2026 Corolla Hatchback

2026 COROLLA HATCHBACK

# Excitement around every corner.

Out and about, around the block and beyond city limits, Corolla Hatchback is ready to ignite your most spirited drives.

# Hype-worthy drives start here.

Info 1

Info 2

## Drive Modes

Three distinct Drive Modes give you even more control. Sport Mode indulges your spirited side with a sharper acceleration feel, while Eco Mode adjusts throttle input to help maximize your efficiency. Normal Mode blends fuel economy with performance. With these choices, you can instantly tailor your drive with a flip of a switch.

Info 3

## Suspension

Wring more excitement out of every corner. Corolla Hatchback is close to the ground, keeping its center of gravity low for enhanced responsiveness and stability in the turns. Its optimized suspension helps reduce body roll, and keeps this hatchback planted when things get twisty, all while smoothing out the bumps of the everyday drive.

Under the hood, Corolla Hatchback's efficient 2.0L Dynamic Force Engine punches up your adrenaline the moment you shift into drive. With three unique Drive Modes and paddle shifters at your fingertips, take charge of every ride with unparalleled control.

## PERFORMANCE

Info 4

Info 4

### Dynamic-Shift CVT

Enjoy your connection to the open road with Corolla Hatchback's Dynamic-Shift Continuously Variable Transmission (CVT), smoothly transitioning from one gear to the next, automatically maximizing your efficiency at the same time.

### 2.0L Dynamic Force Engine

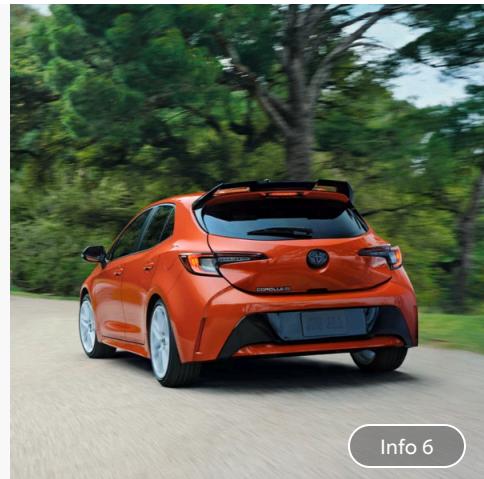

Under the hood, its efficient 2.0L Dynamic Force Engine punches up your adrenaline the moment you shift into drive.

# Style that's up to speed.

## *Corolla Hatchback FX*

### **Black Badging**

Black badging stamped on Corolla Hatchback FX's sporty exterior adds a touch of boldness.

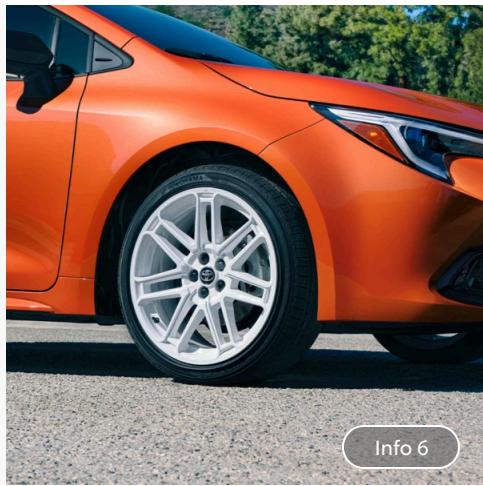

Info 6

### **Heritage Badge**

Corolla Hatchback's legacy of fun-to-drive performance lives on with Corolla Hatchback FX's heritage badging.

### **Vented Sport Wing**

Corolla Hatchback FX's vented sport wing does more than help with aerodynamics, it enhances its sleek, future-forward style.

