Push your limits, in style.

Go above and beyond the ordinary in the 2023 Toyota Highlander. Its all-new 2.4L 4-cylinder turbo engine with available all-wheel-drive capabilities efficiently delivers power, to make the drive just as exciting as the destination. Riding around in the plush, spacious and teched-out interior will have you feeling relaxed and in control every step of the way. And wherever you choose to show up, Highlander’s bold yet refined design will keep all eyes on you. So get your crew together and get ready to elevate every journey.
PERFORMANCE

A step up in performance.

Highlander’s new 2.4L turbo powertrain is big on torque and efficiency, so you can find greater adventures. Multi-Terrain Select is designed to help keep you in control in dynamic environments, so you can explore with ease and peace of mind.

2.4L turbo powertrain

A new 2.4L turbo 4-cylinder engine provides 265 horsepower with an enhanced 310 lb.-ft. of torque. Along with up to an EPA-estimated combined 25 mpg,1 Highlander is ready to take on your adventures.

XSE sport-tuned suspension

Unique to Highlander XSE is a sport-tuned suspension that lets it hug the road a little tighter. Retuned shock absorbers, higher-rate springs and a rear stabilizer bar give you enhanced handling on the road, while its lower, athletic stance shows everyone that it’s ready to hit the ground running.

Dynamic Torque Vectoring AWD

Enjoy an upgrade in all-wheel-drive performance. Available Dynamic Torque Vectoring All-Wheel Drive increases responsiveness and stability by sending up to 50 percent of the power to the rear and then further distributing more power to the wheel that needs it.

Towing capacity

The epitome of power and smoothness. Highlander’s new 2.4L turbo engine flexes some muscle with its 5000-lb. towing capacity.2

Multi-Terrain Select

Offering you more capability when the pavement ends, Highlander features Multi-Terrain Select (MTS) on All-Wheel Drive (AWD) models. Choose between four modes (Mud & Sand, Rock & Dirt, Snow and Normal) for enhanced traction. When activated, the system is designed to sense slippage and regulate wheelspin — helping to maximize driving performance on different surfaces.

Drive modes

Three distinct drive modes let you tailor Highlander’s driving dynamics to match your mood. Sport Mode provides sharper acceleration, Eco Mode helps maximize fuel efficiency, and Normal Mode blends fuel economy with performance.

See numbered footnotes in Disclosures section.
EXTERIOR

Elegant from every angle.

Highlander’s bold design is hard to ignore. Its sculpted shape and contoured lines display the perfect balance between power and refinement. Now available in a new-to-Highlander Cypress color, it sets another standard for curb appeal. Get ready to turn heads wherever you go.

Twin-tip exhaust

Underneath XSE’s unique rear bumper features Highlander’s available twin-tip exhaust. Chrome-plated for durability and added attention, it helps finish off the sportier rear design.

20-in. wheels

Highlander shows off more style with its available 20-in. alloy wheels. Standard on XSE, Limited and Platinum, these sleek wheels add more sophistication without compromising performance.

Hands-free power liftgate

Experience freedom, even with your hands full. When you need to engage its available hands-free power liftgate, Highlander senses your Smart Key fob and is designed to open automatically when you kick your foot under the rear bumper.

LED headlights

The dynamic front end of Highlander shows off its modern look. The stylish standard LED headlights provide a crisp, clean light, while available auto-leveling LED projector-beam headlights help keep light aimed down at the road for better visibility.
Always ride in comfort.

Highlander combines space and comfort while featuring a modern design. Seat up to eight with third-row seating, catch a breeze under the available panoramic moonroof, or stay cozy with its available heated and ventilated seats.

12.3-in. Multi-Information Display

Standard on Limited and Platinum, the available 12.3-in. fully digital gauge cluster presents turn-by-turn directions, safety info, alerts and more, all at a glance, so you can keep your eyes on the road.

Qi wireless charging

Highlander has available Qi-compatible wireless smartphone charging. Leave the cables at home and seamlessly charge on the go by placing your smartphone on the shelf right below the touchscreen.

