

TOYOTA

2026 Corolla

2026 COROLLA

Introduce fun to every day.

Start off on the right foot with Corolla's sharp looks, smart tech and dependability that's sure to keep every moment exciting.

See numbered disclaimer footnotes in Info and Disclosures section.

Style that's totally you.

Whichever direction you go, turn up the vibes with Corolla's bold, standout style.

Sporty Front Fascia

Highlighted by an available sport mesh grille, Corolla's low, wide and aggressive stance stands out for all the right reasons.

Spacious Interior

Corolla's relaxing and open interior surrounds you with comfort and convenience. Controls are placed within easy reach, while sculpted seats help keep you firmly in place for the exciting drive ahead.

18-In. Graphite-Colored Alloy Wheels

Up your aesthetic in Corolla with available 18-in. alloy wheels ¹ with a graphite-colored finish that enhances its unapologetic profile.

JBL® Premium Audio System

Immerse yourself in quality sound with Corolla's available JBL® ² Premium Audio system. A 9-speaker, 800-watt audio system, equipped with a subwoofer and amplifier, provides phenomenal sound that amplifies every drive.

LED Headlights With DRL

Distinctive lights with fun flair. Corolla's standard LED headlights feature Daytime Running Lights (DRL) that light up with an iconic look.

Reveal the joy in every drive.

Two ways to make the most of your day. Choose between Corolla's responsive gas powertrain or Corolla Hybrid's hybrid powertrain that helps maximize efficiency.

Powertrain Options

Enjoy the fun-to-drive nature of Corolla or choose Corolla Hybrid for added efficiency on your journeys. Pick the ride that suits your style to keep the good times rolling.

Electronic On-Demand AWD

The power of an intelligent grip. Corolla Hybrid's available Electronic On-Demand All-Wheel Drive (AWD) provides all-weather capability and confident on-road driving dynamics. The system uses a dedicated electric drive motor to automatically supply power to the rear wheels for instant improvement in traction.

Drive Modes

Three distinct Drive Modes give you even more control. Available Sport Mode indulges your spirited side with a sharper acceleration feel, while Eco Mode adjusts throttle input to help maximize your efficiency. Normal Mode blends fuel economy with performance. With these choices, you can instantly tailor your drive with a flip of a switch.

Corolla has you covered.

Info 11

12.3-In. Digital Gauge Cluster

Large, colorful and—most importantly—customizable, Corolla’s available 12.3-in. digital gauge cluster brings safety alerts, vehicle health information and more into your line of sight while you drive.

Info 12

10.5-In. Audio Multimedia Touchscreen Display

A highly responsive experience. Corolla’s available 10.5-in. audio multimedia touchscreen with wireless Apple CarPlay[®] ⁹ compatibility acts as a vibrant hub for all your directions, music and entertainment.

Info 13

Smart Key System

Corolla comes with an available Smart Key System that allows you to unlock the doors and trunk, plus start the engine, with just the push of a button.

Info 14

Four USB-C Ports

Enjoy increased connectivity with two USB-C ports ¹⁰ up front and two USB-C ports in the rear, allowing every passenger the chance to stay plugged in.

Safety & Convenience

Blind Spot Monitor With Rear Cross-Traffic Alert

Designed to help look out for your safety, the standard Blind Spot Monitor¹⁵ warns you when a vehicle in the next lane enters your vehicle's blind spot on either side of the vehicle. And when you're in reverse, Rear Cross-Traffic Alert¹⁶ helps detect vehicles approaching from either side.

Ten Airbags

Corolla comes standard with ten airbags,¹⁷ including the driver and front passenger Advanced Airbag System, driver and front passenger seat-mounted side airbags, driver knee airbag, front passenger seat cushion airbag, rear seat-mounted side airbags, and front and rear side curtain airbags.

Star Safety System™

Standard on every new Corolla is our Star Safety System™, an advanced integration of safety technologies designed to enhance traction, braking and more. Armed with these safety features, Corolla helps you avoid accidents in the first place.

No Cost Maintenance Plan and Extended Roadside Assistance

Every new Toyota Corolla comes with ToyotaCare,¹⁸ a maintenance plan that covers normal factory scheduled service for 2 years or 25,000 miles, whichever comes first, and 24-hour Roadside Assistance for 2 years, unlimited mileage.

Audio Multimedia

SiriusXM® 3-Month Trial Subscription

SiriusXM®²² has premium entertainment that you won't hear anywhere else. With a SiriusXM® 3-month trial, you get 425+ channels, including 165+ channels in your vehicle, to enjoy ad-free music, plus sports, news, talk, comedy and more. Experience even more on the SiriusXM® app, featuring expertly curated podcasts, Xtra channels of music, Artist Stations, SiriusXM® video and more.

Toyota Audio Multimedia System

Corolla's Toyota Audio Multimedia system heightens your interaction through sight, touch and voice activation—helping you stay connected to every adventure.

