Treat every day like a getaway.

The stylish 2024 Corolla and efficient 2024 Corolla Hybrid are a sharp turn toward the future. With sleek design, the latest tech and standard Toyota Safety Sense™ 3.0, the 2024 Toyota Corolla lineup is ready to create something unforgettable.
A good-looking reason to go out.

Corolla’s sporty design speaks for itself. At first glance, its athletic sport mesh grille grabs your attention and from the side, available 18-in. graphite-colored alloy wheels complement the sleek lines of its profile. You might not be someone to show off, but with Corolla, you’ll always show up.

18-in. graphite-colored alloy wheels
The available 18-in. graphite-colored alloy wheels add to its unapologetic profile. Every stoplight is a chance to turn heads. Every spoke on the wheels is crafted to enhance style.

Dark gray metallic sport accents
With an available dark gray metallic rear spoiler, diffuser and side rocker panels, you’ll make a powerful impression wherever you pull up.

Aggressive sporty front fascia
Highlighted by an available sport mesh grille, Corolla’s low, wide and aggressive stance stands out for all the right reasons. Its refreshed look will make all eyes linger on you during your commute.

See numbered footnotes in Disclosures section.
Available Corolla Nightshade and Corolla Hybrid Nightshade are ready to deliver style that makes a statement. Blackout badging, mirror caps and rear spoiler command attention, while bronze-finished 18-in. alloy wheels complete the sharp look.
More reasons to take the long way home.

Corolla’s low platform is purposefully designed to give it a responsive and energetic drive, while a lightweight body helps optimize efficiency. Under the hood, its 2.0L Dynamic Force Engine with 169 horsepower — with Dynamic-Shift CVT and available paddle shifters — wakes up your senses every time you step on the accelerator. Saying Corolla is “fun to drive” is an understatement.

Paddle shifters

Corolla’s available steering wheel-mounted paddle shifters let you shift gears without letting go of the wheel. A light touch on either lever gives you lightning-fast gear changes for a more engaged drive.

2.0L Dynamic Force Engine

Corolla’s efficient, 2.0L Dynamic Force Engine produces 169 horsepower paired with a Dynamic-Shift CVT — combining the immediate response of a traditional fixed first gear with the efficiency of a Continuously Variable Transmission (CVT).

Drive modes

Three distinct available drive modes give you even more control, just by a flip of a switch. Sport Mode indulges your spirited side with a sharper acceleration feel, while Eco Mode adjusts climate control and throttle input to help maximize your efficiency. Normal Mode blends fuel economy with performance.
INTERIOR

Fun for all five senses.

Inside, Corolla’s 60/40 split fold-down rear seat lets you create the right amount of space for wherever you’re headed. Behind the vents, an automatic climate control system cools down and heats up Corolla, while its available moonroof opens up the cabin. Corolla’s interior is modern, sleek and makes a great first impression.

Interior styling

The stylish details continue inside with Corolla’s driver-focused cockpit that flaunts available sport seats.

Spacious interior and SofTex®-trimmed sport seats

Corolla’s relaxing and open interior surrounds you with comfort and convenience. Available sport seats with SofTex®-trimmed bolsters and sport fabric inserts work together to make you feel comfortable and in control behind the wheel.
Corolla Hybrid has all the efficiencies of a hybrid with the same sleek look and refined interior as its gas counterpart. Along with advanced tech like an 8-in. touchscreen display with wireless Apple CarPlay® compatibility or Android Auto™ integration, its intelligent hybrid drivetrain gives you more reasons to take the long way home. Corolla Hybrid lets you go farther in everything you do.
COROLLA HYBRID

Bring confidence along for the ride.

Feel Corolla Hybrid’s impressive performance with every twist and turn. Its optimal weight distribution and handling paired with innovative available AWD makes it a dynamic duo for a smooth drive. Kick it up a notch in this fun ride with 138 horsepower, you’ll get power hungry in no time.

Available AWD

The power of an intelligent grip. Corolla Hybrid’s available Electronic On-Demand All-Wheel Drive (AWD) provides all-weather capability and confident on-road driving dynamics. The system uses a dedicated electric drive motor to automatically supply power to the rear wheels for instant improvement in traction.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that’s not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Hybrid-Related Component Coverage: Hybrid-related components, including the battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. Refer to applicable Warranty and Maintenance Guide for details.

