Stand out on any street.
The 2016 Toyota Avalon.

Enjoy elegance wherever you go in the Avalon. The angles and details have been meticulously reimagined. Its sculpted lines and curves, along with integrated turn signals, create a stunning profile — while the bold new grille, available 18-in. alloy wheels’ and stylish available LED headlights make it more striking than ever. Step inside and you’re immediately surrounded by luxurious touches like a beautiful dashboard, heated leather-trimmed seats and the warm glow of available ambient lighting. All of this beauty just begs to be shared with the world. Let’s go places.

The 2016 Toyota Avalon. Captivate any crowd.

"Weekend to-do list: See more, laugh more, live more."
An interior that surrounds you with intelligence.

There's innovative thinking at work inside Avalon. The sleek and intuitive dash puts technology at your command with Intelligent Touch controls. The available Entune™ Premium JBL® Audio system with eleven speakers in nine locations delivers crisp, clear sound throughout the cabin. While the available three-zone automatic climate control system lets rear passengers adjust their air temperature without affecting the front, ensuring custom comfort for everyone.

**INTELLIGENT TOUCH CONTROLS**
Technology should simplify, not complicate. Avalon is equipped with Intelligent Touch capacitive controls for the audio system and climate control. These sleek, low-profile controls allow the driver to adjust the environment in Avalon with ease.

**ENTUNE® APP SUITE**
With Avalon's available Entune® App Suite, you can access Pandora® for music, make restaurant reservations with OpenTable® and buy movie tickets with MovieTickets.com. Plus, get sports scores, stocks, traffic and weather — even fuel prices.

**INTEGRATED BACKUP CAMERA**
The integrated backup camera with available projected path helps guide you into or out of tight spots with ease. The camera guides you by showing what the camera detects on the touch-screen display.

Touring interior shown in Almond.
Style and comfort that make every day indulgent.

Step inside and you’re surrounded by comfort tailored just for you. Avalon Limited’s spacious interior beckons you with the warm glow of ambient lighting throughout. In addition, the perforated leather-trimmed seats soothe with heat and cool with ventilation for the ultimate level of comfort. All of these luxurious touches have been crafted to make sure that every drive is an enjoyable one.

Available Qi-Compatible Wireless Smartphone Charging

No charger? No problem. Simply place your Qi-compatible device on the non-slip surface in the integrated eBin™ and charge up wirelessly.

Premium Seating

Avalon’s cockpit is tailored to you, the driver. Its available 10-way power-adjustable driver’s seat is a near-custom fit. It also features an available power seat extension for added leg support. And Avalon offers standard leather-trimmed heated front seats with available ventilated front seats on Limited.

Roomy Second Row

Your rear-seat passengers ride in comfort as well. The spacious rear seat of Avalon offers plenty of leg room thanks to a near-flat rear floor.

Engineered to help you master every mile.

The open road was our inspiration when creating the 2016 Avalon. We know that every road is different, so we engineered two unique suspensions; one for a comfortable, luxurious ride and the other for a more dynamic and responsive driving experience. For speed and efficiency, we aerodynamically sculpted every inch of metal for better airflow and stability. Now it’s up to you to find that open road and see where it takes you.

**SUSPENSION**
Avalon has a fully independent suspension that adapts to the road, helping give you more control. And Avalon Touring allows for an even more dynamic ride with its unique suspension.

**AERODYNAMIC EFFICIENCY**
Underneath the chassis, specially shaped diffuser panels reduce turbulence, resulting in enhanced control and reduced wind noise.
XLE Premium shown in Ooh La La Rouge Mica.
Get ready to take performance to the next level.

From freeway on-ramps to your favorite stretch of road, Avalon makes driving fun again. Step on the gas and feel the rush of the 3.5-liter V6 powered by 268 hp and 248 lb.-ft. of torque. Even with all this power, the engine is still incredibly efficient with an EPA-estimated 31 mpg highway¹ and Ultra Low Emission Vehicle (ULEV) certification.

**ENGINE — 6-SPEED ECT-i**
An engine that adjusts itself to suit your driving style. The Electronically Controlled automatic Transmission with intelligence (ECT-i) optimizes the engine’s output based on your driving, improving acceleration and fuel economy.

