2018 Yaris iA
Yaris IA shown in Graphite.
SPORTY SUSPENSION
Find more excitement in every corner. Yaris iA features MacPherson strut front suspension and torsion beam rear suspension tuned to deliver a smooth ride and agile handling.

ALLOY WHEELS
Standard 16-in. alloy wheels keep you rolling in style. These split-spoke wheels not only look good, they help keep you in tune with the sporty side of Yaris iA.

Packed with style, tech and a whole lot more. Standard.

Whoever said there’s no such thing as the total package obviously hasn’t met the 2018 Yaris iA. Built for those always on the move, this compact sedan brings dynamic handling, cutting-edge tech and a whole lot of style to every drive. Its smart design lets it fit in just about anywhere, and its spacious cabin is sized perfectly for friends and your favorite stuff. Best of all, its many great features come standard. So, yeah, the total package really does exist: We call it Yaris iA. You call it yours.
Yaris iA interior shown in Mid-Blue Black.
A stylishly cool driving experience.

Yaris iA brings big-size comfort to a fun-size ride. Its thoughtfully crafted interior surrounds you with both style and substance thanks to standard features like contoured sport seats and steering wheel-mounted controls. Contrast stitching on the dash and carbon fiber-inspired trim pieces throughout convey a sense of sportiness, and the available 6-speed automatic with manual mode gives you more control of your drive. With a standard 7-in. touch-screen display, two USB ports and Bluetooth® connectivity, you’ve got instant access to your friends and music, too.
Yaris iA interior shown in Mid-Blue Black.
Committed to safety.

Yaris iA comes packed with lots of standard safety features. Along with its six airbags, every Yaris iA comes standard with an advanced Active Safety System that includes Dynamic Stability Control (DSC), Traction Control System (TCS), Brake Assist (BA), Electronic Brake-force Distribution (EBD), Anti-lock Brake System (ABS) and Brake Override System (BOS).

TIRE PRESSURE MONITOR SYSTEM
Our advanced Tire Pressure Monitor System (TPMS) comes standard on every Yaris iA. Designed to monitor the tire pressure at all times, it alerts the driver when a tire or tires become critically underinflated.

LATCH
LATCH (Lower Anchors and Tethers for CHILDren) provides an added measure of safety for the smaller members of your family. LATCH includes lower anchors on the outboard rear seats and tether anchors on all rear seats.

LOW-SPEED PRE-COLLISION SYSTEM
The Low-Speed Pre-Collision System is designed to detect certain objects on the road ahead of you and can, under certain conditions, apply the brakes to help avoid a collision.

See numbered footnotes in Disclosures section.
YARIS iA MODEL

Powertrain
- 1.5L 4-Cylinder Engine with 106 hp @ 6000 rpm
- 6-speed manual transmission or 6-speed automatic transmission
- 30 city/39 highway estimated mpg (manual)
- 32 city/40 highway estimated mpg (automatic)

Exterior Features
- 16-in. split-spoke alloy wheels
- Power outside mirrors with LED turn signal indicators
- Chrome-tipped exhaust
- Daytime Running Lights (DRL)

Interior Features
- 7-in. touch-screen display audio
- Integrated backup camera
- Remote keyless entry w/Push Button Start
- Tilt/telescopic steering wheel with audio controls
- 2 USB ports with iPod connectivity
- 60/40 split fold-down rear seats

Safety
- Low-Speed Pre-Collision System
- Active Safety System — includes Dynamic Stability Control (DSC), Traction Control System (TCS), Brake Assist (BA), Electronic Brake-force Distribution (EBD), Anti-lock Brake System (ABS), Brake Override System (BOS)

COLOR/TRIM/WHEELS

Color
- Stealth
- Abyss
- Sapphire
- Pulse
- Graphite
- Chromium
- Frost

Trim
- Mid-Blue Black

Wheel
- Split-spoke alloy wheel

Accessories
- Doorsill enhancements
- Carpet trunk mat
- Rear spoiler
- Mudguards

A wide range of Genuine Toyota Accessories is available to help make driving your Yaris iA even more fun. Now your Yaris iA can reflect your personal style. There is something for everyone. Some accessories may not be available in all regions of the country. For a complete list of accessories, go to toyota.com/yarisia.

**MILEAGE ESTIMATES (mpg city/highway/combined)**
- 6-speed manual transmission: 30/39/34
- 6-speed automatic transmission: 32/40/35

**WARRANTIES**
- Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:
  - **Basic**: 36 months/36,000 miles (all components other than normal wear and maintenance items).
  - **Powertrain**: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).
  - **Rust-Through**: 60 months/unlimited miles (corrosion perforation of sheet metal).
  - **Emissions**: Coverages vary under Federal and California regulations. Refer to applicable Warranty and Maintenance Guide for details.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable Warranty and Maintenance Guide or see your Toyota dealer.

See numbered footnotes in Disclosures section.
CARS BUILT FOR THE WAY YOU LIVE
At Toyota, we build cars for how you live. From building advanced safety features designed to help prevent crashes to driving cross-country to understand how we can make your driving experience better, our work starts with understanding your needs. Building cars for how you live also means thinking about tomorrow — from fuel efficiency and environmental innovations, to things beyond cars, like a bicycle that you can control with your mind. And because what we learn building cars can help improve lives in other places, we do things like help communities rebuild their homes quickly after a disaster and work with soup kitchens to help them serve more people faster. Toyota. Built for how you live. Together we are going places.

DISCLOSURES

1. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. 2. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner's Manual for additional limitations and details. 3. This floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat. 4. May not be compatible with all mobile phones, MP3/WMA players and like models. 5. iPod® and iPhone® are registered trademarks of Apple Inc. All rights reserved. 6. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change. See toyota.com/entune for details. 7. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 8. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and “Arc” logos are proprietary trademarks of iBiquity Digital Corp. 9. Low-Speed Pre-Collision System operates at speeds of 18 mph or less. It is intended to assist the driver, but it is the driver’s responsibility to be aware of the vehicle’s surroundings. The system cannot prevent all collisions, and performance is dependent upon road, weather and vehicle conditions. See Owner’s Manual for additional limitations and details. 10. Dynamic Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether DSC will be effective in preventing a loss of control. See Owner's Manual for details. 11. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, and tire and road conditions. See Owner's Manual for additional limitations and details. 12. Brake Override System operates only in the event of certain simultaneous brake and gas pedal applications. When engaged, the system will reduce engine power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Brake Override System is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner’s Manual for details. 13. All the airbag systems are Supplemental Restraint Systems. All airbags (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See Owner's Manual for further information/warnings. 14. The Toyota Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for details. 15. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle’s immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Toyota dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.aloa.org. 16. Covers normal factory scheduled service for 2 years or 25K miles, whichever comes first. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska. 17. Does not include parts and fluids, except emergency fuel delivery. Valid only in the continental U.S. and Alaska. 18. Cargo and load capacity limited by weight and distribution. 19. 2018 EPA-estimated mileage. Actual mileage will vary.

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only.
