

TOYOTA

2026 Sienna

2026 SIENNA

Built for life's everyday adventures.

With a spacious, flexible design, Sienna makes room for whoever and whatever the day brings.

Formed for function.

Every corner of Sienna's interior is designed with your day in mind. Whether you're packing in the family or heading out for a quiet evening, its elevated design details make every trip feel like the best part of the day.

Modern Interior

Enjoy Sienna's premium look and feel, from the sleek center console available in wood-grain- or satin-grain-finished trims, down to the detailed available Caramel-colored seat stitching.

Distinctive Woodland Edition Features

Sienna Woodland Edition is ready to put in the work, with rugged matte-black wheels, a standard tow hitch ¹ and durable floor mats ² with a pine-tree pattern. Its darkened accents on the upper grille and door handles add the perfect finishing touches to its distinctive aesthetic.

Sporty Front Styling

With available 20-in. dark wheels and black sporty accents, including a honeycomb grille, Sienna's modern design matches your sense of style.

Sleek Design

Sienna's modern lines, bold accents and athletic stance show onlookers that function and style aren't mutually exclusive.

More ease for every drive.

Enjoy space that makes everything you do easier.

Center-Console FridgeBox™

Say goodbye to warm juice boxes and melted treats. With Sienna's power on, its available center-console FridgeBox™ ⁷ helps keep things chilled to your liking.

Built-In Vacuum

Life on the move gets messy fast. Luckily, Sienna's available built-in vacuum, located within the center console, comes complete with a removable dustbin and filter to help make cleanup quick and convenient.

1500W-Capable Power Outlets

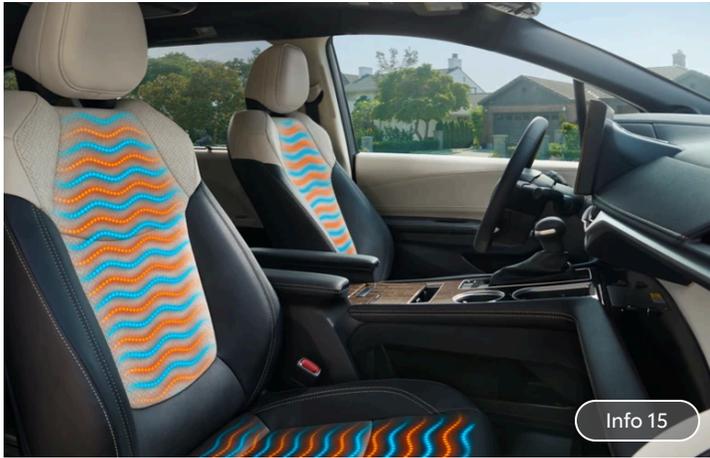

With available 1500W-capable power outlets, you can plug into Sienna and bring the comforts of home wherever you go. ⁸

Second-Row Captain's Chairs With Ottomans

Experience a relaxing time in Sienna's available super-long-slide second-row captain's chairs. Available built-in ottomans ⁹ pop out for enhanced convenience, or fold down to make more room for cargo or passengers in the third row—giving you the right mix of functionality and comfort.

VERSATILITY & COMFORT

Heated and Ventilated Front Seats

Sienna's available heated and ventilated front seats and heated rear captain's chairs bring enhanced comfort—no matter the season. Simulation shown.

Four-Zone Climate Control

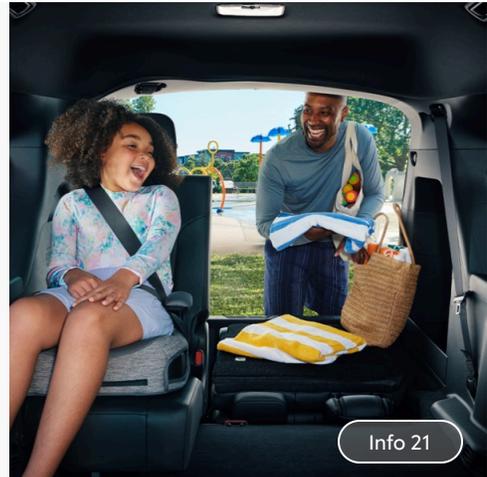

You like it hot. Your partner likes it cool. Your son needs it to be 70 degrees exactly. And your dog likes it toasty. Using Sienna's available class-leading four-zone climate control system,¹⁰ you can set the temperature for each zone so everyone can stay comfortable.

