Meet your Camry match.

The 2021 Toyota Camry takes the midsize sedan with all its convenience and evolves it for the better. With the driver in mind, Camry comes in a wide range of models, so there’s a perfect match for you. Whether giving your adventures a confidence boost with available All-Wheel Drive (AWD) capability or taking your daily commutes as far as they can with hybrid efficiency, there’s a Camry fit for your lifestyle.
PERFORMANCE

More than capable.

By taking advantage of the light and strong Toyota New Global Architecture (TNGA) platform, Camry is engineered for optimized handling and ride quality. And with a low, wide stance, Camry delivers a crisp and responsive feel. Indulge your sporty side and take the long way home.

All-Wheel Drive

Available All-Wheel Drive (AWD) performance gives you peace of mind, no matter the forecast. When sensing slippage at the front wheels, Camry AWD can send up to 50% of the torque to the rear wheels for more grip in gravel, rain or snow.

Impressive 4-cylinder and V6 engines

Camry offers a compelling choice of gasoline engines: a proficient 2.5-liter Dynamic Force 4-cylinder and a robust 3.5-liter V6, each delivering a quality blend of performance and efficiency.

Hybrid performance

Get the best of both worlds. Camry Hybrid’s Dynamic Force 4-cylinder engine, along with a proven electric motor and smooth-shifting transmission, produces ample torque and has an EPA-estimated rating of 46 mpg combined. And with available, newly designed 19-in. wheels, Camry XSE Hybrid proves it doesn’t sacrifice style.

See numbered footnotes in Disclosures section.
Not your average four-door.

We’ve turned our Toyota Racing Development (TRD) engineers loose on Camry, improving handling, performance and styling. Aerodynamic elements, from the front splitter and the side aero skirts to the rear diffuser and spoiler, boost Camry TRD’s bold impression and help improve high-speed stability.

TRD 19-in. alloy wheels with red-painted calipers

Matte-black alloy wheels on TRD not only look good, but also reduce weight and enhance steering responsiveness. Large 12.9-in.-diameter front rotors and red-painted dual-piston front calipers give you impressive stopping power on every twist and turn.

TRD purposeful stance

TRD-tuned shocks help improve body control, handling agility and steering precision. Thicker underbody braces increase torsional rigidity, and unique coil springs not only drop the vehicle .60 inches for a lower center of gravity, but also enhance the aero kit’s downforce and aggressive look.

TRD cat-back dual exhaust

Hit the gas and enjoy the sound of TRD’s standard 301-hp 3.5L V6. The cat-back dual exhaust reduces back pressure and helps optimize efficiency and power. Polished stainless steel TRD exhaust tips punctuate its athletic look.

See numbered footnotes in Disclosures section.
Leaves a lasting impression.

Camry’s powerful stance and available black front grille with sport mesh insert announce your arrival with authority. At night, you’ll immediately notice Camry XLE and XSE’s LED headlights and fully integrated LED Daytime Running Lights (DRL) that add an illuminating touch.

Camry SE Nightshade Edition
Show off Camry’s dark side with Camry Nightshade Edition. Aggressive black 18-in. wheels, window trim and badging complement this Special Edition’s evocative design.

Seat details
Finally, a sedan that speaks to your sense of style. Updates to the interior trim, along with a new herringbone seat pattern on XLE, let you personalize the finishing touches. Such finely crafted details ensure Camry will leave a lasting impression.

Floating touchscreen display
With Camry’s perfectly placed steering wheel controls, everything you want is right at your fingertips. The new floating display with an available 9-in. multimedia touchscreen offers Apple CarPlay® support for your iPhone® or Android Auto™ integration.
Amplify your drive.

Take advantage of smarter and convenient technologies designed to simplify your everyday life. From a suite of services that are there for you 24/7 to an immersive audio multimedia system, you can stay connected to your world.

Connected Services

Our available suite of Connected Services provides added convenience and peace of mind.

- **Safety Connect®**
  Emergency SOS assistance and 24/7 Toyota Roadside Assistance.
- **Service Connect**
  Get personalized maintenance updates and vehicle health reports.
- **Remote Connect**
  Start, lock/unlock your doors and more, using your compatible smart device.
- **Wi-Fi Connect**
  Turn your Toyota into a hotspot with 4G connectivity.
- **Destination Assist**
  24/7 live agent assistance to locate your next destination.

To view included trial details, please visit toyota.com/connected-services.

Audio Multimedia

Make every drive more personal. By utilizing your vehicle’s touchscreen display and audio multimedia capabilities, you’ll always have access to what you want. Whether it’s listening to your favorite playlist or finding the most scenic route to your destination, you’ll enjoy the latest in connectivity and technologies that are all about you.

Apple CarPlay®

Bring along a familiar face. With Apple CarPlay compatibility, you can use your compatible iPhone with the audio multimedia system to get directions, make calls, send and receive messages, and listen to music — all while staying focused on your commute.

