Get the most out of every adventure.

Whether you’re around town or out of town, the 2017 Toyota RAV4 gives you the opportunity to take your journeys even further. The new SE Hybrid adds another level of efficiency to the lineup, while the new Platinum grade enhances the premium look and feel. Its full-body color treatment gives it a sleeker look, while inside, ambient lighting and a heated steering wheel are there to cater to your needs. And since Toyota Safety Sense™ P (TSS-P) comes standard on every RAV4, you have everything you need — style, SUV capability, and safety — to venture out to more places.
Redefine what a hybrid SUV can do, with more efficiency and excitement.

Let’s bring tech, style and efficiency to every adventure. With RAV4 Hybrid’s advanced innovations and Toyota’s proven hybrid powertrain, you can make the most of any trip. And in addition to great fuel economy, RAV4 Hybrid adds extra oomph with 194 net horsepower and outstanding acceleration. For extra confidence when Mother Nature rains on your parade, the available Electronic On-Demand All-Wheel Drive with intelligence (AWD-i) is designed to help make any trek a sure-footed experience, with an electric motor that delivers instant torque to the rear wheels when you need more traction. It helps you get even more from everything you want to do.

EPA-ESTIMATED 34 MPG*4

RAV4 Hybrid engages a variety of future-forward tech to help make every journey as efficient as possible. You’ll enjoy the extra thrills that come from the power and acceleration, and with RAV4 Hybrid’s EPA-estimated 34 mpg city, your wallet will be happy too.

HYBRID GAUGE CLUSTER

Stay on top of it all. RAV4 Hybrid’s unique gauge cluster lets you monitor the Hybrid Synergy Drive® system with just a glance. You can quickly track when the system is charging and providing power to the drive wheels, so you can get the most out of every drive.

HYBRID ENERGY MONITOR

RAV4 Hybrid has the tools to help increase the efficiency of your drive. The energy monitor indicates the operation of the gas engine, electric motor generator and hybrid battery. As conditions change, it provides real-time information showing how power is being routed to the drive wheels, or how the battery is being charged.

See numbered footnotes in Disclosures section.
Limited Hybrid shown in Electric Storm Blue with available Advanced Technology Package.
**A rewarding space where technology meets luxury.**

Enjoy every trip, from uphill to downtown, in RAV4’s roomy interior. The driver and front passenger enjoy available heated seats and dual zone automatic climate control. Another convenient piece of tech is the available Smart Key System. The luxurious leather-trimmed steering wheel, available Entune™ Premium Audio with Integrated Navigation™ and App Suite, SiriusXM® Satellite Radio with a 3-month complimentary SiriusXM All Access trial, and frameless HomeLink®-capable mirror further enhance the high-tech experience. Immerse yourself in the refined interior and drive in complete comfort.

**RAV4 helps you customize your comfort.** Available multi-stage heated SofTex®-trimmed front seats help tame those chilly nights. And finding the perfect driving position is never an issue, thanks to an available 8-way power-adjustable driver’s seat with memory function and power lumbar support.

---

**BIRD’S EYE VIEW CAMERA WITH PERIMETER SCAN**
RAV4’s available Bird’s Eye View Camera helps you see nearby objects and get into and out of small spaces with ease. The system includes Perimeter Scan — an innovative feature that displays live, rotating 360-degree views of your surroundings when you’re parked.

**INTEGRATED NAVIGATION**

**SOFTEX® DRIVER’S SEAT WITH MEMORY FUNCTION**
RAV4 helps you customize your comfort. Available multi-stage heated SofTex®-trimmed front seats help tame those chilly nights. And finding the perfect driving position is never an issue, thanks to an available 8-way power-adjustable driver’s seat with memory function and power lumbar support.

See numbered footnotes in Disclosures section.
Expand your horizons and your personal space.

RAV4 makes comfort and convenience a priority. Reduced noise, vibration and harshness help make for a quiet cabin, and the available flexible cargo net system and second-row seats with a reclining, folding 60/40 split let you easily reconfigure the cargo area to meet your needs. With this much space, you can get busy expanding your horizons.

**CUP HOLDER**

Bring your favorite beverage along for the ride. RAV4 features a cup holder design that can accommodate your favorite travel mugs — handles and all.

**HANDS-FREE, FOOT-ACTIVATED POWER LIFTGATE**

Loading cargo when your hands are full has never been easier. Standard on RAV4 Platinum, the hands-free power liftgate senses your Smart Key fob and opens when you simply wave your foot under the center of the rear bumper. And because it’s height-adjustable, the liftgate can be programmed to stop at your desired height every time. Getting ready for the adventure is easier than ever. (Photo for demonstration purposes only. Please see Owner’s Manual for more details on functionality.)

**CARGO AREA**

RAV4’s generous cargo area lets you take the fun wherever you go. Whether you fold the 60/40 split second-row seats flat or leave them upright, with RAV4’s up to 73.4 cubic feet of cargo capacity, there’s always plenty of space in the back. So go ahead: Bring your friends and all their gear. There’s no reason to leave any of the fun behind.

Raise the bar with a spirited driving experience.

Drive with confidence. RAV4 SE’s available All-Wheel Drive features an innovative Dynamic Torque-Control AWD system. It helps enhance handling by distributing engine power from front to rear and manages the vehicle’s braking system from side to side for optimal control. Sport Mode provides a more exciting drive, with thrilling acceleration and revised shift points from the 6-speed automatic transmission.

