Seek out the adventure in every day.

Get ready to make the most out of every day in the 2020 Toyota RAV4. Whether your adventures take you downtown, uptown, around town or out of town, there’s a RAV4 that’s ready to redefine what you can do. Find your inspiration from four distinct versions — the premium Limited, rugged Adventure grade, exhilarating XSE Hybrid or the specially tuned TRD Off-Road. Whichever fits you best, you’ll find the perfect blend of sport and utility that will empower your ambitions. So get in and go out. It’s time to live each day to its fullest.
Powered by efficiency.

Feel the freedom of the open road or secluded trail with power and intelligent efficiency. Choose between a Dynamic Force 2.5-liter inline four-cylinder engine that is mated to a Direct Shift 8-speed Automatic Transmission or paired with Hybrid’s dual electric motors and an Electronically Controlled Continuously Variable Transmission (ECVT) — both engineered to provide impressive acceleration and enhance fuel efficiency.
DRIVE MODES

Three distinct drive modes let you tailor RAV4’s driving dynamics to match your mood. SPORT Mode provides sharper acceleration, ECO Mode helps maximize fuel efficiency, and NORMAL Mode blends fuel economy with performance.

COMFORTABLE RIDE

RAV4’s Toyota New Global Architecture (TNGA) platform refines the drive wherever you take it. A longer, wider stance makes the handling more responsive, while a stronger core gives you a ride that is smooth and confident. The platform also creates a naturally spacious interior with a better view of the road.

DYNAMIC TORQUE VECTORING AWD WITH REAR DRIVELINE DISCONNECT

Enjoy an upgrade in all-wheel-drive performance that is paired with impressive fuel efficiency. Available Dynamic Torque Vectoring All-Wheel Drive (TV-AWD) helps enhance responsiveness and stability by sending up to 50 percent of the power to the rear and then further distributing more power to the wheel that needs it. To boost fuel efficiency, Rear Driveline Disconnect will stop sending power to the rear when it isn’t necessary.
SPORT-TUNED SUSPENSION

XSE Hybrid makes no compromise when it comes to enhanced power and acceleration. When paired with the sport-tuned suspension, the tauter shock absorbers and springs give it outstanding handling you can feel and that help take on every curve you encounter, paved or not.

GAS MODELS

203 HP

HYBRID MODELS

219 HP

ELECTRONICALLY CONTROLLED CONTINUOUSLY VARIABLE TRANSMISSION

The power of an intelligent grip. RAV4 Hybrid’s Electronic On-Demand All-Wheel Drive (AWD) provides all-weather capability and confident on-road driving dynamics. The system uses a dedicated electric drive motor to automatically supply power to the rear wheels for instant improvement in traction.

RAV4 Hybrid is the sportiest RAV4 yet, with a sleek look to match. Its Toyota Hybrid System II engine produces an ample 219 combined net horsepower for impressive acceleration all the way to highway speeds. So get ready to make the most of every mile and every trip — you might be surprised just how far it takes you.

SPORT-TUNED SUSPENSION

XSE Hybrid makes no compromise when it comes to enhanced power and acceleration. When paired with the sport-tuned suspension, the tauter shock absorbers and springs give it outstanding handling you can feel and that help take on every curve you encounter, paved or not.
XSE Hybrid shown in Silver Sky Metallic with Midnight Black Metallic roof with available Technology Package and available panoramic glass roof. Vehicle shown using visual effects. Production model/options may vary.

When it’s time to get away, RAV4 is ready to help you take on any trip. Impressive off-road capabilities give you the confidence to go farther, and with up to 3500 lbs. of towing ability, you can haul more of your gear. It’s time to maximize your adventures for an experience you’ll never forget.

**MULTI-TERRAIN SELECT**

Offering you more capability when the pavement ends, RAV4 now features standard Multi-terrain Select on All-Wheel Drive (AWD) gas models. Choose between four modes (MUD & SAND, ROCK & DIRT, SNOW and NORMAL) for enhanced traction. When activated, the system is designed to sense slippage and regulate wheelspin by automatically adjusting the engine throttle, brakes and drive-force distribution — helping to maximize driving performance on different surfaces.

**MULTI-LINK REAR SUSPENSION**

Enjoy a smooth ride that delivers driving confidence. RAV4’s multi-link rear suspension helps enhance handling and control by working with its natural body rigidity in order to keep traction steady.

**GROUND CLEARANCE**

Don’t sweat the small stuff. RAV4’s ground clearance lets you easily handle off-road trails and pathways. The ride height also gives you a more confident view of what’s around you.

See numbered footnotes in Disclosures section.
TRD Off-Road shown in Super White with available Technology Package. Vehicle shown using visual effects. Production model/options may vary.

Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. Do not overload your vehicle. See Owner’s Manual for weight limits and restrictions. Vehicle shown with some accessories not available from Toyota.
Roughing it never looked so good.

The 2020 RAV4 continues to change the crossover game. Its powerful stance and longer wheelbase help give it a look that's aggressive off the road and sophisticated on the streets. Flared fenders and sharp creases also add to its tough exterior. RAV4 is more than just looks. Because of its capabilities, it can flex some muscle whenever it's needed.
Developed specifically for RAV4 TRD Off-Road, the 18-in. matte-black TRD alloy wheels utilize flow-forming technology to maintain a lightweight and rigid wheel design. Then they are wrapped with Falken® WILDPEAK A/T Trail tires to enhance your off-road ability. These all-terrain tires feature a rugged square-shoulder design to help protect against punctures and open-shoulder grooving to help shed debris, mud and snow.

RAV4 TRD OFF-ROAD
As unique on the road as it is off the road. TRD Off-Road features TRD suspension with enhanced rebound control and red coil springs for a smoother ride off pavement. Rugged overfenders and black accents also amp up its exterior look. Inside, the sporty look continues with TRD-stitched headrests and red stitching accents throughout.

WHEEL DESIGNS
Good-looking from the ground up. RAV4’s wheels are designed to complement every model’s personality and style. From XLE’s 17-in. 5-spoke silver alloy wheels to Limited’s available 19-in. multi-spoke super chrome-finished alloy wheels, you’ll look good wherever your trips take you.

RAV4 STYLE
See numbered footnotes in Disclosures section.
Bold style for every mile.

The bold style of the RAV4 Hybrid models delivers a look that matches the thrill of the drive. An available two-tone paint scheme gives it a look that’s sophisticated off the road and polished on the streets. RAV4 XSE Hybrid’s look is taken further with its exterior piano-black accents, while unique projector-beam LED headlights flank each side of the grille to help you see what’s ahead.

