The daring side of dependability.

The 2019 Toyota Camry proves that sensibility, exhilarating performance and heart-stopping style can go hand in hand. You’ll immediately notice its sleek, evocative exterior, which seduces the senses with bold contours and a wide stance. Slip inside, and you’ll find a welcoming environment that caters to your every whim. Then shift into Drive to discover how Camry is much more than just alluring looks, thanks to three sophisticated powertrains and a next-generation platform that reduces weight and lowers the center of gravity for a sharpened response. And with Toyota Safety Sense™ P (TSS-P) standard on every model, Camry helps protect as well as it comforts. So whatever you desire in a midsize sedan, you’ll find it all in one stylish package that pushes all the right limits.
EXPAND YOUR HORIZONS

Slip into a premium space that puts a premium on your comfort. Thanks to the Toyota New Global Architecture (TNGA) platform, Camry’s seats are placed lower, creating a generous interior space. The rear seats even feature the same dynamic and supportive design as the front seats. The interior is then styled with appealing materials and textures, from the available Cockpit Red leather trim to the upscale textured metal moldings and the ambient interior lighting. It’s a practical and stylish cabin with an exceptional attention to detail.
Camry is the best-selling standard midsize car for the 16th year in a row."
EXTERIOR STYLING

Leave a lasting impression.

Camry XSE’s powerful stance and captivating style announce your arrival with authority. Its muscular shape is defined by sweeping curves and chiseled surfaces. Sport side rocker panels and an integrated rear spoiler not only emphasize its coiled stance, but also redirect airflow to enhance efficiency and performance. Push these limits even further with unique catamaran-inspired accents and a black sport mesh grille, culminating in a seductive blend of sinuous lines and sharp, unconstrained edges that make an impact.

19-IN. MACHINED-FINISH ALLOY WHEELS WITH BLACK-PAINTED ACCENTS
Add to the allure with the lustrous black hue found on Camry XSE’s 19-in. alloy wheels. The deep color dramatically contrasts the exquisite machined finish of the V-shaped spokes. Low-profile 40-series tires complete the distinctive look while providing a precise, confidence-inspiring drive.

SMOKE-TINT LED HEADLIGHTS WITH LED DAYTIME RUNNING LIGHTS (DRL)
The XSE’s LED headlights with smoke tint and fully integrated LED Daytime Running Lights (DRL) add an illuminating touch. This expressive look is highlighted by a design inspired by the symmetrical lines in the sand of a Japanese Zen garden.

LED TAILLIGHTS
Camry’s available LED taillights feature an eye-catching organic shape. It’s a powerful look that flows seamlessly into the rear bumper. Stylish lights like these are the perfect way to brighten any drive.
EXTERIOR STYLING

XSE V6 shown in Supersonic Red with available Navigation Package.

Take a commanding view.

It’s a space that’s all about you with an inviting, wide-open sensation. Get behind the wheel and the driver-centric position envelops you. Thanks to the perfectly placed steering wheel controls, everything you want is right at your fingertips. The available 10-in. color Head-Up Display (HUD) projects important information such as your speed, turn-by-turn directions, and more, right onto the lower portion of the windshield. It helps you stay focused on the road ahead.

7-IN. COLOR MULTI-INFORMATION DISPLAY (MID)
Standard on XLE and XSE, the 7-in. color Multi-Information Display presents turn-by-turn directions, safety info and alerts right where you want them. It will also display your current and average fuel economy, and audio presets.

8-IN. MULTIMEDIA TOUCH-SCREEN
Camry offers an available 8-in. multimedia touch-screen with intuitive pinch-and-zoom navigation controls for a familiar experience. The Entune™ 3.0™ system speaks to your style with a customizable home screen and standard Entune™ 3.0 App Suite® with available Toyota Connected Services. You’ll even welcome longer trips, thanks to Camry being Scout® GPS Link® compatible, and its available 9-speaker, 800-watt Entune™ 3.0 Premium Audio with JBL® w/Clari-Fi®™.
XSE V6 interior shown in Black leather trim with available Navigation Package. See numbered footnotes in Disclosures section.
Unleash your inner thrill seeker.

