Find your element.

Ready or not, here the rain and snow come. Luckily for you, the 2020 Toyota Prius has available AWD-e. Together, you can challenge inclement weather and roads to seek out your next adventure. Prius encourages you to ride out your story. Let’s venture outside and into the unknown.
Don’t just imagine the possibilities. Explore them.

Capable of more than just city commutes, Prius offers ample cargo space for your impromptu adventures and planned itineraries. If up to 27.4 cu. ft. of space with the seats up or 65.5 cu. ft. with the seats folded isn’t enough to hold all your gear, cargo cross bars are available to share the load. Seek out hidden gems — like that quiet surf spot or that bustling marketplace — in the 2020 Prius and be in your element.

AWD-e
AWD-e, the available electronic all-wheel-drive feature on Prius, was designed to operate up to 43 mph. And with an EPA-estimated combined 50 mpg, it encourages you to expand your horizons.

CARGO SPACE
The ample cargo space on Prius leaves room for your tent, snowboard or gear of choice. Prius models equipped with AWD-e offer up to 62.7 cu. ft. of space with their 60/40 fold-down rear seats folded, maximizing cargo and versatility.

CARGO CROSS BARS
Think outside the car. The available cargo cross bars on Prius offer even more space — and possibilities — for your next adventure.

See numbered footnotes in Disclosures section.
XLE AWD-e® interior shown in Black SofTex® trim. See numbered footnotes in Disclosures section.
Navigate your journeys with peace of mind.

Wherever you’re headed, you’re going to need backup. Prius comes standard with the Star Safety System™ — an advanced suite of six safety features including Enhanced Vehicle Stability Control (VSC), Traction Control (TRAC), Anti-lock Brake System (ABS), Electronic Brake-force Distribution, Brake Assist (BA) and Smart Stop Technology® (SST). Prius also comes with standard Toyota Safety Sense™ P (TSS-P) and eight airbags. ToyotaCare, a no cost maintenance plan for 2 years or 25,000 miles, whichever comes first, and roadside assistance for 3 years and unlimited mileage are also included so you can drive on with confidence.

XLE AWD-e shown in Electric Storm Blue with available accessory cargo cross bars.

See numbered footnotes in Disclosures section.
Helping make the road a safer place.

Toyota Safety Sense™ P (TSS-P) is an advanced suite of six active safety features standard on every 2020 Prius. These innovative features were designed to help protect you and your passengers from harm.

Pre-Collision System with Pedestrian Detection (PCS w/PD) is designed to help keep the road safe by detecting a vehicle or a pedestrian in certain situations. By combining millimeter-wave radar with a camera capable of shape recognition, the system provides an audio/visual alert, warning you of a possible collision under certain circumstances. If you don’t react, the system is designed for automatic braking support to help mitigate the impact or avoid the collision entirely, if possible.

Lane Departure Alert with Steering Assist (LDA w/SA) only activates when you’re traveling at a speed of 32 mph or faster. When you hear and see the alert, after carefully checking the road around you, safely direct your vehicle back to the center of your lane. In addition, if the system senses that you’re unintentionally drifting, it may automatically make small corrective steering inputs to help keep your vehicle in its lane.

See numbered footnotes in Disclosures section.
TOYOTA SAFETY SENSE™ (continued)

AUTOMATIC HIGH BEAMS (AHB)\textsuperscript{40}

The Automatic High Beams (AHB) feature is a safety system designed to help you see more clearly at night — without distracting other drivers. Designed to activate at speeds above 25 mph, AHB relies on an in-vehicle camera to help detect the headlights of oncoming vehicles and taillights of preceding vehicles, then automatically toggles between high and low beams accordingly to provide the appropriate amount of light. By using high beams more frequently, the system may allow earlier detection of pedestrians and obstacles.

FULL-SPEED RANGE DYNAMIC RADAR CRUISE CONTROL (DRCC)\textsuperscript{41}

Intended for highway use and similar to “constant speed” cruise control, available Full-Speed Range Dynamic Radar Cruise Control (DRCC) lets you drive at a preset speed. DRCC uses vehicle-to-vehicle distance control, which is designed to adjust your speed, to help you maintain a preset distance from the vehicle ahead of you that is driving at a slower speed. DRCC uses a front-grille-mounted radar and an in-vehicle camera designed to detect vehicles and their distance. If a driver is traveling slower than you, or within your preset range, DRCC is designed to automatically slow your vehicle down without deactivating cruise control. If DRCC determines you need to slow down more, an audio and visual alert notifies you and brakes may be applied. When there’s no longer a vehicle driving slower than your preset speed in front of you, DRCC will then accelerate to the preset speed and regular cruise control will resume.