XSE shown in Blizzard Pearl™ with Midnight Black Metallic roof with available Technology Package and available panoramic glass roof. Vehicle shown using visual effects. Production model/options may vary. See numbered footnotes in Disclosures section.
Thoughtful interior.

Ready to impress, on- or off-road. Feel an elevated level of refinement every time you enter RAV4. Premium materials, like the available SofTex®-trimmed seats and the comfort of an available 8-way power-adjustable driver’s seat with memory function, put you in the center of it all.

Limited AWD interior shown in Black with available Weather Package and available panoramic glass roof. Vehicle shown using visual effects. Production model/options may vary.

See numbered footnotes in Disclosures section.
INTERIOR STYLE AND TECHNOLOGY

VENTILATED/HEATED FRONT SEATS AND HEATED REAR SEATS
Make every seat more comfortable. Available ventilated and heated front seats cool or warm up on demand, while available heated rear outboard seats can help keep rear passengers warm.

Limited AWD interior shown in Black with available Weather Package and Advanced Technology Package. Vehicle shown using visual effects. Production model/options may vary.
DIGITAL REARVIEW MIRROR
Get a clear view with the flip of a switch. RAV4 introduced Toyota’s first camera-based digital rearview mirror. The available feature uses a camera mounted up high inside the rear window for a wider field of vision — letting you see more of what’s behind you.

ANDROID AUTO™
By pairing your compatible Android™ phone to RAV4, you can access your Google Assistant,™ get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack or find a place to eat — all while keeping your hands on the wheel.

APPLE CARPLAY®
Bring along a familiar face. With RAV4’s Apple CarPlay® compatibility, you can use your compatible iPhone® with the audio multimedia system to get directions, make calls, send messages and listen to music while staying focused on your commute. Screen depiction accurate as of summer 2019.
INTERIOR STYLE AND TECHNOLOGY

JBL® AUDIO SYSTEM
Enhance the soundtrack to every adventure with RAV4’s available JBL® audio system. The next-gen system uses 800 watts of total power to drive 11 JBL® speakers in nine locations, including front horn tweeters and a subwoofer.

8-IN. PREMIUM AUDIO TOUCH-SCREEN
Centrally located on the dash to help keep your eyes on the road, RAV4’s available 8-in. multimedia touch-screen gives you access to its infotainment system. Intuitive pinch-and-zoom controls let you easily navigate through a variety of functions, while the available Wi-Fi Connect gives you a hotspot in town and helps keep you connected beyond city limits.

USB PORTS AND Qi-COMPATIBLE WIRELESS CHARGING
Stay connected to fun. Plug your smartphone or mobile device into one of up to five USB ports to power up. You can also place your device on the available Qi-compatible wireless smartphone charging pad found conveniently in the tray below the climate controls.

Always drive safely and obey traffic laws. See numbered footnotes in Disclosures section.
Closer connection.

Grab hold of the thrill that only the immediate acceleration of RAV4 Hybrid can deliver. With an available 7-in. Multi-Information Display (MID) that keeps track of your power distribution, mpg and nearly every aspect of your trip, you can keep an eye on RAV4’s vitals while staying focused on every turn.

XSE Hybrid interior shown in Black/Blue SofTex™ with available Weather Package and Premium Audio with Dynamic Navigation™ and JBL. Prototype shown with options. See numbered footnotes in Disclosures section.
XSE Hybrid shown in Black/Blue SofTex® with available Technology Package and panoramic glass roof. Vehicle shown using visual effects. Production model/options may vary.

HYBRID DRIVE MODES

Make the most of RAV4 Hybrid’s drive modes. ECO Mode increases fuel efficiency by reducing acceleration levels. EV Mode pulls power from its battery, maximizing efficiency for short distances. SPORT Mode gives you a boost in acceleration, while TRAIL Mode applies the brakes to individual wheels for sure-footed traction. NORMAL Mode utilizes the best of both worlds to keep you going.

See numbered footnotes in Disclosures section.
Limited AWD shown in Magnetic Gray Metallic with available Advanced Technology Package and roof rack cross bars. Prototype shown with options. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. Do not overload your vehicle. See Owner’s Manual for weight limits and restrictions. Vehicle shown with some accessories not available from Toyota.

See numbered footnotes in Disclosures section.
Every trip begins with a welcome.

Powered to help you out. With the push of a button, the available power rear liftgate can open and close automatically. When your hands are full, the available hands-free power liftgate senses your Smart Key fob and opens automatically when you wave your foot under the rear bumper. Sit inside, and a convenient shelf between the upper and lower dash gives you the perfect spot to place smaller items. Getting ready for adventure is easier than ever.

SMART KEY SYSTEM WITH PUSH BUTTON START
No need to reach into your pocket or purse with RAV4’s available Smart Key System. When RAV4 senses the Smart Key fob is near, you can lock and unlock the front doors and rear liftgate just by putting your hand on the door handle; or choose the available five-door Smart Key option to access all doors. Once inside, just press the Push Button Start and you’re ready to go.

ACCESSORY POWER OUTLET
Power your gear wherever you go. All you have to do is access the rear cargo area and plug into RAV4’s standard 12V/120W outlet to give you the charge you need to keep going. Adventure grade and TRD Off-Road up the power with an additional 120V/100W power outlet in the rear cargo area.

REMOTE CONNECT
Smart technology at hand. Through touch or voice commands, the available Toyota Remote Connect feature lets you locate your vehicle, lock or unlock the doors and even start the engine — all from your Apple Watch or Android smartwatch. One-year trial included.
The best of all worlds.

One-of-a-kind style, electrifying performance, inspiring capability and intelligent efficiency. RAV4 Hybrid has everything you look for when you’re running around town, and everything you need when you head out of it.

Limited AWD shown in Magnetic Gray Metallic with available Advanced Technology Package and available panoramic glass roof, and XSE Hybrid shown in Silver Sky Metallic with Midnight Black Metallic roof with available Technology Package and available panoramic glass roof. Prototypes shown with options.
Discover the potential in every day.
Pre-Collision System with Pedestrian Detection (PCS w/PD) is designed to help keep the road safe by detecting a vehicle, pedestrian or bicyclist in certain situations. The latest system has enhanced low-light capabilities for pedestrian detection. By combining millimeter-wave radar with a camera capable of shape recognition, the system provides an audio/visual alert, warning you of a possible collision under certain circumstances. If you don’t react, the system is designed for automatic braking support to help mitigate the potential for a collision.

Lane Departure Alert with Steering Assist (LDA w/SA) is designed to issue both an audible alert and visual warning on the MID screen if an inadvertent lane departure is detected at speeds above 32 mph. If the system determines that the driver is not taking corrective steering action, the Steering Assist function is designed to initiate and provide gentle corrective steering to help keep the vehicle in the lane.