Convenience & Technology

Convenience

Split & Stow 3rd Row® Seats

Make room for more friends, more stuff, or both. Sienna's 60/40 One-Motion-Stow Split & Stow 3rd Row® seat easily folds down, so you can configure the space in the back to meet the day's needs.

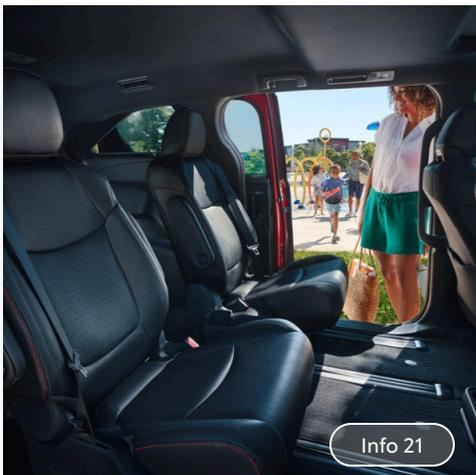

Panoramic View Monitor

Sienna's available Panoramic View Monitor (PVM) ¹⁷ uses four cameras to help check your surroundings. When you're parked and using the Moving View setting, it creates a virtual view from above.

Seven USB Ports

With seven USB ports ¹⁸ placed across all three rows of seating, Sienna helps keep your crew powered up wherever you go.

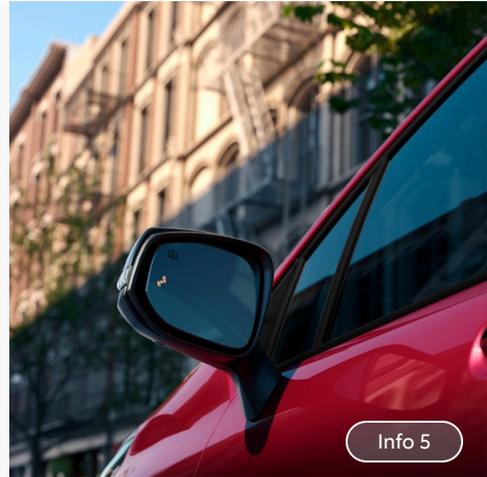

Hands-Free Power Sliding Side Doors and Liftgate

Need an extra hand? Simply use a quick kicking motion with your foot to open and close Sienna's available kick-activated dual power sliding doors and available rear liftgate, ^{19 20} to make getting in and out easier.

Technology

Blind Spot Monitor With Rear Cross-Traffic Alert

The standard Blind Spot Monitor (BSM) ²² is designed to alert you when vehicles enter your blind spots. When you're in reverse, Rear Cross-Traffic Alert (RCTA) ²³ helps detect vehicles approaching from either side, alerting you with side mirror indicators and a warning tone.

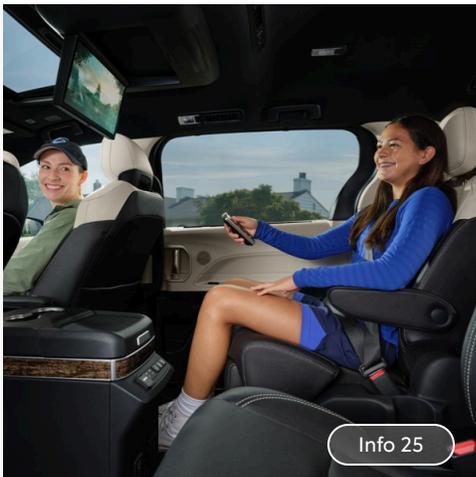

Info 5

Available 12.3-In. Digital Gauge Cluster

Put Sienna's vitals right in front of you, for easy access. Keep track of real-time driving data, turn-by-turn directions, safety information and alerts—all while keeping both hands on the wheel.

Front and Rear Parking Assist With Automatic Braking

Ease into tight spaces with more confidence. Sienna's available Front and Rear Parking Assist with Automatic Braking (PA w/AB) ²⁴ is designed to warn you when it detects nearby obstacles and, if necessary, may reduce power and apply the brakes.