See numbered footnotes in Disclosures section.
Limited shown in Blizzard Pearl with available accessory black wheel inserts. See numbered footnotes in Disclosures section.

RAIN-SENSING WINDSHIELD WIPERS
Don’t let the rainy season put a damper on your journeys. The available rain-sensing variable intermittent windshield wipers on Prius automatically adjust their speed to match the amount of rain hitting the windshield and the speed of the car. Just set the wipers to “auto,” and Prius does the rest.

BLIND SPOT MONITOR (BSM)44
The available Blind Spot Monitor (BSM) with Rear Cross-Traffic Alert (RCTA)45 helps you identify vehicles that might be in a blind spot. When BSM detects a vehicle, it warns you with a flashing indicator light on the appropriate outside mirror.

INTEGRATED BACKUP CAMERA4
When you’re in Reverse, the standard backup camera activates and gives you a view of what’s happening directly behind your car. Let this feature help you when you’re backing up or parking in a tight spot.
Limited interior shown in Black SofTex® trim.
See numbered footnotes in Disclosures section.
Tech to help steer your journey.

With all the tech built into Prius, you’re not lost — you’re exploring. The available color Head-Up Display (HUD) uses aircraft-inspired technology to project important information right on the windshield and take your driving experience to the next level, while available Qi-compatible wireless smartphone charging helps you stay fully charged for the ride ahead. Now with Apple CarPlay® and Amazon Alexa® compatibility, you can bring a familiar voice and interface along for the ride. Boost your journeys even further with the available 11.6-in. multimedia display and discover a soundtrack for each outing with available Premium JBL® Audio. With the available Adaptive Front-Lighting System (AFS) illuminating your every turn, you can sit back and enjoy the drive.

11.6-IN. MULTIMEDIA DISPLAY WITH APPLE CARPLAY® COMPATIBILITY
You’ll want to take note of this. Prius’ available 11.6-in. display now features Apple CarPlay® compatibility. Connect your compatible iPhone® to get directions, make calls and send messages — all while staying focused on your commute. And with its ten JBL® speakers, your driving soundtrack will sound just as impressive too.

ADAPTIVE FRONT-LIGHTING SYSTEM (AFS)
The available Adaptive Front-Lighting System helps you navigate every turn with more visibility. The headlights swivel during turns to help you see what’s around the next corner.

QI WIRELESS SMARTPHONE CHARGING
No wires. Total convenience. With available Qi-compatible wireless smartphone charging, simply place your Qi-compatible device on the nonslip surface to charge it up on the go — without the interference of wires.

AMAZON ALEXA® COMPATIBILITY
Now with Amazon Alexa connectivity, Prius becomes your inseparable copilot. With a smartphone connection and the Toyota+Alexa app, all you have to do is use your voice to ask Alexa to play music, hear the news, check weather, control smart-home devices and more.

See numbered footnotes in Disclosures section.
XLE AWD shown in Electric Storm Blue with available accessory cargo cross bars, and Limited shown in Blizzard Pearl.

See numbered footnotes in Disclosures section.
Style to inspire your next escape.

From city streets to mountain highways, navigate all roads with style and confidence. The artfully sculpted exterior of Prius suits any setting, no matter where your curiosity takes you. Each of the features on Prius is purposefully designed to encourage you to embrace more of life’s moments with fewer compromises.

FOG LIGHTS AND LED ACCENT LIGHTS
Rain or shine, Prius will take you there. The fog lights that come standard on AWD-e grades are designed to increase your visibility while driving through fog, with LED accent lights adding to the vehicle’s stun factor.

LED HEADLIGHTS AND TAILLIGHTS
Turn heads whether you’re coming or going. The LED headlights and taillights on Prius are as effective as ever, shining bright and completing the stylish look.

AVAILABLE 17-IN. ALLOY WHEELS
Prius brings style to every corner. Available 17-in. alloy wheels add the right amount of attitude and ensure that all eyes are on this hybrid, wherever it goes.
**PRIUS MODELS**

**L Eco**

**Powertrain**
- 1.8L 4-Cylinder Engine with Hybrid Synergy Drive®
- Electronically controlled Continuously Variable Transmission (ECVT)
- 58 city/53 highway estimated mpg\(^{51}\)

#### EMISSION RATING

- Federal Environmental Protection Agency (EPA) Emission Standard: Tier 3 Bin 30

#### ELECTRIC MOTOR

- Motor type: Permanent magnet AC synchronous motor
- Power output: 71 hp (53 kW)
- Torque: 120 lb.-ft. (163 N•m)
- Voltage: 600V maximum
- Motor type: Magnetless rear motor (5kW)