Automatic High Beams (AHB) is a safety system designed to help you see more clearly at night — without distracting other drivers. Designed to activate at speeds above 25 mph, AHB relies on an in-vehicle camera to help detect the headlights of oncoming vehicles and taillights of preceding vehicles, then automatically toggles between high and low beams accordingly to provide the appropriate amount of light. By using high beams more frequently, the system may allow for earlier detection of pedestrians and obstacles.

Toyota Safety Sense™ 2.0 (TSS 2.0) is a bundle of active safety features standard on every new RAV4 at no additional cost. These innovative features were designed to help protect you and your passengers from harm.
TOYOTA SAFETY SENSE™ 2.0 (TSS 2.0)

When the Full-Speed Range Dynamic Radar Cruise Control (DRCC) is enabled and lane markers are detectable, Lane Tracing Assist (LTA) uses the lines on the road and/or preceding vehicles to help keep the vehicle centered while also displaying the vehicle’s position on the MID. The system is designed to help reduce driver strain and increase convenience, and may benefit drivers most during traffic jams — but can be turned off using the MID.

ROAD SIGN ASSIST (RSA)

Road Sign Assist (RSA) is designed to help keep the road safe. Using a forward-facing intelligent camera, Road Sign Assist is designed to detect speed limit signs, stop signs, yield signs and Do Not Enter signs, and display them on the MID.

FULL-SPEED RANGE DYNAMIC RADAR CRUISE CONTROL (DRCC)

Intended for highway use and similar to “constant speed” cruise control, Full-Speed Range Dynamic Radar Cruise Control (DRCC) lets you drive at a preset speed. DRCC uses vehicle-to-vehicle distance control, which is designed to adjust your speed, to help you maintain a preset distance from the vehicle ahead of you that is driving at a slower speed. DRCC uses a front-grille-mounted radar and an in-vehicle camera designed to detect vehicles and their distance. If a driver is traveling slower than you, or within your preset range, DRCC is designed to automatically slow your vehicle down without deactivating cruise control. If DRCC determines you need to slow down more, an audio and visual alert notifies you and brakes may be applied. When there’s no longer a vehicle driving slower than your preset speed in front of you, DRCC will then accelerate to the preset speed and regular cruise control will resume.

ROAD SIGN ASSIST (RSA)

When the Full-Speed Range Dynamic Radar Cruise Control (DRCC) is enabled and lane markers are detectable, Lane Tracing Assist (LTA) uses the lines on the road and/or preceding vehicles to help keep the vehicle centered while also displaying the vehicle’s position on the MID. The system is designed to help reduce driver strain and increase convenience, and may benefit drivers most during traffic jams — but can be turned off using the MID.

EIGHT AIRBAGS⁵²
RAV4 comes standard with a driver and front passenger Advanced Airbag System, with driver and front passenger seat-mounted side airbags, driver knee airbag, front passenger seat-cushion airbag, in addition to front and rear side curtain airbags. Eight airbags total — all focused on your safety.

Safe for every adventure.

Be more aware of what’s around you. A standard backup camera³⁵ and available Bird’s Eye View Camera⁹ help reveal more of your immediate surroundings. Available Front and Rear Parking Assist with Automated Braking (PA w/AB)⁴⁶ further alerts you with audible and visual warnings when it detects stationary objects or vehicles approaching from the rear. If the system determines there may be contact with a detected obstacle or vehicle, it will reduce engine power and/or apply the brakes.

BLIND SPOT MONITOR (BSM)³ WITH REAR CROSS-TRAFFIC ALERT (RCTA)³⁵
The available Blind Spot Monitor (BSM) warns you when a vehicle in the next lane enters RAV4’s blind spot on either side. When in Reverse, available Rear Cross-Traffic Alert (RCTA) helps detect vehicles approaching from either side, visibly with side mirror indicators and audibly with a warning tone.

STAR SAFETY SYSTEM™
Smart tech helps keep you safe. This standard comprehensive suite of six advanced safety features is designed to help keep you out of harm’s way. The system includes Enhanced Vehicle Stability Control (VSC)⁴⁹ Traction Control (TRAC), Anti-lock Brake System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA)⁵⁰ and Smart Stop Technology® (SST)⁵¹.

RAV4 MODELS

LE

Powertrain
- 2.5-Liter Dynamic Force 4-cylinder engine
- Direct Shift 8-speed Automatic Transmission
- 203 hp @ 6600 rpm, 184 lb.-ft. @ 5000 rpm
- Available All-Wheel Drive (AWD) with Multi-terrain Select
- SPORT, ECO and NORMAL drive modes
- Stop and Start Engine System (S&S) (AWD only)

Exterior Features
- 17-in. steel wheels with silver 6-spoke wheel covers and 225/65R17 tires
- LED Daytime Running Lights (DRL)
- Multi-LED headlights with Automatic High Beams (AHB)
- LED taillights and stop lights
- Power outside mirrors with folding feature
- Low-profile black-painted roof rails
- Dual chrome exhaust tips

Interior Features
- Audio — includes 7-in. touch-screen, Android Auto, Apple CarPlay and Amazon Alexa compatible, and SiriusXM with 3-month All Access trial; Connected Services — Safety Connect with 1-year trial and Wi-Fi Connect with up to 2 GB within 3-month trial
- Fabric-trimmed seats; 6-way adjustable driver’s seat, 4-way adjustable front passenger seat with seatback pocket
- Urethane tilt/telescopic 3-spoke steering wheel with audio, Multi-Information Display (MID), Bluetooth hands-free phone, and voice-command and trip controls
- Integrated backup camera with projected path
- Climate control system
- 4.2-in. digital Multi-Information Display (MID) with hybrid power meter
- One USB media port (in front storage tray)

Safety/Convenience — Standard on all RAV4 models
- Toyota Safety Sense™ 2.0 (TSS 2.0) includes:
  - Pre-Collision System with Pedestrian Detection (PCS w/PD)
  - Lane Departure Alert with Steering Assist (LDA w/SA)
  - Automatic High Beams (AHB)
  - Full-Speed Range Dynamic Radar Cruise Control (DRCC)
  - Road Sign Assist (RSA)
  - Lane Tracing Assist (LTA)
- Anti-theft system with engine immobilizer

Options
- Blind Spot Monitor (BSM) with Rear Cross-Traffic Alert (RCTA)
- Rear cargo area cover