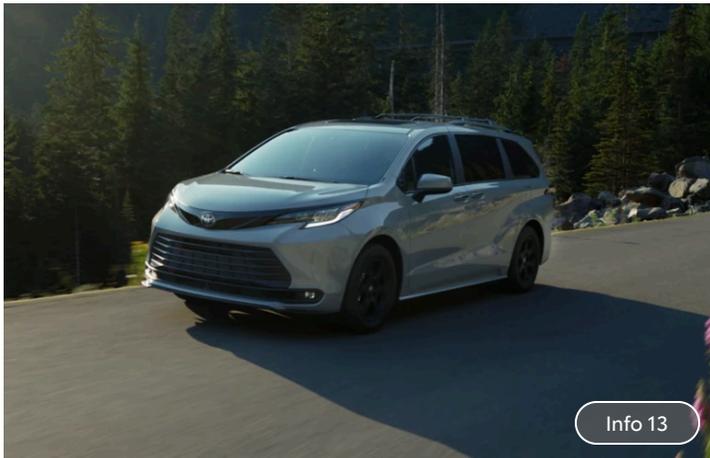

Info 25

Entertainment Center

On road trips or campouts, rear passengers can watch their favorite shows with Sienna's available 1080p HD Rear-Seat Entertainment Center.

Efficiency to take everyone farther.

With Sienna's available AWD and impressive hybrid system producing a net combined 245 horsepower, you can take on family adventures with ease. You'll also find yourself traveling from one cherished moment to the next with its EPA-estimated combined rating of up to 36 mpg.²⁶

All-Wheel Drive

Whether you're on gravel, rain or snow, Sienna's available Electronic On-Demand All-Wheel Drive (AWD) system helps give you confidence on unfamiliar roads and surfaces.

Hybrid Performance

Every Sienna is a hybrid. Whether you're driving around the city during the day or taking a weekend road trip, Sienna's class-leading EPA-estimated combined rating of up to 36 mpg²⁷ helps keep you going. And with up to 3500 lbs. of towing capacity, you can bring more with you on your next adventure.

Sport-Tuned Suspension

Sienna doesn't compromise on performance. Its available sport-tuned suspension helps deliver a dynamic drive every time you get behind the wheel.

Audio Multimedia

12.3-In. Toyota Audio Multimedia Touchscreen

Sienna's available 12.3-in. Toyota Audio Multimedia touchscreen heightens your interactions through sight, touch and even voice recognition ²⁸ that lets you activate the system with a phrase like, "Hey, Toyota." From listening to music to finding your destinations and more—stay connected to every adventure.

JBL® Premium Audio

Immerse yourself in quality sound with Sienna's available JBL® ²⁹ Premium Audio system. A 12-speaker, 1200W audio system equipped with a subwoofer and amplifier, it provides phenomenal sound that amplifies every drive.

Wireless Apple CarPlay®

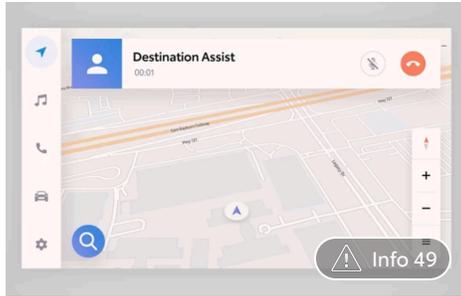

Bring along a familiar interface. With Sienna's wireless Apple CarPlay® ³⁰ compatibility, you can use your compatible iPhone® ³¹ with the multimedia system to get directions, make calls, send and receive messages, and listen to music, all while staying focused on your drive.

Wireless Android Auto™

Stay connected on the road. By pairing your compatible Android™ ³² phone with the audio multimedia system, Android Auto™ ³³ lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

Connected Services

Drive Connect

With an active Drive Connect trial or subscription,³⁸ the Cloud Navigation³⁹ and Intelligent Assistant⁴⁰ features help you find where you need to be, while Destination Assist⁴¹ allows you to talk to a live agent as they help you find your destination's coordinates and offer directions on how to get there. 1-year trial included on select trims. 4G network dependent.

Wi-Fi Connect

Turn Sienna into a hotspot. With an active Wi-Fi Connect trial or subscription,⁴² you can easily connect up to five devices. And, depending on your existing mobile provider, you can add the Wi-Fi Connect subscription to your current mobile plan. We'll even include an up-to-30-day or 3-GB trial to get you started. 4G network dependent.

