
Practicality has a bold side: the 2019 Toyota Sienna. With a spacious, refined interior and surprisingly stylish looks, it elevates everything from play dates to date nights. Sienna also delivers enhanced efficiency along with plenty of get-up-and-go, thanks to its advanced 3.5-liter V6 direct-injection engine and Direct Shift-8AT (8-speed Automatic Transmission). For a more luxurious ride, Sienna offers available lounge seating, plus a dual moonroof that will give the kids a reason to look up from their smartphones. If more attitude is your preference, SE delivers with a sport-tuned suspension and aggressive styling touches. That’s Sienna, the minivan that gives you practicality and desire in equal measure. Let’s go places.

Limited Premium AWD shown in Parisian Night Pearl.
See numbered footnotes in Disclosures section.
The minivan with maximum style.

Make a statement with every drop-off. Sienna’s alluring front end makes no apologies with its aggressive upper and lower grille designs. SE has even more style to this look with a sport mesh front grille. Lower side rocker panels connect the front and rear wheel well openings, seamlessly tying together the overall look. No matter if you’re out running errands or out for a night on the town, your style will always shine through.

Limited Premium AWD shown in Parisian Night Pearl and SE Premium shown in Celestial Silver Metallic.
ALL-WHEEL DRIVE

Helps take weather out of the equation.

Sometimes we need to go places when weather conditions are far from ideal, which is why the 2019 Sienna offers the added security of All-Wheel Drive (AWD). By utilizing AWD with active torque control, this advanced system processes information sent from various sensors, then transmits the right amount of torque to the front and rear wheels, helping you maintain traction.
TOYOTA SAFETY SENSE™ (TSS) is a bundle of active safety features on many new Toyota vehicles at no additional cost. These innovative features were designed to help protect you and your passengers from harm.

**Automatic High Beams (AHB)**

Automatic High Beams (AHB) are a safety system designed to help you see more clearly at night — while reducing glare for other drivers. Designed to activate at speeds above 25 mph, AHB rely on an in-vehicle camera to help detect the headlights of oncoming vehicles and taillights of preceding vehicles, then automatically toggle between high and low beams accordingly to provide the appropriate amount of light. By using high beams more frequently, the system may allow earlier detection of pedestrians and obstacles.

**Dynamic Radar Cruise Control (DRCC)**

Intended for highway use and similar to “constant speed” cruise control, Dynamic Radar Cruise Control (DRCC) lets you drive at a preset speed. DRCC uses vehicle-to-vehicle distance control, which adjusts your speed, to help you maintain a preset distance from vehicles ahead of you that are driving at a slower speed. DRCC uses a front-grille-mounted radar and an in-vehicle camera designed to detect vehicles and their distance. If a driver is traveling slower than you, or within your preset range, DRCC will automatically slow your vehicle down without deactivating cruise control. If DRCC determines you need to slow down more, an audio and visual alert notifies you and brakes are applied. When there’s no longer a vehicle driving slower than your set speed in front of you, DRCC will then accelerate to the preset speed.

**Lane Departure Alert with Steering Assist (LDA w/SA)**

Under certain circumstances, Lane Departure Alert (LDA) is designed to detect lane departure on roads with visible lane markings. LDA only activates when you’re traveling at a speed of 32 mph or faster. When you hear and see the alert, after carefully checking the road around you, you should safely direct your vehicle back to the center of your lane. In addition, if the system senses that you’re unintentionally drifting, it may automatically make small corrective steering inputs to help keep your vehicle in its lane.

**Automatic High Beams (AHB)**

Automatic High Beams (AHB) are a safety system designed to help you see more clearly at night — while reducing glare for other drivers. Designed to activate at speeds above 25 mph, AHB rely on an in-vehicle camera to help detect the headlights of oncoming vehicles and taillights of preceding vehicles, then automatically toggle between high and low beams accordingly to provide the appropriate amount of light. By using high beams more frequently, the system may allow earlier detection of pedestrians and obstacles.