LE Hybrid

Powertrain
- Hybrid 2.5-Liter Dynamic Force 4-cylinder engine
- Electronically Controlled Continuously Variable Transmission (ECVT) with sequential shift mode
- 219 combined net hp
- Electronic On-Demand All-Wheel Drive (AWD)
- Drive mode dial with SPORT, ECO and NORMAL modes
- TRAIL and EV Mode select buttons

Exterior Features
- 17-in. 5-spoke silver alloy wheels with 225/65R17 tires
- Active grille shutters
- Dual zone automatic climate control system and rear-seat vents
- 4.2-in. digital Multi-Information Display (MID) with hybrid power meter

Options
- Blind Spot Monitor (BSM) with Rear Cross-Traffic Alert (RCTA)
- Rear cargo area cover

XLE

Powertrain
- Available All-Wheel Drive (AWD) with Multi-terrain Select
- Stop and Start Engine System (S&S)

Exterior Features
- 17-in. 5-spoke silver alloy wheels with 225/65R17 tires
- Integrated fog lights
- Color-keyed heated power outside mirrors with turn signal and blind spot warning indicators

Interior Features
- Fabric-trimmed seats with embossed polygon-design seat inserts; 8-way power-adjustable driver’s seat with lumbar support; 4-way adjustable front passenger seat with seatback pocket
- Dual zone automatic climate control system with rear-seat vents
- Smart Key System on front doors and liftgate with Push Button Start; remote keyless entry with lock, unlock and panic functions, and remote illuminated entry
- Blind Spot Monitor (BSM) with Rear Cross-Traffic Alert (RCTA)
- One USB media port and four USB charge ports
- One 12V/120W auxiliary power outlet in front instrument panel storage tray, and one 12V/120W auxiliary power outlet in cargo area
- Rear cargo area cover

Options and Packages
- XLE Weather Package includes:
  - Heated leather-trimmed steering wheel
  - Heated front seats
  - Rain-sensing variable intermittent windshield wipers with de-icer function
- XLE Convenience Package includes:
  - Power tilt/slide moonroof with one-touch open/close
  - Power liftgate with jam protection
- Audio Plus includes:
  - 8-in. touch-screen with integrated panoramic backup camera display with dynamic gridlines
  - Anti-theft system with alarm and engine immobilizer
  - Service Connect with 10-year trial
  - Remote Connect with 1-year trial

See numbered footnotes in Disclosures section.

XLE Hybrid

Adds to or replaces features offered on LE Hybrid

**Exterior Features**
- LED Daytime Running Lights (DRL) accent lighting
- LED projector-beam headlights with chrome bezels, Automatic High Beams (AHB) and auto on/off feature
- Integrated fog lights
- Color-keyed outside door handles with front-row touch-sensor lock/unlock feature
- Color-keyed heated power outside mirrors with turn signal and blind spot warning indicators, and folding feature

**Interior Features**
- Fabric-trimmed seats with embossed polygon-design seat inserts; 8-way power-adjustable driver’s seat with lumbar support; 4-way adjustable front passenger seat with seatback pocket
- Smart Key System on front doors and liftgate with Push Button Start; remote keyless entry with lock, unlock and panic functions; and remote illuminated entry
- One USB media port and four USB charge ports
- One 120V/100W deck-mounted power outlet in front instrument panel storage tray, and one 12V/120W auxiliary power outlet in cargo area

**Options and Packages**
- XLE Weather Package includes:
  - Heated leather-trimmed steering wheel
  - Heated front seats
  - Rain-sensing variable intermittent windshield wipers with de-icer function
- XLE Convenience Package includes:
  - Power tilt/slide moonroof with one-touch open/close
  - Power liftgate with jam protection
- Audio Plus (requires XLE Convenience Package) includes:
  - 8-in. touch-screen with integrated panoramic backup camera display with dynamic gridlines
  - Anti-theft system with alarm and engine immobilizer
  - Service Connect with 10-year trial
  - Remote Connect with 1-year trial

XLE Premium

 Adds to or replaces features offered on XLE

**Exterior Features**
- 19-in. multi-spoke super chrome-finished alloy wheels with 235/55R19 tires
- Power tilt/slide moonroof with one-touch open/close
- Power liftgate with jam protection

**Interior Features**
- SofTex seats; 8-way power-adjustable driver’s seat with lumbar support; 4-way adjustable front passenger seat with seatback pocket
- Leather-trimmed tilt/telescopic 3-spoke steering wheel with silver accent and controls for audio, Multi-Information Display (MID), Bluetooth hands-free phone, voice-command, Dynamic Radar Cruise Control (DRCC), Lane Departure Alert (LDA) and Lane Tracing Assist (LTA)
- Dual zone automatic climate control system, front center-vent flow controls, and rear-seat vents

**Options and Packages**
- XLE Premium Weather Package includes:
  - Heated steering wheel
  - Heated front seats
  - 8-way power-adjustable driver’s seat with memory function and lumbar support
  - Rain-sensing variable intermittent windshield wipers with de-icer function
- Audio Plus and JBL includes:
  - 8-in. touch-screen with integrated panoramic backup camera display with dynamic gridlines
  - Anti-theft system with alarm and engine immobilizer
  - 11 JBL speakers (in nine locations) including subwoofer and amplifier
- XLE Premium Technology Package includes:
  - Front and Rear Parking Assist with Automated Braking (PA w/AB)
  - Digital rearview mirror with HomeLink universal transceiver
  - Qi-compatible wireless smartphone charging

Adventure

 Adds to or replaces features offered on XLE Premium

**Powertrain**
- Dynamic Torque Vectoring All-Wheel Drive (TV-AWD) with Rear Driveline Disconnect
- Multi-terrain Select (MUD & SAND, ROCK & DIRT, and SNOW modes)
- 3500-lb. towing capacity

**Exterior Features**
- 19-in. split 5-spoke alloy wheels with matte-black accents and 235/55R19 tires
- Unique split-bar front upper grille
- Active grille shutters
- Unique raised roof rails
- Black RAV4 and Adventure badging

**Interior Features**
- Audio Plus — includes 8-in. touch-screen, Android Auto, Apple CarPlay & Amazon Alexa compatible, and SiriusXM with 3-month All Access trial; Connected Services — Safety Connect with 1-year trial, Service Connect with 10-year trial, Remote Connect with 1-year trial and Wi-Fi Connect with up to 2 GB within 3-month trial
- SofTex seats with orange accents and stitching, and embossed seat inserts; 8-way power-adjustable driver’s seat with lumbar support; 4-way adjustable front passenger seat with seatback pocket
- Orange-accented interior, including orange stitching on dash, doors and seats
- Integrated panoramic backup camera display with dynamic gridlines
- 7-in. digital Multi-Information Display (MID)
- One 120V/100W deck-mounted power outlet

