2023 Corolla
Fun is just around the corner.

The stylish 2023 Corolla and efficient 2023 Corolla Hybrid are a sharp turn toward the future. With a sleek design, the latest tech and standard Toyota Safety Sense™ 3.0, the 2023 Toyota Corolla lineup is ready to create something unforgettable.
Exterior

Don’t show off. Show up.

Corolla’s sporty design speaks for itself. At first glance, its athletic sport mesh grille grabs your attention. And from the side, available 18-in. alloy wheels with graphite-colored finish complement the sleek lines of its profile. You might not be someone to show off, but with Corolla, you’ll always show up.

18-in. graphite-colored alloy wheels

The available 18-in. graphite-colored alloy wheels add to its unapologetic profile. Every stoplight is a chance to turn heads. Every spoke on the wheels is crafted to enhance style.

Dark gray metallic sport accents

With an available dark gray metallic rear spoiler, diffuser and side rocker panels, you’ll make a strong impression wherever you pull up.

Aggressive sporty front fascia

Highlighted by an available sport mesh grille, Corolla’s low, wide and aggressive stance stands out for all the right reasons. Its refreshed look will make all eyes linger on you during your commute.

See numbered footnotes in Disclosures section.
Discover the fun in every mile.

Corolla’s low platform is purposefully designed to give it a responsive and energetic drive, while a lightweight body helps optimize efficiency. Under the hood, Corolla’s 2.0L Dynamic Force Engine with 169 horsepower — with Dynamic-Shift CVT and available paddle shifters — wakes up your senses every time you step on the accelerator. Saying Corolla is “fun to drive” is an understatement.

Available paddle shifters

Corolla’s available steering wheel-mounted paddle shifters let you shift gears without letting go of the wheel. A light touch on either lever gives you lightning-fast gear changes for a more engaged drive.

2.0L Dynamic Force Engine

Corolla’s efficient, 2.0L Dynamic Force Engine produces 169 horsepower and is paired with a Dynamic-Shift CVT, which combines the immediate response of a traditional fixed first gear with the efficiency of a Continuously Variable Transmission (CVT).

Drive Modes

Three distinct available drive modes give you even more control, just by a press of a button. Sport Mode indulges your spirited side with a sharper acceleration feel, while Eco Mode adjusts throttle input to help maximize your efficiency. Normal Mode blends fuel economy with performance.
Fun for all five senses.

Inside, Corolla’s 60/40 split fold-down rear seat lets you create the right amount of space you need for wherever you’re headed. Behind the vents, an available advanced climate control system cools down and heats up Corolla, while its available moonroof opens up the cabin. Corolla’s interior is modern, sleek and makes a great first impression.

Corolla interior styling

The stylish details continue inside with Corolla’s driver-focused cockpit that flaunts available sport seats and red-accent stitching.

Spacious interior and SofTex®-trimmed sport seats

Corolla’s interior features seats and controls positioned to increase visibility for a more exciting drive. Available sport seats with SofTex®-trimmed bolsters and fabric inserts work together to make you feel comfortable and in control behind the wheel.
Corolla Hybrid has all the efficiencies of a hybrid with the same sleek look and refined interior as its gas counterpart. Along with advanced tech, like an 8-in. touchscreen display with wireless Apple CarPlay® compatibility or Android Auto™ integration, its intelligent hybrid drivetrain gives you more reasons to take the long way home. Corolla Hybrid lets you go farther in everything you do.
COROLLA HYBRID

AWD Traction on Snow

2023 Corolla Hybrid AWD beats out Subaru and Mazda overall.59

Let it snow. AMCI Testing certifies Corolla Hybrid’s AWD system to be more effective overall than Subaru Impreza and Mazda3 in winter road conditions.59 Because when it comes to winter driving, better traction and evasiveness means more confidence and peace of mind for the road ahead.

Available AWD

The power of an intelligent grip. Corolla Hybrid’s available Electronic On-Demand All-Wheel Drive (AWD) provides all-weather capability and confident on-road driving dynamics. The system uses a dedicated electric drive motor to automatically supply power to the rear wheels for instant improvement in traction.

See numbered footnotes in Disclosures section.
Technology that keeps up with you.

Take advantage of smart and convenient technologies designed to simplify your everyday life. Trial periods are available on select models for the listed connected services. Subscriptions required after trial.* 4G network dependent.

Toyota App

With active applicable Connected Services® subscriptions, the Toyota app allows you to stay connected to your Corolla wherever you go. Available for Apple® and Android™ devices.