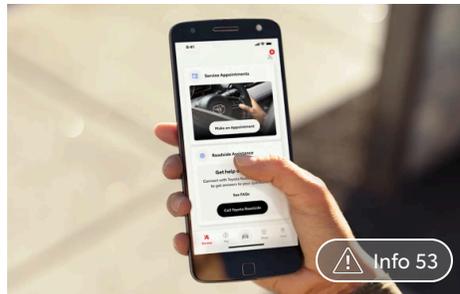

Remote Connect

Sienna is up to speed with the latest tech. With an active Remote Connect trial or subscription,⁴³ you can start the engine, lock/unlock doors and locate your vehicle using the Toyota app⁴⁴ through your compatible smartphone or smartwatch. 1-year trial included on select trims. 4G network dependent.

Safety Connect®

Connect to our 24/7 response center in case of an accident or emergency with the press of a button.⁴⁵ You also get 24/7 Roadside Assistance⁴⁶ and Stolen Vehicle Locator⁴⁷ to give you peace of mind that help is on the way. Activation required. 5-year-minimum trial subscription. 4G network dependent.

Service Connect

Stay up to date with your Sienna's information, such as status and alerts, maintenance reminders and more.⁴⁸ It's a convenient way to help make sure your Sienna is running at its best. 5-year-minimum trial subscription. 4G network dependent.

Toyota Safety Sense™ 2.0 ⁵⁴

Pre-Collision System With Pedestrian Detection

PCS w/PD ⁵⁵ can alert you to potential collisions and may automatically brake.

Full-Speed Range Dynamic Radar Cruise Control

DRCC ⁵⁶ helps maintain a preset distance from the vehicle ahead of you, from highway speeds down to a full stop.

Lane Departure Alert With Steering Assist

LDA w/SA ⁵⁷ may alert you to inadvertent lane departures and make minor steering corrections to help keep you in your lane.

Lane Tracing Assist

LTA ⁵⁸ helps you center the vehicle within its lane while DRCC ⁵⁹ is active.

Road Sign Assist

RSA ⁶⁰ can recognize certain road signs and display them to you inside the vehicle.

Automatic High Beams

AHB ⁶¹ can automatically toggle between high and low beams based on the vehicle's surroundings.

Beyond Zero

BEYOND ZERO

Beyond Zero is Toyota's vision to reach carbon neutrality with our products, services and operations, and go beyond, as we find new ways to make a positive impact on our planet and society. The Hybrid EV Sienna is one of the many ways we are reducing carbon emissions to drive toward our Beyond Zero vision.

We currently offer more low and zero emission vehicles combined than any other automaker, to give customers numerous choices to reduce their carbon footprint.

Hybrid EV

Sienna is a part of the Hybrid EV Family.

The Power Of Choice

Our lineup brings you more than just your choice of electrified powertrains: Hybrid EV, Plug-in Hybrid EV, Battery EV and Fuel Cell EV. Whatever you're looking for in a ride—size, style, efficiency, speed—there's a vehicle to suit your lifestyle that allows you to put more electrified miles on the road.

Going Above and Beyond

Whether Toyota is decreasing its single-use plastic waste, supporting water conservation efforts, or expanding programs that protect biodiversity, we are committed to reducing our environmental footprint and creating a positive impact on society. See Environmental Sustainability (toyota.com) for more information.