Camry’s breathtaking performance indulges your sporty side. With a light, strong body, both handling and ride quality are enhanced. And the lower, wider stance delivers a crisp, responsive feel while offering an optimal driving position. Choose between a 2.5-liter Dynamic Force 4-cylinder or an available 3.5-liter V6 gasoline engine, each of which comes paired to a Direct Shift 8-Speed Automatic Transmission. When coupled with the refined suspension, they help Camry deliver an impressive drive without suppressing your comfort. It’s time to take the long way — and celebrate every moment.

**V6 AND 2.5L ENGINES**
Camry offers a compelling choice of gasoline engines, a proficient 2.5-liter Dynamic Force 4-cylinder and a muscular 3.5-liter V6, each delivering a sophisticated blend of performance and efficiency. Both engines utilize the D-4S direct-injection system, which selects the optimal injection method based on driving conditions to pack a powerful punch with enhanced fuel economy to boot. It proves the rational choice can also be an exciting one.

**DIRECT SHIFT 8-SPEED ELECTRONICALLY CONTROLLED AUTOMATIC TRANSMISSION**
Camry’s refined Direct Shift 8-Speed Automatic Transmission enhances every drive. Its use of lightweight materials and low center of gravity improves driving stability, provides a smooth ride at highway speeds and even helps to improve fuel efficiency. Three available drive modes give you even more control. “Sport” indulges your spirited side with a sharper acceleration feel, “ECO” adjusts throttle input to maximize your efficiency and “Normal” blends fuel economy with performance. Thanks to these choices, a perfectly tailored drive arrives with the push of a button.
PERFORMANCE

SUSPENSION

Enjoy the perfect harmony of a drive that’s both relaxed and confident, thanks to Camry’s sophisticated multi-link rear suspension. It delivers a smooth ride and sharp handling, so you can take on any trip from crosstown to cross-country.
XSE V6 interior shown in Cockpit Red leather trim with available Navigation Package.

See numbered footnotes in Disclosures section.
SPORTY INTERIOR

Inside, indulgence awaits.

Camry’s passenger cabin fits your needs and feeds your desires with pleasing finishes and textures. It features a meticulous blend of colors and materials, such as the vibrant look and feel of the available Cockpit Red leather-trimmed interior. Camry also offers the Smart Key System with Push Button Start to complement your convenience. Available leather-trimmed 8-way power-adjustable driver’s and front passenger seats are strategically positioned to open up interior space. And the leather-trimmed steering wheel creates an intimate, tactile connection with the road.

PADDLE SHIFTERS
When the drive takes a spirited turn, Camry’s available steering wheel-mounted paddle shifters give you the power to shift gears manually for a more controlled experience. They make extremely fast shifts possible with a precise, responsive feel.

SEAT DETAILS
Camry’s well-appointed seats are distinctively shaped with available leather trim and contrast stitching. Such finely crafted details ensure your style never takes a back seat.

PANORAMIC GLASS ROOF
Brighten each day with Camry XSE’s available panoramic glass roof with front power tilt/slide moonroof, which invites in more than twice the light of a traditional moonroof. A power-retractable sunshade helps you stay in control if things start to heat up.

INTERIOR CONVENIENCE

Enjoy a more connected drive.

Get inside a welcoming space that listens to your needs and speaks to your sense of style. Personalize Camry’s Entune™ 3.0 display with custom background colors, and immerse yourself in the available ambient lighting. It creates the perfect mood for any drive. Camry also offers peace of mind with available Safety Connect™, which includes enhanced 24/7 Roadside Assistance and available Service Connect’s remote diagnostics linked directly to your local dealer. Standard turn-by-turn navigation and available embedded Dynamic Navigation help ensure that you’ll get there with ease. And with Amazon Alexa connectivity, you can simply ask to play music, read the news, control your smart home, tell a joke and more — Alexa will respond instantly.