**Safety/Convenience**
- Anti-theft system with alarm and engine immobilizer

**Options and Packages**
- Adventure Grade Weather Package includes:
  - Heated steering wheel
  - Perforated heated and ventilated front seats
  - Rain-sensing variable intermittent windshield wipers with de-icer function
- Adventure Grade Convenience Package includes:
  - Power tilt/slide moonroof with one-touch open/close
  - Power liftgate with jam protection
- Two-tone exterior color
- Premium Audio with Dynamic Navigation and JBL (requires optional power tilt/slide moonroof) includes:
  - 11 JBL speakers (in nine locations) including subwoofer and amplifier
- Adventure Grade Technology Package (requires Premium Audio with JBL) includes:
  - Front and Rear Parking Assist with Automated Braking (PA w/AB)
  - Digital rearview mirror with HomeLink universal transceiver
  - Qi-compatible wireless smartphone charging

See numbered footnotes in Disclosures section.
For full product details, please visit toyota.com/rav4.
XSE Hybrid

 Adds to or replaces features on XLE Hybrid

 **Exterior Features**
 - 18-in. 5-spoke black-painted sport alloy wheels with 225/60R18 tires
 - Sport-tuned independent MacPherson strut front suspension with stabilizer bar and blue struts; sport-tuned multi-link rear suspension with stabilizer bar
 - Black-painted heated power outside mirrors with turn signal and blind spot warning indicators, and folding feature
 - Dark gray metallic-colored hexagon-patterned front grille
 - Color-keyed upper and black-painted lower front bumper, fog light trim, overfenders, mirrors, roof, rocker panels, and rear bumper with metallic gray insert
 - Two-tone exterior color with Midnight Black Metallic roof

 **Interior Features**
 - Audio Plus — includes 8-in. touch-screen, Android Auto, Apple CarPlay® & Amazon Alexa®, compatible, and SiriusXM® with 3-month All Access trial, Connected Services® — Safety Connect®, with 1-year trial,2 Service Connect® with 10-year trial,3 Safety Connect® with 1-year trial,3 Service Connect® with 10-year trial,3 Wi-Fi Connect® with up to 2 GB within 3-month trial2
 - SofTex®-trimmed seats with sporty blue stitching and fabric seat inserts; heated front seats, 8-way power-adjustable driver’s seat with lumbar support, 4-way adjustable front passenger seat with seatback pocket
 - Leather-trimmed tilt/telescopic 3-spoke steering wheel with silver accent and controls for audio, Multi-Information Display (MID), Bluetooth® hands-free phone, voice-command, Dynamic Radar Cruise Control (DRCC), Lane Departure Alert (LDA) and Lane Tracing Assist (LTA)

 **Powertrain**
 - Available Dynamic Torque Vectoring All-Wheel Drive (TV-AWD) with Rear Driveline Disconnect and Multi-terrain Select

 **Options and Packages**
 - Limited Grade Advanced Technology Package includes:
   - Heated steering wheel
   - Perforated heated and ventilated front seats
   - Rear outboard passenger heated seating with perforated inserts
   - Rain-sensing variable intermittent windshield wipers with de-icer function
   - Adaptive Front Headlight System™ — LED projector-beam headlights with chrome bezels, Automatic High Beams (AHB) and auto on/off feature (requires Limited Grade Advanced Technology Package)
TRD Off-Road

Adds to or replaces features offered on Adventure

Exterior Features

• 18-in. 6-spoke matte-black TRD flow-formed alloy wheels with 225/60R18 100H tires
• Falken® WILDPEAK all-terrain tires
• LED Daytime Running Lights (DRL)
• Integrated LED fog lights
• Unique color-keyed upper and black lower front bumper, larger black overfenders and black rear bumper with magnetic gray insert
• TRD-tuned independent MacPherson strut front suspension with stabilizer bar, multi-link rear suspension with stabilizer bar
• Power tilt/slide moonroof with one-touch open/close
• Power liftgate with jam protection
• Black RAV4 and TRD Off-Road badging

Interior Features

• SofTex®-trimmed front seats with red accents and stitching, embossed seat inserts and TRD stitching in headrest; 8-way power-adjustable driver’s seat with lumbar support, 4-way adjustable front passenger seat with seatback pocket
• Red-accented interior, including red stitching on dash, doors and seat, and red cup holder trim
• TRD all-weather floor mats and cargo liner

Options and Packages

• TRD Off-Road Weather Package includes:
  – Heated steering wheel
  – Perforated heated and ventilated front seats
  – Rain-sensing variable intermittent windshield wipers with de-icer function
• Two-tone exterior color
• Premium Audio with Dynamic Navigation and JBL® includes:
  – 11 JBL® speakers (in nine locations) including subwoofer and amplifier
• TRD Off-Road Technology Package (requires Premium Audio with JBL®) includes:
  – Bird’s Eye View Camera® with Perimeter Scan, overhead 360-degree view in low-speed Drive and Reverse, and curb view
  – Front and Rear Parking Assist with Automated Braking (PA w/AB)
  – Digital rearview mirror with HomeLink® universal transceiver
  – Qi-compatible wireless smartphone charging

A wide range of Genuine Toyota Accessories is available to help make driving your RAV4 even more fun. Now your RAV4 can reflect your personal style. There’s something for everyone. Some accessories may not be available in all regions of the country. For a complete list of accessories, go to toyota.com/rav4.

Adventure roof rack cross bars
Alloy wheel locks
All-weather floor liners
Black alloy wheel locks (TRD Off-Road only)
Blackout emblem overlays
Body side moldings
Cargo liner
Cargo tote
Carpet cargo mat
Carpet floor mats
Coin holder/ashtray cup
Door edge guards
Doorsill protectors
Emergency assistance kit
First aid kit
Frameless HomeLink® mirror
High-performance Black LED fog lights
Mudguards
Paint protection film
Rear bumper appliqué (XSE Hybrid only)
Roof rack cross bars
Running boards
Spider cargo net
Tow hitch receiver
Towing wire harness
Trailer ball
Universal tablet holder

*Not available with the Limited Grade Advanced Technology Package.

Audio Plus — includes 8-in. touch-screen with integrated panoramic backup camera display with dynamic gridlines, AM/FM/HD Radio, 11 JBL® speakers in nine locations including subwoofer and amplifier, USB media port, 21 four USB charge ports, advanced voice recognition, hands-free phone capability and music streaming via Bluetooth wireless technology, Android Auto, Apple CarPlay® and Amazon Alexa compatible, SiriusXM® with 3-month All Access trial, anti-theft system with alarm and engine immobilizer, Connected Services — Safety Connect® with 1-year trial, Wi-Fi Connect with up to 2 GB with 3-month trial. See toyota.com/connectedservices for details.