Hybrid Battery: HV battery is covered for 10 years or 150,000 miles, whichever comes first. Warranty coverage is subject to terms and conditions. Refer to applicable Warranty and Maintenance Guide for details.

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

For complete details about Toyota’s warranties, please visit www.toyota.com, refer to the applicable Warranty and Maintenance Guide or see your Toyota dealer.

---

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, or dealer installed after purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle’s in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage (excludes labor costs for non-dealer installations).

You may be eligible for transportation assistance if it’s necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

DISCLOSURES

1. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner’s Manual for limitations. 2. Performance tires are expected to experience greater wear than conventional tires. Tire life may be less than 24,000 miles, depending upon driving conditions. 3. Extra-cost charge. 4. Google™ is a registered trademark of Google LLC. 5. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected wirelessly to the vehicle. Apple CarPlay® is a registered trademark of Apple Inc. 6. To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. 7. Android Auto is a registered trademark of Google LLC. 8. Android Auto is not compatible with all Android smartphones. 9. Contact the Toyota Brand Engagement Center at 1-800-331-4331 for availability and limitations. 10. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. 11. Remote Connect function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See Owner's Manual for details. 12. Redesigned 2024 Corolla Hybrid LE and Hybrid XLE; 51 city/44 hwy/48 combined mpg rating for 2024 Corolla Hybrid LE AWD; 50 city/43 hwy/47 combined mpg rating for 2024 Corolla Hybrid SE and Hybrid Nightshade; 47 city/41 hwy/44 combined mpg rating for 2024 Corolla Hybrid SE AWD and Hybrid Nightshade AWD as determined by manufacturer. Epa estimates not available at time of publishing. For comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. 13. Safety Connect® depends on factors outside of Toyota's control in order to operate, including cellular network availability and GPS signal. Without either of these things, operability may be limited or precluded. Information provided is based on the last time data was collected from vehicle and is not real-time data. Services vary by vehicle and are subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in Owner's Manual and https://www.toyota.com/connected-services/ to learn about Toyota’s Connected Services® data collection, use, sharing and retention practices. Requires app download/registration and subscription after trial (if applicable). 14. Requires cellular network availability, a cellular connection and GPS signal. May not work in all areas. Service may vary by vehicle and region. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. 15. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. 16. Compatible Android smartphone with an active data plan required. Android Auto not compatible with all Android smartphones. 17. Some services and features are subject to device, availability and accuracy depend on certain factors outside of Toyota’s control in order to operate, including 4G network availability, a cellular connection and GPS signal. DISCLOSURES

Gentex Corporation. 43. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. 44. Do not overload your vehicle. See Owner’s Manual for weight limits and restrictions. 45. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). 46. The backup camera does not provide a comprehensive view. Always look over shoulder and use outside mirrors. See Owner’s Manual for limitations. 47. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. The Bluetooth® word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license. 48. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner’s Manual for limitations and details. 49. Rated for 12 volts/10 amps. See Owner’s Manual for additional limitations and details. 50. May not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like models. 52. Vehicle Dynamics Integrated Management (VDIM) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can affect whether VDIM will be effective. See Owner’s Manual for limitations. 54. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner’s Manual for additional limitations and details. 55. Smart Stop Technology® will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See Owner’s Manual for limitations. 56. When the system is on, Electric Parking Brake is designed to engage the Parking Brake under limited conditions. It may not hold the vehicle under all conditions. See Owner’s Manual for additional limitations and details. 57. Whiplash-Injury-Lessening front seats can help reduce the severity of whiplash injury in certain rear-end collisions. 58. The engine immobilizer is a state-of-the-art anti-theft system initiated when the key is inserted into ignition switch or a Smart Key fob is in/near the vehicle. Engine will only start if the code in the transponder chip inside the key/fob matches the code in vehicle’s immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or fob, see a Toyota dealer or go to www.aloa.org to find a qualified locksmith for high-security key service. 59. Hill Start Assist Control is designed to minimize backward rolling on steep ascents. Not a substitute for safe driving judgment and practices. Speed, grade, surface conditions, driver input, etc., can all affect HAC function. See Owner’s Manual.