Info 6

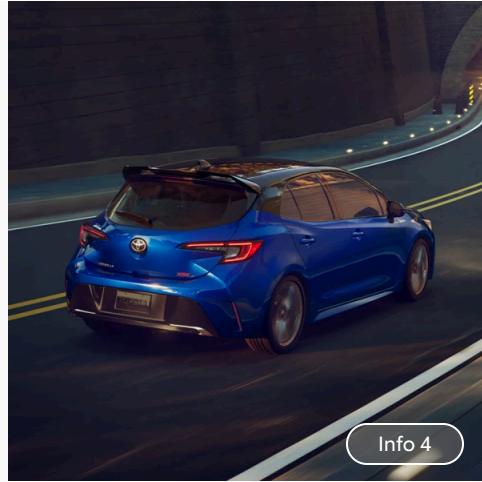

### **Gloss-White-Finished 18-In. Wheels**

Corolla Hatchback FX enhances style with unique, attention-grabbing 18-in. wheels <sup>5</sup> with a gloss-white finish.

# Corolla Hatchback XSE

## Two-Tone Exterior Paint

Corolla Hatchback's available two-tone paint scheme gives it a uniquely expressive look that's all your own.<sup>7</sup>

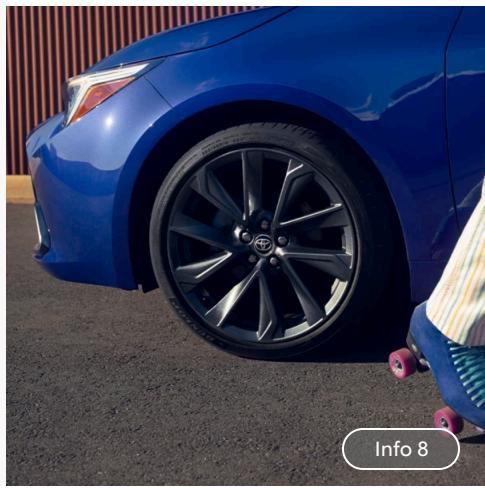

## Gloss-Black Grille Surround

Every drive in Corolla Hatchback leads with its gloss-black grille surround that gives you a sleek, sporty edge that always stands out.

## LED Fog Lights

Available LED fog lights add to the striking appearance of Corolla Hatchback's aggressive front end.

## 18-In. Alloy Wheels

Available 18-in. graphite-colored alloy wheels<sup>5</sup> add to Corolla Hatchback's athletic stance.

# Room for the most adventurous.

Corolla Hatchback's fold-down rear seats provide ample cargo space,<sup>9</sup> while available heated front sport touring seats, dual zone automatic climate control and premium soft-touch accents invite you to get going comfortably on every drive.

## Corolla Hatchback FX Interior

Ride in total style. Corolla Hatchback FX's interior features exclusive sport touring seats with orange stitching that elevate the cabin's entire look.

## Cargo Space

Corolla Hatchback makes it easy to access the rear cargo area. Just pop open the hatch and load up.<sup>9</sup> For more space, fold down the rear seats and it's ready to take whatever you've got.

## Dual Zone Automatic Climate Control

You like it cool. Your passenger likes it warm. And with Corolla Hatchback's available dual zone automatic climate control, you can both ride in total comfort.

Info 12

### Leather-Trimmed Steering Wheel

Smooth to the touch as you steer through the streets. Corolla Hatchback's leather-trimmed steering wheel adds a premium feel to your daily drives.

Info 13

### Heated Seats

This driver-centric cabin doesn't settle on comfort. With just the press of a button, the available heated front seats will get toasty in no time so you can stop worrying about the cold and start enjoying every turn.

# Corolla Hatchback has you covered.

## Toyota Audio Multimedia System

Corolla Hatchback's 8-in. Toyota Audio Multimedia touchscreen helps you stay connected to every adventure. Use the Integrated Streaming feature with your own Apple Music®<sup>14</sup> subscription to seamlessly stream over 100 million songs and 30,000 playlists ad-free. 4G network dependent.

## Available 7-In. Digital Gauge Cluster

Large, colorful, and most importantly, practical, Corolla Hatchback's available 7-in. digital gauge cluster brings safety alerts, vehicle health information and more into your line of sight while you drive.