Premium Audio with Dynamic Navigation and JBL® — includes 8-in. touch-screen, AM/FM/HD Radio, 11 JBL® speakers in nine locations including subwoofer and amplifier, USB media port, 4 USB charge ports, advanced voice recognition, hands-free phone capability and music streaming via Bluetooth wireless technology, Android Auto, Apple CarPlay® and Amazon Alexa compatible, SiriusXM® with 3-month All Access trial, anti-theft system with alarm and engine immobilizer, Connected Services — Safety Connect® with 1-year trial, Service Connect® with 10-year trial, Remote Connect® with 1-year trial, Wi-Fi Connect® with up to 2 GB with a 3-month trial. See toyota.com/connectedservices for details.

Audio Plus and JBL® — includes 8-in. touch-screen with integrated panoramic backup camera display with dynamic gridlines, AM/FM/HD Radio, 11 JBL® speakers in nine locations including subwoofer and amplifier, USB media port, 4 USB charge ports, advanced voice recognition, hands-free phone capability and music streaming via Bluetooth wireless technology, Android Auto, Apple CarPlay® and Amazon Alexa compatible, SiriusXM® with 3-month All Access trial, anti-theft system with alarm and engine immobilizer, Connected Services — Safety Connect® with 1-year trial, Service Connect® with 10-year trial, Remote Connect® with 1-year trial, Wi-Fi Connect® with up to 2 GB with a 3-month trial. See toyota.com/connectedservices for details.

Premium Audio with Dynamic Navigation and JBL® — includes 8-in. touch-screen, AM/FM/HD Radio, 11 JBL® speakers in nine locations including subwoofer and amplifier, USB media port, 4 USB charge ports, Dynamic Navigation with up to 3-year trial, Dynamic POI Search, Dynamic Voice Recognition, hands-free phone capability and music streaming via Bluetooth wireless technology, Android Auto, Apple CarPlay® and Amazon Alexa compatible, SiriusXM® with 3-month All Access trial, Connected Services — Safety Connect® with 1-year trial, Service Connect® with 1-year trial, Remote Connect® with 1-year trial, Wi-Fi Connect® with up to 2 GB with 3-month trial, Destination Assist® with 1-year trial. See toyota.com/connectedservices for details.

Audio Plus and JBL® — includes 8-in. touch-screen with integrated panoramic backup camera display with dynamic gridlines, AM/FM/HD Radio, 11 JBL® speakers in nine locations including subwoofer and amplifier, USB media port, 4 USB charge ports, advanced voice recognition, hands-free phone capability and music streaming via Bluetooth wireless technology, Android Auto, Apple CarPlay® and Amazon Alexa compatible, SiriusXM® with 3-month All Access trial, anti-theft system with alarm and engine immobilizer, Connected Services — Safety Connect® with 1-year trial, Service Connect® with 10-year trial, Remote Connect® with 1-year trial, Wi-Fi Connect® with up to 2 GB with 3-month trial. See toyota.com/connectedservices for details.

Premium Audio with Dynamic Navigation and JBL® — includes 8-in. touch-screen, AM/FM/HD Radio, 11 JBL® speakers in nine locations including subwoofer and amplifier, USB media port, 4 USB charge ports, Dynamic Navigation with up to 3-year trial, Dynamic POI Search, Dynamic Voice Recognition, hands-free phone capability and music streaming via Bluetooth wireless technology, Android Auto, Apple CarPlay® and Amazon Alexa compatible, SiriusXM® with 3-month All Access trial, Connected Services — Safety Connect® with 1-year trial, Service Connect® with 1-year trial, Remote Connect® with 1-year trial, Wi-Fi Connect® with up to 2 GB with 3-month trial, Destination Assist® with 1-year trial. See toyota.com/connectedservices for details.

XLE Premium Grade Technology Package (requires Audio Plus with JBL®) — includes Front and Rear Parking Assist with Automated Braking (PA w/AB), digital rearview mirror with HomeLink® universal transceiver and Qi-compatible wireless smartphone charging with charge indicator light.

Premium Audio with Dynamic Navigation and JBL® — includes 8-in. touch-screen, AM/FM/HD Radio, 11 JBL® speakers in nine locations including subwoofer and amplifier, USB media port, 4 USB charge ports, advanced voice recognition, hands-free phone capability and music streaming via Bluetooth wireless technology, Android Auto, Apple CarPlay® and Amazon Alexa compatible, SiriusXM® with 3-month All Access trial, anti-theft system with alarm and engine immobilizer, Connected Services — Safety Connect® with 1-year trial, Service Connect® with 10-year trial, Remote Connect® with 1-year trial, Wi-Fi Connect® with up to 2 GB with 3-month trial. See toyota.com/connectedservices for details.

TRD Off-Road Technology Package (requires Premium Audio with JBL®) — includes Front and Rear Parking Assist with Automated Braking (PA w/AB), Bird’s Eye View Camera® with Perimeter Scan, overhead 360-degree view in low-speed Drive and Reverse, and curb view; digital rearview mirror with HomeLink® universal transceiver, and Qi-compatible wireless smartphone charging with charge indicator light.

XSE Technology Package (requires Premium Audio with JBL®) — includes Front and Rear Parking Assist with Automated Braking (PA w/AB), and Qi-compatible wireless smartphone charging with charge indicator light.

Limited Grade Advanced Technology Package — includes Smart Key System® on all doors and liftgate; height—adjustable hands—free power liftgate with jam protection; Bird’s Eye View Camera® with Perimeter Scan, overhead 360-degree view in low—speed Drive and Reverse, and curb view, and Qi—compatible wireless smartphone charging with charge indicator light.

Rear cargo area cover

Blind Spot Monitor (BSM) with Rear Cross—Traffic Alert (RCTA) — includes color—keyed heated power outside mirrors with turn signal and blind spot warning indicators.

Panoramic glass roof with front power tilt/slide/moonroof (requires Advanced Technology Package)

Two-tone exterior color

Premium paint

*Installation of tow hitch receiver will disable touchless sensor of hands-free power liftgate.