Android Auto™

Stay connected on the road. By pairing your compatible Android phone with the audio multimedia system, Android Auto lets you access your Google Assistant, get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

SiriusXM® All Access 3-month trial subscription

Enjoy listening to what you want to hear. With SiriusXM, you get the deepest variety of ad-free music, more sports coverage than anywhere else, exclusive talk channels, every kind of comedy, and the most complete news coverage.

Amazon Alexa

Almost anywhere the road takes you, Amazon Alexa connectivity follows. With a smartphone connection and the Toyota+Alexa app, all you have to do is ask Alexa to play music, listen to audiobooks, hear the news, check weather, control smart-home devices and more.

JBL®

Feel the difference and hear the truth. Designed specifically for Toyota, JBL finely tunes each speaker to the interior of the vehicle. Just turn up the volume to hear the crisp, rich, vibrant sound come through.

Feature availability may vary by model grade. See numbered footnotes in Disclosures section.
TOYOTA SAFETY SENSE™ 2.5+ (TSS 2.5+)

Peace of mind comes standard.

Toyota Safety Sense™ 2.5+ (TSS 2.5+)\(^8\) is the latest bundle of active safety features included on many new Toyota vehicles at no additional cost. These innovative features were designed to help protect you and your passengers from harm.

- Pre-Collision System with Pedestrian Detection\(^9\)
- Full-Speed Range Dynamic Radar Cruise Control\(^{20}\)
- Lane Departure Alert with Steering Assist\(^{21}\)
- Automatic High Beams\(^{22}\)
- Lane Tracing Assist\(^{23}\)
- Road Sign Assist\(^{24}\)

For more information, visit toyota.com/safety-sense. Feature availability may vary by model grade. See numbered footnotes in Disclosures section.

**CAMRY ACCESSORIES**

This is a great way to add extra personality to your Camry. Not every accessory is available in your area, so for a complete list of accessories, go to toyota.com/camry/accessories.

**WARRANTIES**

Every Toyota Car, Truck and SUV is built to exceptional standards. And that’s not idle boasting. We back it up with these Limited Warranty Coverages:

- **Basic**: 36 months/36,000 miles (all components other than normal wear and maintenance items).
- **Hybrid-Related Component Coverage**: Hybrid-related components, including the battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. Refer to applicable Warranty and Maintenance Guide for details.
- **Hybrid Battery**: HV battery is covered for 10 years or 150,000 miles, whichever comes first. Warranty coverage is subject to terms and conditions. Refer to applicable Warranty and Maintenance Guide for details.
- **Powertrain**: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).
- **Rust-Through**: 60 months/unlimited miles (corrosion perforation of sheet metal).
- **Emissions**: Coverages vary under Federal and California regulations. Refer to applicable Warranty and Maintenance Guide for details.

**Accessories**:

For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle’s in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it’s necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota’s warranties, please visit www.toyota.com, refer to the applicable Warranty and Maintenance Guide or see your Toyota dealer.

See numbered footnotes in Disclosures section.