- Available Remote Vehicle Start® and Lock/Unlock Doors
- Check Up on Your Toyota's Health
- Schedule a Service Appointment
- Shop for Genuine Toyota Parts and Accessories
- Make a Payment With Your TFS Account

Safety Connect®

Round-the-clock help when the unexpected happens.

- Emergency Assistance Button (SOS)
- Enhanced Roadside Assistance®
- Automatic Collision Notification
- Stolen Vehicle Locator®

Service Connect

Being proactive to help keep your vehicle in peak condition.

- Vehicle Health Report
- Vehicle Maintenance Alert
- Maintenance Reminder

Wi-Fi Connect

Turn your Toyota into a hotspot with 4G connectivity.

- AT&T Hotspot
- Integrated Streaming
  - Apple Music® (separate subscription required)
  - Amazon Music® (separate subscription required)

Drive Connect

Navigation solutions that use the latest maps, voice commands and live agent assistance.

- Cloud Navigation
- Destination Assist®
- Intelligent Assistant

Remote Connect

Manage your vehicle through the Toyota app, including Remote Start and much more.

- Available Remote Vehicle Start
- Available Unlock/Lock
- Remote Notifications
- Guest Driver
- Smartwatch Compatibility®
- Amazon Alexa® Capability

*To view included trial details, please visit toyota.com/connected-services.

Services and/or their feature availability may vary by model grade. See toyota.com/connected-services. See numbered footnotes in Disclosures section.
Wireless Apple CarPlay®

Bring along a familiar face. With Corolla’s Apple CarPlay®4 compatibility, you can use your compatible iPhone®5 with the multimedia system to get directions, make calls, send and receive messages and listen to music, all while staying focused behind the wheel.

Wireless Android Auto™

Stay connected on the road. By connecting your compatible Android™16 phone with the audio multimedia system, Android Auto™6 lets you access your Google Assistant,[17] get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

SiriusXM® Platinum Plan 3-month trial

SiriusXM®19 has premium entertainment that you won’t hear anywhere else. With the Platinum Plan trial,20 you get 425+ channels, including 165+ channels in your vehicle, to enjoy ad-free music, plus sports, news, talk, comedy and more. Experience even more on the SXM® App, featuring expertly curated podcasts, Xtra channels of music, personalized Pandora® stations, SiriusXM® video and more.

JBL® Premium Audio

Immerse yourself in quality sound with Corolla’s available JBL®21 Premium Audio system. A 9-speaker, 800-watt audio system, equipped with a subwoofer and amplifier, it provides phenomenal sound that amplifies every drive.

Audio Multimedia

Amplify your drive.

Enhance every drive with an experience that’s all about you. Whether enjoying the sounds of your favorite soundtrack or interacting with an interface that you’re familiar with, you’ll always be surrounded by convenience.
Peace of mind comes standard.

Toyota Safety Sense™ 3.0 is a bundle of active safety features included on many new Toyota vehicles at no additional cost. These innovative features were designed to help protect you and your passengers from harm.

- Pre-Collision System with Pedestrian Detection
- Proactive Driving Assist
- Full-Speed Range Dynamic Radar Cruise Control
- Lane Departure Alert with Steering Assist
- Automatic High Beams
- Lane Tracing Assist
- Road Sign Assist

For more information, visit toyota.com/safety-sense. Feature availability may vary by model grade. See numbered footnotes in Disclosures section.

# COROLLA HYBRID MODELS

## HYBRID LE
Includes these key features

### Mechanical/Performance
- 1.8L 4-cylinder engine with 138 hp
- Electronically controlled Continuously Variable Transmission (ECVT)
- Front-Wheel Drive (FWD)
- Available Electronic On-Demand All-Wheel Drive (AWD)
- Up to 53 city/46 highway/50 combined EPA-est. mpg

### Exterior Features
- 16-in. steel wheels with covers
- LED headlights, LED taillights, and Daytime Running Lights (DRL)
- Color-keyed roof-mounted shark-fin antenna

### Interior Features
- Automatic climate control
- Fabric-trimmed seats include:
  - 60/40 split fold-down rear seat with center armrest
- Multi-function in-key remote keyless entry system

### Audio Multimedia
- Toyota Audio Multimedia
  - 8-in. touchscreen and six speakers
  - Wireless Apple CarPlay™ & Android Auto™ compatible
  - SiriusXM® with 3-month Platinum Plan trial subscription
- Safety Connect™ with up to 10-year trial; 4G network dependent
- Service Connect™ with up to 10-year trial; 4G network dependent