The Toyota+Alexa App requires an Android smartphone using version 5.0 and above (Apple iOS available early 2019).

- **WI-FI CONNECT POWERED BY VERIZON**
  Never miss a connection with Camry’s available Wi-Fi Connect Powered by Verizon. The onboard system supports up to five devices, turning Camry into a hotspot almost wherever you go. Add available Qi-compatible wireless smartphone charging and leave your wires and worries behind.

- **PREMIUM JBL® AUDIO**
  Specifically optimized for Camry’s cabin, the available Entune™ 3.0 Premium Audio with JBL® w/Clari-Fi™ system re-creates the deep, rich sound typically lost while streaming music. With 800 watts of peak power and nine speakers, including a subwoofer and separate tweeters, it has more than enough range to power your playlist. You’ll drive soundly knowing Camry can carry your tunes.

- **APPLE CARPLAY®**
  Camry now offers Apple CarPlay® support as a standard feature. Pair your compatible iPhone and get directions, make calls, send and receive messages, and listen to your own playlist — all while maintaining focus on your drive.

See numbered footnotes in Disclosures section.
Helping you watch out.

Out of sight, but never out of mind. Camry is on the lookout with its available Bird’s Eye View Camera\textsuperscript{39} with Perimeter Scan. Available Intelligent Clearance Sonar (ICS)\textsuperscript{53} helps you navigate around hidden obstacles. Even if your Camry is out of sight, you can stay connected with available Remote Connect.\textsuperscript{21} It helps you locate your Camry in a crowded lot, remotely start or stop the engine, and even lets you monitor guest drivers. Innovative features like these provide another point of view to help make your drive safe for everyone.
SE shown in Midnight Black Metallic with available Audio Package and power tilt/slide moonroof.
TOYOTA SAFETY SENSE™ (TSS)

Helping to make the road a safer place.

Camry’s standard Toyota Safety Sense™ P (TSS-P) is an active safety package that combines Pre-Collision System with Pedestrian Detection (PCS w/PD), Lane Departure Alert with Steering Assist (LDA w/SA), Automatic High Beams (AHB) and Dynamic Radar Cruise Control (DRCC) to assist you. TSS-P’s comprehensive features create in-the-moment safety designed to help keep you safe under certain circumstances.

**Lane Departure Alert with Steering Assist (LDA w/SA)**
Under certain circumstances, Lane Departure Alert (LDA) is designed to detect lane departure on roads with visible lane markings. LDA only activates when you’re traveling at a speed of 32 mph or faster. When you hear and see the alert, after carefully checking the road around you, you should safely direct your vehicle back to the center of your lane. In addition, Camry’s Toyota Safety Sense™ P (TSS-P) and Electronic Power Steering (EPS) include Steering Assist (SA) functionality. When it’s activated and senses that you’re unintentionally drifting, the system may automatically make small corrective steering inputs to help keep your vehicle in its lane.

**Automatic High Beams (AHB)**
Automatic High Beams (AHB) are a safety system designed to help you see more clearly at night — without distracting other drivers. Designed to activate at speeds above 25 mph, AHB rely on an in-vehicle camera to help detect the headlights of oncoming vehicles and taillights of preceding vehicles, then automatically toggle between high and low beams accordingly to provide the appropriate amount of light. By using high beams more frequently, the system may allow earlier detection of pedestrians and obstacles.

**Pre-Collision System with Pedestrian Detection (PCS w/PD)**
Using an in-vehicle camera and radar to help detect a vehicle or a pedestrian in front of you, the Pre-Collision System with Pedestrian Detection (PCS w/PD) can help you mitigate or avoid a potential collision. If the system determines that a frontal collision is likely, it prompts you to take action using audio and visual alerts. If you notice the potential collision and apply the brakes, PCS w/PD may apply additional force using Brake Assist (BA). If you don’t brake in time, it may automatically apply the brakes to reduce your speed, helping to minimize the likelihood of a frontal collision or reduce its severity.