#### TRANSMISSION

- Electronically controlled Continuously Variable Transmission (ECVT)

#### DRIVETRAIN

- Front-Wheel Drive
- Electronic On-Demand Compact All-Wheel Drive (AWD-e)²

#### SUSPENSION

- Independent MacPherson strut front suspension with stabilizer bar; multi-link rear suspension with stabilizer bar

#### STEERING

- Electric Power Steering (EPS); power-assisted rack-and-pinion
- Turning circle diameter, curb to curb (ft.) 33.5

#### BRAKE

- Power-assisted ventilated front disc brakes; solid rear disc with integrated regenerative braking and Star Safety System™

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that’s not idle boasting. We back it up with these Limited Warranty Coverages:

**Basic:** 36 months/36,000 miles (all components other than normal wear and maintenance items).

**Hybrid-Related Component Coverage:** Hybrid-related components, including the battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. Refer to applicable Warranty and Maintenance Guide for details.

**Hybrid Battery:** HV battery is covered for 10 years or 150,000 miles, whichever comes first. Warranty coverage is subject to terms and conditions. Refer to applicable Warranty and Maintenance Guide for details.

**Powertrain:** 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

**Rust-Through:** 60 months/unlimited miles (corrosion perforation of sheet metal).

**Emissions:** Coverages vary under Federal and California regulations. Refer to applicable Warranty and Maintenance Guide for details.

**Accessories:** For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle’s in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty. For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it’s necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota’s warranties, please visit www.toyota.com, refer to the applicable Warranty and Maintenance Guide or see your Toyota dealer.

See numbered footnotes in Disclosures section.

S = Standard  O = Optional  P = Available as part of a package  – = Not available
DISCLOSURES

1. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

2. Prius AWD-e system operates at speeds up to 43 mph. 3. The Adaptive Front-Lighting System helps improve night vision. Situations such as a dirty windshield, rapidly changing light conditions or hilly terrain may limit effectiveness, requiring the driver to manually turn off the system. See Owner's Manual for additional limitations and details. 4. The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner’s Manual for additional limitations and details.

5. The Scout® GPS Link app is compatible with select vehicle models. Availability and accuracy of the information provided by Scout® GPS Link is subject to change at any time without notice and is dependent upon many factors, including smartphone connectivity, capability and cellular reception. Always use safe driving practices and follow all traffic rules. Data charges may apply. Scout® and Telenav® are registered trademarks of Telenav, Inc. 6. The Scout® GPS Link trial is at no extra cost and begins when the app is downloaded on the vehicle. Contact the Toyota Customer Experience Center at 800-331-4231 for length of trial period. After the trial period expires, enrollment is required. A Wi-Fi connection is required to access the Scout® GPS Link service. Use of data can limit system functionality or availability, including access to response center and emergency support. See apple.com and phone carrier for details. Data charges may apply. Siri® is a registered trademark of Apple Inc. 8. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected with an approved data cable into the USB media port. Apple CarPlay® is a registered trademark of Apple Inc. 9. Amazon, Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Requires a compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 13. Connected Services depends on an operable telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. 14. Toyota Safety Connect® depends on an operable telematics device, a cellular connection, navigation map data and GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. 15. The Safety Connect® trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. At the trial period expires, enrollment in a paid subscription is required to access the service.