## Smart Key System

Don't waste time fumbling for your keys. Corolla Hatchback comes standard with Smart Key System, which lets you unlock the doors and trunk all while your key fob sits comfortably in your pocket or bag. Once inside, you can start the engine with the simple push of a button.

 Info 20

### Electric Parking Brake

Standard Electric Parking Brake (EPB)<sup>15</sup> with Brake Hold<sup>16</sup> includes a vehicle hold feature. When activated, once you bring Corolla Hatchback to a complete stop, release your foot from the brake pedal, and the brakes will continue to hold the vehicle in place. To release the brakes and get moving again, simply press the accelerator.

 Info 21

### Four USB-C Ports

Enjoy increased connectivity with two USB-C ports<sup>17</sup> up front and two USB-C ports<sup>17</sup> in the rear, allowing every passenger the chance to stay plugged in.

# Safety & Convenience

Info 26

Info 27

Info 28

## Standard Blind Spot Monitor With Rear Cross-Traffic Alert

Designed to help look out for your safety. Corolla Hatchback's Blind Spot Monitor (BSM)<sup>22</sup> warns you when a vehicle in the next lane enters your vehicle's blind spot on either side of the vehicle. And when you're in reverse, Rear Cross-Traffic Alert (RCTA)<sup>23</sup> helps detect vehicles approaching from either side.

## Integrated Backup Camera

When you're in reverse, the standard backup camera activates and gives you a view of what's happening directly behind your car.<sup>24</sup> Let this feature help you when you're backing up or parking in a tight spot.

## Star Safety System™

Every new Corolla Hatchback is built with our Star Safety System™, an integration of safety technologies designed to enhance traction, braking and more. Armed with these safety features, Corolla Hatchback helps you avoid accidents in the first place. This level of safety is standard on every Corolla Hatchback.

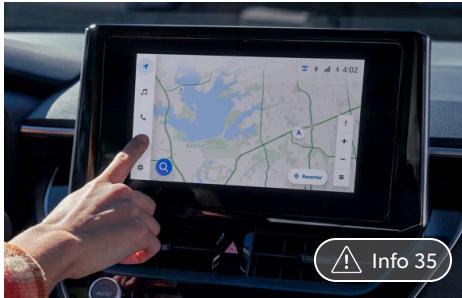

## No Cost Maintenance Plan and Roadside Assistance

Every new Toyota Corolla Hatchback comes with ToyotaCare,<sup>25</sup> a maintenance plan that covers normal factory scheduled service for 2 years or 25,000 miles, whichever comes first, and 24-hour Roadside Assistance for 2 years, unlimited mileage.

# Audio Multimedia

⚠ Info 34

⚠ Info 35

⚠ Info 36

## SiriusXM® 3-Month Trial Subscription

SiriusXM®<sup>29</sup> has premium entertainment that you won't hear anyplace else. With a 3-month trial, you get 425+ channels, including 165+ channels in your vehicle, to enjoy ad-free music, plus sports, news, talk, comedy and more. Experience even more on the SiriusXM® app, featuring expertly curated podcasts, Xtra channels of music, Artist Stations, SiriusXM® video and more.

## Toyota Audio Multimedia System

Corolla Hatchback's Toyota Audio Multimedia system heightens your interaction through sight, touch and voice activation—helping you stay connected to every adventure.

## Wireless Apple CarPlay®

Bring along a familiar interface. With Corolla Hatchback's wireless Apple CarPlay®<sup>30</sup> compatibility, you can use your compatible iPhone®<sup>31</sup> with the multimedia system to get directions, make calls, send and receive messages and listen to music, all while staying focused behind the wheel.

