Accessories

LIGHTING

Stylish and functional, Lighting accessories help you light the night, cut through the fog, illuminate your campsite and more. Whether exterior or interior, these lighting products are built to last.

LED TAILGATE LIGHT BAR

was designed to match your Tundra's taillight styling. The light bar provides you with 5 auxiliary lighting features: Tail, Stop, Backup, Sequential Turn and Sequential Hazard. Sequential turning and hazard is synchronized with vehicle taillight sequential timing (if applicable). Built and tested according to Toyota's standards for high performance and long-lasting durability.

- Extremely slim light bar blade design provides plenty of room for clearance when opening or removing the tailgate
- Fully accessible to spare tire service hole, with no need to remove light bar when accessing the spare tire
- Plug and play with non-intrusive wiring harness installation