SIENNA GRADES

INFO AND DISCLOSURES

1. Selection of the Genuine Toyota tow hitch will require removing or disabling the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See Owner's Manual for limitations. **2.** This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. **3.** XSE interior shown in Black SofTex® trim. The navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Road system changes may affect the accuracy of the information provided. Rely on your common sense to decide whether to follow a specified route. Detailed coverage not available in every city or roadway. Periodic updates available at an additional cost. See your Navigation System Owner's Manual for further details. **4.** Woodland Edition shown in Cement. Accessories shown. **5.** XSE shown in Ruby Flare Pearl. Options shown. **6.** Platinum shown in Heavy Metal. Options shown. **7.** FridgeBox requires vehicle power and selection of cooler or freeze mode. Keep lid closed while driving to help avoid injuries. See Owner's Manual for details. **8.** Rated for 1500 watts shared between both outlets. Do not exceed 1500 watts. See Owner's Manual for additional limitations and details. **9.** Do not recline the lounge chair with ottoman when vehicle is in motion. Reclining the seat might negatively affect the fit of the seatbelt and increase the risk of death or serious injury. See Owner's Manual for limitations. **10.** 2026 Sienna vs. 2025 and 2026 competitors. Information from manufacturers' websites as of 10/2/2025. **11.** Platinum interior shown in Macadamia leather trim. Fridgebox™ shown. FridgeBox requires vehicle power and selection of cooler or freeze mode. Keep lid closed while driving to help avoid injuries. See Owner's Manual for details. **12.** Platinum interior shown in Macadamia leather trim. Vacuum shown. **13.** Woodland Edition shown in Cement. Prototype shown with accessories. Production model may vary. **14.** Do not recline the lounge chair with ottoman when vehicle is in motion. Reclining the seat might negatively affect the fit of the seatbelt and increase the risk of death or serious injury. See Owner's Manual for limitations. Platinum interior shown in Macadamia leather trim. **15.** Platinum interior shown in Macadamia leather trim. Simulation shown. **16.** Concentrating on the road should always be your first priority while driving. XSE interior shown in Black SofTex® trim. **17.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding your vehicle. Look around to confirm clearance. See Owner's Manual for limitations. **18.** May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. **19.** Kick sensor is not compatible with tow hitch and other accessories that mount to or near the rear bumper. **20.** Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See Owner's Manual for limitations. **21.** XSE interior shown in Black SofTex® trim. **22.** Do not rely exclusively on Blind Spot Monitor. Look over shoulder and use turn signal. See Owner's Manual for limitations. **23.** Do not rely exclusively on the Rear Cross-Traffic Alert. Visually confirm clearance during use. See Owner's Manual for limitations. **24.** Front and Rear Parking Assist with Automatic Braking (PA w/AB) may warn drivers of, and potentially brake for front and rear collisions with certain objects when traveling at low speeds. Drivers should visually confirm clearance during use. See Owner's Manual for instructions and limitations. **25.** Available HD Rear-Seat Entertainment Center shown. Platinum interior shown in Macadamia leather trim. Options shown. **26.** EPA-estimated 36 city/36 hwy/36 combined mpg rating for 2026 Sienna FWD models; 35 city/36 hwy/35 combined mpg rating for 2026 Sienna AWD models. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **27.** 2026 Toyota Sienna vs. 2026 competitors. Information from manufacturers' websites as of 10/3/2025. Excludes electric vehicles. EPA-estimated 36 city/36 hwy/36 combined mpg for 2026 Sienna FWD models. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **28.** Voice recognition capabilities vary by head unit. **29.** JBL® is a registered trademark of Harman International Industries, Inc. **30.** Apple CarPlay® requires a compatible iPhone® with an active data plan. Check compatibility at <https://www.apple.com/ios/carplay/>. Operability depends on network availability, a cellular connection and GPS signal. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need

INFO AND DISCLOSURES

to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. **39.** Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. **40.** Intelligent Assistant requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. **41.** On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **42.** Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscriptions to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to <https://myvehicle.att.com/#/toyota/learn?language=en=US> for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Trial begins at activation and expires the earlier of 3 GB data use or 1 mo. Valid in contiguous U.S. and Alaska. See <https://myvehicle.att.com/#/toyota/learn?language=en=US> for terms and conditions. **43.** Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **44.** An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app. **45.** Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **46.** Enhanced 24/7 Roadside Assistance allows use of in-vehicle SOS button to assist response agent to identify vehicle location. Unlimited mileage coverage effective with an active Safety Connect® trial or subscription that depends on certain factors, including 4G network availability. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Enhanced Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Service subject to change at any time. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **47.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. **48.** Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **54.** Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for limitations. **55.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for limitations. **56.** Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for instructions and limitations. **57.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See Owner's Manual for limitations. **58.** The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See Owner's Manual for limitations. **59.** Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for limitations. **60.** Road Sign Assist only recognizes certain road signs. See Owner's Manual for limitations. **61.** Automatic High Beams operate at speeds above 21 mph. See Owner's Manual for instructions and limitations. **62.** A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. The Bluetooth® word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license. **63.** Lane Departure Alert is designed to read visible lane markers under certain conditions and provide visual/audible alerts when lane departure is detected. It is not a collision-avoidance system or substitute for safe and attentive driving. Effectiveness depends on many factors, including road, weather and vehicle conditions. See Owner's Manual for limitations. **64.** Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. **65.** Service will automatically stop at the end of your trial subscription period unless you decide to continue service. Trial is non-transferable. If you do not wish to enjoy