**Dynamic Radar Cruise Control (DRCC)**
Intended for highway use and similar to “constant speed” cruise control, Dynamic Radar Cruise Control (DRCC) lets you drive at a preset speed. DRCC uses vehicle-to-vehicle distance control, which adjusts your speed, to help you maintain a preset distance from vehicles ahead of you that are driving at a slower speed. DRCC uses a front-grille-mounted radar and an in-vehicle camera to detect vehicles and their distance. If a driver is traveling slower than you, or within your preset range, DRCC will automatically slow your vehicle down without deactivating cruise control. If DRCC determines you need to slow down more, an audio and visual alert notifies you and brakes are applied. When there’s no longer a vehicle driving slower than your set speed in front of you, DRCC will then accelerate to the preset speed.
Good for all. Even better for you.

The transportation revolution continues. The powerful, stylish Camry Hybrid offers elevated performance and exceptional fuel economy, along with advanced tech and a striking look that will leave you breathless. Its dependability has been refined for more than a decade, and speaks to the reliability of Toyota’s proven hybrid technology.

Camry Hybrid’s elevated efficiency arrives with a remarkably stunning drive, thanks to its hybrid system. The hybrid powertrain produces ample torque along with responsive acceleration. Optimally positioning the hybrid battery and employing the same sophisticated multi-link rear suspension as the gas-powered Camry helps Camry Hybrid conquer every twist and turn. It’s an exciting drive that lets you do even more.
Complete any journey in complete comfort.

Camry Hybrid’s interior invites you to do more with a design that’s both practical and stylish. Fine details, such as the Hybrid LE’s layered wood accent elements, can be found throughout the cabin. Personalize any trip with a choice of drive modes. ECO Mode maximizes fuel economy, while EV Mode enables electric driving. The energy monitor displays how the power is being delivered to the drive wheels. It’s smart tech wrapped in a sensational package.

**51/53 up to an est. mpg**

**MPG**

By combining the increased power and reduced fuel consumption of Camry’s Dynamic Force Engine with an electric motor and smooth-shifting ECVT, Camry Hybrid reaches a high level of efficiency. Camry Hybrid LE gives you up to an EPA-estimated 51/53 mpg for city/highway driving, and 52 mpg combined. Offering the best of both worlds, it blends a stirring drive and optimized fuel economy.

**ENERGY MONITOR**

Tracking your efficiency is easy with Camry Hybrid’s energy monitor. As driving conditions change, the monitor uses both the Entune™ 3.0 display and available Head-Up Display (HUD) to show you how power is being routed to the drive wheels or how otherwise wasted energy is captured to charge the battery.

**EV59, 60/ECO/NORMAL/SPORT MODE**

Camry Hybrid’s Sport Mode improves throttle response, while ECO Mode adjusts throttle input to maximize your efficiency. EV Mode enables electric driving to help reduce noise and emissions. More choices give you a more controlled drive.

Smart safety. Helping you drive with confidence.

Camry offers an available Blind Spot Monitor (BSM) with Rear Cross-Traffic Alert (RCTA). They help you see more of what matters. Available Safety Connect provides enhanced 24/7 Roadside Assistance with the touch of a button and automatic collision notification. Camry even protects itself with an available anti-theft alarm. It’s a complete approach to vehicle safety, so you can drive with confidence.

**STAR SAFETY SYSTEM™**

Smart tech helps keep you safe. This standard comprehensive suite of six advanced active safety features is designed to help keep you out of harm’s way. The system includes enhanced Vehicle Stability Control (VSC), Traction Control (TRAC), Anti-lock Brake System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA) and Smart Stop Technology® (SST).

**10 AIRBAGS STANDARD**

Camry comes standard with an Advanced Airbag System with dual-stage SRS driver and front passenger airbags, in addition to front and rear side curtain airbags. Ten airbags in all — all focused on your safety.