16. Wi-Fi Connect is available on select 2018 and newer Toyota vehicles. Visit toyota.com for vehicle availability. Verizon Wireless is the network provider for Wi-Fi Connect, which uses Verizon's 4G LTE network to transmit data. Data usage and charges apply. Coverage not available everywhere; see vzw.com. See verizonwireless.com/bestnetwork for details. LTE is a trademark of ETSI. Other terms apply. Up to 5 devices can be supported using in-vehicle Wi-Fi Connect to access the Internet. To cancel, Verizon call 1-888-Verizon. or visit verizonwireless.com/wifirestrictions. Wi-Fi Connect is available on certain 2018 and later Toyota vehicles. Smartphone connectivity, capability and cellular reception are required. Use of Data can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. 17. Apps and services subject to change at any time without notice. See toyota.com/connected-services for details. To learn about Toyota’s data collection, use, sharing and retention, please visit https://www.toyota.com/privacyvts/. 10. May not be compatible with all mobile phones, MP3/WMA players and like models. 11. Advanced voice recognition capabilities vary by head unit. 12. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 13. Connected Services depends on an operable telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Registration required. Service subject to change at any time without notice. Terms and conditions of subscription service agreement apply. Valid in the continental U.S. See usage precautions and service limitations in Owner's Manual and at toyota.com/connected-services/. 15. The Safety Connect® trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. At the trial period expires, enrollment in a paid subscription is required to access the service. 16. Wi-Fi Connect is available on select 2018 and newer Toyota vehicles. Visit toyota.com for vehicle availability. Verizon Wireless is the network provider for Wi-Fi Connect, which uses Verizon's 4G LTE network to transmit data. Data usage and charges apply. Coverage not available everywhere; see vzw.com. See verizonwireless.com/bestnetwork for details. LTE is a trademark of ETSI. Other terms apply. Wi-Fi Connect is available on certain 2018 and later Toyota vehicles. Smartphone connectivity, capability and cellular reception are required. Use of Data can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. 17. Apps and services subject to change at any time without notice. See toyota.com/connected-services for details. To learn about Toyota’s data collection, use, sharing and retention, please visit https://www.toyota.com/privacyvts/. 10. May not be compatible with all mobile phones, MP3/WMA players and like models. 11. Advanced voice recognition capabilities vary by head unit. 12. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 13. Connected Services depends on an operable telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Registration required. Service subject to change at any time without notice. Terms and conditions of subscription service agreement apply. Valid in the continental U.S. See usage precautions and service limitations in Owner's Manual and at toyota.com/connected-services/.
be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for additional limitations and details. 34. This device is not a substitute for safe and attentive driving practices. It is the driver's responsibility to maintain a lookout for pedestrians, cyclists, other cars and objects, and to drive the vehicle in a safe and attentive manner to avoid making contact. 35. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Customer Experience Center at 1-800-331-4331. 36. Requires adequate cellular coverage and GPS signal strength. May not work in all areas. Service may vary by vehicle and region. See Toyota Dealer for details and exclusions. 37. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for additional limitations and details. 38. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle or a pedestrian. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian and weather, light and road conditions. See Owner’s Manual for additional limitations and details. 39. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions when DRCC is engaged. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See Owner’s Manual for additional limitations and details. 40. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See Owner's Manual for additional limitations and details. 41. Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. DRCC not available on manual transmissions. See Owner’s Manual for additional limitations and details. 42. Intelligent Clearance Sonar (ICS) is designed to assist drivers in avoiding potential collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object's shape, size and composition, may affect the system's effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. See Owner's Manual for additional limitations and details. 43. The Intelligent Parking Assist system requires driver brake control. Always look around outside the vehicle and use mirrors to confirm clearance. See Owner's Manual for additional limitations and details. 44. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See Owner’s Manual for additional limitations and details. 45. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See Owner’s Manual for additional limitations and details. 46. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See Owner’s Manual for additional limitations and details. 47. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service. 48. Hybrid vehicle battery expected life is 150,000 miles based on laboratory bench testing. 49. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. Cargo capacity up to 27.4 cu. ft. with 60/40 split fold-down rear seats up and up to 65.5 cu. ft. with rear seats folded on Prius L Eco, XLE and Limited. Cargo capacity up to 24.6 cu. ft. with 60/40 split fold-down rear seats up and up to 62.7 cu. ft. with rear seats folded on Prius L Eco and XLE AWD-e. 50. 2020 Prius L Eco EPA 58 city/53 hwy/56 combined mpg estimates. Actual mileage will vary. 51. 2020 Prius LE, XLE and Limited EPA 54 city/50 hwy/52 combined mpg estimates. Actual mileage will vary. 52. 2020 Prius LE AWD-e and XLE AWD-e EPA 52 city/48 hwy/50 combined mpg estimates. Actual mileage will vary. 53. Do not overload your vehicle. See Owner’s Manual for weight limits and restrictions. 54. ToyotaCare for Prius and Prius Prime covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. 24-hour Roadside Assistance is also included for three years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. and Alaska. 55. Genuine Toyota Paint Protection Film by 3M™ is designed for specific sections of the vehicle most prone to chipping and may vary depending on vehicle model. Select applications may require an additional charge. Toyota Genuine Accessory Warranty only applies when installation is performed by a trained Toyota-approved installer. See Toyota dealer for details. 56. The universal tablet holder is intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of the road and traffic conditions at all times. Use of aftermarket accessories may pose an increased risk of injury to occupants in the event of an accident. Tablet sold separately. 57. Extra-cost color. 58. iPhone® is a registered trademark of Apple Inc. All rights reserved. 59. This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/floor liner.

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainline U.S.A. vehicles only. Vehicles shown may be prototypes and/or shown with options. Actual vehicles may vary. Color depiction of vehicle image may vary based on multiple factors, including environmental lighting and the format in which it is being viewed (e.g., computer, mobile device, or print).