Panoramic moonroof

Follow the stars above with Highlander’s available panoramic moonroof with front power tilt/slide moonroof. Open it up to catch a breeze and enjoy the wide-open view, or easily find cover with a power-retractable sunshade.

Two-tone XSE interior

Feel the sporty vibe of XSE every time you enter. With its available red and black leather-trimmed seats with red accent stitching across the instrument panel, you can’t help but feel a little more empowered behind the wheel.

Third-row seating

Highlander’s roomy interior gives you enough space to seat up to eight, making it great for larger groups and families.
Driven to go the extra mile.

Highlander Hybrid makes the most of what everyone wants to do, on or off the beaten path. With up to an EPA-estimated combined 36 mpg, you can explore much further and stay out longer. All while enjoying the choice of front-wheel-drive or all-wheel-drive capability.

Hybrid drive modes

Highlander Hybrid offers multiple selectable driving modes that let you choose how it performs: Normal for everyday driving, Eco for maximum efficiency, Sport for enhanced acceleration, EV Mode, which allows electric-only driving at low speeds for short distances, and Trail Mode, which gives AWD models even more traction.

1500W power inverter

Highlander Hybrid lets you bring the creature comforts of home wherever you go. Just plug in to the available 1500W power inverter in the rear cargo area to power up your essentials.
Technology that keeps up with you.

Take advantage of smarter and convenient technologies designed to simplify your everyday life. Trial periods included for the listed connected technologies. Subscription required upon expiration of each trial period. 4G network dependent.

**Wi-Fi Connect**
Turn your Toyota into a hotspot with 4G connectivity.
- AT&T Hotspot
- Integrated Streaming for your subscriptions, such as Apple Music® and Amazon Music™

**Drive Connect**
Enhanced features to get you where you need to be.
- Destination Assist
- Intelligent Assistant
- Cloud Navigation

Feature availability may vary by model grade. See numbered footnotes in Disclosures section.
Audio Multimedia

High-fidelity. Highly entertaining.

Enhance every drive with an experience that’s all about you. Whether enjoying the sounds of your favorite soundtrack or interacting with an interface that you’re familiar with, you’ll always be surrounded by comfort.

JBL® Premium Audio System

Immerse yourself in quality sound with Highlander’s available JBL® Premium Audio system. An 11-speaker audio system equipped with a subwoofer, it provides phenomenal sound that amplifies every drive.

Wireless Android Auto™

Stay connected on the road. By pairing your compatible Android™ phone with the audio multimedia system, Android Auto™ lets you get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

Wireless Apple CarPlay®

Bring along a familiar face. With Highlander’s wireless Apple CarPlay® compatibility, you can use your compatible iPhone® with the multimedia system to get directions, make calls, send and receive messages, and listen to music, all while staying focused behind the wheel.

SiriusXM® Platinum Plan 3-month trial

With a SiriusXM® Platinum Plan 3-month trial, you get 425+ channels, including 165+ channels in your vehicle, to listen to ad-free music, plus sports, news, talk, comedy and more. Innovative features in Highlander make it even easier to search, discover and listen than ever before, through personalized channel recommendations curated just “For You.” Plus, the Live Sports category puts all your games and teams in one place, for easy access.

See numbered footnotes in Disclosures section.
Peace of mind comes standard.

Toyota Safety Sense™ 2.5+ (TSS 2.5+) is a bundle of active safety features included on many new Toyota vehicles at no additional cost. These innovative features were designed to help protect you and your passengers from harm.

- Pre-Collision System with Pedestrian Detection
- Full-Speed Range Dynamic Radar Cruise Control
- Lane Departure Alert with Steering Assist
- Automatic High Beams
- Lane Tracing Assist
- Road Sign Assist

For more information, visit toyota.com/safety-sense. Feature availability may vary by model grade. See numbered footnotes in Disclosures section.

HIGHLANDER ACCESSORIES

This is a great way to add extra personality to your Highlander. Not every accessory is available in your area, so for a complete list of accessories, go to toyota.com/highlander/accessories.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that’s not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Hybrid-Related Component Coverage: Hybrid-related components, including the battery control module, hybrid control module and inverter with converter, are covered for 8 years/100,000 miles. Refer to applicable Warranty and Maintenance Guide for details.