**Pre-Collision System with Pedestrian Detection (PCS w/PD)**

Using an in-vehicle camera and radar to help detect a vehicle or a pedestrian in front of you, the Pre-Collision System with Pedestrian Detection (PCS w/PD) can help you mitigate or avoid a potential collision. If the system determines that a frontal collision is likely, it prompts you to take action using audio and visual alerts. If you notice the potential collision and apply the brakes, PCS w/PD may apply additional force using Brake Assist (BA). If you don’t brake in time, it may automatically apply the brakes to reduce your speed, helping to minimize the likelihood of a frontal collision or reduce its severity.

See numbered footnotes in Disclosures section.
The family hauler that really hauls.

There's no need to compromise driving fun for family comfort. Sienna's lightweight, rigid body is aerodynamically optimized for responsive handling. A 296-hp V6 direct-injection engine helps deliver greater efficiency and power. Plus, SE utilizes sport-tuned suspension and Electric Power Steering (EPS) for a precise feel. It's performance-oriented engineering that everyone can appreciate.

**SPORT INSTRUMENT CLUSTER**
Get more information from a quick glance with Sienna's stylish gauge cluster. Customize the large, easy-to-read standard 4.2-in. color Multi-Information Display (MID) to show what you need most. For those with a sportier side, Sienna SE offers racing-inspired white-faced gauges.

**19-IN. ALLOY WHEELS**
Sienna SE comes standard with 19-in. 6-spoke gunmetal-finish alloy wheels fitted with low-profile tires for head-turning style.
SPORT-TUNED SUSPENSION AND STEERING

Command every corner. Sienna SE rewards you with dynamic handling and responsive steering thanks to its sport-tuned suspension and sport-calibrated Electric Power Steering (EPS). It’s designed to get the most out of every drive.

SE Premium shown in Celestial Silver Metallic.
A welcoming space for the entire family.

Fall in love with Sienna’s inviting soft-touch seating and available premium contrast stitching, but don’t forget about all the technology. A cockpit-like driver’s area with a standard 7-in. touch-screen and easy-to-use climate controls helps make every trip a little more enjoyable.

CLIMATE CONTROL
Sienna features three separate climate control zones, a digital display, plus easier-to-use controls. This system is also smart enough to automatically adjust all three zones at once, so no one will be too hot or cold.

SOFT TOUCH/CONTRAST STITCHING
Complementing Sienna’s premium feel is available contrast stitching. Using genuine thread, this subtle design touch adds visual interest and contemporary style. It’s one of many quality details that helps Sienna’s new interior stand out.

AVAILABLE LEATHER SEATING SURFACES
Sienna keeps your family rolling in style. Available leather seating surfaces bring comfort to any outing, and with contrast stitching throughout the cabin, Sienna is dressed for any occasion. We’ve also added soft-touch materials throughout Sienna’s cabin to help keep big hands and little hands happy. Things like the dash and vent controls feel luxurious to the touch, adding to Sienna’s refined feel.
Limited Premium AWD interior shown in Chestnut with white accent stitching.
All for fun. Fun for all.

Take every drive to the next level with the Entune™ 3.0 connected infotainment system. Now featuring Apple CarPlay® support, it lets you access your favorite iPhone® apps such as Maps, Music and Messages right on the high-resolution 7-in. touch-screen display. It also provides easy access to the standard Entune™ 3.0 App Suite, available on every Sienna, so everyone can enjoy real-time traffic updates and other great apps. Plus, with Amazon Alexa compatibility, simply ask to play music, hear the news, check weather, control smart home devices and more.

JBL® WITH CLARI-Fi™

Your group sing-alongs just got better. Sienna’s available Entune™ 3.0 Premium Audio with JBL® w/Clari-Fi™ uses ten speakers, including a subwoofer, to enhance the sound quality and hit every high note — even if you can’t.