SE GAUGE CLUSTER

Sporty touches for an inspiring drive. SE gas models feature performance-inspired styling cues such as eye-catching red needles and red gauge cluster illumination. It all helps you stay informed with just a glance so you can stay focused on the drive ahead.

SE PADDLE SHIFTERS

Paddle shifters let you shift gears without letting go of the wheel. A light touch on either lever gives you rapid gear changes and a more engaging drive. It’s one more way SE gas models help keep you in control of the fun.

SUSPENSION

Comfort and control. RAV4’s suspension provides a smooth ride on the highway. For those with an athletic soul, RAV4 SE gas models feature a sport-tuned suspension with attractive blue shocks up front to deliver a more spirited drive.
SE AWD shown in Barcelona Red Metallic.
Platinum shown in Blizzard Pearl® and SE Hybrid shown in Electric Storm Blue. (The blue waves depicted before the SE Hybrid are an artistic illustration of Dynamic Radar Cruise Control (DRCC)™ only and do not represent actual DRCC activity or range.)

See numbered footnotes in Disclosures section.
Features designed for your safety.

The road can be unpredictable. That’s why RAV4 is equipped with eight standard airbags and integrated features like the Star Safety System™ and standard Toyota Safety Sense™ P (TSS-P). This package of safety features combines the Pre-Collision System with Pedestrian Detection (PCS w/PD), Lane Departure Alert with Steering Assist (LDA w/SA), Automatic High Beams (AHB) and Dynamic Radar Cruise Control (DRCC) to assist you. TSS-P’s comprehensive features create in-the-moment safety designed to help support your awareness and decision-making on the road.

See numbered footnotes in Disclosures section.

LANE DEPARTURE ALERT WITH STEERING ASSIST (LDA w/SA)
If an inadvertent lane departure is detected and there are visible lane markings, the Lane Departure Alert system will issue both an audible alert and visual warning on the MID screen. If the system determines that the driver is not taking corrective action, the Steering Assist function will initiate and provide gentle corrective steering when necessary to help keep the vehicle in the lane.

PRE-COLLISION SYSTEM WITH PEDESTRIAN DETECTION (PCS w/PD)
Pre-Collision System with Pedestrian Detection helps keep the road safe by detecting a vehicle or pedestrians in certain situations. By combining millimeter-wave radar with a camera capable of shape recognition, the system provides an audible warning and a display notification to alert you of a possible collision with a pedestrian under certain circumstances. If you don’t react, automatic braking support helps mitigate the potential for a collision.

AUTOMATIC HIGH BEAMS (AHB)
Enhance visibility and help make nighttime driving safe. This system uses a camera to help detect oncoming vehicles as far away as 2000 feet and, depending on the circumstances, it can automatically switch the high beams on and off, helping to make it easier for other drivers on the road.
RAV4 MODELS

LE

Adds to or replaces features offered on LE

Powertrain

• 2.5L 4-Cylinder Engine
• 6-speed automatic transmission
• 176 hp @ 6000 rpm
• 172 lb.-ft. @ 4100 rpm

## SAFETY/CONVENIENCE

- Toyota Safety Sense™ P (TSS-P)24 — Pre-Collision System 25 with Pedestrian Detection26 (PCS w/PD), Lane Departure Alert with Steering Assist (LDA w/SA), Automatic High Beams (AHB)28 and Dynamic Radar Cruise Control (DRCC)29
- Star Safety System™ — includes Enhanced Vehicle Stability Control (VSC),20 Traction Control (TRAC), Anti-lock Brake System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA)31 and Smart Stop Technology® (SST)32
- Blind Spot Monitor (BSM)4 and Rear Cross-Traffic Alert (RCTA)13
- Hill Start Assist Control (HAC)14
- Trailer-Sway Control (TSC)35
- Tire Pressure Monitor System (TPMS)36
- Driver and front passenger Advanced Airbag System; driver knee airbag; front passenger seat-cushion airbag; driver and front passenger seat-mounted side airbags; and front- and second-row Roll-sensing Side Curtain Airbags (RSCA)37
- Driver and front passenger Whiplash-Injury-Lessening (WIL) seats38
- 3-point seatbelts in all seating positions, with adjustable front seatbelt anchors
- Driver and front passenger seatbelt pretensioners with force limiters
- Driver-side Emergency Locking Retractor (ELR) and Automatic/Emergency Locking Retractor (ALR/ELR) on all passenger belts
- Driver and front passenger seatbelt warning system
- LATCH (Lower Anchors and Tethers for CHILDren) includes lower anchors and tether anchors on outboard second-row seats
- Child-protector rear door locks
- Engine immobilizer39

## OPTIONS

#### WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

**Basic:** 36 months/36,000 miles (all components other than normal wear and maintenance items).

**Hybrid-Related Component Coverage:** Hybrid-related components, including the HV battery, battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. The HV battery may have longer coverage under emissions warranty. Refer to applicable Warranty and Maintenance Guide for details.

**Powertrain:** 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

**Rust-Through:** 60 months/60,000 miles (corrosion perforation of sheet metal).

**Emissions:** Coverages vary under Federal and California regulations. Refer to applicable Warranty and Maintenance Guide for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle’s in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage. You may be eligible for transportation assistance if it’s necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota’s warranties, please visit [www.toyota.com](http://www.toyota.com), refer to the applicable Warranty and Maintenance Guide or see your Toyota dealer.

For Toyota Mobility program details, go to [www.toyota.com/mobility](http://www.toyota.com/mobility) or call the Toyota Customer Assistance Center at 1-800-331-4331