**PADDLE SHIFTERS**
A true driver’s car inspired by racing, available steering wheel-mounted paddle shifters provide for a more hands-on driving experience by letting you control when you shift and matching each rev for seamless downshifts.

**SPORT MODE**
Avalon’s Sport Mode increases throttle response and quickens the Electric Power Steering (EPS) for livelier handling when desired.

See how efficiency can be a very beautiful thing.

Avalon Hybrid is designed to offer an uncompromising level of performance. A driving experience that is more than refined — it’s revolutionary. We used our proven Hybrid Synergy Drive® system that delivers a spirited ride while at the same time offering up to an EPA-estimated 40 combined mpg¹ and a Super Ultra Low Emission Vehicle (SULEV)² emission rating.

Safety features that are designed around you.

The road can be unpredictable, that’s why Avalon is equipped with ten standard airbags and integrated features like Star Safety System™ and the available Toyota Safety Sense™ P (TSS-P). This newly developed package of safety features combines Pre-Collision System² with Pedestrian Detection³ (PCS w/PD), Lane Departure Alert with Steering Assist (LDA w/SA)⁴, Auto High Beams (AHB)⁶ and Dynamic Radar Cruise Control (DRCC)⁷ to help assist you. TSS-P’s comprehensive features create in-the-moment safety designed to support your awareness and decision-making on the road.

PRE-COLLISION SYSTEM WITH PEDESTRIAN DETECTION (PCS w/PD)
Available Pre-Collision System with Pedestrian Detection helps keep the road safe by detecting pedestrians in certain situations. By combining millimeter-wave radar with a camera capable of shape recognition, an audible warning and a display notification can alert you of a possible collision with a pedestrian under certain circumstances. If you don’t react, automatic braking and collision-avoidance support is then given to help prevent a collision from happening.

DYNAMIC RADAR CRUISE CONTROL (DRCC)
Avalon’s available Dynamic Radar Cruise Control works like conventional cruise control but can do even more. Using forward-sensing radar technology, the system can automatically adjust vehicle speed to help maintain a preset following distance between you and the vehicle directly in front of you.

AUTO HIGH BEAMS (AHB)
Available on Avalon Limited, the Auto High Beam (AHB) feature helps enhance visibility when driving at night. The system is designed to detect oncoming vehicles as far away as 2000 feet and, depending on the circumstances, automatically switches the high beams off, making it easier for other drivers on the road, and then switches them on when it clears.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that’s not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Hybrid-Related Component Coverage: Hybrid-related components, including the HV battery, battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. The HV battery may have longer coverage under emissions warranty. Refer to applicable Warranty and Maintenance Guide for details.

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle’s in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty. For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty. You may be eligible for transportation assistance if it’s necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota’s warranties, please visit www.toyota.com, refer to the applicable Warranty and Maintenance Guide or see your Toyota dealer.

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Prototypes shown. Actual production vehicles may vary.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

CARS BUILT FOR THE WAY YOU LIVE

At Toyota, we build cars for how you live. From building advanced safety features designed to help prevent crashes to driving cross-country to understand how we can make your driving experience better, our work starts with understanding your needs. Building cars for how you live also means thinking about tomorrow — from fuel efficiency and environmental innovations, to things beyond cars, like a bicycle that you can control with your mind. And because what we learn building cars can help improve lives in other places, we do things like help communities rebuild their homes quickly after a disaster and work with soup kitchens to help serve more people faster. Toyota. Built for how you live. Together we are going places.

DISCLOSURES

1. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and package choices. Not all options/packages are available separately and some may not be available in all regions of the country.

2. Performance figures are based on testing in controlled laboratory conditions. Actual results will vary based on a variety of factors, including vehicle condition, road/traffic conditions, weather, and operator's skill. Toyota does not recommend operating above the posted speed limit.

3. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and package choices. Not all options/packages are available separately and some may not be available in all regions of the country.

4. Performance figures are based on testing in controlled laboratory conditions. Actual results will vary based on a variety of factors, including vehicle condition, road/traffic conditions, weather, and operator's skill. Toyota does not recommend operating above the posted speed limit.

5. May not be compatible with all mobile phones, MP3/WMA players and like models. Advanced voice recognition capabilities vary by head unit. Functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See toyota.com/entune for details.