DYNAMIC NAVIGATION™

Entertainment for the entire family. All this fun comes with a confident drive courtesy of the available Entune™ 3.0 Dynamic Navigation. Just set your destination and the system updates the roads to give you the most up-to-date directions, so you’ll never miss a music program, practice or play date again.

WI-FI CONNECT POWERED BY VERIZON™

Everyone can stay connected with Sienna’s available Wi-Fi Connect Powered by Verizon. The advanced system supports up to five devices, making Sienna the hottest spot on the road.

See numbered footnotes in Disclosures section.
SE Premium interior shown in Black with white accent stitching. Screen depiction accurate as of summer 2019.

Apple CarPlay™ compatibility shown. See numbered footnotes in Disclosures section.
We’ve taken an active interest in your family.

Many new Toyotas are equipped with the Star Safety System™, a suite of six active safety features designed to help keep you out of harm’s way. The system includes Enhanced Vehicle Stability Control (VSC), Traction Control (TRAC), Anti-lock Brake System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA) and Smart Stop Technology® (SST).

**BLIND SPOT MONITOR (BSM) WITH REAR CROSS-TRAFFIC ALERT (RCTA)**

Using radar technology, the available Blind Spot Monitor (BSM) is designed to alert you when a vehicle enters a blind spot on either side. Available Rear Cross-Traffic Alert (RCTA) works similarly by providing you with audible and visual indicators to warn you of approaching vehicles.

**BACKUP CAMERA**

Park and reverse with ease thanks to Sienna’s standard backup camera. Available on Limited, the Panoramic Camera offers a 180-degree wide-angle view, showing both your distance and projected path. The available Bird’s Eye View Camera with Perimeter Scan helps you see nearby obstacles thanks to a 360-degree overhead view. All of this helps give you peace of mind for a more peaceful drive.

**BIRD’S EYE VIEW CAMERA**

Sienna’s available Bird’s Eye View Camera with Perimeter Scan uses front-, side- and rear-mounted cameras to display a panoramic overhead view. It helps you see more of your surroundings, so you can drive with confidence.
Sienna is available with parking assist sonars that help you quickly determine the distance between your Sienna and other vehicles with audible warning signals and a color graphic that changes as you draw closer to the obstacle.
COMFORT AND CONVENIENCE

It’s like a family-friendly five-star resort.

Sienna has the tech and convenience to make your active lifestyle easier and more fun. We took everything you and your kids wanted in an interior and put it all together in a premium, easy-to-access package. Whether you want to listen to a favorite soundtrack, watch a family-friendly movie or just fit more stuff, Sienna is ready to go. Welcome to the ultimate family room.

DUAL-VIEW BLU-RAY DISC™ ENTERTAINMENT CENTER

The available Dual-View Entertainment Center has Blu-ray capability and includes a 16.4-in. color display, SD and HDMI inputs, two 120V AC power outlets and a remote with two wireless headphones. Its unique screen can display one wide-angle image or two smaller images from separate sources at the same time.

5 USB PORTS

The power to do more. Now everyone can stay in charge thanks to Sienna’s five standard USB ports spread across three rows of seats. With so many options, Sienna will put an end to the family power struggle.

DRIVER EASY SPEAK

Yes, those in the rear seats can hear you now. Sienna’s available Driver Easy Speak feature has a built-in microphone up front that picks up your voice and transmits it to rear-seat passengers through the back speakers. To turn it on, just press the button on the 7-in. touch-screen display.

See numbered footnotes in Disclosures section.
Spoil them with safety.

Our commitment to your family’s well-being doesn’t end with the active safety features found in the Star Safety System™. Should a collision occur, Sienna’s comprehensive set of eight standard airbags38 is designed to help protect occupants in all three rows of seating. Sienna also offers a multitude of features, like available rain-sensing windshield wipers, that you might not associate with safety but that can help ensure your overall peace of mind.