⚠ Info 37

## Wireless Android Auto™

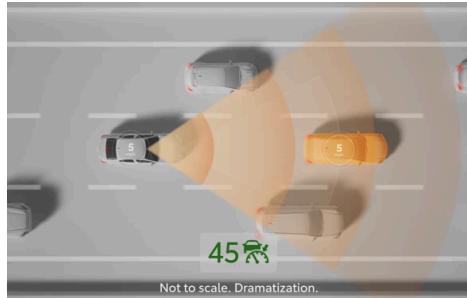

Stay connected on the road. By pairing your compatible Android™<sup>32</sup> phone with the audio multimedia system, Android Auto™<sup>33</sup> lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

# Toyota Safety Sense™ 3.0<sup>38</sup>

## Pre-Collision System With Pedestrian Detection

PCS w/PD<sup>39</sup> can alert you to potential collisions and may automatically brake.

## Full-Speed Range Dynamic Radar Cruise Control

DRCC<sup>40</sup> helps maintain a preset distance from the vehicle ahead of you, from highway speeds down to a full stop.

## Lane Departure Alert With Steering Assist

LDA w/SA<sup>41</sup> may alert you to inadvertent lane departures and make minor steering corrections to help keep you in your lane.

## Lane Tracing Assist

LTA<sup>42</sup> helps you center the vehicle within its lane while DRCC<sup>43</sup> is active.

## MORE FEATURES

### Road Sign Assist

RSA<sup>44</sup> can recognize certain road signs and display them to you inside the vehicle.

### Automatic High Beams

AHB<sup>45</sup> can automatically toggle between high and low beams based on the vehicle's surroundings.

### Proactive Driving Assist

PDA<sup>46</sup> may provide gentle braking and/or steering to help control distance between your vehicle and a vehicle, pedestrian or bicyclist ahead of you.

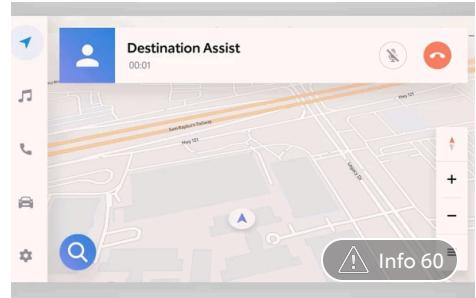

# Connected Services

⚠ Info 58

⚠ Info 59

⚠ Info 60

## Remote Connect

Corolla Hatchback is up to speed with the latest tech. With an active Remote Connect trial or subscription,<sup>47</sup> you can start the engine, lock/unlock doors and locate your vehicle using the Toyota app<sup>48</sup> through your compatible smartphone or smartwatch. 1-year trial included on select trims. 4G network dependent.

## Wi-Fi Connect

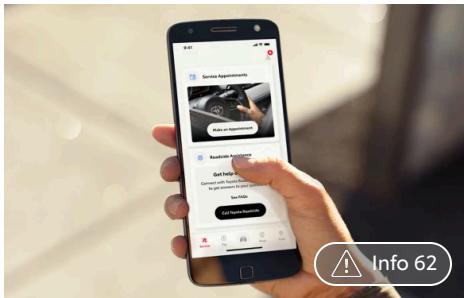

Turn Corolla Hatchback into a hotspot. With an active Wi-Fi Connect trial or subscription,<sup>49</sup> you can easily connect up to five devices. And, depending on your existing mobile provider, you can add the Wi-Fi Connect subscription to your current mobile plan. We'll even include an up to 30-day or 3-GB trial to get you started. 4G network dependent.

## Drive Connect

With an active Drive Connect subscription,<sup>50</sup> the Cloud Navigation<sup>51</sup> and Intelligent Assistant<sup>52</sup> features help you find where you need to be, while Destination Assist<sup>53</sup> allows you to talk to a live agent as they help you find your destination's coordinates and offer directions on how to get there. 4G network dependent.

⚠ Info 61

⚠ Info 62

## Safety Connect®

Connect to our 24/7 response center in case of an accident or emergency with the press of a button.<sup>54</sup> You also get 24/7 Roadside Assistance<sup>55</sup> and Stolen Vehicle Locator<sup>56</sup> to give you peace of mind that help is on the way. Activation required. 5-year-minimum trial subscription included. 4G network dependent.