**BLIND SPOT MONITOR WITH REAR CROSS-TRAFFIC ALERT**

The available Blind Spot Monitor is designed to warn you when a vehicle in the next lane enters Camry’s blind spot on either side. Available Rear Cross-Traffic Alert works when Camry is in Reverse to help detect vehicles approaching from either side. If the system senses cross traffic, it warns you with side mirror indicators and a warning tone and, if necessary, is designed to apply the brakes.

See numbered footnotes in Disclosures section.
Soul-stirring design. Heart-racing performance. It’s time to captivate your senses.

  - Intelligent Clearance Sonar (ICS)® with Rear Cross-Traffic Braking (RCTB)

XSE V6

Adds to or replaces features offered on XSE

**Powertrain**
- 3.5-Liter V6 with 301 hp @ 6600 rpm
- 22 city/32 hwy/26 combined est. mpg
- Direct Shift-8AT (8-Speed Electronically Controlled automatic Transmission)

**Exterior Features**
- Panoramic glass roof with front power tilt/slide moonroof

**Interior and Safety Features**
- Blind Spot Monitor (BSM) with Rear Cross-Traffic Alert (RCTA)
- Dual zone automatic climate control with air filter and rear-seat vents
- Integrated backup camera with dynamic gridlines
- Entune™ 3.0 4 Premium Audio with JBL® and Clari-Fi™
- Dynamic Navigation and JBL®
- Dynamic Navigation and JBL® w/Clari-Fi™
- Driver Assist Package includes
  - Bird’s Eye View Camera® with Perimeter Scan
  - Intelligent Clearance Sonar (ICS)® with Rear Cross-Traffic Braking (RCTB)

See numbered footnotes in Disclosures section.
Hybrid LE

Powertrain
- Hybrid: 2.5-Liter Dynamic Force 4-Cylinder Engine
- Hybrid system net power: 208 hp (155 kW)
- 51 city/53 hwy/52 combined est. mpg
- Electronically controlled Continuously Variable Transmission (ECVT)

Exterior Features
- Bi-LED combination headlights with auto on/off feature
- LED Daytime Running Lights (DRL) with on/off feature
- Dark Gray front grille
- 16-in. steel wheels with P205/65R16 tires
- Acoustic noise-reducing front windshield
- Shark-fin antenna

Interior and Safety Features
- Toyota Safety Sense™ P (TSS-P)
- Dual zone automatic climate control with air filter, electric compressor and humidity sensor
- Entune™ 3.0 Audio with App Suite
- Integrated backup camera with projected path
- 4.2-in. TFT Multi-Information Display (MID)
- Fabric-trimmed multi-stage heated front seats with passenger-side seatback pocket, 8-way power-adjustable driver’s seat with power lumbar support, 6-way adjustable front passenger seat
- 60/40 split fold-down rear seat with center armrest with cup holders
- Tilt/telescopic 3-spoke steering wheel with audio, Multi-Information Display (MID) and Bluetooth® hands-free phone controls
- 4-mode switch (EV, ECO, Normal and Sport)
- Layered wood interior trim
- Smart Key System® on front doors and trunk with Push Button Start
- Power windows with 4-window auto up/down, jam protection and retained-power features
- Power door locks with automatic locking feature
- Electric Parking Brake (EPB) with Brake Hold function
- Ten airbags
- Hill Start Assist Control (HAC)

Options and Packages
- Power tilt/slide moonroof
- Convenience Package includes
  - HomeLink® universal transceiver
  - Auto-dimming rearview mirror
- Audio Package includes
  - Entune™ 3.0 Audio Plus with App Suite
  - Qi-compatible wireless smartphone charging
- Blind Spot Monitor (BSM)® with Rear Cross-Traffic Alert (RCTA)

Hybrid SE

Adds to or replaces features offered on Hybrid LE

Powertrain
- Hybrid: 2.5-Liter Dynamic Force 4-Cylinder Engine
- Hybrid system net power: 208 hp (155 kW)
- 44 city/47 hwy/46 combined est. mpg
- Electronically controlled Continuously Variable Transmission (ECVT)