Wireless Apple CarPlay®

Bring along a familiar interface. With Corolla's wireless Apple CarPlay®⁹ compatibility, you can use your compatible iPhone®²³ with the multimedia system to get directions, make calls, send and receive messages and listen to music, all while staying focused behind the wheel.

Wireless Android Auto™

Stay connected on the road. By pairing your compatible Android™²⁴ phone with the audio multimedia system, Android Auto™²⁵ lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

Toyota Safety Sense™ 3.0 ³⁰

Pre-Collision System With Pedestrian Detection

PCS w/PD ³¹ can alert you to potential collisions and may automatically brake.

Full-Speed Range Dynamic Radar Cruise Control

DRCC ³² helps maintain a preset distance from the vehicle ahead of you, from highway speeds down to a full stop.

Lane Departure Alert With Steering Assist

LDA w/SA ³³ may alert you to inadvertent lane departures and make minor steering corrections to help keep you in your lane.

Lane Tracing Assist

LTA ³⁴ helps you center the vehicle within its lane while DRCC ³⁵ is active.

MORE FEATURES

Road Sign Assist

RSA ³⁶ can recognize certain road signs and display them to you inside the vehicle.

Automatic High Beams

AHB ³⁷ can automatically toggle between high and low beams based on the vehicle's surroundings.

Proactive Driving Assist

PDA ³⁸ may provide gentle braking and/or steering to help control distance between your vehicle and a vehicle, pedestrian or bicyclist ahead of you.

Connected Services

Drive Connect

With an active Drive Connect trial or subscription,³⁹ the Cloud Navigation⁴⁰ and Intelligent Assistant⁴¹ features help you find where you need to be, while Destination Assist⁴² allows you to talk to a live agent as they help you find your destination's coordinates and offer directions on how to get there. 1-year trial of Drive Connect included on select trims. 4G network dependent.

Service Connect

Stay up to date with your Corolla's information. With the 5-year-minimum trial of Service Connect,⁴⁸ you're provided with data such as mileage, fuel level and service history. Enable maintenance alerts and receive maintenance reminders that can also be sent to your preferred dealer for extra convenience. 4G network dependent.

Remote Connect

Corolla is up to speed with the latest tech. With an active Remote Connect trial or subscription,⁴³ you can start the engine, lock/unlock doors and locate your vehicle using the Toyota app⁴⁴ through your compatible smartphone or smartwatch. 1-year trial of Remote Connect included on select trims. 4G network dependent.

Safety Connect®

Connect to our 24/7 response center in case of an accident or emergency with the press of a button.⁴⁵ You also get 24/7 Roadside Assistance⁴⁶ and Stolen Vehicle Locator⁴⁷ to give you peace of mind that help is on the way. 5-year-minimum trial. 4G network dependent.

Wi-Fi Connect

Turn Corolla into a hotspot. With an active Wi-Fi Connect trial or subscription,⁴⁹ you can easily connect up to five devices. And, depending on your existing mobile provider, you can add the Wi-Fi Connect subscription to your current mobile plan. We'll even include a 1-month or 3-GB trial to get you started. 4G network dependent.

Powerfully dynamic.

Gas Powertrain

A traditional internal combustion engine that runs on gasoline, offering efficient and reliable refueling at any gas station.

Hybrid Powertrain

Hybrid Electric Vehicles combine a gas engine with an electric motor(s) to maximize power and efficiency. They run on gasoline, so you drive them like a traditional gas vehicle.

Beyond Zero

BEYOND ZERO

Beyond Zero is Toyota's vision to reach carbon neutrality with our products, services and operations, and go beyond, as we find new ways to make a positive impact on our planet and society. The Hybrid EV Corolla is one of the many ways we are reducing carbon emissions to drive toward our Beyond Zero vision.

We currently offer more low and zero emission vehicles combined than any other automaker, to give customers numerous choices to reduce their carbon footprint.

Hybrid EV

Corolla Hybrid is a part of the Hybrid EV Family.

The Power Of Choice

Our lineup brings you more than just your choice of electrified powertrains: Hybrid EV, Plug-in Hybrid EV, Battery EV and Fuel Cell EV. Whatever you're looking for in a ride—size, style, efficiency, speed—there's a vehicle to suit your lifestyle that allows you to put more electrified miles on the road.

Going Above And Beyond

Whether Toyota is decreasing its single-use plastic waste, supporting water conservation efforts, or expanding programs that protect biodiversity, we are committed to reducing our environmental footprint and creating a positive impact on society. See Environmental Sustainability (toyota.com) for more information.