8 STANDARD AIRBAGS38
An Advanced Airbag System helps protect you and your family with driver and front passenger dual stage airbags, driver and front passenger seat-mounted side airbags, a driver knee airbag, a front passenger seat-cushion airbag and Roll-sensing Side Curtain Airbags (RSCA) for all rows.

SAFETY CONNECT®16
Via Toyota’s 24/7 call center, standard Safety Connect® offers subscribers helpful features such as Emergency Assistance, Stolen Vehicle Locator, Roadside Assistance and Automatic Collision Notification. Safety Connect® also offers the reliability of embedded cellular and GPS technology.

STAR SAFETY SYSTEM™
Sienna comes standard with the Star Safety System™, a suite of six active safety features that includes Enhanced Vehicle Stability Control (VSC),30 Traction Control (TRAC), Anti-lock Brake System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA)31 and Smart Stop Technology® (SST).32

ACTIVE HEADRESTS39
A smart way to care for you and yours. In the event of an impact, Sienna’s headrests will move up and forward — providing head support for the front-seat passengers. These active headrests reduce the motion that causes whiplash, while increasing your peace of mind.

4 LATCH LOCATIONS
LATCH (Lower Anchors and Tethers for Children) provides an added measure of safety for smaller family members. Sienna offers four LATCH locations, including lower anchors and tethers on outboard second- and third-row seats.

See numbered footnotes in Disclosures section.
SIDE-IMPACT DOOR BEAMS
Within each of Sienna’s four doors are steel beams designed to help protect the occupants in the event of a side-impact collision.

SE Premium AWD shown in Celestial Silver Metallic.

Parent. Coach. Bandleader. You play a lot of roles, so we made sure you have choices like second-row seats that tip up and slide forward, and an available power third-row seat to make loading up all your passengers and cargo easier. Plus, there is plenty of head room, leg room and hip room. So now, even if the kids outgrow their car seats, or the college band reunites, Sienna will be right there with you.

TIP-UP AND LONG-SLIDE SECOND ROW
Even when you’re seated in the third row, you’ll get first-class treatment. Sienna’s second-row seat cushions tip up and the seats slide forward to make access to the third-row seat a breeze.

SEATS UP TO EIGHT
You don’t have to be a star to have an entourage. Spacious seating for up to eight ensures no one’s fun takes a back seat. When the eighth seat is not in use, you can easily store it securely in the cargo area cubby. Sienna gives you enough space to pack ‘em all up and move ‘em out, where everyone’s comfort is a priority.

LOUNGE SEATING
Treat your second-row passengers to the comforts of home with available lounge seating. These comfy captain’s chairs are equipped with adjustable ottomans and armrests.

Do more. Compromise less.

Sienna offers the Auto Access Seat as the perfect solution for anyone who needs a little extra help getting in and out of the vehicle. It meets all applicable safety standards and is universally suited for all ISOFIX/LATCH child seats. Specifically designed for Sienna, it’s the industry’s only power-rotating lift-up seat to be factory-installed by a major auto manufacturer. The Auto Access Seat rotates 90 degrees, then extends from the vehicle and lowers to a convenient transfer height, making for easy entry and exit. Since it’s a factory-installed feature, the seat matches the interior of your Sienna and is covered under the same comprehensive three-year factory warranty as the rest of the vehicle. It’s time to do even more.

“Our only limit should be our imagination. Let’s break down the barriers and go beyond our inhibitions.”

### SAFETY AND CONVENIENCE

**Star Safety System™** — includes Enhanced Vehicle Stability Control (VSC), Traction Control (TRAC), Anti-lock Brake System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA) and Smart Stop Technology® (SST). 

**Toyota Safety Sense™ P (TSS-P)** — includes Pre-Collision System (PCS) with Pedestrian Detection (PD), Lane Departure Alert with Steering Assist (LDA w/SA), Automatic High Beams (AHB) and Dynamic Radar Cruise Control (DRCC).