DISCLOSURES

1. Extra-cost color. 2. EPA-estimated 28 city/39 hwy/32 combined mpg for 2021 Camry LE, SE and SE Nightshade Edition; 27 city/38 hwy/31 combined mpg for 2021 Camry XLE 4-Cylinder and XSE 4-Cylinder; 22 city/33 hwy/26 combined mpg for 2021 Camry XLE V6; 22 city/32 hwy/26 combined mpg for 2021 Camry XSE V6; 21 city/31 hwy/25 combined mpg for 2021 Camry TRD. 51 city/53 hwy/52 combined mpg for 2021 Camry LE Hybrid, and 44 city/47 hwy/46 combined mpg for 2021 Camry SE Hybrid, XLE Hybrid and XSE Hybrid. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle’s condition and how/where you drive. See www.fueleconomy.gov. 3. Apps and services are subject to change at any time without notice. 4. Apple CarPlay™ and the Apple CarPlay logo are trademarks of Apple Inc. 5. Google, Android, and the Google logo are trademarks of Google LLC. 6. Amazon Alexa is a registered trademark of Amazon.com, Inc. 4. iPhone® is a registered trademark of Apple Inc. All rights reserved. 5. Vehicle user interface is a product of Google and its terms and privacy statement apply. To use Android Auto on your audio display, you’ll need an Android Auto capable vehicle and Android Phone. For phone compatibility visit: https://www.androidauto.com/. Requires compatible smartphone connected with an approved data cable into the USB media port, and data plan rates apply. Apps and services vary by phone carrier and are subject to change at any time without notice. Android, Android Auto and Waze are trademarks of Google. 6. Connected Services depends on an operating telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota’s control, all of which can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Registration required. 7. Service subject to change at any time without notice. Terms of Use apply. Service may vary by vehicle and region. See usage precautions and service limitations in Owner’s Manual and at toyota.com/connected-services for additional details. To learn about Toyota’s data collection, use, sharing and retention, please visit https://www.toyota.com/privacy/. 10. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect depends on an operating telematics device, a cellular connection, GPS signal strength and other factors outside of Toyota’s control, which can limit system functionality and availability. Service may vary by vehicle and region. Registration and app download required. Terms of Use apply. Remote Connect is subject to change at any time without notice. See usage precautions and service limitations in Owner’s Manual and at https://www.toyota.com/connected-services for additional details. To learn about Toyota’s data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacy/. 11. Eligible vehicle and wireless service required. Coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to ax.com/toyota for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. If internet is subject to change at any time, terms, conditions and service limitations may apply. See SiriusXM for additional limitations and details. 12. Toyota Safety Sense™ is a driver support system that utilizes the vehicle’s forward-facing camera and navigation map data and GPS signal strength and other factors outside of Toyota’s control, which can limit system functionality or availability. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Terms of Use apply. Service subject to change at any time without notice. 13. Apps and services subject to change at any time without notice. To use the service after activation, you will need a Toyota+Alexa app. When you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All programs and service subject to change. Not all vehicles or devices are compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. 18. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner’s Manual for additional limitations and details. 19. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner’s Manual for additional limitations and details. 20. Full-Speed Range Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. Vehicles with manual transmission have regular DRCC. See Owner’s Manual for additional limitations and details. 21. Lane Departure Alert with Steering Assist is designed to detect if the vehicle is moving out of the driver’s lane without using the turn signal. Effectiveness depends on the driver’s field of view and can be affected by conditions including road, weather and vehicle conditions. See Owner’s Manual for additional limitations and details. 22. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather conditions, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See Owner’s Manual for additional limitations and details. 23. Lane Tracing Assist (LTA) is designed to help keep the vehicle in the center of the driving lane. If impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner’s Manual for additional limitations and details. 24. Dynamic Radar Cruise Control (DRCC) is designed to assist the driver, but is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See Owner’s Manual for additional limitations and details. 25. May not be compatible with all mobile phones, MP3/WMA players and like models. 26. Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See Owner’s Manual for additional limitations and details. 27. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rear-facing-child seat in any front passenger seat. See Owner’s Manual for additional limitations and details. 28. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, the tire should be checked regularly with a gauge, and do not rely exclusively on the Smart Key System monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See Owner’s Manual for additional limitations and details. 30. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clear. There are limitations to the function, detection and range of the monitor. See Owner’s Manual for additional limitations and details. 32. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See Owner’s Manual for additional limitations and details. 33. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clear. There are limitations to the function, detection and range of the monitor. See Owner’s Manual for additional limitations and details. 34. Do not rely exclusively on the Rear Cross-Traffic Baking system. Always look over your shoulder and use your mirrors to confirm rear clear. Environmental conditions may limit effectiveness and view may become obscured. See Owner’s Manual for additional limitations and details. 37. Intelligent Clearance Sonar (ICS) is designed to assist drivers in avoiding potential forward and rearward collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including blind spots, may limit ICS. For an accurate and complete display of surroundings, ICS should be used in conjunction with the backup camera. See Owner’s Manual for additional limitations and details. 38. Do not rely exclusively on the Rear Cross-Traffic Baking system. Always look over your shoulder and use your mirrors to confirm rear clear. The system cannot prevent all collisions, and vehicle, weather and vehicle conditions. See Owner’s Manual for additional limitations and details. 39. SofTex® is a registered trademark of Toyota Motor Sales, U.S.A., Inc. 40. EV Mode lets you operate solely on battery power at low speeds for short distances and in limited circumstances, such as in a parking garage. EV Mode conditions may prevent or limit usage. See your Owner’s Manual for additional limitations and details. 41. The backup camera does not provide a comprehensive view of all areas behind you. Always use common sense when backing up. 42. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo load capacity. 43. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available in all regions, and may not be available in some regions. See your Toyota for more information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on many factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).
of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner’s Manual for additional limitations and details. 45. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 46. Rated for 12 volts. See Owner’s Manual for additional limitations and details. 47. When the system is on, Automatic Electric Parking Brake is designed to automatically engage the Electric Parking Brake under limited conditions. It may not hold the vehicle under all conditions and does not function when the vehicle is in Reverse. Automatic Electric Parking Brake is not a substitute for manual use of the Electric Parking Brake. See Owner’s Manual for additional limitations and details. 48. When the system is on, Brake Hold is designed to keep the brakes engaged after the driver brings the vehicle to a complete stop. It may not hold the vehicle under certain conditions and does not function when the vehicle is in Reverse. Brake Hold is not a substitute for safe and attentive driving. See Owner’s Manual for additional limitations and details. 49. The Safety Connect® trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in paid subscription is required to access the service. 50. The Wi-Fi Connect trial begins at the time of activation and expires when 2GB of data is used or when the 3-month period ends. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. 51. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the respective trial period expires, enrollment in paid subscription is required to access the service. 52. The Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. 53. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. 54. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner’s Manual for additional limitations and details. 55. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner’s Manual for additional limitations and details. 56. Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner’s Manual for additional limitations and details. 57. Whiplash-Injury-Lessening front seats can help reduce the severity of whiplash injury in certain rear-end collisions. 58. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See Owner’s Manual for additional limitations and details. 59. ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Certain models require a different maintenance schedule as described in their Maintenance Guide. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle. All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.