Exterior Features
- Black front grille with sport mesh insert
- Color-keyed sport side rocker panels
- 18-in. black machined-finish alloy wheels with P235/45R18 tires
- Color-keyed rear spoiler
- Single exhaust with dual chrome tips

Interior and Safety Features
- Sport SofTex®-trimmed multi-stage heated front seats with fabric inserts, seatback pockets, 8-way power-adjustable driver’s seat with power lumbar support, 6-way adjustable front passenger seat
- 60/40 split fold-down rear seat with center armrest with cup holders
- Leather-trimmed tilt/telescopic 3-spoke steering wheel with audio, Multi-Information Display (MID) and Bluetooth® hands-free phone controls
- Embossed mesh interior trim

Options and Packages
- Power tilt/slide moonroof
- Convenience Package includes
  - HomeLink® universal transceiver
  - Auto-dimming rearview mirror
- Audio Package includes
  - Entune™ 3.0 Audio Plus with App Suite
  - Qi-compatible wireless smartphone charging
- Blind Spot Monitor (BSM)® with Rear Cross-Traffic Alert (RCTA)

Hybrid XLE

Adds to or replaces features offered on Hybrid LE

Powertrain
- Hybrid: 2.5-Liter Dynamic Force 4-Cylinder Engine
- Hybrid system net power: 208 hp (155 kW)
- 44 city/47 hwy/46 combined est. mpg
- Electronically controlled Continuously Variable Transmission (ECVT)

Exterior Features
- LED headlights with fully integrated LED Daytime Running Lights (DRL) with auto on/off feature
- LED taillights
- Bright metallic front grille
- Color-keyed heated power outside mirrors with turn signal and blind spot warning indicators
- 18-in. silver machined-finish alloy wheels with P235/45R18 tires
- Single exhaust with chrome finisher

Interior and Safety Features
- Blind Spot Monitor (BSM)® with Rear Cross-Traffic Alert (RCTA)
- Dual zone automatic climate control with air filter, electric compressor, humidity sensor and rear-seat vents
- Integrated backup camera with dynamic gridlines
- Entune™ 3.0 Audio Plus with App Suite
- 7-in. TFT Multi-Information Display (MID) with customizable settings

### WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that’s not idle boasting. We back it up with these Limited Warranty Coverages:

**Basic:** 36 months/36,000 miles (all components other than normal wear and maintenance items).

**Hybrid-Related Component Coverage:** Hybrid-related components, including the HV battery, battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. The HV battery may have longer coverage under emissions warranty. Refer to applicable Warranty and Maintenance Guide for details.

**Powertrain:** 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

**Rust-Through:** 60 months/unlimited miles (corrosion perforation of sheet metal).

**Emissions:** Coverages vary under Federal and California regulations. Refer to applicable Warranty and Maintenance Guide for details.