## Service Connect

Stay up to date with your Corolla Hatchback's information, such as status and alerts, maintenance reminders and more.<sup>57</sup> It's a convenient way to help make sure your Corolla Hatchback is running at its best. 5-year-minimum trial subscription included. 4G network dependent.

## COROLLA HATCHBACK GRADES

### SE

#### Mechanical Features

Screen depiction accurate at time of posting. **38.** Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for limitations. **39.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact.

## INFO AND DISCLOSURES

speed and damage in certain frontal collisions involving a vehicle, a pedestrian, a bicycle, or a motorcyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual for limitations. **40.** Full-Speed Range Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for instructions and limitations. **41.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual/audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness depends on many factors including road, weather and vehicle conditions. See Owner's Manual for limitations. **42.** The Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See Owner's Manual for limitations. **43.** Dynamic Radar Cruise Control is not a substitute for safe and attentive driving. See Owner's Manual for limitations. **44.** Road Sign Assist only recognizes certain road signs. See Owner's Manual for limitations. **45.** Automatic High Beams operate at speeds above 21 mph. See Owner's Manual for instructions and limitations. **46.** Proactive Driving Assist (PDA) is designed to detect certain objects or curves in the road and provide gentle braking and/or steering support. PDA is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of detected objects and weather, light and road conditions. See Owner's Manual for additional limitations and details. **47.** Use only if aware of circumstances surrounding vehicle it is legal safe to do so (e.g., do not remotely start a gas engine vehicle in an enclosed space or if vehicle is occupied by a child). Remote Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Digital Key also requires Bluetooth® connectivity. Not available on manual transmissions. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](http://toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](http://toyota.com/support/privacy-notice/). Trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **48.** An active Remote Connect trial or subscription is required to use the features mentioned in the Toyota app. **49.** Service not available everywhere or in every vehicle. Depends on 4G cellular network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Up to 5 devices can be supported using in-vehicle connectivity. Services may vary and are subject to change without notice. Data charges may apply. Requires separate subscriptions to third-party provider services. Valid in the contiguous U.S. and Alaska. Go to <https://myvehicle.att.com/#/toyota/learn?language=en-US> for terms and conditions. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data use or the 1-month trial period ends. Trial begins at activation and expires the earlier of 3 GB data use or 1 mo. Valid in contiguous U.S. and Alaska. See <https://myvehicle.att.com/#/toyota/learn?language=en-US> for terms and conditions. **50.** Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](http://toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](http://toyota.com/support/privacy-notice/). Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. **51.** Cloud Navigation requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and [https://www.toyota.com/connected-services/](http://www.toyota.com/connected-services/) for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit [https://www.toyota.com/support/privacy-notice/](http://www.toyota.com/support/privacy-notice/). **52.** Intelligent Assistant requires a trial or subscription to Drive Connect. Drive Connect availability and accuracy depend on certain factors outside of Toyota's control in order to operate, including 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data charges may apply. See Owner's Manual and [https://www.toyota.com/connected-services/](http://www.toyota.com/connected-services/) for limitations. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, visit [https://www.toyota.com/support/privacy-notice/](http://www.toyota.com/support/privacy-notice/). **53.** On select models, Destination Assist will require a trial or subscription to Drive Connect. Drive Connect services may vary and are subject to change at any time without notice. Availability and accuracy depend on 4G network availability, a cellular connection and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then services will not work, and will need to be discontinued. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](http://toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](http://toyota.com/support/privacy-notice/). Trial period begins on original purchase or lease date of new vehicle. Services may vary and are subject to change without notice. Requires app download/registration, acceptance of Terms of Use and subscription after trial (if applicable). Data charges may apply. The Destination Assist trial period begins on original purchase or lease date of new vehicle. Paid subscription required after trial (if applicable). Terms of Use apply. **54.** Safety Connect® services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded, including access to response center and emergency support. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. Stolen vehicle police report required to use Stolen Vehicle Locator. Services require account registration through Toyota app and acceptance of Connected Services Terms of Use at [https://toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf](http://toyota.com/content/dam/toyota/privacyvts/pdf/connectedservices-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see

