined than any other automaker, to give customers numerous choices to reduce their carbon footprint.

Plug-in Hybrid EV

Prius Plug-in Hybrid is a part of the Plug-In Hybrid EV Family.

The Power Of Choice

Our lineup brings you more than just your choice of electrified powertrains: Hybrid EV, Plug-in Hybrid EV, Battery EV and Fuel Cell EV. Whatever you're looking for in a ride—size, style, efficiency, speed—there's a vehicle to suit your lifestyle that allows you to put more electrified miles on the road.

Going Above And Beyond

Whether Toyota is decreasing its plastic waste, supporting water conservation efforts, or expanding programs that protect critical species, we are committed to reducing our environmental footprint and creating a positive impact on society. See Environmental Sustainability (toyota.com) for more information.

PRIUS PLUG-IN HYBRID GRADES

SE

Mechanical Features

- ✓ Hybrid system net power: 220 hp
- ✓ 2.0-Liter, 4-cylinder DOHC 16-valve with Variable Valve Timing with intelligence (VVT-i), 150 hp @ 6000 rpm, 139 lb.-ft. @ 4400-5200 rpm

Exterior Features

- ✓ 17-in. alloy wheels with wheel covers and 195/60R17 tires
- ✓ Bi-LED projector low

INFO AND DISCLOSURES

1. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. The Bluetooth® word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license. **2.** May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. **3.** Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. **4.** Apple CarPlay® requires a compatible iPhone® with an active data plan. Check compatibility at <https://www.apple.com/ios/carplay/>. Operability depends on network availability, a cellular connection and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to <https://www.toyota.com/audio-multimedia/>. To learn more about Toyota Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. Apple CarPlay® is a registered trademark of Apple Inc. **5.** Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan. Check g.co/androidauto/requirements for compatibility. Operability depends on network availability, a cellular connection, and GPS signal. Services vary by vehicle and are subject to change at any time without notice. Data charges may apply. To learn more, go to <https://www.toyota.com/audio-multimedia/>. To learn more about Toyota's Connected Services data collection, use, sharing, and retention practices, please visit <https://www.toyota.com/support/privacy-notice/>. Google, Android, Android Auto, YouTube Music and other marks are trademarks of Google LLC. **6.** SiriusXM® services require a subscription after trial period. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. **7.** Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **8.** Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscriptions to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to <https://myvehicle.att.com/#/toyota/learn?language=en=US> for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Trial begins at activation and expires the earlier of 3 GB data use or 1 mo. Valid in contiguous U.S. and Alaska. See <https://myvehicle.att.com/#/toyota/learn?language=en=US> for terms and conditions. **9.** Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **10.** Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. **11.** Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **12.** Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for limitations. **13.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. **14.** Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See Owner's Manual for limitations. **15.** Traffic Jam Assist is not an automated driving system, requires driver supervision at all times, and is designed to function on controlled access freeways at speeds of 25 mph or less. Operation requires Lane Tracing Assist to be active. Use this system in accordance with applicable laws. Requires an active subscription to Drive Connect that depends on 4G network availability and other factors. Service requires account registration through the Toyota

INFO AND DISCLOSURES

app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. Before operating, refer to Owner's Manual for instructions and limitations. **16.** Do not rely exclusively on Safe Exit Alert. Always look for approaching traffic before exiting the vehicle. See Owner's Manual for limitations. **17.** Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See Owner's Manual for instructions and limitations. **18.** Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. **19.** Digital Key requires active Remote Connect subscription. Remote start/stop and/or lock/unlock and other features of Remote Connect are only available on select models. Use only if aware of circumstances surrounding the vehicle it is legal and safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if the vehicle is occupied by a child). Remote Connect depends on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Digital Key also requires Bluetooth® connectivity. Remote Connect is included with select paid Connected Services packages. See your Toyota dealer for details. Services may vary and are subject to change without notice. Services require account registration through the Toyota app and acceptance of the Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. **20.** JBL® is a registered trademark of Harman International Industries, Inc. **21.** Nightshade Edition shown in Midnight Black Metallic. Vehicle shown with options using visual effects. **22.** Nightshade Edition interior shown in Black SofTex® trim. Vehicle shown with options using visual effects. **23.** XSE Premium interior shown in Black/Red SofTex® trim. INFO AND DISCLOSURES

with options using visual effects. **44.** Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. **45.** Intelligent Assistant requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. **46.** On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **47.** An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app. **48.** Enhanced 24/7 Roadside Assistance allows use of in-vehicle SOS button to assist response agent to identify vehicle location. Unlimited mileage coverage effective with an active Safety Connect® trial or subscription that depends on certain factors, including 4G network availability. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Enhanced Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Service subject to change at any time. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **49.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. **50.** Toyota Connected Services shown. Toyota Connected Services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the Connected Services will not work, and Toyota will need to discontinue impacted services. Services require account registration through the Toyota app and acceptance of the Connected Services Terms of Use at [connected-services-terms-use.pdf](https://toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota Connected Services' vehicle-generated data collection, use, sharing and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. All trials begin on original purchase or lease date of new vehicle, with the exception of Wi-Fi, for which trial begins at time of activation. Paid subscription required after trial (if applicable). **51.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian, a bicycle, or a motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for limitations. **52.** Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for instructions and limitations. **53.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See Owner's Manual for limitations. **54.** Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for limitations. **55.** Road Sign Assist only recognizes certain road signs. See Owner's Manual for instructions and limitations. **56.** Automatic High Beams operate at speeds above 21 mph. See Owner's Manual for instructions and limitations. **57.** Proactive Driving Assist (PDA) is designed to detect certain objects or curves in the road and provide gentle braking and/or steering support. PDA is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of detected objects and weather, light and road conditions. See Owner's Manual for additional limitations and details. **58.** ToyotaCare covers normal factory scheduled maintenance for 2 years or 25,000 miles, whichever comes first, and 24/7 Roadside Assistance is for 2 years/unlimited mileage (note: ToyotaCare for Mirai is 3 years/35,000 miles and Roadside Assistance for Mirai, bZ, bZ4X, Prius, Prius Prime and Prius Plug-in Hybrid is 3 years/unlimited mileage). Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **59.** For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, the hybrid (HV) battery is covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See the Toyota Owner's Warranty and Maintenance Guide for details. **60.** XSE Premium shown in Guardian Gray and Prius Limited AWD shown in Cutting Edge. Options shown. Simulation shown. **61.** Extra-cost color. **62.** SoftTex® is a registered trademark of Toyota Motor Sales, U.S.A., Inc.

INFO AND DISCLOSURES

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.