**Driver front airbag and front passenger Advanced Airbag System**

**Dual sun visors with illuminated vanity mirrors**

**Six cup holders (eight on 8-passenger models)**

**Ten cup holders (12 on 8-passenger models)**

**Front- and rear-door map pockets with bottle holders**

**ToyotaCare** featuring a no cost maintenance plan with roadside assistance.

---

### SAFETY CONNECT®

Includes Emergency Assistance, Stolen Vehicle Locator, Roadside Assistance and Automatic Collision Notification; with three-year trial subscription.

(Includes roof-mounted shark-fin antenna)

---

### INTERIOR (continued)

- **Fixed center console with wood-grain-style accents, illuminated storage compartment, two front illuminated cup holders and two rear cup holders**

- **Sliding center console with wood-grain-style accents, illuminated storage compartment, two front illuminated cup holders and two rear cup holders (PFD models only)**

- **Upper glove compartment and lockable lower glove compartment**

- **Cargo area storage compartment**

- **Cargo area auxiliary storage compartment for second-row center seat**

- **Three 12V auxiliary power outlets**

- **Five USB ports**

- **Five USB ports (second and third row for charging only)**

- **Retractable assist grips at all outboard seating positions**

- **Dual sun visors with illuminated vanity mirrors**

- **Six cup holders (eight on 8-passenger models)**

- **Ten cup holders (12 on 8-passenger models)**

- **Front- and rear-door map pockets with bottle holders**

---

See numbered footnotes in Disclosures section.
DISCLOSURES (continued)

41. Parking assist sonar is designed to assist drivers in avoiding potential collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the parking assist sonar to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See Owner's Manual for additional limitations and details. 42. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details. 43. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Toyota dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.aloa.org. 44. ToyotaCare plan covers normal factory scheduled service for 2 years or 25K miles, whichever comes first. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska.

45. Roadside Assistance coverage is 2 years unlimited mileage. Does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska. 46. Cargo and load capacity limited by weight and distribution. 47. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. 48. Sienna AWD models come standard with run-flat tires—there is no spare tire. 49. 2019 Sienna FWD preliminary 18 city/24 hwy/22 combined mpg estimates determined by Toyota. EPA ratings not available at time of posting. Actual mileage will vary.

50. 2019 Sienna AWD preliminary 18 city/24 hwy/22 combined mpg estimates determined by Toyota. EPA ratings not available at time of posting. Actual mileage will vary. 51. Roof rack with cross bars is not recommended for luggage. 52. This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULDN'T NOT BE used in any other vehicle. To avoid potential interference with pedal operation, each floor mat/floor liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner. 53. Apple CarPlay® is a registered trademark of Apple Inc. 54. Apps and services subject to change. 55. Amazon, Alexa, and all related logos and marks are trademarks of Amazon.com, Inc. or its affiliates. Not all Amazon Alexa skills are available for in-vehicle use. 56. Extra-cost color. 57. The Toyota Genuine Accessory Warranty will only apply when the installation is performed by a trained Toyota-approved installer. Please see dealer for details. 58. Available only for vehicles with factory remote keyless entry systems. 59. The Scout® GPS Link trial is at no extra cost and begins when the app is downloaded on the vehicle. Contact the Toyota Customer Experience Center at 800-331-4331 for length of trial period. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. 60. The Safety Connect® trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in paid subscription is required to access the service. Terms and conditions apply. 61. The Dynamic Navigation three-year trial begins the earlier of when the vehicle hits 100 miles or a year after the multimedia system manufacture date, regardless of when you purchase or lease the vehicle. Terms and conditions of subscription service agreement apply. 62. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions of subscription service agreement apply. 63. The Wi-Fi Connect trial period is at no extra cost and begins on the date of activation. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply.

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. prototypes shown. Actual production vehicles will vary.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).
Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).
Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty. For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable Warranty and Maintenance Guide or see your Toyota dealer.