## INFO AND DISCLOSURES

<https://www.toyota.com/support/privacy-notice/>. The Safety Connect® trial is included for a minimum of 5 years. 4G network dependent. **55.** Enhanced 24/7 Roadside Assistance allows use of in-vehicle SOS button to assist response agent to identify vehicle location. Unlimited mileage coverage effective with an active Safety Connect® trial or subscription that depends on certain factors, including 4G network availability. Services require account registration through the Toyota app and acceptance of Connected Services Terms of Use at [toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf](https://www.toyota.com/content/dam/toyota/privacyvts/pdf/connected-services-terms-use.pdf) and Master Data Consent. Data charges may apply. For Toyota's Connected Services' vehicle-generated data collection, use, sharing, and retention practices and agreements, see [toyota.com/support/privacy-notice/](https://www.toyota.com/support/privacy-notice/). Enhanced Roadside Assistance does not include parts and fluids, except limited emergency gas delivery. Towing distance up to 25 miles. Restrictions apply. Service subject to change at any time. Available in the continental U.S. and Canada. See Toyota dealer for details and exclusions. **56.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Brand Engagement Center at 1-800-331-4331. **57.** Service Connect services vary by vehicle and are subject to change at any time without notice. Services depend on 4G network availability, a cellular connection, and GPS signal. Without any one or more of these things, operability may be limited or precluded. Further, if and when 4G network changes or is discontinued, or the underlying technology required to support service becomes obsolete, then the services will not work and will need to be discontinued. The Service Connect trial is included for a minimum of 5 years. 4G network dependent. **63.** A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. The Bluetooth® word mark and logos are registered trademarks of Bluetooth SIG, Inc. Use of such marks by Toyota is under license. **64.** Airbag systems supplement the seatbelts and are designed to inflate only under certain conditions and in certain types of severe collisions. Always wear seatbelt, sit upright in middle and as far back in seat as possible to help decrease risk of injury. Do not put objects in front of an airbag. See Owner's Manual for limitations. **65.** JBL® is a registered trademark of Harman International Industries, Inc. **66.** SofTex® is a registered trademark of Toyota Motor Sales, U.S.A., Inc. **67.** Wireless

## INFO AND DISCLOSURES

charging may not be compatible with all mobile phones, smart devices, tablets, e-readers, MP3/WMA players and like products. **68.** Rated for 12 volts/10 amps. See Owner's Manual for additional limitations and details. **69.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner's Manual for limitations and details. **70.** Hill Start Assist Control is designed to minimize backward rolling on steep ascents. Not a substitute for safe driving judgment and practices. Speed, grade, surface conditions, driver input, etc., can all affect HAC function. See Owner's Manual. **71.** The engine immobilizer is a state-of-the-art anti-theft system initiated when the key is inserted into ignition switch or a Smart Key fob is in/near the vehicle. Engine will only start if the code in the transponder chip inside the key/fob matches the code in vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. For lost key or fob, see a Toyota dealer or go to [www.aloa.org](http://www.aloa.org) to find a qualified locksmith for high-security key service. **72.** Vehicle Stability Control is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and steering input can affect whether VSC will be effective. See Owner's Manual for limitations. **73.** Smart Stop Technology® will reduce power to help the brakes bring vehicle to a stop during certain contemporaneous brake and accelerator pedal applications. See Owner's Manual for limitations. **74.** Whiplash-Injury-Lessening front seats can help reduce the severity of whiplash injury in certain rear-end collisions. **75.** Meets Tier 2/Bin 3 Federal emissions standard.

## INFO AND DISCLOSURES

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See [toyota.com](http://toyota.com) for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.

### LEGEND

### WARRANTIES

---

Date and mileage limitations refer to whichever comes first from the date of first purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details and for information regarding the Federal and California Emission Control Warranties, and Tire Limited Warranties. Emission coverages vary under Federal and California regulations.