See numbered footnotes in Disclosures section.
### MECHANICAL/PERFORMANCE

**ENGINE**
203 hp @ 6600 rpm; 184 lb.-ft. @ 5000 rpm  
219 combined system net hp  
2.5-Liter Dynamic Force 4-Cylinder engine with DOHC 16-Valve with D-4S Dual Injection and Dual Variable Valve Timing with intelligence (VVT-i)  
2.5-Liter Dynamic Force 4-Cylinder engine with DOHC 16-Valve with D-4S Dual Injection and Dual Variable Valve Timing with intelligence (VVT-i)  
Stop and Start Engine System (S&S) (LE AWD only)  
Multi-electric motor assist with power output of 118 hp, 149 lb.-ft., 650V maximum electric motor voltage and 244.8V sealed Nickel-Metal Hydride (Ni-MH) traction battery

**INDUCTION SYSTEM**
D-4S Dual Injection (direct injection and port injection) EFI with Electronic Throttle Control System with intelligence (ETCS-i)

**EMISSION RATING**
Ultra Low Emission Vehicle (ULEV)  
Super Ultra Low Emission Vehicle (SULEV)  
Stop and Start Engine System (S&S) (LE AWD only)

**TRANSMISSION**
Direct Shift 8-speed Electronically Controlled Automatic Transmission with intelligence (ECT-i), sequential shift mode  
Electronically Controlled Continuously Variable Transmission (ECVT) with sequential shift mode  
Engine oil cooler, automatic transmission fluid cooler and upgraded 150-amp alternator  
Engine oil cooler, automatic transmission fluid cooler and hybrid system cooler  
Automatic transmission fluid cooler

**DRIVETRAIN**
Front-Wheel Drive (FWD)  
All-Wheel Drive (AWD)  
Dynamic Torque Vectoring All-Wheel Drive (TV-AWD) with Rear Driveline Disconnect  
Electronic On-Demand All-Wheel Drive (AWD)

**BODY CONSTRUCTION**
Reinforced unitized steel body

**SUSPENSION**
Independent MacPherson strut front suspension with stabilizer bar, multi-link rear suspension with stabilizer bar  
Sport-tuned independent MacPherson strut front suspension with stabilizer bar; sport-tuned multi-link rear suspension with stabilizer bar  
TRD-tuned independent MacPherson strut front suspension with stabilizer bar, multi-link rear suspension with stabilizer bar (unique shocks, struts, red-painted coil springs, jounce bumpers)

**STEERING**
Electric Power Steering (EPS); power-assisted rack-and-pinion  
Steering ratio  
Steering wheel turns (lock-to-lock)

**BRAKES**
Power-assisted ventilated 12.0-in. front disc brakes; ventilated 11.1-in. rear disc brakes with Star Safety System™  
Electronically Controlled Braking (ECB) system with integrated regenerative braking

**TURNING CIRCLE DIAMETER**
Turning circle diameter, curb-to-curb (ft.)

**EXTERIOR DIMENSIONS** (in.)
Overall height (with antenna)  
Overall width  
Overall length  
Track (front/rear)
Wheelbase

*Installation of tow hitch receiver will disable touchless sensor of hands-free power liftgate.

**WARRANTIES**

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

- **Basic**: 36 months/36,000 miles (all components other than normal wear and maintenance items).
- **Hybrid-Related Component Coverage**: Hybrid-related components, including the battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. Refer to applicable Warranty and Maintenance Guide for details.
- **Hybrid Battery**: HV battery is covered for 10 years or 150,000 miles, whichever comes first. Warranty coverage is subject to terms and conditions. Refer to applicable Warranty and Maintenance Guide for details.
- **Powertrain**: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).
- **Rust-Through**: 60 months/unlimited miles (corrosion perforation of sheet metal).
- **Emissions**: Coverages vary under Federal and California regulations. Refer to applicable Warranty and Maintenance Guide for details.

**Accessories**: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage. You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable Warranty and Maintenance Guide or see your Toyota dealer.

See numbered footnotes in Disclosures section.
DISCLOSURES

1. Toyota strives to build vehicles that match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. If you would prefer a vehicle with no or different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

2. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See Owner’s Manual for additional limitations and details.

3. The Adaptive Front-Lighting System helps improve night vision. Situations such as a dirty windshield, rapidly changing light conditions or hilly terrain may limit effectiveness, requiring the driver to manually turn off the system. See Owner’s Manual for additional limitations and details.

4. Extra-cost color.
5. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See Owner’s Manual for additional limitations and details.

6. Sensors and camera. Always look over your shoulder and use your turn signal. The system may not detect all objects.

7. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance.

8. Environmental conditions may limit effectiveness and view may become obscured. See Owner’s Manual for additional limitations and details.

9. The integrated panoramic backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance.

10. SofTex® is a registered trademark of Toyota Motor Sales, U.S.A., Inc.

11. This floor mat/floor liner was designed specifically for use in your model and vehicle year and SHOULD NOT be used in any other vehicle.

12. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, settings, service availability and conditions. System effectiveness is dependent on many factors including road, traffic and weather conditions. See Owner’s Manual for additional limitations and details.

13. Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, traffic and weather conditions. Conditions may limit effectiveness and view may become obscured. See Owner’s Manual for additional limitations and details.

14. Lane Departure Alert is designed to read visible lane markers under certain conditions, and provide visible and audible alerts when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions.

15. Lane Departure Assist (LDA) is designed to read visible lane markers and detect other vehicles under certain conditions when DRCC is engaged. When potential lane departure is detected, LDA provides a visual warning and either an audible alert or vibration in the steering wheel and can apply a slight steering force. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions.

16. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system.

17. Homelink® and the Homelink® house icon are registered trademarks of Gentex Corporation.

18. Toyota Safety Connect® depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength and other factors outside of Toyota’s control, all of which can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Registration required. Service subject to change at any time without notice. See Owner’s Manual for additional limitations and details.

19. When the system is on, Electric Parking Brake is designed to engage the Parking Brake under limited conditions. It may not hold the vehicle under all conditions. See Owner’s Manual for additional limitations and details.

20. When the system is on, Brake Hold is designed to keep the brakes engaged after the driver brings the vehicle to a complete stop. It may not hold the vehicle under certain conditions and does not function when the vehicle is in Reverse. Brake Hold is not a substitute for safe and attentive driving. See Owner’s Manual for additional limitations and details.

21. Toyota Remote Connect depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength and other factors outside of Toyota’s control, all of which can limit system functionality or availability, including access to response center and emergency support. Service may vary by vehicle and region. Terms of Use apply. See https://toyota.com/connected-services/ for additional details. See usage precautions and service limitations in Owner’s Manual and at toyota.com/connected-services/ for additional details.

22. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the respective trial period expires, enrollment in a paid subscription is required to access the service.

23. Environmental conditions may limit effectiveness and view may become obscured. See Owner’s Manual for additional limitations and details.

24. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance.