INFO AND DISCLOSURES

your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.com for complete terms and how to cancel which includes online methods or calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. Satellite service not available in AK & HI. Content varies by SiriusXM subscription plan. All fees, content and features are subject to change. SiriusXM and related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. **66.** The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See Owner's Manual for limitations. **67.** The engine immobilizer is a state-of-the-art anti-theft system initiated when the key is inserted into ignition switch or a Smart Key fob is in/near the vehicle. Engine will only start if the code in the transponder chip inside the key/fob matches the code in vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or fob, see a Toyota dealer or go to www.aloa.org to find a qualified locksmith for high-security key service. **68.** Do not recline the seat when vehicle is in motion. Reclining the seat might negatively affect the fit of the seatbelt and increase the risk of death or serious injury. See Owner's Manual for limitations. **69.** When spare tire is added to Limited AWD, Platinum AWD or 25th Anniversary Edition AWD, second-row ottomans are removed. **70.** Extra-cost color. **71.** Never tow beyond a vehicle's published towing capacities. Installation of a tow hitch receiver or other accessories located near the rear bumper may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Follow all instructions in your Owner's Manual. **72.** HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. **73.** Rated for 12 volts/10 amps. See Owner's Manual for additional limitations and details. **74.** Rated for 1500 watts shared between both outlets. See Owner's Manual for limitations. **75.** When the system is on, Electric Parking Brake is designed to engage the Parking Brake under limited conditions. It may not hold the vehicle under all conditions. See Owner's Manual for additional limitations and details. **76.** When the system is on and the vehicle is in Drive, Brake Hold may temporarily keep the brakes engaged after the driver brings the vehicle to a complete stop. See Owner's Manual for limitations. **77.** Headphones are for passenger use only. **78.** The navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Road system changes may affect the accuracy of the information provided. Rely on your common sense to decide whether to follow a specified route. Detailed coverage not available in every city or roadway. Periodic updates available at an additional cost. See your Navigation System Owner's Manual for further details. **79.** Hill Start Assist Control is designed to minimize backward rolling on steep ascents. Not a substitute for safe driving judgment and practices. Speed, grade, surface conditions, driver input, etc., can all affect HAC function. See Owner's Manual. **80.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for limitations and details. **81.** Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See Owner's Manual for limitations. **82.** Smart Stop Technology® will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See Owner's Manual for limitations. **83.** Advanced Rear Seat Reminder uses a sensor from the vehicle, designed to detect movement in the rear seats to alert you of an occupant. Sensor coverage is limited and may not detect all occupants under all circumstances. Drivers are responsible for ensuring no occupants are left in a vehicle. In-vehicle alerts for rear seat occupant detection may vary depending on whether the vehicle is locked or unlocked and do not require opting in to Toyota Connected Services. With an active Safety Connect® trial or subscription and registration, via the Toyota app on your smartphone, you may also receive a notification, SMS, and/or an automated call to your verified account phone number. System functionality depends on 4G network availability and other factors. See Owner's Manual for additional limitations and details. **84.** Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See Owner's Manual for limitations. **85.** Meets Tier 2/Bin 3 Federal emissions standard. **86.** EV Mode lets you operate solely on battery power at low speeds for short distances and in limited circumstances, such as in a parking garage. Different conditions may prevent or limit usage. See your Owner's Manual for instructions and limitations.

INFO AND DISCLOSURES

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

WARRANTIES

Date and mileage limitations refer to whichever occurs first from the date of purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details.

Date and mileage limitations refer to whichever comes first from the date of first purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details and for information regarding the Federal and California Emission Control Warranties, and Tire Limited Warranties. Emission coverages vary under Federal and California regulations.

For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, the hybrid (HV) battery is covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See the Toyota Owner's Warranty and Maintenance Guide for details.