LE

Mechanical Features

- ✓ 2.0-liter 4-cylinder DOHC 16-valve with Dual Variable Valve Timing with intelligence (VVT-i)
- ✓ Dynamic-Shift Continuously Variable Transmission (CVT)
- ✓ Independent MacPherson strut front suspension with stabilizer bar and torsion beam rear suspension

Exterior Features

- ✓ LED Daytime Running Lights (DRL)
- ✓ LED headlights
- ✓ 16-in. steel wheels with covers and P205/55R16 tires
- ✓ Color-keyed roof-mounted shark-fin antenna
- ✓ Black front grille
- ✓ LED taillights and stop lights
- ✓ Color-keyed power outside mirrors

Interior Features

- ✓ 7-in. digital gauge cluster
- ✓ Tilt/telescopic 3-spoke steering wheel with audio, Multi-Information Display (MID), Bluetooth® ⁵⁴ hands-free phone, voice command, Full-Speed Range Dynamic Radar Cruise Control (DRCC), ³² Lane Departure Alert with Steering Assist (LDA w/SA) ³³ controls
- ✓ Two front USB-C ports ¹⁰
- ✓ Two rear USB-C ports ¹⁰
- ✓ Fabric-trimmed 6-way adjustable driver's seat and 4-way adjustable front passenger seat
- ✓ Multi-function in-key remote keyless entry system with lock, unlock, panic, and trunk-release functions

Audio Multimedia

- ✓ 8-in. Toyota Audio Multimedia touchscreen with six speakers, wireless Apple CarPlay® ⁹ & Android Auto™ ²⁵ compatibility, SiriusXM® ²² 3-month trial subscription. See toyota.com/audio-multimedia for details.

Hybrid SE AWD interior shown with SE Premium Package in Black/Red premium fabric trim with wireless Android Auto™ compatibility. Options shown. 30. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for limitations. 31. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian, a bicycle, or a motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for limitations. 32. Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for instructions and limitations. 33. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See Owner's Manual for limitations. 34. The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See Owner's Manual for limitations. 35. Dynamic Radar

INFO AND DISCLOSURES

Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for limitations. **36.** Road Sign Assist only recognizes certain road signs. See Owner's Manual for limitations. **37.** Automatic High Beams operate at speeds above 21 mph. See Owner's Manual for instructions and limitations. **38.** Proactive Driving Assist (PDA) is designed to detect certain objects or curves in the road and provide gentle braking and/or steering support. PDA is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of detected objects and weather, light and road conditions. See Owner's Manual for additional limitations and details. **39.** Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. **40.** Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. **41.** Intelligent Assistant requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and <https://www.toyota.com/connected-services/> for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit <https://www.toyota.com/support/privacy-notice/>. **42.** On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **43.** Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **44.** An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app. **45.** Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at <https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf> and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **46.** Enhanced 24/7 Roadside Assistance allows use of in-vehicle SOS button to assist response agent to identify vehicle location. Unlimited mileage coverage effective with an active Safety Connect® trial or subscription that depends on certain factors, including 4G network availability. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see toyota.com/support/privacy-notice/. Enhanced Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Service subject to change at any time. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **47.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. **48.** Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Information provided is based on the last time data was collected from the vehicle and is not real-time data. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use

Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see <https://www.toyota.com/support/privacy-notice/>. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **54.** A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. The Bluetooth® word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license. **55.** Whiplash-Injury-Lessening front seats can help reduce the severity of whiplash injury in certain rear-end collisions. **56.** The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See Owner's Manual for limitations. **57.** Extra-cost color. **58.** SofTex® is a registered trademark of Toyota Motor Sales, U.S.A., Inc. **59.** Wireless charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. **60.** Rated for 12 volts/10 amps. See Owner's Manual for additional limitations and details. **61.** When the system is on, Electric Parking Brake is designed to engage the Parking Brake under limited conditions. It may not hold the vehicle under all conditions. See Owner's Manual for additional limitations and details. **62.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for limitations and details. **63.** The engine immobilizer is a state-of-the-art anti-theft system initiated when the key is inserted into ignition switch or a Smart Key fob is in/near the vehicle. Engine will only start if the code in the transponder chip inside the key/fob matches the code in vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or fob, see a Toyota dealer or go to www.aloa.org to find a qualified locksmith for high-security key service. **64.** Hill Start Assist Control is designed to minimize backward rolling on steep ascents. Not a substitute for safe driving judgment and practices. Speed, grade, surface conditions, driver input, etc., can all affect HAC function. See Owner's Manual. **65.** Meets Tier 2/Bin 3 Federal emissions standard.

INFO AND DISCLOSURES

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

WARRANTIES

Date and mileage limitations refer to whichever occurs first from the date of purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details.

Date and mileage limitations refer to whichever comes first from the date of first purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details and for information regarding the Federal and California Emission Control Warranties, and Tire Limited Warranties. Emission coverages vary under Federal and California regulations.

For Toyota hybrid, plug-in hybrid, fuel cell and battery electric vehicles beginning model year 2020, the hybrid (HV) battery is covered for 10 years from date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See the Toyota Owner's Warranty and Maintenance Guide for details.