Hybrid Battery: HV battery is covered for 10 years or 150,000 miles, whichever comes first. Warranty coverage is subject to terms and conditions. Refer to applicable Warranty and Maintenance Guide for details.

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle’s in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty. For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage. You may be eligible for transportation assistance if it’s necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota’s warranties, please visit www.toyota.com, refer to the applicable Warranty and Maintenance Guide or see your Toyota dealer.

### Weights/Capacities

#### Curb weight (lb.)

- Standard seating config.: 4155
- Optional seating config.: 4199
- Standard seating config. (platinum): 4265

#### Gross Vehicle Weight Rating (GVWR) (lb.)

- Standard seating config.: 5870

#### EPA passenger volume (cu. ft.)

- Without moonroof, first/second/third row: 141.8
- With moonroof, first/second/third row: 139.5

#### Cargo volume (cu. ft.)

- Behind front/second-row/third-row seats: 84.3/48.4/16.0

#### Fuel tank (gal.)

- Standard: 17.9

#### Seating capacity

- Standard: 8
- Optional: 7

#### Towing capacity (lb.)

- Standard: 5000

#### Tires

- All-season tires: S
- Temporary spare tire: S

#### Mileage Estimates (mpg city/highway/combined)

- Hybrid FWD: 36/35/36
- 4-cylinder Gas FWD: 22/29/25

---

See numbered footnotes in Disclosures section.
DISCLOSURES

1. EPA-estimated 22 city/29 highway/25 combined mpg rating for 2023 Highlander L FWD, LE FWD, XLE FWD, XSE FWD, Limited FWD and Platinum FWD; EPA-estimated 21 city/ 28 highway/24 combined mpg rating for 2023 Highlander L AWD, LE AWD, XLE AWD, Limited AWD and Platinum AWD. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/when you drive. See www.fueleconomy.gov. 2. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on your vehicle type, weight plus the weight of passengers, cargo and towed load. "Added vehicle equipment" includes all non-standard/optional equipment and accessories added by the manufacturer, dealer, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. [Calculated with the new SAE J2807 method.] See Owner's Manual for limitations. 3. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unusually. See Owner's Manual for limitations. 4. Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. 5. EPA-estimated 36 city/35 highway/36 combined mpg rating for 2023 Highlander Hybrid LE FWD, Hybrid XLE FWD, Hybrid Bronze Edition AWD, Hybrid Limited AWD and Hybrid Platinum AWD. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See Owner's Manual for limitations and details. 7. Rated for 1500 watts shared between both outlets. See Owner's Manual for additional limitations and details. 8. Connected Services depend on factors outside Toyota's control, including an operable telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. See Owner's Manual and at https://www.toyota.com/connected-services/ for additional limitations and details. 10. Full-Speed Range Dynamic Radar Cruise and position of pedestrian or bicyclist and weather, light and road conditions. See Owner's Manual and at https://www.toyota.com/connected-services/ for additional limitations and details. 20. SiriusXM trial length and service availability may vary by model, model year or trim. 21. Google is a trademark of Google LLC. 22. BLU® is a registered trademark of Harman International Industries, Inc. 23. Android and Android Auto® are trademarks of Google LLC. 24. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. 29. Destination Assist depends on factors outside of Toyota's control, including an operable telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/toyota for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB data usage or the 1-month trial period ends. Subscription required after trial. Integrated Streaming requires separate subscriptions to third-party providers' services Terms of Use apply. Download the earlier of 3GB of data usage or the 1-month trial period ends. The Destination Assist trial (if applicable). Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM. 30. Technical details and features subject to change without notice. Service connected to the SiriusXM Customer Agreement and Privacy Policy; visit www.siriusxm.com to see complete terms and change the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM. 31. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. Owner's Manual and at https://www.toyota.com/connected-services/ for additional limitations and details. 32. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. Owner's Manual and at https://www.toyota.com/connected-services/ for additional limitations and details. 33. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See Owner's Manual for additional limitations and details. 34. The Lane Tracing Assist (LTA) lane centering function is designed...