### Safety Features
- Toyota Safety Sense™ 3.0
- Star Safety System™
- Ten airbags

### Packages
- LE Convenience Package includes:
  - Smart Key System with Push Button Start
  - 16-in. alloy wheels
  - Blind Spot Monitor (BSM) with Rear Cross-Traffic Alert (RCTA)
- LE Premium Package includes:
  - Smart Key System with Push Button Start
  - 16-in. alloy wheels
  - Blind Spot Monitor (BSM) with Rear Cross-Traffic Alert (RCTA)
  - Power tilt/slide moonroof with sliding sunshade

### Packages/Options
- SE Premium Package includes:
  - Blind Spot Monitor (BSM) with Rear Cross-Traffic Alert (RCTA)
  - Power tilt/slide moonroof with sliding sunshade
- JBL® Premium Audio includes:
  - Nine JBL® speakers including subwoofer and amplifier

## HYBRID SE
Adds to or replaces features offered on Hybrid LE

### Mechanical/Performance
- 1.8L 4-cylinder engine with 138 hp
- Normal, Sport and Eco driving modes
- Electronically controlled Continuously Variable Transmission (ECVT)
- Front-Wheel Drive (FWD)
- Available Electronic On-Demand All-Wheel Drive (AWD)
- Up to 50 city/43 highway/47 combined EPA-est. mpg

### Exterior Features
- LED headlights, LED taillights, and Daytime Running Lights (DRL) accent lighting
- Sport mesh gloss black front grille
- Gray metallic sport side rocker panels and color-keyed spoiler
- 18-in. graphite-colored alloy wheels
- Single exhaust with dual chrome tips

### Interior Features
- Sport seats with sport fabric inserts
- 4.2-in. color TFT Multi-Information Display (MID)
- Smart Key System with Push Button Start

### Audio Multimedia
- Toyota Audio Multimedia
  - 8-in. touchscreen and six speakers
  - Wireless Apple CarPlay™ & Android Auto™ compatible
  - SiriusXM® with 3-month Platinum Plan trial subscription
- Safety Connect™ with up to 10-year trial; 4G network dependent
- Service Connect™ with up to 10-year trial; 4G network dependent

### Safety Features
- Toyota Safety Sense™ 3.0
- Star Safety System™
- Ten airbags

### Packages/Options
- SE Premium Package includes:
  - Blind Spot Monitor (BSM) with Rear Cross-Traffic Alert (RCTA)
  - Power tilt/slide moonroof with sliding sunshade
- JBL® Premium Audio includes:
  - Nine JBL® speakers including subwoofer and amplifier

## HYBRID SE INFRARED EDITION
Adds to or replaces features offered on Hybrid SE

### Mechanical/Performance
- 1.8L 4-cylinder engine with 138 hp
- Normal, Sport and Eco driving modes
- Electronically controlled Continuously Variable Transmission (ECVT)
- Front-Wheel Drive (FWD)
- Available Electronic On-Demand All-Wheel Drive (AWD)
- Up to 50 city/43 highway/47 combined EPA-est. mpg

### Exterior Features
- LED headlights, LED taillights, and Daytime Running Lights (DRL) accent lighting
- Red exterior graphics
- Sport mesh gloss black front grille
- Gray metallic sport side rocker panels and color-keyed spoiler
- 18-in. graphite-colored alloy wheels
- Single exhaust with dual chrome tips

SE and Hybrid SE fabric shown in Black/Red

XSE SofTex® shown in Black

Moonstone

Black/Red
COROLLA WHEELS

16-in. LE, Hybrid LE steel wheels with covers

16-in. LE, Hybrid LE, and Hybrid XLE Package alloy wheels

18-in. SE, Hybrid SE, Hybrid SE Infrared Edition, and XSE graphite-colored alloy wheels

See numbered footnotes in Disclosures section.
COROLLA ACCESSORIES

This is a great way to add extra personality to your Corolla. Not every accessory is available in your area, so for a complete list of accessories, go to toyota.com/corolla/accessories.

All-weather floor liners
Blackout emblem overlays
Frameless HomeLink mirror
Cargo tray
TRD air filter
Doorsill protectors
Removable cross bars
Apex wheels
Apex rear spoiler

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that’s not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Hybrid-Related Component Coverage: Hybrid-related components, including the battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. Refer to applicable Warranty and Maintenance Guide for details.

Hybrid Battery: HV battery is covered for 10 years or 150,000 miles, whichever comes first. Warranty coverage is subject to terms and conditions. Refer to applicable Warranty and Maintenance Guide for details.

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle’s in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it’s necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota’s warranties, please visit www.toyota.com, refer to the applicable Warranty and Maintenance Guide or see your Toyota dealer.