DISCLOSURES

1. Toyota strives to build vehicles to match customer expectation. If you would prefer a vehicle without certain options, contact your dealer for current availability or the possibility of placing a special order. 2. Extra-cost color. 3. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See Owner's Manual for additional limitations and details. 4. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carryer; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Data and services subject to change at any time without notice. See toyota.com/entune for details. 5. The Scout® GPS Link app is compatible with selected vehicle models. Availability and accuracy of the information provided by Scout® GPS Link is subject to change at any time without notice and is dependent upon many factors, including smartphone connectivity, capability and cellular or satellite reception. Always use safe driving practices and follow all traffic rules. Data charges may apply. Scout® and Telenav® are registered trademarks of Telenav, Inc. 6. The Scout® GPS Link trial is at no extra cost and begins when the app is downloaded on the vehicle. Contact the Toyota Customer Experience Center at 800-331-4331 for length of trial period. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. 7. Always drive safely, obey traffic laws and focus on the road while driving. Siri® is available on select iPhone®/iPad® models and requires Internet access. Siri® is not available in all languages or all areas and features vary by area. Some Siri® functionality and commands are not available in the vehicle. Data charges may apply. See apple.com and phone carrier for details. Siri® is a registered trademark of Apple Inc. 8. Apple CarPlay® is a registered trademark of Apple Inc. Apps and services subject to change at any time without notice. Selected apps may not be supported using in-vehicle connectivity. Verizon Wireless data subscription required upon end of 6-month trial period or use of 2 GB data (whichever comes first). Use of Wi-Fi Connect subject to Verizon Wireless' Customer Privacy Policy, terms and conditions. It provides a visual and audible alert, and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner's Manual for additional limitations and details. 9. May not all phones or smartphone apps be supported. Manufacturer denied word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on vehicle, coverage and carrier. 10. Toyota Safety Sense™ is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Toyota's control, which can limit the ability to reach the response center or receive emergency support or otherwise limit the functionality or availability of the system. Terms and conditions of subscription service agreement apply. To learn about Toyota's data collection, use, sharing and retention, please visit https://www.toyota.com/privacyvts/. 11. The Safety Connect™ trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. 12. The Lane Departure Alert with Steering Assist is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See Owner's Manual for additional limitations and details. 13. The Dynamic Navigation three-year trial begins the earlier of when the vehicle hits 100,000 miles or extra cost and is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Toyota's control, which can limit the ability or functionality of the system. Registration and app download are required. See usage precautions and service limitations in Owner's Manual. 14. Toyota Safety Connect® is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Toyota's control, which can limit the ability or functionality of the system. See Owner's Manual for additional limitations and details. 15. The Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. 16. Amazon, Alexa, and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Not all Amazon Alexa skills are available for in-vehicle use. The Toyota/Alexa app requires an Android™ smartphone using version 5.0 and above (Apple™ iOS available early 2019). 17. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. Manufacturer denied word mark and logos are registered trademarks of Telenav, Inc. 18. The Wi-Fi Connect trial period is at no extra cost and begins when the app is downloaded on the vehicle. Contact the Toyota Customer Experience Center at 800-331-4331 for length of trial period. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. 19. Use of Wi-Fi Connect subject to Verizon Wireless' Customer Privacy Policy, terms and conditions. It provides a visual and audible alert, and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. System effectiveness is dependent on many factors including road, weather and traffic conditions. 20. May not all phones or smartphone apps be supported. Manufacturer denied word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on vehicle, coverage and carrier. 21. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). 22. Remote Connect is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Toyota's control, which can limit the ability or functionality of the system. 23. The Navigation System Manual Owner's Manual for additional details. 24. The Dynamic Navigation three-year trial begins the earlier of when the vehicle hits 100,000 miles or extra cost and is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Toyota's control, which can limit the ability or functionality of the system. To learn about Toyota Entune™ 3.0's data collection, use, sharing and retention, please visit https://www.toyota.com/privacyvts/. 25. Extra-cost color. Affected parts and conditions may not be up to date. Service Connect is dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, and other factors outside of Toyota's control, which can limit the ability or functionality of the system. 26. The Safety Connect™ trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. 27. The Destination Assist Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions of subscription service agreement apply. 28. Amazon, Alexa, and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Not all Amazon Alexa skills are available for in-vehicle use. The Toyota/Alexa app requires an Android™ smartphone using version 5.0 and above (Apple™ iOS available early 2019). 29. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. Manufacturer denied word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on vehicle, coverage and carrier. 30. The Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. 31. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. Service is required when low tire pressure is noted. See Owner's Manual for details. 32. Full-Speed Range Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. 33. Dynamic Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See Owner's Manual for additional limitations and details. 34. The Toyota Genuine Accessory Warranty will only apply when the installation is performed by a trained Toyota-approved installer. Please see dealer for details. 35. The universal tablet holder is intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of the road and traffic conditions at all times. Use of aftermarket accessories may pose an increased risk of injury to occupants in the event of an accident. Tablet sold separately.
DISCLOSURES (continued)

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Prototypes shown. Actual production vehicles will vary.

For Toyota Mobility program details, go to www.toyota.com/mobility or call the Toyota Customer Assistance Center at 1-800-331-4331.