to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. Not available on vehicles with manual transmissions. See Owner’s Manual for additional limitations and details. 35. Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle’s forward-facing camera and navigation system (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See Owner’s Manual for additional limitations and details. 36. May not be compatible with all mobile phones, MP3/WMA players and like models. 37. Rated for 12 volts/10 amps. See Owner’s Manual for additional limitations and details. 38. Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rear-facing child seat in any front passenger seat. See Owner’s Manual for additional limitations and details. 39. The Rear-Seat Reminder does not sense objects in the rear seat. The Rear-Seat Reminder is designed to recognize a unique rear-door opening pattern that may be consistent with an object being placed in the rear seating area. See Owner’s Manual for additional details. 40. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See Owner’s Manual for additional limitations and details. 41. Do not rely exclusively on the Rear-Cross Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See Owner’s Manual for additional limitations and details. 42. HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. 43. Softex® is a registered trademark of Toyota Motor Sales, U.S.A., Inc. 44. Do not exceed 120V. See Owner’s Manual for additional limitations and details. 45. The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner’s Manual for additional limitations and details. 46. The Adaptive Front-Lighting System helps improve night vision. Situations such as a dirty windshield, rapidly changing light conditions or hilly terrain may limit effectiveness, requiring the driver to manually turn off the system. See Owner’s Manual for additional limitations and details. 47. This floor mat/roof liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with fasteners. Do not install a floor mat/roof liner on top of an existing floor mat/roof liner. 48. Extra-cost color. 49. Do not overload your vehicle. See Owner’s Manual for weight limits and restrictions. 50. Cargo and load capacity limited by available space and weight limits and restrictions. Always properly secure cargo and cargo area. 51. Dashcam may not record under certain conditions. Always respect the privacy rights of others. See your dashcam Owner’s Manual for details. 52. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle with no or different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). 53. The backup camera does not provide a comprehensive view of the area behind your vehicle and you should always use your mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner’s Manual for additional limitations and details. 54. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 55. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Functionality, availability and accuracy of information provided by the system depends on many factors and service may not be available in every location. Use common sense when relying on information provided. Apps/services vary by phone/carrier. Select apps use large amounts of data; you are responsible for charges. Apps and services subject to change at any time without notice. See toyota.com/connected-services for details. Services and programming subject to change. Updates may be available from your dealer at an additional cost. See Owner’s Manual for additional limitations and details. 56. Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See Owner’s Manual for additional limitations and details. 57. Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See Owner’s Manual for additional limitations and details. 58. Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. See Owner’s Manual for additional limitations and details. 59. Vehicle Dynamics Integrated Management (VDIM) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VDIM will be effective in preventing a loss of control. See Owner’s Manual for additional limitations and details. 60. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver input can all affect whether HSA will be effective in preventing a loss of control. See Owner’s Manual for additional limitations and details. 61. The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle’s immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.toyota.com to find a qualified locksmith in your area who can perform high-security key service. 62. The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See Owner’s Manual for additional limitations and details. 63. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving practices. Factors including speed, grade, surface conditions and driver input can all affect whether HSA will be effective in preventing a loss of control. See Owner’s Manual for additional limitations and details. 64. At speeds of 9 mph or less, Front and Rear Parking Assist with Automatic Braking (PA w/AB) is designed to assist drivers in avoiding potential collisions with nearby static objects when the vehicle is in Drive or Reverse and approaching crossing vehicles when the vehicle is in Reverse. Do not overly rely on PA w/AB. Always look around outside the vehicle and use mirrors to confirm clearance. Certain vehicle and environmental factors, including an object’s shape, size and composition, may affect the system’s effectiveness. See Owner’s Manual for additional limitations and details. 65. Predictive Fuel-Efficient Drive systems require a destination entry in the navigation system for use. See Owner’s Manual for details. 66. Before towing, confirm Stop and Start Engine System is disengaged (EV gas models only). 67. Meets Tier 2/Bin 3 Federal emissions standards. 68. Trailer-Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See Owner’s Manual for additional limitations and details.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). Toyota Highlander is designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing hitch receivers/ball mount kits are not intended to provide crash protection.

For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle. All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.