#### Audio Multimedia

JBL®21 Premium Audio — includes nine JBL®21 speakers, subwoofer and amplifier

JBL®21 Premium Audio with wireless charger33 — includes nine JBL®21 speakers, subwoofer and amplifier and Qi-compatible wireless smartphone charging33

#### Connected Services

Drive Connect14 — includes Cloud Navigation14 with Google Points-of-Interest (POI) data, Intelligent Assistant14 with Hey, Toyota, and Destination Assist.14 4G network dependent. Subscription required.14

Drive Connect14 with 1-year trial subscription — includes Cloud Navigation14 with Google Points-of-Interest (POI) data, Intelligent Assistant14 with Hey, Toyota, and Destination Assist.14 4G network dependent. Subscription required after trial.14

Safety Connect®9 with up to 10-year trial subscription — includes Emergency Assistance, Stolen Vehicle Locator,52 Roadside Assistance6 and Automatic Collision Notification. 4G network dependent. Trial subscription is included at no additional cost; subscription required after trial.9

Service Connect11 with up to 10-year trial subscription — receive personalized maintenance updates and vehicle health reports. 4G network dependent. Subscription required after trial.11

Remote Connect12 — remotely interact with your vehicle through the Toyota app50 via your smartwatch. Depending on grade, allows you to locate your last parked location, check vehicle status and monitor guest drivers. Subscription required after trial.12

Remote Connect12 with 1-year trial subscription — remotely interact with your vehicle through the Toyota app50 via your smartwatch. Depending on grade, allows you to locate your last parked location, check vehicle status and monitor guest drivers. Subscription required after trial.12 4G network dependent.

Remote Connect12 with 1-year trial subscription — remotely interact with your vehicle through the Toyota app50 via your smartwatch. Depending on grade, allows you to lock/unlock doors, start and stop the vehicle, use Remote Climate features, use Remote Charging features, locate your last parked location, check vehicle status and monitor guest drivers. Subscription required after trial.12 4G network dependent.

Wi-Fi Connect15 — with 30-day or up to 3 GB trial subscription. With AT&T Wi-Fi hotspot and Integrated Streaming (Apple Music® and Amazon Music™) compatibility. 4G network dependent. Subscription required after trial.15

DISCLOSURES

effectiveness and view may become obscured. See Owner's Manual for additional limitations and details. 37. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 38. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge, do not rely solely on the monitor system. See Owner's Manual for additional limitations and details. 39. Rated for 12 volts/10 amps. See Owner's Manual for additional limitations and details. 40. May not be compatible with all mobile phones, MP3/WMA players and like models. 41. When the system is on, Electric Parking Brake is designed to engage the Parking Brake under limited conditions. It may not hold the vehicle under all conditions. See Owner's Manual for additional limitations and details. 42. Whiplash-Injury-Lessening front seats can help reduce the severity of whiplash injury in certain rear-end collisions. 43. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service. 44. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details. 45. Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. 46. Vehicle Dynamics Integrated Management (VDIM) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VDIM will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details. 47. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details. 48. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner's Manual for additional limitations and details. 49. Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner's Manual for additional limitations and details. 50. Toyota app requires an active Remote Connect trial or subscription. 51. Apple and the Apple logo are trademarks of Apple Inc., registered in the U.S. and other countries. 52. Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Customer Experience Center at 1-800-331-4331. 53. Destination Assist depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See Owner's Manual and toyota.com/connected-services for additional limitations and details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit https://www.toyota.com/privacyvts/. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. 54. Not all smartwatches are compatible with Remote Connect. Samsung Gear, Fitbit, Garmin are not compatible. 55. This floor mat/floor liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/floor liner on top of an existing floor mat/ floor liner. 56. HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. 57. Do not overload your vehicle. See Owner's Manual for weight limits and restrictions. 58. Amazon, Alexa and related marks are trademarks of Amazon.com, Inc. or its affiliates. Certain functions require compatible smartphone and download of https://www.toyota.com/connected-services/toyotaapp/. Operability depends on network availability, a cellular connection and GPS signal. Services subject to change at any time without notice. Data charges may apply. To learn more, go to https://www.toyota.com/audio-multimedia/. To learn more about Toyota's Connected Services' data collection, use, sharing and retention practices, please visit https://www.toyota.com/support/privacy-rights/. 59. Traction and Acceleration, Emergency Evasive Maneuver Performance on Snow claims based on AMCI Testing certified the 2023 Corolla Hybrid LE AWD against the 2023 Mazda3 Hatchback Premium AWD and the 2023 Subaru Impreza Premium Sedan, as of January 25, 2023.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your Toyota dealer to check for current availability or the possibility of placing a special order. 

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting. is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.