25. Apps and services subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected with an approved data cable into the USB media port. Apple CarPlay® is a registered trademark of Apple Inc.

26. Alexa, Amazon and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Requires adequate signal strength and smartphone. See applicable application for details.

27. SiriusXM® is a registered trademark of SiriusXM Radio Inc. The SiriusXM All Access trial length and service availability may vary by model, model year or region. The SiriusXM All Access trial period is not available in Alaska or Hawaii.

28. Dynamic Navigation depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota’s control, all of which can limit system functionality or availability, including access to response center and emergency support. Service may vary by vehicle and region. Terms of Use apply. See usage precautions and service limitations in Owner’s Manual and at toyota.com/connected-services/ for additional details.

29. Connected Services depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota’s control, all of which can limit system functionality or availability, including access to response center and emergency support. Service may vary by vehicle and region. Terms of Use apply. See usage precautions and service limitations in Owner’s Manual and at toyota.com/connected-services/ for additional details.

30. The Safety Connect® trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply.

31. Eligible vehicle and wireless service required. Coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/toyota for terms and conditions. Wi-Fi Connect is available on select 2019 and newer Toyota vehicles. Visit toyota.com for vehicle availability. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. See Toyota Connected/Services for details.

32. True difference in customer’s ability to use at all is in-car connectivity. In-vehicle subscription is required to use the App. Apps, apps and services subject to change at any time without notice. To learn more, go to https://www.toyota.com/audio-multimedia. To learn more about Toyota’s data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/.

33. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation and Foreign Patents. HD Radio™ and the HD, HD Radio, and “Arc” logos are proprietary trademarks of iBiquity Digital Corp.

34. Information provided is based on the last time data was collected from the vehicle and may not be up to date. Service Connect depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota’s control, which can limit system functionality or availability. Service may vary by vehicle and region. Registration required. Service subject to change at any time without notice. Terms and conditions of subscription service agreement apply. See usage precautions and service limitations in Owner’s Manual and at toyota.com/connected-services/ for additional details.

35. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the respective trial period expires, enrollment in a paid subscription is required to access the service.

36. Remote Connect depends on an operative telematics device, a cellular connection, GPS signal strength and other factors outside of Toyota’s control, which can limit system functionality and availability. Service may vary by vehicle and region. App download required. Terms of Use apply. See https://www.toyota.com/privacyvts/.

37. When the system is on, Electric Parking Brake is designed to engage the Parking Brake under limited conditions. It may not hold the vehicle under all conditions. See Owner’s Manual for additional limitations and details.

38. JBL® is a registered trademark of Harman International Industries, Inc.

39. Dynamic Navigation depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength, and other factors outside of Toyota’s control, which can limit system functionality or availability. Services not available in every city or roadway.

40. Destination Connect Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Destination Assist depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength and other factors outside of Toyota’s control, which can limit system ability, functionality or availability. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Service subject to change at any time without notice. Terms of Use apply. See Owner’s Manual and toyota.com/connected-services for additional limitations and details.

41. Destination Connect Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service.
of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. 43. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. 44. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner’s Manual for additional limitations and details. 45. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle or a pedestrian. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian and weather, light and road conditions. See Owner’s Manual for additional limitations and details. 46. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering control to assist the driver to avoid a potential off-road condition. It does not guarantee instant steering intervention. See Owner’s Manual for additional limitations and details. 47. Full-Speed Range Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on road, weather and traffic conditions. See Owner’s Manual for additional limitations and details. 48. Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle’s forward-facing camera and navigation system to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions and does not guarantee instant stopping. See Owner’s Manual for additional limitations and details. 49. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See Owner’s Manual for additional limitations and details. 50. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner’s Manual for additional limitations and details. 51. Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is designed to provide brake assist under certain conditions to help the driver maintain vehicle control. See Owner’s Manual for additional limitations and details. 52. Airbags are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rear-facing-child seat in any front passenger seat. See Owner’s Manual for additional limitations and details. 53. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner’s Manual for additional limitations and details. 54. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Customer Experience Center at 1-800-331-4331. 55. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See Owner’s Manual for additional limitations and details. 56. At speeds of 9 mph or less, Front and Rear Parking Assist with Automated Braking (PA/w/AB) is designed to assist drivers in avoiding potential collisions with nearby static objects when the vehicle is in Drive or Reverse and approaching crossing vehicles when the vehicle is in Reverse. Do not rely overly on PA w/AB. Always look around outside the vehicle and use mirrors to confirm clearance. Certain vehicle and environmental factors, including an object or vehicle’s shape, size and composition, may affect the system’s effectiveness. See Owner’s Manual for additional limitations and details. 57. Trailer-Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See Owner’s Manual for additional limitations and details. 58. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See Owner’s Manual for additional limitations and details. 59. Downhill Assist Control is designed to help driver maintain vehicle control and speed on steep, downhill descents and is not a substitute for safe driving practices and judgment. See Owner’s Manual for additional limitations and details. 60. Toyota’s Multi-Information Display is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle’s immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service. 61. Before towing, confirm Stop and Start Engine System is disengaged (if equipped). 62. Meets Tier 2/Bin 3 Federal emissions standard. 63. CAUTION! When driving a hybrid vehicle, pay special attention to the area around the vehicle. Because there is little vehicle noise in EV Mode, pedestrians, people riding bicycles or other people and objects in the area may not be aware of the vehicle starting off or approaching. 64. Intra-CarLink is a registered trademark of Toyota. See Owner’s Manual for additional limitations and details. 64. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. 65. Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver’s doorjamb. 66. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner’s Manual. The maximum amount you can tow depends on base curb weight plus the total weight of any cargo, occupants and additional equipment. See Owner’s Manual for additional limitations and details. 67. Hill Start Assist Control (HSA) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See Owner’s Manual for additional limitations and details. 68. Toyota genuine paint protection film by 3M is designed for specific sections of the vehicle most prone to chipping and may vary depending on vehicle model. Select applications may require an additional charge. Toyota genuine paint protection film by 3M applies when installation is performed by a trained Toyota-approved installer. See Toyota dealer for details. 69. The universal tablet holder is intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of the road and traffic conditions at all times. Use of aftermarket accessories may pose an increased risk of injury to occupants in the event of an accident. Tablet sold separately. 70. Toyota genuine paint protection film by 3M applies when installation is performed by a trained Toyota-approved installer. See Toyota dealer for details. 71. Always drive safely and obey traffic laws. Functionality depends on many factors outside of Toyota’s control. Actions and services subject to change at any time without notice. To learn more, go to https://www.toyota.com/connected-services. To learn more about Toyota’s data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacycts/.
